

## *The Crystal Cup*

It came time for lunch, and I sought a mountain spring for clear, cold water. Cup in hand, I bent down to fill it, when an electrical current passed through my body from head to foot. I looked around, and directly behind me stood a young man who at first glance, seemed to be someone on a hike like myself. I looked more closely and realized immediately that he was no ordinary person. As this thought passed through my mind, he smiled and addressed me saying:

“My Brother, if you will hand me your cup, I will give you a much more refreshing drink than spring water.” I obeyed, and instantly the cup was filled with a creamy liquid. Handing it back to me, he said:

“Drink it.”

I did so, and must have looked my astonishment. While the taste was delicious, the electrical vivifying effect in my mind and body made me gasp with surprise. I did not see him put anything into the cup, and I wondered what was happening.

“That which you drank,” he explained, “comes directly from the Universal Supply, pure and vivifying as Life Itself; in fact, it is Life—Omnipresent Life—for it exists everywhere about us. It is subject to our conscious control and direction, willingly obedient when we love enough, because all the Universe obeys the behest of Love.” *Unveiled Mysteries: 3-4*
