# THE VOICE OF THE “I AM”

BY THE ASCENDED MASTERS AND THEIR  
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

**BELOVED SAINT GERMAIN SAYS:** “These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters’ Words in those Books always carry Ascended Masters’ Radiation from the Ascended Masters’ Consciousness and the Ascended Masters’ Octave of Perfection. . . .

“And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the ‘I AM’* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters’ Radiation is *not* in those books and will *not* be!

“So I say that for everybody’s Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any, that you find in the Saint Germain Series or The Voice of the “I AM” or in the Dictations! . . .*”

Dear Hearts of the Light, Blessed Ones of the “I AM” School, and all who are trying at this time to hold to this Light of the “Beloved I AM Presence” and the Ascended Host, and are trying to give the Obedience by which the Cosmic Law can protect all: To you I come tonight in the Power of the Great Central Sun’s Law of the Violet Consuming Flame, the Law of the

Great Central Sun's Sacred Fire Command to Life, the Law of Sacred Fire Manifestation of the Divine Plan fulfilled. Under the Action of the Cosmic Law which governs this System of Worlds, We come tonight to draw into the physical conditions of this world whatever Powers of the Sacred Fire enable the Cosmic Law to hold Protection to that which is constructive, and to expand the Violet Consuming Flame's Almighty Purity to prevent as quickly as possible everything that wants to cause disturbance within this Nation.

In order to give you some comprehension of what the Activity of the Cosmic Beings is in holding Protection for a nation or for the world, We wish you to realize that when the Great Cosmic Law, which is the "Beloved I AM Presence" acting through the Cosmic Beings who have created and govern this System of Worlds—that Cosmic Law is the Release and the Action of the Sacred Fire's Purifying Love from the Great Central Sun. Now this may come in many ways that the outer self does not understand. Many channels of the laws of the governments of the world contain that which is constructive, but mankind's discord does not let it hold balance. And therefore, unless the God Law of Life, which is the Law of Purity, Balance, Harmony, and Obedience—which means Control of energy—unless the God Law of Life is allowed to control energy, you do not have Protection. You do not have anything but chaos and destruction.

Therefore, those of you who face the responsibilities of the future, which the Blessed "I AM" Students are doing now and those of the "I AM" School will do as time goes on, I ask you to remember always to demand the Great Central Sun's Invincible Victory of the God Law everywhere throughout this world. God Law means anything and everything that is constructive. This is the only Protection you have—because

human law won't protect you, discord won't protect you, impurity won't protect you. Therefore, the survival of all that is constructive must be the Action of the God Law of Life.

Now for your encouragement I wish you to understand that the Mighty Saint Germain in the beginning of the establishment of the Government of the United States of America, gave to the early patriots the God Law by which the Nation can be governed, can be purified, can be protected, and can be controlled. The God Law was given. And most people do not yet understand—"I AM" speaking of the masses of the people of this Nation—do not understand that every individual in the government of this Land is under the Control of the God Law in the Constitution of the United States of America. There is provision made there for the God Law of Life to control every department of the government, to control everything within your borders, to control everything that affects the Destiny of the Nation.

And "I AM" bringing this to your attention tonight for the encouragement of these young people who must go forth into the outer world's activities and handle conditions that human law and human discord have created to produce destruction. Therefore, whenever you are facing destructive conditions, don't lose any time! Call immediately to the "Beloved I AM Presence" and all the Ascended Host to surge everywhere the Invincible Victory of Eternity of the God Law and the God Control of the God conditions in this Nation that need Protection. And that includes those in your National and Civil Defense. You must send this forth with dynamic Command. And even though there was just this handful of people in this room tonight, if you sent that Call to the Heart of your "Beloved I AM Presence" and all

the Ascended Host, and you demanded the Freedom and Protection of your God Nation, your God Resources, your God Control, your God Way of Life by the Sacred Fire's God Law, you would have to be answered—even though you were the only ones in the Nation making that Call.

So you are not without Help no matter how vicious becomes mankind's destruction. I want you to have that assurance tonight; for there are Legions awaiting your Call, and when you call forth the Legions of the Cosmic Law of Cosmic Christ Control and Protection to your Nation, They can come into outer physical conditions overnight. And They will produce conditions which, I assure you, the destructive forces cannot oppose nor interfere with nor delay for any reason. And this is your assurance of your God Protection and your God Victory in the midst of the chaos of mankind's selfishness. And I want you to have that encouragement tonight! (*applause—audience rising*) Thank you so much. Won't you be seated, please, and just remain so.

I want you to feel with every fiber of your beings tonight that when you are determined to call forth the God Purification of this Nation, the God Purification of the government, the God Purification of all within your borders by the Cosmic Christ Legions of God's Law of the Victorious Christ, you will have results; and those results can be Instantaneous, Invincible, and Eternal. "I AM" part of that Law, because My Love to Beloved Saint Germain in the early part of this Nation's history offered everything to bring forth a Nation that establishes the Freedom of God's Heart for the Ascension of Life that passes this way. Therefore, "I AM" certain Authority of that Law, and "I AM" Obedience to that Law. And therefore those of you who need the Protection of this Law must issue the Command

to call It into physical conditions to overrule the evil that has sought only to destroy, desecrate, and cause distress.

