# THE VOICE OF THE "I AM"

BY THE ASCENDED MASTERS AND THEIR  
ACCREDITED MESSENGERS, MR. AND MRS. G.W. BALLARD

Welcome to the Saint Germain Press! The Books and Materials, through Saint Germain Foundation and Saint Germain Press, are the original Words as given from the Ascended Masters and Cosmic Beings through the Accredited Messengers, Mr. and Mrs. Guy W. Ballard.

**BELOVED SAINT GERMAIN SAYS:** "These Books at the Inner Level are bound in Covers of Jewels, and the Ascended Masters' Words in those Books always carry Ascended Masters' Radiation from the Ascended Masters' Consciousness and the Ascended Masters' Octave of Perfection. . . .

"And here I want to send forth a warning—because there have been those unfortunate individuals who have taken the Instruction that the Ascended Masters have given in the Saint Germain Series and *The Voice of the 'I AM'* and on your recordings . . . and published them in various books of the outer world! . . . The Ascended Masters' Radiation is *not* in those books and will *not* be!

"So I say that for everybody's Protection. . . . *You can read all the books on this Earth and you will not find the Radiation in any, that you find in the Saint Germain Series or The Voice of the "I AM" or in the Dictations! . . .*"

Record CD 1275

THE ASCENDED MASTER INSTRUCTION ON THE "BELOVED MIGHTY I AM PRESENCE" was given to us by the Beloved Ascended Master Saint Germain, through His Accredited Messengers, our Beloved Mr. and Mrs. Guy W. Ballard, and is now presented to mankind under the auspices of SAINT GERMAIN FOUNDATION and SAINT GERMAIN PRESS.

# BELOVED GREAT COSMIC ANGEL

Chicago, Illinois • December 30, 1962  
Cassette 6 0576-1; Compact Disc 00910

Beloved Ones who are fortunate enough to abide within the Heart of the World, I come to bring again the increase of the Sacred Fire and the Cosmic Light, to be more Cosmic Concentration within the Nation of what is required to keep the wholesale destruction intended against Life from accomplishing its destructive intent. We who are Cosmic in Our Assistance to the Earth, We who are the Cosmic Action and the Law and the Authority to concentrate the Sacred Fire to any intensity whatsoever, are the Guarding Presence of this Nation.

We can see the intent in the mental and feeling world of the people of Earth as easily as you can see each other. There is no such thing as hiding human creation from the Light of the God Consciousness of Life—the “Beloved Mighty I AM Presence” and the Ascended Masters and the Cosmic Beings—whose Life is a Light that penetrates all things, controls all things, and compels all things to be purified.

If the people within this Nation want God’s Freedom enough to purify themselves, that their Purity may be the guard of all that is constructive, there is no limit to the Power We can draw into the physical conditions of the Nation to prevent destructive forces fulfilling their

plans; but the people themselves must desire Purification, which unfortunately many do not at the present time. But when the Light in Its Cosmic Concentration and the Sacred Fire descend into the lower atmosphere of Earth to pass through the people and the Powers of Nature, I assure you, Purification takes place because the Sacred Fire of which We speak, and the Cosmic Concentration of the Cosmic Light, is so much more powerful than anything you know of as physical fire or light in your physical world's experience, that there's no comparison.

The Cosmic Light that comes under Our Direction and the Sacred Fire are both the Inner Essence of the Power from the Great Central Sun. That Inner Essence is the concentration of the Life from the Cosmic Realms of Manifestation that creates a world and draws forth the Powers of Nature upon it to provide a place for mankind to embody. So for the Protection and Freedom of your Nation, We are concentrating a certain Sacred Fire's Purification of the minds and the feelings of the people to compel them to awaken. Only by a shock of Our Purity, which they cannot resist, will the destructive forces be compelled to face that which is their annihilation.

Those of you who have called forth the Purity of the Violet Consuming Flame and Cosmic Light can at all times be enfolded in whatever Power is necessary from Our Octave to control conditions in the physical world. You are not at the mercy of the destructive forces of the outer world, as are the majority of the people; but through your own radiation and your Calls, you can command and demand that the consciousness of the people of the Nation be compelled to be purified and

the feeling of Life within your borders be compelled to be purified. And if you care to take the responsibility of demanding the Cosmic Purification of every Life Stream that is privileged to abide within your borders, it will give Us an opening to concentrate certain Activities within the Nation that can annihilate the accumulation of destructive forces where they're trying to gather power enough to do damage.

