THE VOICE OF THE "I AM"

BY THE ASCENDED MASTERS AND THEIR
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

BELOVED SAINT GERMAIN SAYS: "These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters' Words in those Books always carry Ascended Masters' Radiation from the Ascended Masters' Consciousness and the Ascended Masters' Octave of Perfection. . . .

"And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the 'I AM'* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters' Radiation is *not* in those books and will *not* be!

"So I say that for everybody's Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any, that you find in the Saint Germain Series or The Voice of the "I AM" or in the Dictations! . . .*"

Beloved Ones of the Sacred Fire, let Us help you tonight to enter into such a full Understanding of all that the Unfed Flame can do for you, all that the other Activities of the Sacred Fire can do for you, that you become completely aware of the World of the Unfed Flame—both the Unfed Flame in your own Heart and the enfolding Unfed Flame which has been offered to help you gain your Freedom; for, Beloved Ones, regardless of anything you are required to do in the outer world that is constructive, unless you have the balance of Love, Wisdom, and Power, you do not attain your Victory, and you do not produce the Perfection that you require in this world.

And mankind needs to understand the full Power contained within that Unfed Flame that can and will sustain Perfection for aeons of time. So in understanding and using the Unfed Flame, you enter into the great Creative Activities of God and God's Universe to produce the Perfect Manifestation that always produces Happiness for you and all Life. When you realize that that Unfed Flame is the sustaining of your physical body, I mean the Power within the Permanent Atom of the Heart—that Unfed Flame is anchored there—and, mark you, just the Radiation from that Unfed Flame is the energy that you use in the body and around it, carry on the life processes in the body to act through the body to enable you to do things in the physical world, and to enable you, just by the use of that energy, to carry out into manifestation whatever you *will* to manifest. So long as what you desire to manifest be constructive, then you can by Conscious Command have the Concentration of that Unfed Flame into a condition to make it eternal.

The Unfed Flame is the Eternal Perfection of the Universe. It is the Source of Immortality. It is Immortality Itself, and

that is why I want you to understand both Its Power and Its importance to you and to the world. This Knowledge must come both to the intellect of mankind, and the Radiation of the Knowledge must come into the feeling of mankind. Therefore, the more you can understand It and use It in and around yourselves, the more Its Illumination radiates forth through you and around you to awaken mankind, until all individuals reach up and want to know something about the Unfed Flame—which is one Activity of the Sacred Fire—until the awakening of the masses of the people takes place, and through their attention upon that Unfed Flame, the Power of the Great Central Sun Magnet acts to draw them up and out of their discord.

Just the attention upon that Unfed Flame, My Dear Ones, even without the intellectual consciousness understanding It—just the attention connected with It draws Its Radiation in and around the outer self and into the outer affairs to help Life produce balance by the flow of Its Love, Wisdom, and Power. And you cannot even think of that Unfed Flame without a feeling of Peace coming within the emotional body of yourselves. I want you to realize that the moment you begin to think upon It and want to understand It and love It and desire to use It, there comes immediately within you Its Balancing Radiation that brings Peace inside of you.

So, Blessed Ones, it is far more important than you understand—to understand and appreciate what It can do for you. And in referring to the condition of those bodies that are in the Royal Teton, it is the Unfed Flame that was established in that room that has sustained the atomic structure of those bodies, kept them purified and filled with Life that continually radiates Perfection and Its Power. Therefore, to feel deeply the existence of that Unfed Flame in your Heart, in your flesh

structure, in the atmosphere about you, in your government, in your home, in your business, in every activity of the outer life, is the wide-open Door to your Mastery.

And I would appreciate greatly your attention upon that Unfed Flame as is contained within the Lyrics of the Song that is dedicated to Myself. When you realize what is within those Words and you hold that picture, you will begin to feel that Power flow through you. “Flame within my Heart, expand and light my way!” My Dear Ones, if you love that and feel It and sing It, you could no more fail to have that Unfed Flame go forth ahead of you and prepare your way than you could take the Universe out of existence. It is absolute in Its Response to you. All you have to do is provide the Opening by your Love to It, your recognition of It, and your use of It. You—none of you yet understand just what that Unfed Flame can do for you all.

So as you draw It more into your affairs, give It recognition, and call for Its Radiation to come in and around you at all times, It is the Great Presence from the Great Central Sun that is the Power of the Great Central Sun Magnet to give you your Ascension. It will give everybody and everything the Ascension wherever It is called into action. It will raise everything in this world into the Perfection of Our World, because It is the Vibratory Action of Immortal Balance—the Immortal Balance of Love, Wisdom, and Power which is the only Channel through which Perfection can manifest. And therefore, It not only will help to give you your Ascension the right way, but It will help all that you contact in this world to be raised to some degree, wherever you pass by, into this Greater Perfection of Our Octave.