I hope from this hour tonight you will call the Cosmic Christ Blue Lightning Legions of Cosmic Christ Blue Lightning Law to sweep everywhere in this Nation and be the only Law of Control of manifestation. Then regardless of what individuals do in human channels in outer world activities, you will find the Legions of the Angelic Host are far more powerful than mankind's discord. There are Legions of the Cosmic Law; and when you call forth the Cosmic Law's Legions of Blue Lightning Purity and Blue Lightning Control and Protection of the God Freedom established in the Heart of the World, the Cosmic Law Itself becomes manifest here as the Controlling Action that prevents the destructive forces doing what they intend to do. They may have certain intentions, and so have We!

I want you to feel that when you say " 'I AM' the 'Beloved I AM Presence' and the Ascended Host's Cosmic Christ Blue Lightning Legions of the Cosmic Christ Blue Lightning Law's Release into this Nation of the Victory of God's Heart and the Control of all within your borders that forever prevents evil," then surge It forth! And, My Dear Ones, It is like an Ocean of Lightning sweeping through destructive activities and consuming them and allowing that which is constructive to hold its balance and its dominion within your borders, so that the feeling of the people is held under control instead of allowing it to run wild and release destructive activities because of uncontrolled emotion.

This is a very important use of the Power from the Great Central Sun of the Sacred Fire's Great Command. When you have thousands and sometimes millions of people within a nation who are emotionally uncontrolled, it is a very easy

thing for destructive forces to start destruction here or there or anywhere. But when you set into action the Great Central Sun's Cosmic Christ Blue Lightning Law of Cosmic Christ Blue Lightning Control of all emotions, all feelings of all Life within your borders, then it is like a Hand that stills the discord and holds Control of that energy until the Higher Mental Body of the Life Streams of the people can have a chance to pour the right ideas through that hold Protection for what is constructive, and to repel that which would seek to destroy you.

Mankind imposes the destruction of the sinister force upon the people of the world through so-called legal channels. And therefore this which "I AM" bringing to your attention tonight is the Supreme Law of Creation, the Supreme All-controlling Power that holds Systems of Worlds in absolute balance. And you can just as well use that Law in your own beings and worlds and in your Nation to help hold Purity and balance so the constructive activities are protected—you can just as well use that Law as you can use your law of mathematics or electronics or anything else. You are free to call this into action. These Beings are Real! And as time goes on and you demand that everything that is destructive is forced to come face to face with the Action of the Cosmic Law of the Cosmic Christ—and that blazes that Sacred Fire, and the human dare not pass through.

Certainly you need God's Laws—God's Law to be the Government of your Land, God's Law to be the Control of your people, God's Law to protect your resources, God's Law to save your loved ones, and God's Law of Intelligence to bring Illumination to the minds of the people to show them what's for their highest good and give them the Strength of the Light to make their decision on the constructive way of

Life instead of feeling that they are helpless before the mass accumulation of discord. From tonight I hope you will use this Decree and set It into action and see for yourselves what We can do for you—and as quickly as possible! (*applause*) Thank you so much.

Now the Christ is all that is constructive. The sinister force, the anti-Christ, is all that is not constructive. So when you call forth the Cosmic Christ Blue Lightning Law of Cosmic Christ Blue Lightning Protection and Control to all within your borders, there are Forces that can be released into outer physical conditions that will compel Protection to that which is constructive, and compel the plans of the hordes of evil to cease operation and turn that evil back into its cause until it is consumed from the Universe.

You become the Law of the “Beloved I AM Presence” and the Ascended Masters’ Consciousness of God in Action when you use this Command. The Mighty Saint Germain has taught you all through the years that the “Beloved Mighty I AM Presence” is God in Action—that is good in action—which is everything that is constructive in action. Therefore, when you call forth the Great Central Sun’s Cosmic Christ Blue Lightning Legions of Cosmic Christ Blue Lightning Law of Invincible Protection to all that is God in Action, you have a Scepter of Power, My Dear Ones, a Scepter of Control that will prevent your having to deal with the frightful viciousness of destructive forces that do not know Obedience to God, which will be compelled to give Obedience when that Sacred Fire releases.

So, Beloved Ones, your Freedom is at hand. Your Protection is Invincible if you will use this Command. We bring these more and more Powerful Commands to you for your use, because as the destructive forces in the outer

world are seeking everywhere to create more slaughter and more viciousness, there must come from Our Octave the greater Release and Power of the Action of the Cosmic Law for greater Protection to that which is constructive.

You are the people of the Light! You are Violet Flame Freedom to the Earth! You are the Cosmic Christ Sacred Fire Great Command! And now if you will use this Law, you'll become the Law of Cosmic Christ Blue Lightning Protection and Control to that which God has given you in the government of your Nation in the beginning, because Beloved Saint Germain was the Inspiring Intelligence that gave the Declaration of Independence and gave the Constitution of the United States of America to the American people, the early patriots. And therefore the Cosmic Christ Blue Lightning Law that gave that Plan of Government to the people of this world is still the Cosmic Law of Life from the Great Central Sun everywhere through all Systems of Worlds.

So you're not using something that hasn't already produced magnificent Manifestation and still holds Control everywhere. You are privileged to use this. We are waiting for your Calls. And do not be afraid to use It, because the Christ—the Cosmic Blue Lightning Christ Control or Cosmic Christ Blue Lightning Law or Cosmic Christ Blue Lightning Legions are the Beings of Love from the Great Central Sun that never produce discord. So the Law you are setting into action is the Law that cannot produce distress of any kind; and therefore It makes you Invincible against the human creation of mankind that seeks only destruction because it is insane hate to Life.