If you care to call into the consciousness of the people the Cosmic Illumination of the Sacred Fire's Purification everywhere throughout the Land, It will bring much Assistance to those who are trying to hold to the constructive way of Life, those who are trying intelligently to protect the God Government of this Land and the God Rights of the people. So if you care to call forth the Cosmic Power of Our Sacred Fire Purity, enough to compel the destructive forces within your borders to be bound before they can bring more destruction into the outer, the very intensity of the Sacred Fire of Our Purity can and will put an end to their plans and a great deal of their action, before it can accumulate to the place where it would affect the Nation disastrously in a large capacity.

There is no use of mankind imagining that any group of individuals can solve the problems of a nation or the world at this hour of the world's experience. There's only one thing on the whole Earth that's required, and that's the Ascended Masters' Cosmic Concentration of Purity by the Sacred Fire that is Master over mankind's creation. So when you call forth the Cosmic Concentration of the Sacred Fire's All-purifying Mastery into outer physical

conditions, I assure you, evil will die. (*applause—audience rising*) Thank you so much, Precious Ones. Won't you be seated, please, and just remain so.

Now, if only the "I AM" Students alone would call for the Great Central Sun's Cosmic Concentration of the Sacred Fire's Purity that the Cosmic Beings who are the Guard of this Nation know is required within the people themselves—to make them more constructive, to make them let go of the human desires that are the filth that destroys nations—if just you will make the Call, it can be like a great Searchlight that comes from the Physical Sun or the Great Central Sun and, cutting through the darkness of human impurity, can start the expansion of that Cosmic Concentration of Sacred Fire Purity; and where that Sacred Fire goes, impurity can no longer exist.

This is what We are hoping for, because I happen to be one of the Cosmic Beings who guards the Freedom of this Land and the Power of God within It. And "I AM" all Authority to cause whatever concentration of the Sacred Fire's Immortal Purity can be charged into the minds and into the feelings of the people, to force them to awaken and desire the constructive way of Life and desire the Protection of what is right within your borders.

The desire world of the mass of the people has been put to sleep by the hypnotic suggestions and radiation of the sinister force; but this of which I speak is a Cosmic Awakening of the Life Streams within your borders to release the Light which the Higher Mental Body of each Life Stream can bring into physical conditions, to arouse the people to constructive action and to desire

the constructive way of Life that protects the Nation. The Cosmic Awakening must come within every Life Stream within the borders of this Nation. And if individuals will not awaken, then they must leave the Earth! (*applause*) Thank you so much.

When I say awaken, I mean to let the Heart Desires within the feeling of the individual want the strength and the power and the control of the outer self to be only that which is constructive. When We call for the Cosmic Awakening of the Life Streams within the borders of this Nation, it means that the Unfed Flame in the Heart of every human being will be given an opportunity, through the emotional body, to desire the constructive way of Life and make some conscious effort to give Obedience to the Law by which the Higher Mental Body can hold control of the outer self.

When a certain proportion of the people within the Nation want the constructive way of Life enough to want Freedom for the Nation by letting go of the human desires, then there can come the Strength and the Power and the Cosmic Control of the Nation, from Our Octave, that prevents the sinister force changing your government or producing the conditions in your Land that will degrade everybody, if they're not annihilated. The degradation of Life within your borders must cease by the concentration of the Sacred Fire from Our Octave, and It can come into the physical world in many ways of which mankind knows nothing. (*applause*) Thank you so much.

Now, when We choose to concentrate the Cosmic Sacred Fire's Purification into the physical octave, We

can charge through the mass energy of the feeling of all that lives within your borders—We can charge through that a wave of Cosmic Light. And as It goes through the mass energy of all the people within your borders, It not only allows the Higher Mental Body of each Life Stream to come forth and desire through the outer self the constructive way of Life and constructive conditions within your borders, but as that wave of Cosmic Light passes through the Life energy of all within your borders, It is an ever-intensifying, expanding Light. And when It passes through the feeling world first, It quiets the destructive desires—desires of selfishness and stubbornness. It carries Illumination to the mind. It will purify the flesh structure and consume much disease.

So, it is a very beneficial Blessing to the whole Nation when We choose to release the Cosmic Concentration and the Cosmic Wave of the Sacred Fire and Cosmic Light that is the Cosmic Awakening of the Life within your borders. Those who are trying to hold to the God Way of Life, trying to hold to that which is constructive for the Nation, will automatically be strengthened and protected and charged with greater Power of Accomplishment; but when We release the Cosmic Wave of the Cosmic Awakening through the mass of the people, through the whole Life of all within your borders, the Light is going to expand to all that lives within your borders.