It is absolutely imperative that mankind understand It. Now at one time in the past this Unfed Flame was explained

to mankind, and they did have some use of It. And you have fragments of It in your architectural designs all over the world down through the ages, so the form of It has been held throughout the world as a focus of Its Power. It has always been used to represent Authority, Divine Ruling Authority. And so when you fully understand what It can do for you and the Power that you can draw forth by Its constant use, only your own experience will make you understand how wonderful It is, what a Friend It is, and how Immortal are Its Blessings.

So, Blessed Ones, think about It! love It! use It! and wherever possible, call your “Mighty I AM Presence” and the Legions of the Unfed Flame, the Legions of Victory, to establish that Unfed Flame every place you can think of in this world to establish Its Purity of Love, Wisdom, and Power that crowds out everything that is out of balance, everything that needs to be purified.

Where that Unfed Flame comes forth, It cuts through everything and takes up Its Dominion and establishes Eternal Balance. I could extol Its Virtues forever; and so can you once you begin to see It act, once you begin to feel Its Power. Once you begin to know what It can do for you—and all—you will never stop using It. Then you will have entered into your Oneness with It. As soon as your attention goes to the Unfed Flame in your own Heart, the Heart of your “Presence,” the Heart of the Physical Sun, the Heart of the Great Central Sun—the moment you give that recognition by your Love to It, you will understand what a Mighty Scepter of Power Life has given you. And Life will always let It remain in your use, so long as your attention goes to It, because It is a Power of the Sacred Fire that destructive forces cannot use, because destructive

forces are out of balance. But the Unfed Flame is the Sustaining Power of everything that you want that is right.

So try to feel It as a great Treasure House of Immortal Supply to your outer selves. You do not realize yet what It has given you. If It could supply your body and your mind with the energy by which they exist, and if It can supply just by Radiation all the energy you use lifetime after lifetime down through the ages, do you not think It can supply your affairs with the Balanced Flow of the Sacred Fire that contains the Supply of everything? It's the Supply of Life to the Universe. It's the Supply of Substance and Energy out of which all Systems of Worlds are created; and if It can supply that, do you not think It can supply your little world of needs down here? (*applause*) Thank you, Precious Ones.

And I wish you to realize tonight that It is called the Unfed Flame because It is Self-existent, Self-sustained, Self-expanding with everything in all manifestation. So, Blessed Ones, when you begin to call through your own Heart's Love to your "Mighty I AM Presence" for the Immortal Supply of every good thing by the Unfed Flame's Sacred Fire, you will find that you lack not for any good thing. That Sacred Fire is the Source of Love, Wisdom, and Power that creates everything in the Universe and is the Fulfillment of every constructive Desire, because every constructive Desire has come out of that Unfed Flame; and within that Flame is the Fulfillment of Its own Desire. You try charging your beings and worlds with the eternally fulfilled Divine Desires of the Unfed Flame, and see for yourselves what "I AM" talking about tonight! (*applause*) Thank you, Precious Ones.

Always before you use It, use the Spinning Violet Consuming Flame in and around yourselves to clear the way, so that in Its quick Release of Power, the Radiation of that Sacred Fire

goes forth instantly into the atmosphere around you. Then It begins to act for you. Now I tell you, when things are in Perfect Balance, you do have Perfection manifest; and without Balance, you don't have Perfection manifest. You can't have Perfection without Love, Wisdom, and Power. You can't have Perfection without the Sacred Fire.

And so when you demand that this outer self be filled with the Immortal Perfection of the Unfed Flame, and your world becomes the Immortal Perfection of that Unfed Flame, It provides the way for you to attain the Ascension without passing through the change called death. So I bring this to your remembrance tonight because, Dear Ones, you have known It in the centuries past in certain Golden Ages. You had the use of It, but you forgot to use It because your attention went to the unbalanced conditions of the outer world; and tonight "I AM" calling you back where you belong. (*applause—audience rising*) Thank you, Precious Ones. Won't you be seated, please, and just remain so.

Now I have brought this to your attention tonight that you may make more conscious effort to attain the Ascension without passing through the change called death. And since "I AM" certain Authority over your Life Streams because of My Focus of that Unfed Flame, then I can help you to attain your Ascension that way. And so I have brought this Explanation that you may dwell upon It, feel It deeply, hold the picture of Its Presence acting in and around you and all mankind, that the Cosmic Focus of Its Action may become eternally established in this world for the outer world's observation and attention upon It, until It has rendered Its Service in awakening the masses of the people so they reach up and accept It and use It for their Freedom.