The Cosmic Christ Blue Lightning Law and Cosmic Christ Blue Lightning Legions of that Law's Invincible Victory and Power and Control of manifestation is the Law of Love from the Great Central Sun, the Sacred Fire Love that nothing

can contaminate; therefore It is Eternal Purity. Therefore It is Invincible Protection to all that is constructive. So, Beloved Ones, as you go forth to face the responsibilities of the outer world, you blessed young people, you shall ever be held within the Glory of Our Hearts' Command to Life if you will enter into the use of this wherever you abide and know the Greatest Love from the Heart of Creation has come to assist you and protect you and make you Victorious, that wherever you abide, you are the Great Central Sun Magnet's Raising Power to Life. And the shadows of chaos are consumed by those Legions of the Angels of Cosmic Christ Blue Lightning Law that are All-authority everywhere in all Systems of Worlds.

If you care to use this and move It into action, We can come closer and closer into outer association with you until the time when there are no more veils between, because that must arrive. Mankind must have Illumination. That Illumination can only come from the "Beloved I AM Presence" and the Ascended Host. So you're not using anything that could ever produce anything for yourselves but Perfection and Protection—and to all that you contact. Therefore you honor Life with the Ascended Masters' Heaven on Earth, and Our Divine Plan fulfilled forever honors all Life with the Greater Perfection of the Ascended Masters' Octave of Life.

You are privileged beyond any people on the Earth to know this tonight, and We give you this to see if you will use It. If you do, We can give you more Help. And all We can do is offer the use of the Power that is a Controlling Activity of Life in the Ascended Masters' Octave in which, I assure you, no distress can ever exist. May you go forward, and understanding this, seize control of everything in your own beings and worlds, establish your Perfection, reveal your Victory, and go on your

way like the wind to greater and greater accomplishment, and always have the Protection to all that is constructive. And that Protection comes from the Ascended Masters' Octave, and with that nothing in this world can interfere. So you have an infallible way and means of protecting yourselves, of having success, of giving help to others; and therefore you never again dishonor Life by creating discord.

Great is the Love of the Ascended Host to those who understand this Law. Now may the Fullness of Its Sacred Fire's Love—that Blessed Violet Consuming Flame's Control of all manifestation—reveal the Law of Its Almighty Control wherever you abide and make you Victorious everywhere in the greatest Happiness you've ever known; for with this you cannot fail. So We offer you the assurance of your Victory and your Honor to Life that bears witness to the Truth the Mighty Saint Germain has taught to the people of this world. And you cooperate with the Beloved Master Jesus, and the Fulfillment of the Divine Plan puts an end to the hordes of evil everywhere by Conscious Command and the Understanding of the Law that is Master throughout infinite space for Eternity.

May you have your Freedom, go forth and reveal your Victory, and know that the hour strikes when the Ascended Host, the Angelic Host, must come into outer physical conditions in order to purify and control them and awaken mankind to the right way to live Life. And you are privileged to be the vanguard to open the door, to hold the Victory, and to forever go to greater and greater attainment. And there is nothing to fear and you cannot fail, and therefore your Freedom is assured and your Happiness is Invincible for Eternity. May you never forget this night and use this Command to your Eternal Victory in the Ascension. Thank you with all My Heart.

**THE VOICE OF THE "I AM"**

**GREAT DIVINE DIRECTOR**

You have no idea, My Beloved Ones, what these Books mean to humanity today. Remember the Transcriptions and the Broadcasts! Call people's attention to the "Presence" of Life, the "Mighty I AM Presence," and to this Mighty Teaching—but the Magazine is the next step which should reach those people in preparation for the Explanation of the Light in the Books.

Volume 8:401

## BELOVED SAINT GERMAIN

When you demand the Power, or call It forth—the Ascended Masters' Power to feel the Instantaneous Fulfillment of your Calls—the moment you feel It, you'll have It in your hands and use. You have to feel a thing, My Dear Ones, before you have it in physical manifestation. If you just hold the picture with an almost indifferent feeling or with no real Love or attraction to it, it stays forever in the mental body or in the atmosphere about you. But if it is to become a physical thing to serve you, then as you see the picture and you send your Love to clothe that, it is the Magnet of that Love that draws the Universal Substance into the concentration necessary to make it a physical thing.

And Our Power to feel the Instantaneous Manifestation of what We see—that's just automatic in Our Octave. That

is Our Ascended Master Consciousness, but that acts so automatically with Us that the Manifestation is practically coexistent with the Desire. And it is to get you to charge your outer selves, the energy of your feeling world, with Our Power to feel the Instantaneous Fulfillment of your Call that will take you forward to absolute Mastery over the things in this world. I'm not talking to hear Myself tonight; I know what you're going to need! I know what I want you to have. I know what you can give to others, and I know where the stumbling block of doubt and fear abide. And they abide in the emotional body.

All of that is in your feeling world. All of it is in the energy of your feelings. The energy is the Water Element of the body. Your emotional body is the Water Element in you. And therefore if you charge the energy—because the Water Element of the body is really just liquid energy; the solid atomic structure of the body is simply solidified energy; the air you breathe is simply gaseous energy; and the thought you think is the fire, is the flame—therefore if you will take time to charge the outer self, all the energy of your being and world, with your own “Beloved Mighty I AM Presence’ ” Immortal Command for the Divine Plan fulfilled and outpictured everywhere; and then you charge and charge and charge your feeling world, all the energy in your being and world, with Our Power that feels instantaneously the Fulfillment of Our Calls, the Fulfillment of your Call, My Dear Ones, it will seem like magic to you. And the people of the outer world will stand aghast, amazed, speechless at your accomplishment. And I want you to have that Mastery!

