

**GOD'S VIOLET FLAME HARMONY,
BLAZE THROUGH AMERICA!**

(alternate line)

Come! Take Eternal Command!
Thou art the Presence, "I AM"!
Come! All within Her control!
Thy Eternal Perfection now hold!

Speak through us Thy Cosmic Command!
Thy Victory in us we demand!
Thy Freedom forever we claim!
Come! Make all here serve Saint Germain!

All of Thy Harmony release!
Compel all that's human to cease!
Such Harmony as only God gives!
Purify all here that lives!

Expand! and Expand! and Expand!
Make Thy Love heal through our hands!
Control! Make Pure and set Free!
All shall give Obedience to Thee!

Such Harmony as none here have seen!
Till all in our world is God Clean!
Protect all our loved ones here now!
Fulfill each God Call, Plan, and Vow!

Come! Blaze all the Harmony we need!
Come! Make all God's Plans here succeed!
Possess us, control, and sustain!
Within Thy Heart Flame, we remain!