So I enfold you tonight in My Feeling and My

Understanding of the Action of that Unfed Flame to assist you to your Ascension without passing through the change called death. I leave you enfolded within It by the Command of My Heart's Love for your Freedom this way if you will give this cooperation. So "I AM" your Friend of the Unfed Flame for Eternity. Thank you with all My Heart.

LORD MAHA CHOCHAN

Call Me to take you deeper into My Heart's Love and make you feel Its Flame. You will feel with the next breath My Feeling of Peace. Then all you have to do is to hold that, and I will fulfill the promise through the centuries: "You shall hold your peace, and I will fight your battles." You hold on to the Peace that My Heart's Flame of Love can give you. You hold It for one instant, and then make It your own.

MARCH 18, 1937

As these Blessed Books have gone forth spreading Their Radiance and Truth, oh, how many feel the Great Truth and wonderful Reality which They convey! This last issue of the Magazine which has the Chart will spread over the entire Earth. Blessed Ones, great, great is your privilege in being the vanguard of this Service which will one day set America and the world Free. It will one day bring the longed-for condition upon Earth when all mankind shall be at peace and all struggle ceases. Oh, can you not feel—even as I speak the Words—the Joy, the Reality of living in such a World!

Volume 6:65

HAPPY BIRTHDAY, BELOVED LOTUS

I asked Beloved Saint Germain in the beginning of this Work before we ever went on tour—if He ever saw me at any time going to do anything that would interfere with the Ascension of myself or anybody in this world, or interfere with His Work or America’s Freedom, would He come through, step through and prevent me doing it or take me out of the body. He reached His Hand across the table and shook hands with me and He said, “I accept your request!”

THE ROYAL TETON OUTPOURING

Beloved Lanto

The Great Ones who have poured Their Love from Venus since the beginning of Creation of this world—in fact, this System of Worlds—are pouring Love that mankind cannot comprehend until the Ascension is attained. And when that Love is pouring forth through the Royal Teton tonight, I beg of you, I plead with you; I ask you to call It in and around yourselves, and ask your “Beloved I AM Presence” and the Ascended Host to make the Flame of that Cosmic Sacred Fire Love permanent within your bodies as an eternal part of your Life Streams, blaze around you the Sun of Its Presence, make you Its Heart Command to Life, and blaze the Power of Its Victory quickly into outer physical conditions to hold Protection for everything that is constructive.

I plead with you, accept this tonight and feel It, give It recognition, make Its Victory manifest, and become the Outpouring of Its Power to more quickly hold Protection of that which governs your Nation by the Hand of God. (*applause*) So, Beloved Ones, I assure you, as you make the Call to come as quickly as you can get home and retire—if you will ask the Angelic Host to be your Escort, to keep you insulated within the Heart Flames of the Angelic Host to bring you as quickly as possible, and to help you receive and maintain as an eternal part of your Life Stream every Blessing and Outpouring that goes forth tonight in, through, and around and to those who come there.

So with that in mind—the Escort the Beloved Saint Germain and the Mighty Godfré will bring for you all—I trust We may welcome you tonight and give you a Gift that is yours for Eternity second to none, and which will become for you the use of a Magnetic Power, a Majestic Presence, a Power of Victory, and manifest those Blessings of the Sacred Fire that must come and become Eternal into the manifestations of this world. And They can come into the manifestations of you and your world first; or, as you receive Them and then as They are poured forth to the Nation to hold steady the constructive activities within your borders, it enables you to become a Protecting Presence for that which abides within your borders, is trying to hold to the constructive way of Life at this time, and is the Strength of the Light in the people to help them do right.

So to this end do We enfold you tonight in that Great Central Sun's Miracle Mantle of Our Love's Mastery, the Miracle Mantle of Our Love's Power, the Miracle Mantle of Our Love's Sacred Fire Presence with you, to do for you at this time what as yet you cannot do for yourselves. So come! We will welcome you!

Discourse by

BELOVED GODDESS OF PEACE

**Chicago, Illinois • July 18, 1952
Record SG 1982**

Beloved Ones of God's Heart, let Us enter deep tonight into the Inner Feeling of that Great Honor Flame of God's Love from the Heart of the Central Sun that is the Source and the Giver of all Peace. That "Blessed I AM Presence," ever pouring forth Its Life to the Universe, holds within that Life the Power of Peace; and

I want you to feel this tonight. While the Invincible Honor Flame of that Love is so great, yet you must have the Power of that Love and that Peace into the energy of the physical world if We are to accomplish Our ends, and remove from the Earth that which has through the centuries sought to destroy Peace upon the Earth.