# BELOVED MIGHTY ELOHIM ORION

---

---

**Shasta Springs, California • September 12, 1967  
Record CD 1362**

Beloved of My Heart, I trust I may bring to you this hour a concept of the Great Cosmic Law's Action and Blessing of Life everywhere you go, that you can call into all outer physical conditions anytime and every time there is either a need or you desire to render the service. When the Mighty Saint Germain said to you to keep acknowledging " 'I AM' the Peace-commanding Presence," I say also to you tonight: Wherever you abide, if you care to, take the Command, " 'I AM' the Seven Mighty Elohim Healing Heart Presence that guards all Life against whatever is wrong." Because Healing means not only consuming of distress or repairing the physical body, but the Healing of the feeling of mankind so that the Purity takes place that makes people inside of themselves—every individual inside of the feeling, the emotional body—desire not to create discord.

When We can bring enough expanding Light within the energy of the emotional bodies of the people—that expanding Light Substance from the Ascended Masters' Octave as well as the Sacred Fire of the Heart and the Sevenfold Flame of the Seven Mighty Elohim—when We can pour that within the energy of the feeling world of the individual, pour It

into the substance of the emotional body, and let It release Its Vibratory Action through all the energy of the feeling world of the individual, then the “Mighty I AM Presence” of each Life Stream can, wherever that occurs, can expand Its own Light through the outer self. That means the Expansion of the Light through the Heart, and We then can expand the Light through the Sevenfold Flame in the forehead and expand It through the brain structure.

When these two Activities take place in the flesh body and release the expanding Purity and Substance and Sacred Fire from the Greater Activities of Life, the full Perfection of Life into the outer self, It changes the desire in the feeling world of the individual. This is the way We call forth from within each Life Stream the constructive Activities of the Heart. All Heart Desires are constructive. We call this forth by the Expansion of the Light from within the emotional body as well as the Purification of the etheric body. The Electronic Body is constantly expanding Its own Life through the outer self and expanding the Perfection of Life by the Light of Its own Love. Therefore, when We wish to assist an individual to expand the constructive Desires within the “Mighty I AM Presence” as It expands the Light through the outer self, just in the daily activities of Life, We can call forth the greater Perfection of each one’s Life Stream through the emotional body in the outer self.

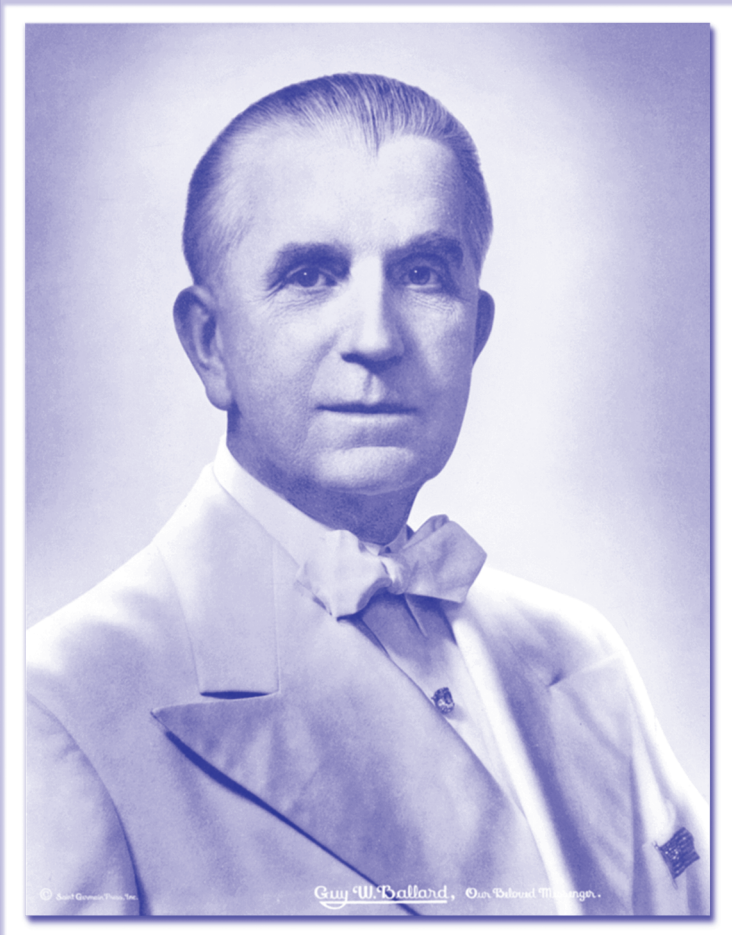

Now when We do this, each individual’s own Life Stream expands Its Power of Mastery. It expands Its Perfection of Eternity, and It expands the Power to accomplish in the outer world greater and greater constructive activity. But so long as individuals do not break the habit or consume it—of not caring whether they hurt Life or not—sometimes when We’re ready to give the very things they want the most and are

calling for, We have to wait and recede because the flare of feeling the minute something doesn't please the outer self is a flash of energy, darkness, that shatters the connection with the manifestations in the physical world that otherwise would come in and fulfill the Decrees that have been sent forth to bless the individual.