As you enter into the use of this Decree, We will be ready at the Inner Level to intensify without limit whatever Cosmic Concentration is called into the physical octave by your desire, by your Command, and by your

Demand for the Protection of all that is the God Freedom of your people and the God Control of what is within your borders.

The hordes of the shadows, the sinister force, tries to make mankind believe that there are no Beings greater than mankind and none to come to the assistance of Life; and that is because those who serve the sinister force are bound in the darkness of their own creation and cannot see outside of that. But when the Cosmic Concentration of Our Sacred Fire and Cosmic Light is lowered into the lower atmosphere of Earth, into the structure of Earth itself, and passes through the Life of the people, the Cosmic Awakening, I assure you, will arouse Life Streams out of the clutches of the sinister force, until the mass accumulation of the evil can become completely removed from within your borders.

The Cosmic Fiat has gone forth for the Freedom of this Nation! And regardless of all mankind's plans in the outer world, all the plans of mankind put together cannot stand before One Command of the Cosmic Beings whose Life is given to sustain the Earth and all upon it! (*applause*) Thank you so much.

So now, from this hour, whenever you think of the Purification that your Nation needs in order to stand with the God Beings of the Universe powerfully enough to prevent the destructive forces accomplishing their destruction, demand that everything within your borders be charged with the Cosmic Awakening of the Cosmic Concentration of "The Light of God that Never Fails," to shock everything that lives, awake and out of

the clutches of destructive forces until the Sacred Fire has consumed them. There can come an awakening!

There can come many Manifestations within the people themselves that will make them understand that the only Help and Protection that is any security to them in outer world conditions is the Cosmic Power of the Cosmic Beings who guard the Nation. So, since We are that Guard, We are the Guardians of all within the Nation who are trying to hold to the constructive way of Life, who are trying to be the Protection of all that is of God within your borders. And I assure you that Our God Consciousness—Our God Illumination, Our God Minds, and Our God Feeling—is Power without limit as you charge It in and around yourselves. Then call forth Its Cosmic Awakening into everything that lives within your borders. Just charge It forth and leave the results with Us. All We ask is the opening to let the Light come in and do that which It alone can do.

So, Beloved Ones, you are the open door for the Cosmic Awakening of the people within your borders. And those who are the guarding presence of the Eternal God Government of this Land are the channel through which the Cosmic Sacred Fire is anchored within the Nation, is expanded, and is poured through the feeling of the people, until the mass feeling of the people awakens individuals to the hopelessness of the destructive forces, and becomes the Strength within the Life Streams that are constructive within the borders, to make them more powerful to go forward and hold the Victory of the Light.

When you want to dissolve and consume that which has no right to be within your borders, call forth the

Great Central Sun's Cosmic Concentration of the Purifying Sacred Fire that forces the awakening of all Life within your borders by the consuming of the human shadows that have put the desire world of the people to sleep, and this shall awaken them with your Calls! (*applause*) Thank you so much.

So if you care for My Presence, My Sacred Fire Presence, as an Enfolding Sun around yourselves and around all within your borders that is constructive, you may have the Cosmic Concentration of whatever Sacred Fire I know is required to prevent the plans of destructive forces from producing physical conditions around you that would be distressing or would try to take from you that which is your Divine Right—Cosmic Concentration and Cosmic Awakening by the Great Central Sun's Light and Sacred Fire that, I assure you, never fail because none of mankind's human creation can take Them out of existence. Well then, at any time They can be concentrated into these conditions of human accumulation as easily as the Sun rises in the morning.

This Light is in the Universe! It's in this System of Worlds. The Sacred Fire is everywhere in interstellar space. It's everywhere in this System of Worlds, and you can have the Cosmic Concentration of It to any degree whatsoever.

So if you care to acknowledge, “ ‘I AM’ the Cosmic Concentration of whatever Ascended Master Illuminating Consciousness is necessary to go forth to the American people, to shock them out of the clutches of the hordes of darkness,” then you become an extension of Our Sun Presence. We can enfold you in that. The Sacred Fire goes

forth. You have nothing to do with individuals except to send It forth into the consciousness of the people, and you go on about your own affairs. If you'll give Us this opportunity, the Nation will be blessed. If you open the way by which this Sacred Fire can enfold you, automatically It becomes your Protection; and wherever you abide, It becomes the Cosmic Concentration of the awakening of all that you contact.