Now as We draw the Cosmic Light Substance into the atmosphere of Earth, It acts in the lower atmosphere just like oil on troubled waters. It has a Power within It to stop turmoil; and that Cosmic Light Substance can be drawn with such brilliancy into the conditions of the physical world that It becomes the Commanding, Controlling Authority to stop the destruction that is ever whirling to spend its force. You see, you have much resistance in the physical world in many ways; but this Power of the Cosmic Light which it is Our privilege to direct can do many things in your atmosphere that you, physically, cannot do. This becomes a Pressure and can be focused or intensified to any degree whatsoever to control the conditions of mankind's human creations when they are determined to destroy and do nothing else.

You know, many times you have a very wonderful light snowstorm, and those little delicate flakes, each one perfectly designed, float down and down and down; and those snowflakes keep on coming down until they can produce so much resistance and so much power, light as they are, that they block your great big locomotives that cannot go through the snowstorm. Now that is what "I AM" speaking of. The Cosmic Light can do the same thing. While It seems so light and so delicate and so lovely, yet It can come again and again and again, and condense and continue to condense until nothing can shatter It. And so since you will have to do everything the harmonious way before you come to

permanent Peace and permanent Perfection, then begin your Calls, and demand the Power of Peace intensify and expand in and around your Nation to the point where the destructive forces cannot again disturb.

So We are bringing tonight this very delicate Substance—may I say, delicate in a way as a gossamer veil—and yet if allowed to come without interruption, It can intensify and build to a point where the destructive forces of this world cannot shatter It. And that is what has to come if you are to have permanent Peace to the Earth. It has to come that way. We can draw forth all the Activities of the Sacred Fire, and They can burn up the human creation; but the Substance and the Power of Peace that regulates things in this world and keeps things in Divine Order and Balance is as gentle as a breath—but if continued, becomes the Power of the planet itself.

Do you remember, when the Blessed God Himalaya drew the Golden Snow over—into the atmosphere of the United States of America, that It was so gentle and so beautiful and so soft that most people are not aware of It. But let Me tell you, much of that which is blessing you today was protected by that Substance which He gave. And so in the Service which it is My privilege to give, as I draw the Honor Flame of My Love and My Peace to the Earth, and you draw the Power of Cosmic Peace into the substance of your atmosphere, into the substance of yourselves and your worlds, that will enter in gently; but It may be increased to such Power that you have no idea how great that could act in and around you. We can condense this to the point where It's harder than steel in the atmosphere about you and a Power that nothing can shatter. And then the vibratory action, the activities of Life upon that planet become Eternally Balanced, Eternally

Beautiful and Perfect, and are held in the atmosphere of that Peace that insulates that planet and its activity from the rest of the Universal Energy.

But, My Dear Ones, you, as individuals, can do the same thing in and around your own physical body. You begin to call the Violet Flame Power of Eternal Peace into yourselves and in, through, and around you; and you demand the Honor Flame of Eternal Peace come in and around you. It becomes a very visible, living, breathing, tangible Presence. The Invincible Honor Flame of God's Cosmic Heart is the Peace that Love contains and can always intensify and expand without limit in any condition. And now I enter into the Action of this in the energy of your own feeling world. This does the same thing in the energy of your feeling world that a very calm day does when the water of a large body of water like a lake, lays as still as glass and you see the reflection from the sky above into the water.

Well, the Power of the Invincible Honor Flame of My Love and My Peace to the Earth does the same thing to the energy of your emotional body, your feeling world, as that perfectly still atmosphere does to a large body of water. The Invincible Honor Flame of My Love and My Peace, the Power of Its Cosmic Light and Its All-controlling Presence, can enter into you and always hold your feeling charged with that Power that enables you to maintain Peace; and wherever you go, that Radiation of Substance and Vibration does the same thing and enters into others wherever you go. If you will but use this, you can become the Peace-commanding Presence to Life. And We will love to help you become that "Presence"; for then you will radiate a Light, and that Light is the increasing Force that compels the hordes of darkness to leave the Earth.

So it is quite necessary that you charge yourselves and make yourselves the Peace-commanding Presence of the Honor Flame of God's Great Cosmic Heart. Just feel your privilege; and know that when you are in turmoil and in such distress sometimes, that Peace can come like a breath—or It can come in a Flame or It can come in Cosmic Light Substance. And if you want It, you may have It without reservation, so far as you as individuals are concerned. The Earth is refusing It because of their turmoil; but in your Conscious Call to Us, there is no limit to that Peace which you can have from Us. (*applause*) Thank you, Precious Ones.