This has a very, very important effect not only on the body and not only on your finance and your supply. This has an effect that prevents the greater Master Powers of your "Mighty I AM Presence" from flowing into the outer use of the outer self. This is what prevents people from accomplishing things that they want to accomplish, and sometimes are very constructive and should be accomplished. But the people of the world have not been taught the necessity to stop sending forth a flare of feeling anytime something doesn't please the outer self. It shuts off the Expansion of the individual's own Life, of its own Life's Powers into outer use. It shuts off the Expansion of the Light that the Higher Mental Body is constantly pouring into the outer self for Peace and for Love and for Health and Protection that the outer self needs to use in outer world affairs in order to accomplish something constructive and then hold Protection of it after it's been created.

So when We have begged and pled with the people to purify the outer self, especially the emotional body, and shut off the constant habit of flaring anytime something displeases, as soon as you can conquer that, as soon as you are safe against that habit so it no longer acts within you, We could enfold you in the Power of Precipitation almost overnight. And more than that, We could enfold you in many Activities of the Sacred Fire by which you could heal others—not only heal the physical body; but you could heal conditions in other

Life Streams that have been sometimes imposed upon them or even self-created. But you can render assistance to them, the same as We are rendering Assistance to you. And if this were not the Activity of the Great Cosmic Law of Life for the Greater Life and the Life that has the Greater Light to assist the lesser Life, how would anything constructive be created or protected or expanded to fill the Universe with Happiness which is the Fulfillment of the Great Divine Plan?

So when you think of Me—"I AM" going to offer you something tonight which is not very often permitted. But when you think of the Love which "I AM"—for "I AM" the Healing Love of the Heart Flame of the Seven Mighty Elohim—It is My Special Attunement at the present time, My Special Service to the people of this world, to place this within the atomic structure of the brain, and then let Its Flame and Love pour forth throughout the flesh body to help hold balance in physical conditions by the Purifying Love which continues to surge, not only with your Heartbeat, but the Love which We offer continues to surge through all mankind in a Pulsation from the Ascended Masters' Octave.

These great Activities of the Sacred Fire are established, and They go forth in Waves and Pulsations—and ever greater and greater ones. Each one that comes is more Powerful than the one before. And this is to forever expand the capacity in the individual to do greater and better things in the Fulfillment of the Divine Plan that affects the world, so you leave the world when you have attained the Ascension with the blessings of your constructive activities, for the privilege of embodying in this world and using the Powers of Nature and Forces of the Elements to embody here while you draw forth the Master Powers of your own Life Streams in outer physical dynamic action, which you must do in order to attain the Ascension.

Then in the Ascended State you become, when the Twin Rays are both Ascended, you become a Cosmic Being who can create a world or a System of Worlds. And as this goes on in the Infinite Scheme of Creation, We try to help wherever possible to consume the habits that have been established in the feeling world of individuals of constantly requalifying the Life energy within the body with some vibration of discord. Because when the “Presence,” your own “Mighty I AM Presence,” gives you Its Life—which It does when It gives you the Unfed Flame in your Heart—then through that Life It is continually releasing the energy that you are privileged to use through the physical flesh body and by which you are expected to create something constructive in the physical world to bless the Life around you.

So when that is interfered with, then the body becomes incapacitated and eventually passes through so-called death. But We seek to prevent that as much as possible wherever the individual will cooperate with Us and absolutely refuse to use your own Life to create a vibration of discord and then send it out into the world around you that is almost sinking now into destruction because of the mass accumulation of this throughout the centuries. Now it’s one thing to do it—injure yourselves or your own individual world—but when you add a feather’s weight to the mass accumulation of discord in the world today that is seeking to destroy everything on the Earth, the responsibility is very great. And no one can approximate what is the last ounce of energy needed to swing the whole thing into outer physical violence. And that We are seeking to avoid.

We are trying to pour forth through every physical body on this Earth—and I wonder if you know how much energy that takes—the Love of Our Great Ascended Master Octave of

Life, the Love of the Sacred Fire, through the physical bodies of the people, to keep them purified enough or controlled enough to keep mass insanity of all mankind from breaking loose. So much, much, much depends on this, far more than unascended mankind understands. The whole accumulation of mankind's destructive activities in the emotional bodies is what creates unbalance in the mind. It throws everything in the individual's Life Stream out of balance.

And as you have been told previously in other Dictations, that if it were not for the Great Cosmic Law that takes the individual—when the physical body is incapacitated and you pass out through so-called death and that body is taken to the Octave of Light, the emotional body is permitted to rest and quiet and be purified as much as the Cosmic Law will permit, so that in the next embodiment the individual will have a mind that can function in balanced conditions. And then the individual must handle again the conditions in the emotional body.

So when people have been in war and then all kinds of destructive activities, the need is very great to command the outer self to stop every habit of sending forth discord into the atmosphere in which the body must live or in which others must live. Now We are going to try to help you with every habit within your feeling world if you will accept Our Purifying Love, Our Purifying Power, Our Purifying Peace, and Our Purifying Victory over the discord of human creation. If you will accept that from Us tonight, it is My Privilege to be the Bearer of that Assistance to you from all of the Seven Mighty Elohim of Creation. And I hope We may pour forth into you this which will enable you to conquer these conditions and then absolutely forbid them existing within yourselves. And if We can help you, I hope

from tonight you will feel the relief that will be in your own feeling world as this habit is stopped in action and prevented distorting your own Life and your own energy and your own world by simply uncontrolled feeling.