The very Light about you, through Radiation, will awaken the desire in those you contact to reach up and want to do something for the Protection of the Nation. And then the right ideas can come and individuals won't make the mistake of starting a revolution that can only bring destruction to all. This is your Guard against communism! And if you ask for Our Cosmic Concentration of whatever Sacred Fire and Cosmic Light is necessary to consume communism and bring the Light to the people to refuse it, you will not find it a disintegrating activity within your borders. And the forces that have tried to destroy the Nation through that, will not only recede, but be consumed.

It is necessary! The hour is at hand. This concentration of the Cosmic Light is needed! And We are the Authority and the Power and the Beings who draw It into the physical world to consume, now, the human accumulation that must be consumed before the people are strong enough to stand their ground and take their stand that the Nation shall not be desecrated by any force! (*applause*) Thank you so much.

Now just one more thing. Call to the "Beloved I AM Presence" of every Life Stream within your borders, and

to the Great Central Sun and the Cosmic Beings who are the Guarding Presence of this Nation, to concentrate everywhere within the Nation whatever Great Central Sun's Purity and Sacred Fire Control is necessary to make it impossible for the sinister force to create the desecration within your borders that the people fear and the desecration that has been prophesied. It does not need to come! And if you ask for the Cosmic Concentration of whatever Sacred Fire consumes it before it can come into outer conditions through individuals, well, it will be consumed at the Inner Level. We are the Authority and the Power to do it! The Sacred Fire is at Our Command forever! (*applause*) Thank you.

Now, call forth from the Great Central Sun whatever Cosmic Concentration of the Sacred Fire is necessary to take out of every individual within your borders all desire to desecrate Life. The Higher Mental Body will cooperate with your Call, and We will release the Sacred Fire that prevents the desecration. So, Beloved Ones, the Legions of the Sacred Fire are awaiting an opening to act; and this Call will give it. We will stand your Guard. And every Life Stream that exists that is awakened out of the shadows will bless you for Eternity for, at this time, drawing those Life Streams out of the clutches of the hordes of evil—for those hordes must be consumed.

So, go forward and call the Cosmic Concentration of the Sacred Fire's Awakening of every Life Stream within your borders, to Obedience to the "Mighty I AM Presence" and the Ascended Host, to the defense of everything that is constructive! Awaken every Life Stream out of the clutches of that which seeks only to

desecrate Life, and go forward to Victory! Beloved Mighty Victory will manifest that Victory! Every Cosmic Being will draw the Sacred Fire of Victory! And the Cosmic Concentration of the Cosmic Light of Victory can take the place of everything within your borders that would try to desecrate the Blessings that God has bestowed here. So go forward and call with all your beings for the Cosmic Concentration of the Sacred Fire's Awakening that will not let Life sleep longer anywhere within your borders in the clutches of destructive forces, and let Us see what We can do in a very short time. (*applause*) Thank you so much.

There are nine Ascended Master Retreats within your borders, and that's surely not by accident. That's the Power of the "Three times Three" within the United States of America. And every one of those Retreats is a Focus of Cosmic Concentration of whatever Sacred Fire is necessary to be drawn into outer physical conditions to handle these situations when the people awaken and reach up and want that Help, as they see the destructive forces being removed. So, your Victory is sure!

Mankind has no security anywhere in this world except that which is drawn here by the Ascended Masters and Cosmic Beings through the Retreats of the world, and through the Outpouring, from time to time, from the Ascended Masters' Temples of the Sacred Fire that draw It into the physical octave to consume mankind's shadows.

So let Us go forward and remember the Cosmic Christ Awakening by the Sacred Fire's Annihilation of human creation is a privilege, a responsibility, an obligation,

and an opportunity to draw into this world whatever takes away from everyone that which the sinister force has imposed. We are awaiting the hour of Freedom to lift you all to greater Power by the use of this which We offer.

Beloved Ones, just know, if you care to feel My Sacred Fire Presence enfolding you and pouring forth around you the Cosmic Awakening by Sacred Fire Purity, I can abide with you. I will abide with you. I will draw into this physical octave that which consumes the human; for I issued the Fiat, “ ‘I AM’ the Sacred Fire! ‘I AM’ the Power! ‘I AM’ the Authority! ‘I AM’ the Command!”