And "I AM" quite sure many of you have longed for this in the midst of disturbing conditions. So often when the outer world is in such chaos and the demands upon you are so incessant, just clothe yourselves for a moment in the Power, mark you, of Our Peace of the Great Honor Flame of God's Great Cosmic Heart; and for a moment, let It come in and enfold you. And you will find It will be like a hand. It will bring into Divine Order easily, perfectly, many of the conditions that you have struggled under and seem unable to control. The outer world cannot have this as yet, until certain Purification takes place; but you, as "I AM" Students, when you call for that great Power of Peace, the Violet Flame Peace that this world requires, the Purification goes on in Perfect Love and comfort and ease.

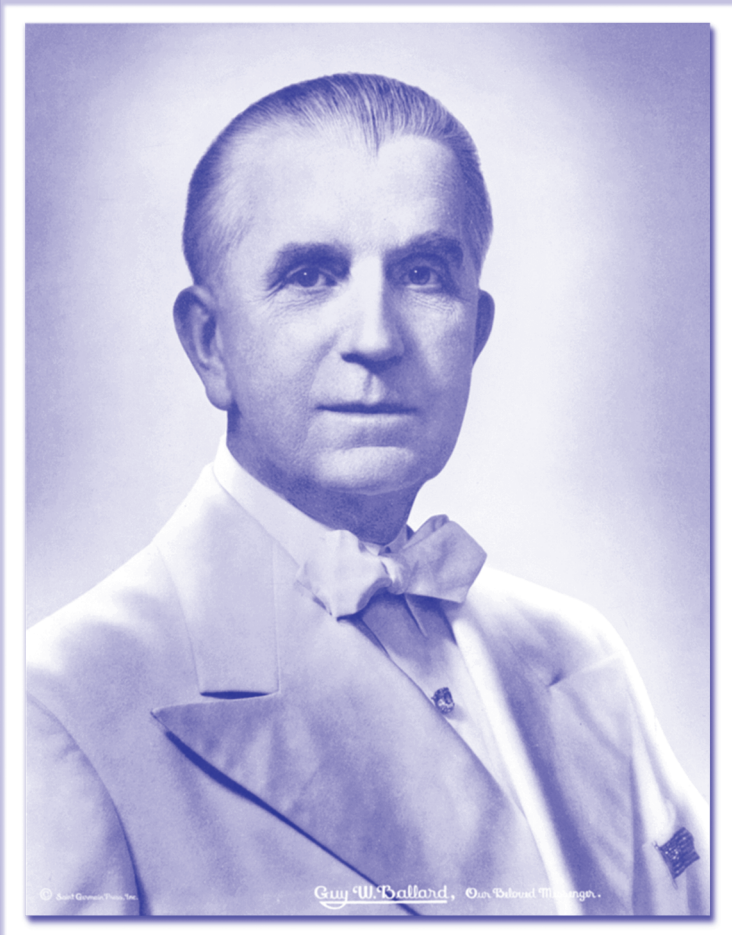

And that is why that Blessed Violet Consuming Flame is the Power and Grace of God's Gift to you, God's Love to you. And that is how in the consuming of conditions that you have generated in the past, when they come forth for redemption, that energy comes back to you to be purified and handled. When you call for the Violet Flame Peace of the Invincible Honor Flame of God's Cosmic Heart to

come into all the energy of your world, you will find many, many wonderful things coming forth to bless you. And then that Peace can become so great that you will want to bless everybody and everything. Your very Life will be a Benediction in the atmosphere in which you move.

Then you could stand in the midst of a storm, and with the Love of that Peace you would be the Power that commanded it to be still. You see, the Beloved Master Jesus—when He walked upon the water and the waves were in turmoil, all He did was say, “Peace! Be still!” and every bit of that energy stopped the vibratory action of turmoil. And you in this Call can do exactly the same thing to the atmosphere about you and to the energy in the feeling world, both of yourselves and in those around you, until people will positively be healed in your presence because of the Power of that Peace.

This is one use of Power that nothing can fear, nothing can refuse, and the hordes of darkness dare not oppose. So you really have a Scepter of Invincible Power, Precious Ones. You have an opportunity to use this. It has not been explained to you before because, you know, We could not give everything at one time. You might feel that you have been given so much that you only catch the highlights occasionally as the Dictations fly by (*laughter*), but you would be surprised how much of the Substance and Energy of those Dictations have anchored into your Life Streams and into your world permanently. And when you get this Momentum of the Power and of Peace of the Invincible Honor Flame of God’s Great Cosmic Heart, you will enter into, may I call It, the Mirror of Universal Light. And then as you look upon that Light, if you choose to recall the memory of what the Light has given, It will stand there before you—living clear as long as you desire.