Now this has many other Blessings. This is a Powerful Protection when you have conquered everything of this sort within yourself. This is part of your Protection in your travel, in your driving of your automobiles, in every means of conveyance, in anything and everything in which you direct energy. When you are controlling energy in outer world conditions, then if you cannot control the energy in your own feeling world and keep from charging discordant vibrations into it, well, you can't have Protection against the discord in the outer world, because there is so much that you could drive into and that can come back upon you at any moment.

So this which We are offering to you tonight is part of your Eternal Protection if We may intensify within you Our Feeling of Determination to absolutely be master of the energy in your feeling world, and that says to it, "Never again are you authority over my Life!" When you take the authority out of the habit of discord—whether it be in speech or feeling, matters not, because if it's in the speech or the feeling or in the consciousness in the mind, then it becomes a physical action sooner or later. This way It shuts off physical action from destroying in you or your world the things you have worked for that are constructive and that you should have to bless you and enable you to bless others.

So this is the consuming of the root of human habit. And if We may offer this to you tonight, if you will remember to use It, I think you will feel a very great Peace in a short time. And in that Peace will come a self-control, a mastery,

that when there is discord around you, you will be no part of it; you will be master over it. And it is this mastery We want you to attain as soon as possible for your own Protection. (*applause—audience rising*) Thank you so much. Won't you be seated, please; just remain so.

The reason We want to release you, Precious Ones, from every habit that is discordant, is because they disturb you. Your discordant habits disturb you first before they disturb anything in the outer world that you have created. Therefore, We are offering you Our Sacred Fire's Indestructible Purity that is the Master Presence within you that nothing human can disturb. Our Master Presence of the Sacred Fire's Purity and Love is absolutely Invincible against disturbance. There isn't all mankind put together could disturb one Wave of Our Sacred Fire Love and Flame, because It is Eternal and mankind's discord is not Eternal. This is part of My Service to the people of this world, and especially those under this Radiation who have given conscious recognition to the Seven Mighty Elohim who are, after all, the Powers of Creation around the "Beloved I AM Presence"; so They are the Protectors of the Flame that each one's "Mighty I AM Presence" wishes to expand through outer physical manifestation in the physical embodiments of this world.

Many times you battle feelings within yourself; you battle the feeling of discord or irritation. You battle your own habits inside of yourself, and that keeps constantly feeding destructive vibrations into the atmosphere about you that the sinister force lives on. That is the energy which, accumulated, is the sinister force's destruction against mankind. That is what produces war. The mass accumulation of mankind's discordant feeling is what produces war. Now this which We are offering is what produces Our Mastery in Our

Ascended Master Octave. It produces Our Perfect Miracle Manifestations. It produces Eternal Perfection. It produces Indestructible Peace. And It produces Indestructible Victory and Protection around everything that is constructive.

So this which We offer you as (*chuckle*)—"I AM" going to call It Internal Peace (*laughter*) within your emotional bodies—is the Mastery and Control of your own energy. This is what makes you master of the energy of the atomic structure, your flesh bodies. Now when this is understood and accomplished, you have set the habit, and you understand that you're not going to disturb yourself anymore—by not one wave of discordant vibration—once this is completely accomplished within, the Great Cosmic Law permits Us many times to enfold you in the use of some of Our Powers of Manifestation, to control conditions in the world around you that protects what is constructive, or creates what is constructive, and then sustains it and protects it so the hordes of evil cannot destroy it or take it away from you.

This is Security in every way. No matter where you go, this becomes your Control of energy. And if you can't control the energy inside of yourselves, you cannot control a mass energy in the outer world that affects many conditions and many people. Therefore when Beloved Saint Germain told you to acknowledge " 'I AM' the Peace-commanding Presence," that isn't just to command Peace when somebody disturbs you in the outer world. That is to command yourself inside to stop sending forth any vibration of discord to disturb yourself. Therefore, if you are the "Peace-commanding Presence" inside of yourself to yourself, you will soon come to the place where you will understand that to give Obedience to the Great Cosmic Law that has given you everything through Love, that you must one day come back and be

the Fulfillment of the Law that gives that Love to the rest of Life wherever you abide. Because Love does not create a vibration of discord. The Great Cosmic Love of the Universe, which is the Heart Flame of Life's Eternal Perfection forever expanding, cannot create a vibration of discord.

So when We enfold you in this Heart Flame of Our Sevenfold Flame of the Seven Mighty Elohim to give you the Strength of the Light inside of yourselves to be the Peace-commanding Presence to you—you to yourself—then We enfold you in that to help you stay disconnected from the pressure of discord in the outer world until you build a certain momentum of this. And then once the momentum of the Expansion of your own Light and your own Strength of the Light holds the Command of that inside of yourself, then We can do almost anything to assist you in a moment of crisis or danger or anytime you want to do something that creates some tremendous constructive activity that produces a manifestation to bless all mankind, and to bring into this world the Perfection from the Ascended Masters' Octave which We are waiting to do.

This is one way We begin to create in this world that which is to become Eternal Perfection here. But We can only do it through those who have become filled with It themselves, because if you can't manage the little amount of energy in your own feeling world, you certainly cannot manage a great mass pressure of it in some outer wonderful manifestation that requires a great concentration of energy to produce something that will bless all mankind forever. Now part of this applies to some of the Perfection that is coming in transportation, because I assure you, the present means of supplying motive power and so on is not that which is going to remain permanently in this world—because that which is

coming is pure and clean. It doesn't load the atmosphere of Earth with impurities. It is Indestructible. And the airplanes of the future will be invincible against destruction. And they will be, I assure you, very much more delightful to travel in than the present ones you have, even as perfect as they are.