If you will stand and let Me enfold you in that which forever sets your Nation Free, and through the Nation the World, automatically you yourselves must be Free. My Heart’s Flame offers you the Cosmic Awakening of Eternity! Go forth and give It to the Nation, and you can only become a Sun Presence of Its Victory for Eternity. Thank you with all My Heart.

# THE LAW IN MANIFESTATION

**Beloved Mrs. Rayborn**

---

Today, in all the glory and the freedom that mankind seeks from outer conditions, do not forget to include the beauty of face and form. That is the outpicturing of the Ascended Masters. Oh, Dear Ones, once that was thought to be vanity, but no longer! No “I AM” Student in the world would ever longer think of acquiring beauty for vanity, but to be the greater outpicturing of the Ascended Masters and all They represent.

Remember, Beloved Ones, as Saint Germain has very often said, the Students now, since they have had sufficient time for adjustment, should in every way make themselves the Dignity and the Beauty and the Representative Glory of the Ascended Masters; and remember what the Power of your attention will do!

## OCTOBER 3<sup>RD</sup> ANNIVERSARY

### BELOVED GODFRÉ

**W**hat think you, Precious Ones, has been the Assistance to mankind since this “I AM” Activity came forth? You have no concept of what your Blessings are, compared to the condition you would have been in if the Mighty Saint Germain had not succeeded in bringing this Knowledge when He did.

In all Eternity you could never give Him a balance for what He has done for you, just thus far. Do you understand just how much Patience it takes to love people—for seventy thousand years—that are still bent on doing just as they please to get themselves into misery from which somebody else has to help them out? That’s what He’s done!

I have My Freedom today because of His Love for Me. There isn’t anything in all Eternity I wouldn’t do to assist Him in the great Divine Task of His in cleansing the Earth. You have no idea, Dear Hearts, how great Love can become when you see what Love has done for you!

## Gratitude to Beloved Saint Germain

MRS. G.W. BALLARD

**A**s the Beloved Saint Germain speaks His Heart to us all, we welcome Him, we bless Him, we thank Him, we adore Him for all Eternity for all that His Love has done for us throughout the centuries. Now may we in some measure repay that Love by our service to the “Mighty I AM Presence” and to the Nation of His Heart, until our love and His Love turn into the Violet Consuming Flame of Eternal Mastery, blaze throughout the Nation, and prevent anything destructive ever again existing within the Americas, or acting through or to those under this Radiation, or touching those in our National Defense.

We ask for whatever Dispensations from the Great Central Sun are necessary to move into outer Command that which compels the anti-Christ to leave the Earth and let mankind alone forever!

## “I AM” MUSIC OF THE SPHERES

### BELOVED GOD HARMONY

**I**n the Assistance which it is Our Cosmic Privilege to give, there is Power so staggering to the mind of mankind that It is incomprehensible to the intellect of individuals, until they see It in action in the atmosphere about you; and that Power is the concentrated Electronic Force, the actual Sacred Fire Element of the Universe that comes forth through the Cosmic Action of Music. There are Chords in the Sound of the ethers of this planet, in the upper atmosphere, which if drawn into the energy of the physical world could shatter everything that was of discord. There is Rhythm in the Power of that Music that would, of Its own natural heartbeat of that Rhythm, shatter the form and the accumulation of discord. There is Melody in the Octave of Light—not the Ascended Masters’ Octave, now. I am talking about the upper atmosphere of your own world. There is Melody so exquisite that It would make you weep with joy, so great is Its Power to affect the feeling, which is the energy in the emotional bodies of mankind.