(continued on page 24)

**THE ACCREDITED MESSENGER,
BELOVED GUY W. BALLARD**

THE ACCREDITED MESSENGER,
BELOVED EDNA W. BALLARD

You enter in, My Dear Ones, to the Great All-Knowing Mind of God when you demand the Power of Peace come into your world to settle human disturbance by Its Violet Flame Power of the Great Honor Flame of God's Great Glorious Heart. Oh, enter in, and then that is when you have the Power to heal with a touch of your hand. That is what the Master Jesus used. It is what every Ascended Master uses. You will raise your hand in Blessing, and in one Call of that Substance and Power of Eternal Peace—Eternal Violet Flame Peace of the Invincible Honor Flame of God's Great Cosmic Heart—It would enter into the flesh body of the individual, and the substance would be consumed that was the cause of the turmoil. And oh, Blessed Ones, it's worth any discipline that you might have to take. It is worth any effort you make, to make the outer self the Love and the Power of such Peace that you can heal instantly anything and anybody that comes to you. Isn't it wonderful? (*applause*) Thank you, Dear Ones.

And now as you are entering into the conscious use of this, I want to explain to you something that the Blessed Godfré said some months ago: that you generate the turmoil from within, and you wear your body from within out. The outer world—it generates its turmoil, and it causes friction and wears you from without in! (*laughter*) And now We're going to reverse that. If you will draw the Power, the Violet Flame Power of such Peace from the Invincible Honor Flame of God's Cosmic Heart, It will fill you with Itself and heal you from within. And then you draw It into the world about you, and It will bless and heal you from without. And then you become like a Sun of that Peace. And sometimes just a word with that Radiation will turn an entire Life Stream away from destructive activities and anchor that Blessed

One into the Pathway of Light, because the Power of Peace makes the human creation stand aside until the Higher Mental Body can take Command of the outer self and help it step through to the Pathway of Light.

Oh, It will bring Joy unspeakable! And know It always as the Violet Flame Power of Peace that is eternal from the Invincible Honor Flame of God's Great Cosmic Heart. You can use the words "*Beloved Mighty I AM Presence,*" and then you could call to Us: "Make my outer self a Sun of the Violet Flame Power of such Eternal Peace from the Great Invincible Honor Flame of God's Great Cosmic Heart, that 'I AM' forever Its Peace-commanding Presence that brings the Heart of God to mankind wherever I abide!" And I assure you, that is very worthwhile as you begin to feel your Power to give that Peace, your Authority in that Power to command Peace, your Authority and that Power in yourselves to blaze that Peace which illumines the atmosphere about you.

Now if you want the Power of Precipitation, if you want the Power of illumining the body or the atmosphere wherever you abide, you will need this Violet Flame Power of Peace that is eternal. You couldn't illumine the atmosphere about you if you were just all in a flutter. It would wave so much, the Light would be shut off. And the same thing in healing. When people sometimes are under such strain and stress, they get so keyed up, the Light just can't get in.

And, My Dear Ones, another one of Its Magnificent, Joyous Activities is to be able to raise your hand and command pain to cease to be. That, I assure you, is a privilege of Life—to be such Violet Flame Power of that Peace that you love to pour forth the Honor Flame of God's Great Cosmic Heart. And then when you say, "Peace! Be still!" the pain stops,

the energy stills, the Light comes in, and the individual once again turns back to the Source of Glory and Power and Perfection of God's Life.

Oh, it's wonderful to come back Home, Precious Ones, into the Heart of Eternal Peace. And the Invincible Honor Flame of God's Great Cosmic Heart is the Home of Peace. But in this world, you need to draw Its Violet Flame Power of that Peace into yourselves and around you, that God's Heart's Flame may live again in your world in your Electronic Circle of Life until you become the Thousand-petalled Lotus of God's Life in manifestation; and Its Love and Its Power and Its Peace ever build for you the greater glories of the Ascended Masters' Octave. And then will there come Legions to assist you; and Life everywhere will love you and give you of its best, because it will be blessed by the Love of your Peace. And, My Dear Ones, this you can draw consciously and at will by your own Command and Call to your "Blessed I AM Presence" in the use of the Great Word "I AM" and that Violet Consuming Flame. Your privilege is infinite and eternal and glorious beyond words.

I hope there comes within you such gratitude for this Knowledge, such willing Obedience, that all the Powers that We want to offer you for use will come quickly into your outer direction to do for your Nation that which you have the Power to do. You do have this Power. With this Call It will reveal Itself to you until your atmosphere is a Benediction to the Earth forever. Go forward in Its Glory; and do thou, by Obedience to your "Blessed I AM Presence," glorify the Universe about you with the Peace which it is My privilege to bestow. Thank you with all My Heart if you will use My Peace.