So, Blessed Ones, this has a very far-reaching effect in anything that you wish to do in the physical world. Whether it's service to the outer world or service to yourselves or the control of energy wherever you go—everything in manifestation depends on this if it's going to be constructive. How can you produce constructive activity in the outer by destructive vibration? It can't be done. So if you'll remember every time you allow yourself to become irritated or say things that should not be said, anytime you find you have sent forth a vibration of discord, ask your "Presence" to instantly Annihilate it; and then replace it by the Ascended Masters' Sacred Fire of Indestructible Harmony and Peace and Love to Life.

Then you won't allow an accumulation of this sort of thing to interfere with anything in the future that you wish to do that is constructive. You can free yourselves from the torture of habits and conditions in the emotional body that, if they are continued, they build into the other conditions in the body, into the flesh structure, and into the conditions in your affairs that, as you go forward, your etheric record becomes charged with so much energy that is nothing on Earth but destructive vibration—that it—it finally tears the body to pieces and people pass out through so-called death.

Now you have come into embodiment to learn the mastery of energy; and I mean the harmonious control of it, not just the control of it to make it do what you want, constructive or otherwise. You have come into embodiment of your own

Free Will, and you took the responsibility yourself when you left the Great Central Sun to become the Sacred Fire's Master Control of all energy constructively qualified. So this is part of your Destiny to attain this. And if We can help you to stop disturbing yourselves, We will help you, and you will help the Nation to stop disturbing itself and the world.

Now everything in the outer world that is destructive is nothing on Earth but a mass of vibrations of energy of somebody's hate, past or present. This is the Truth regardless of who likes it or doesn't like it. I'm not here to tell people whether they like something or not. "I AM" here to tell you the Truth, the Truth of Our Love; and when people send forth irritation to some condition in the outer world that displeases them, they hate themselves. To Me, that's tragedy. To Me, that's failure. To Me, that's destruction.

When people hate the energy in their own feeling world, in their own emotional bodies, how can the "Mighty I AM Presence" and the Ascended Host set them free from distress? This thing must stop, Beloved Ones, in those who understand this Law if you are to be free and master of circumstance, if you are to be entrusted with the Boundless Supply of every good thing which you can have if you want it to help the rest of mankind, help your loved ones, to help undo mankind's damage to Life. If you are to help Us stop the wars in the world and purify the Powers of Nature so Happiness can come to Life, you must first of all become happy within yourselves. And you can't be happy when you create a vibration of discord that hates yourself. You can't do it!

So now "I AM" giving you the secret of how to let go of it. And so many times people send forth a flare of irritation or anger and words, and then as soon as that accumulates

to a certain point, it becomes action. And that's war. So this which I offer you is Eternal Peace. And It must begin within you. If I can give It to you tonight, I will try, if you will use It to keep yourself at Peace, that you may be the Peace-commanding Presence in the outer world wherever you abide and give It to weary mankind. Please help Us to try to bring Peace to suffering humanity by the Sacred Fire Purifying Love of Our Ascended Masters' Octave which We can pour into you if you will hold It! And then you can use It to bring Peace to those in the outer world whom you love, or those who are caught in the whirlwind of destruction, and those who do not know what they are doing.

So, Blessed Ones, if you will accept Our Sacred Fire's Indestructible, Eternal Purifying Peace inside of yourselves, and you issue the Command and you forbid this outer self to send forth destructive feeling, We can give you such Blessings and the use of such Powers while yet unascended, that wherever you go, you can correct wrong and put Perfection in its place and go on your way and be the master of circumstance. We want this for you. We are willing to give you the way and means of producing It. So if We may have your cooperation and if you will try, We will try. And I think We will succeed if you stay with Us forever! (*applause*) Thank you so much.

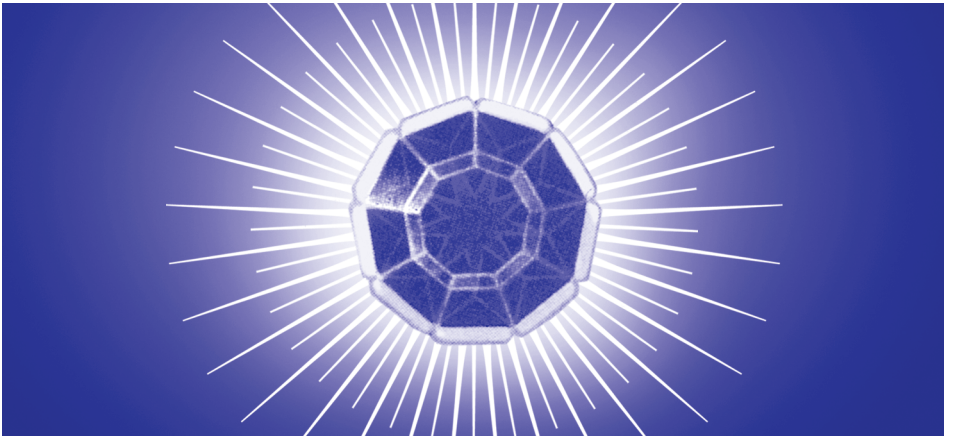

Now just one more thing: We'll never come and tell you what is wrong and ask you to correct it, that We won't give you the way and means of doing it. And that Gift is always Our Love. It is a Flame of Our own Life. We will give It without limit if you will fill yourselves with It and armor yourselves with It and use It consistently and continuously in outer world conditions to consume discord wherever you abide. And then ultimately you become a Being of the Sacred

Fire; and even while yet unascended, It can clothe you in Its Master Powers and help you to do what you cannot do in any other way.

