

LIGHT

BELOVED MASTER JESUS

Mankind has not asked for the Truth and the Limitless Release of the Cosmic Limitless Light. Now that Light can come as a Violet Light. It can come as Fiery Christ Blue Lightning Light. It can come as Golden Light. It can come as Blazing White Light. It can come just like blazing diamonds, just like scintillating, blazing Light on crystals. It can come into any condition that needs Purification.

When more force is required, We use the Crystal Activities of the various Rays, the Crystal Activities of the Light Rays, the Crystal Activities of the Flames—the Unfed Flame and the Sevenfold Flame of the Seven Mighty Elohim—the Crystal Activity of each Activity of the Sacred Fire. There are Crystal Activities of the Flame just as there are Crystal Activities of the Light Rays. Some Light Rays are soft and filled with the Cosmic Light Substance. Others are like They were filled with diamonds on which the Light continually functions. These are Immortal Activities, My Dear Ones—these Activities in the Universe that are in Our Octave and which you can have in the physical world to correct your conditions. They are not just temporary manifestations. These are Eternal Manifestations and Powers from the Great Central Sun.