And oh, Beloved Ones, there are those who have given

Me recognition throughout the world—and in the Orient, as a memory that long ago was a custom among the people, there is the phrase which they still use, thank God: “Peace be with you! Peace perfect you! Peace, give you Peace, that you may multiply It.” May you become the Violet Flame Power and Honor of Its Great Heart Flame tonight, and let It give you of Its Boundless Gifts and make you the Victory of Its Presence. And then when you command Peace, will you know you are forever Free. Enter in and have your Freedom from tonight. (*applause*)

Thank you, Precious Ones. May I say to you, you need It, mankind need It. All Life in this world needs your Peace. May you become Its Invincible Honor Flame, and the Glorifying Violet Flame Power of Its Presence become manifest about you until you are able to walk on the water and still the waves, walk into the Hearts of mankind and still the feeling world, until only God’s Light can be seen there, and the Perfection and Joy of Eternity claims you back into your Royal Home. Come and be with Us tonight. I thank you.

LORD MAHA CHOCHAN DAY

Lord Maha Chohan

say to you, you might consider Me the Guardian at the Gate of the Great Treasure House of God's Mighty Universe, God's Mighty Love, for that "Beloved I AM Presence," since It is the Giver of all Good, since It has Custodians in every Realm of Activity of Its Mighty Powers and Its Mighty Blessings, Its Mighty Manifestation, then I say to you, I would like to feel

that you are so at One with Me through Our Great Love for Perfection and Our Love to produce Perfection in this world, that I will be free to give you Unlimited Blessings and Wealth and Opulence to beautify the Earth, to purify it, to illumine all things, and to establish that which becomes the permanent manifestation in this world.

Then will you find yourselves automatically designing those things that have never been in this world before, and yet which will bring such joy because of their sheer beauty, that they will be a raising influence and will radiate a Raising Energy and Power of Light to all who behold them. And you will come to find that beauty is one of the Raising Activities of Our Love, and you could not have Perfection without it. We do not bring it forth to gratify any vanity or pride or anything of that sort, but just because beauty gives such happiness that you automatically love it. Now whether that beauty is within form and things, whether it is the beauty of your music, or whether it is the beauty of Nature, matters not. All beauty that pours forth a spiritual radiation is a Raising, Powerful Activity to all who behold it.

BELOVED NEPTUNE

Water is in reality *liquid electricity* of not too high a potentiality. Yet in its wonderful energizing quality, you also find it purifying the element of the emotional body. You find it has great purifying radiation to the etheric substance and to the mental body. That is why you can feel mental relaxation on the water very quickly. If I could have a group harmonized sufficiently so there could be no discord or feeling of battle between individuals for a while, I could take you on the waters of the planet under very favorable weather conditions, and I could make you feel the electronic force in the various currents of intensified energy which play through the general Water Element.

The Voice of the "I AM" 85.11:5

BELOVED LORD MAHA CHOAN

You have been taught the Decree to call forth the Inner Essence of the Cosmic Light. The Inner Essence of the Cosmic Light *is a liquid*, and in your terminology, it might be called *liquid electricity*. When you ask for that to come into yourselves and be the Strength of the Light to make you Victorious over everything that is of discord, you do not have to make that Call but a few times until you will begin to feel within yourselves the greater Strength and Power within you by Conscious Command to control conditions around you and to force evil into annihilation. This is one of the most amazing, Strengthening Activities; and within It is Courage and Power to accomplish. Within It is the Illumination, both to the brain structure and to the mind as well as to the flesh body—there comes within that the Illuminating Consciousness from the Higher Mental Body and from the Ascended Masters.

Record CD 662

BELOVED LORD MAHA CHOAN

If you need more Power in the physical structure or your outer world conditions, instead of feeling that Power is an invisible thing, try to make that intellect of yours remember: The Power which the Higher Mental Body sends down into the flesh structure is *liquid electricity*—Liquid Light into the nerves of the body—and that is carried into the cells of the body. Then It radiates through the body to control conditions in the atmosphere and flood forth the Blessing of Its Love.

GEMS OF LIGHT

Beloved Precious Leto

Supposing tonight the Great Cosmic Law permitted your “Beloved I AM Presence” or the Assisting Masters to clothe each of you with a Substance and the Energy and the Power, between your Tube of Light and your Electronic Circle, to focus an Activity of the Sacred Fire by which you could precipitate anything you want—do you just understand what the result of that would be if, temporarily, you were clothed with that Power? We so often watch your desire world—and you think, “Oh, if I could only precipitate, I’d do this and I’d do that and I’d do something else.” And you’d probably get yourself into much more difficulty than you’re in now unless you always put up the guard that any of the Powers you ask your “Presence” or the Ascended Host to let you use in outer world conditions—all those Powers are at all times under Invincible Ascended Master Control

and are always untouched by the hordes of evil. Then you would find you could use those Powers without creating problems of which you know nothing. . . .