And It can come into this world through you and do what the world calls Miracles, which are the Perfection of Life uninterfered with by mankind's discord. And it is those Miracles We want to offer you inside of yourselves to fill you with Our Perfection for Eternity. So may you go forward and use Our Sacred Fire's Indestructible Purity and Purifying Love and Peace to fill yourselves with Our Mastery, that you may never again be in distress for any reason whatsoever. And as you are free yourselves, you can free Life wherever you abide, the same as We do, even before your Ascension.

So I trust Our Gift is very practical, eternal, and ever at hand if you will use It and become It. And then your Master, Beloved Saint Germain, when He said to acknowledge, " 'I AM' the Peace-commanding Presence"—you will find will come into being within yourselves. And if you should care to say, " 'I AM' the Peace-commanding Presence, the Peace-controlling Presence of the Heart Flame of the Seven Mighty Elohim within myself, and never again shall discord go forth from me," then We can enfold you in Its Blazing Presence; and then you become Invincible against discord. And We want that accomplished as soon as possible.

So We give you everything! If you will use It, you cannot fail. The world needs to have your Victory, and this is Victory for Eternity; and We are Its Guarding Presence. May you use It and go forward and help to dissolve everything that has caused distress to Life, and We will always abide with you. Thank you with all My Heart.

### **Beloved Polaris**

**T**he Love from the Celestial Pole of your heavens—which the Great Sun Polaris is—is the Supply of God's Life and the Perfection to all that you can see in the heavens around you. It is that Love of Life that has created the Universe which you observe. And therefore if you will let It come in and through you, It will create the same Perfection and Balance here as It does there; and Its Law will hold Command where chaos heretofore has seemed to be.

So when you think of Me and understand how easily you can hold the picture of that Violet Golden Flame passing from the feet up, through the body, and up to the Higher Mental Body—and hold It again and again; and then ask for the Miracle Magnetic Love from Polaris to fill you and your world with the Miracles that forever hold your world victorious in the Happiness of God's own Heart, for you have then become the Miracle Command to Life that forever compels Perfection into outer action. And everything around you will pour It back to you. As you send your Love to Me, will I remind you that Miracles are your world's natural activity, and that your duty when your world becomes filled with Them, is to expand Them, that they may fill the world around you until it, too, becomes the Sun of Happiness to all the Universe that is Eternal.

## **ARCHANGEL MICHAEL**

---

Something greater than mankind’s intellect created the Powers of Nature and Forces of the Elements, created the Earth and all upon it, keeps it sustained, keeps it in its orbit, keeps it forever expanding Blessings for mankind to use. So when you have the opportunity to bring the Knowledge of Our Reality and Our Service to mankind to the attention of those in the outer world as you contact them, armor yourselves with the irrefutable Truth and the absolute unconquerable Law of the Reality of Our Presence. And don’t for one instant give in to the human concepts that would take from mankind something that is wonderful and beautiful, all-powerful and all-freeing to hold to, to rise out of the continual suffering and limitation mankind has created.

It is not only the denial of Our Presence that is the dangerous thing to the consciousness of Life of mankind in this world—it is not just the denial of Our Existence that is the terrible crime before Life. It is the attitude of Life that takes away from individuals a Greater Ideal to hold to, a Greater Gift of Life, a Greater Power of Perfection that mankind can reach up and use to perfect things in this world to consume mankind’s suffering and to take away the limitations that otherwise will destroy completely the efforts of the Life Streams who have embodied here.

When the atheistic, communistic attitude is allowed to touch Life, the damage it does is not only the defiance against the Truth of Existence. The damage it does is to take away

from mankind the Feeling, the Security, and the Power of an Ideal that is worth attaining. And I assure you, the Ideal of one day becoming an Angel in the Victory of the Ascension is worth all mankind ever experienced in this world, past or present, or ever will experience here! (*applause—audience rising*) Thank you so much. Won't you be seated, please, and just remain so.

What has communism offered Life that is worthy of the expenditure of the energy in one embodiment, let alone hundreds or thousands? And more than that, when you take away from Life, any part of Life, the opportunity to hold to something that is greater and more magnificent in its existence than the lesser life, if you take away the Magnet of Greater Perfection which the Angelic Host—I assure you, that Host is the Magnet to this world of an Ideal that mankind can reach up and attain, become, and use the Master Powers of the Universe to produce Perfection and Happiness that blesses all Life—what have the atheists of the world offered Life in comparison to that?

And therefore give no quarter to any human being who wants to take away from any Life Stream the incentive to make better effort than has been made in the past, or the incentive to rise out of the filth and limitation and destruction and ignorance that the hordes of evil have imposed upon the life of this world. With an Infinite Scheme of Creation surrounding this Earth which the eyes of man cannot help but behold when you look at the Sun in the Heavens, you surely must realize how self-hypnotized individuals are who deny the Existence of the Angelic Host or the Great Cosmic Beings who are Masters of Creation and who have given every Blessing that Life has ever used in this world to this world.

## **VIOLET FLAME GROUP MEETINGS**

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.