Supposing you were clothed with the Power tonight of Instantaneous Precipitation, and you went out and you provided for yourselves that which you were next going to use. How much curiosity do you think is in the other people of the outer world—besides the curiosity of the “I AM” Students! (*laughter*) Supposing you precipitated something lovely that would bless everybody. Wouldn’t nearly everyone you know say, “Well, where did you get that? How much did you pay for it, and what are you going to do with it? Can I have it? or can I borrow it?” And you’ll be into a lot of problems—until this Power is completely accepted by all mankind, or at least a large proportion. . . .

If you want the use of these Powers for a Divine Purpose only, and you care to take the responsibility of Their Use, then ask your “Beloved I AM Presence” to give you the Powers It knows you’re going to require, give you Invincible Victory through the use of those Powers, and see whatever you manifest is Invincible against all evil forever. This would set up a Guard for you, and it would automatically bring certain Illumination to you which you have to have before you start using those Powers.

“I AM” ASCENDED MASTER YOUTH

LORD MAHA CHOHAN

Anyone who is truly great knows that if he has done through the outer self great things, that the Greatness is God in himself. And to that “God Presence,” the “Mighty I AM,” he gives all credit, knowing that the outer self is nothing before that Great Gift of Life. Therefore, if you will maintain the Harmony, the Sweetness, the Humility and the Graciousness and Love and Kindness of the Violet Flame, and go on your way like happy children giving all credit to the “Beloved I AM Presence” and the Ascended Host for every good thing that comes to you in the outer world, you will find Miracles unbelievable taking place continuously in your outer affairs and in your lives—Miracles that will bring happiness, Miracles that will show you your mastery, Miracles that reveal the Powers of God that you are privileged to use, so long as you remember They are God’s Powers, and that They are being used in the Service of that “God Presence” to which all belongs—and that the duty of the outer self is to fulfill the Great Divine Plan of the “Presence” that gives the Power. Then there will be no limitation to any of you. No matter how wonderful you produce anything, always remember, the Power to produce it, the Intelligence that directs, and the Substance out of which you make it, is all God’s Life—all belongs to that “God Presence,” the “Mighty I AM.”

Record SG 2006

Don't let your Calls for the Violet Consuming Flame be just words. . . . Watch It spinning! Feel It spinning! See It spinning, and one moment of that sets It into action to give you Its Blessing. Live in the picture of that Violet Consuming Flame, and the Victory of Its Love will live alive in you.

BOOKLET

EXPLANATIONS OF THE CHART OF THE “BELOVED MIGHTY I AM PRESENCE”—BOOK FOUR

Saint Germain Press is pleased to announce the release of the new Booklet containing unpublished excerpts regarding The Chart of the “Beloved Mighty I AM Presence” by the Beloved Angel Deva of the Jade Temple, Mighty Arcturus, Mighty Astrea, the Elohim of Purity, the Goddess of Justice, the Goddess of Light, the Beloved Godfré, Beloved Hercules, Beloved Jesus, Mighty K-17, Beloved Lanto, Lord Maitreya, the Beloved Rose of Light, Beloved Sanat Kumara, Beloved Saint Germain, and Mighty Victory.

Beloved Astrea tells us: “Oh, Precious Ones, please remember the importance of that Chart and your ‘Beloved Presence!’ What would you do, what kind of a being would you be, what kind of a manifestation and experience would you have, if you could not say ‘my’ or ‘I AM’ to identify the things in the Universe around you in order to get what you want? What would you be if you could not use the Words, ‘I AM,’ the Identity of your ‘Presence,’ to render a service to your fellowman? What would you be if you forgot to give your ‘Mighty I AM Presence’ recognition as your Creator? Take that out of the individual’s Universe and what have you left! You have the minerals, the plants and the animals—and ‘I AM’ quite sure you do not choose to be any of those. So remember the importance of that ‘Presence!’ Value the Gift of Its Light! . . .”

CARD

DOVE OF PEACE

A beautiful card with the Dove of Peace, the Symbol of our Beloved Elohim of Peace, the Lord Maha Chohan, and Beloved Jesus—the Prince of Peace, is now available. The white dove, enfolded in dazzling white, gold, and delicate pink Light comes forth from the Great Central Sun bringing Peace into the physical octave.

The Beloved Elohim of Peace tells us: “The Dove, which has been My Symbol, I may use as a Messenger to convey to you at times a Reminder to call to Me and give Me a greater opportunity to act. So in the Flame from the Furnace of My Heart, I will send to you the Reminder and the Love which will be like a Magnet; and no matter where you are or what you are doing, you will think of Me—and I can come to you and give you Help!”

VIOLET FLAME GROUP MEETINGS

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.