# VOICE OF THE PRESENCE

May Da Camera 1938

# BELOVED GOD HARMONY

---

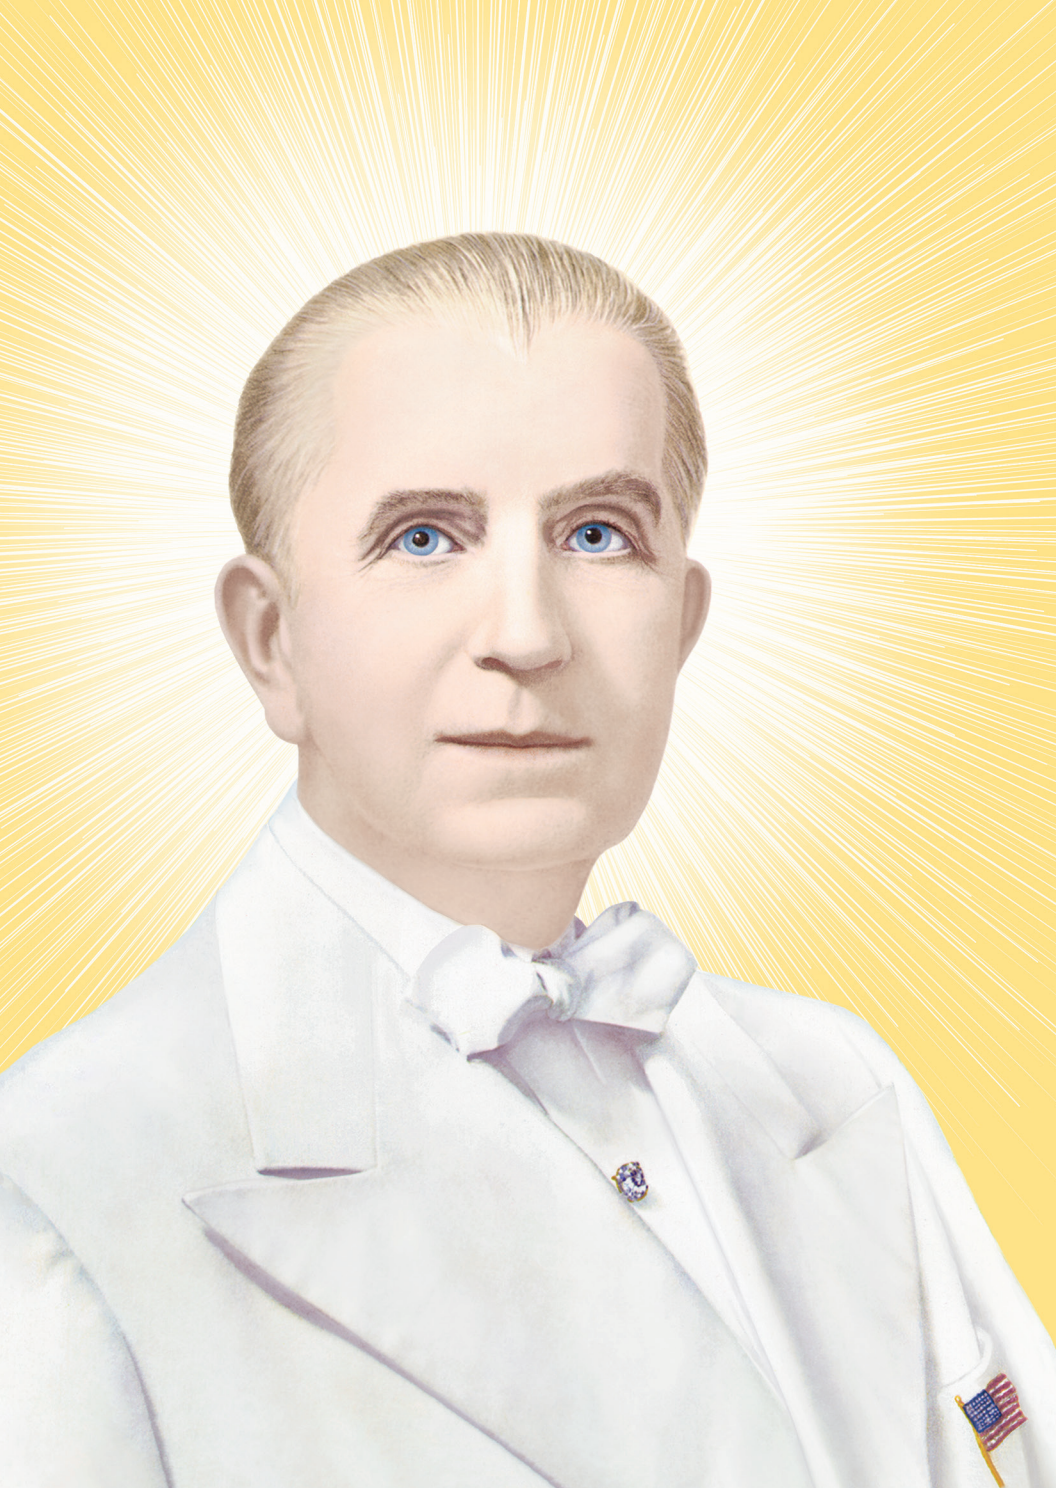

Chicago, Illinois • December 13, 1956  
Record CD 301

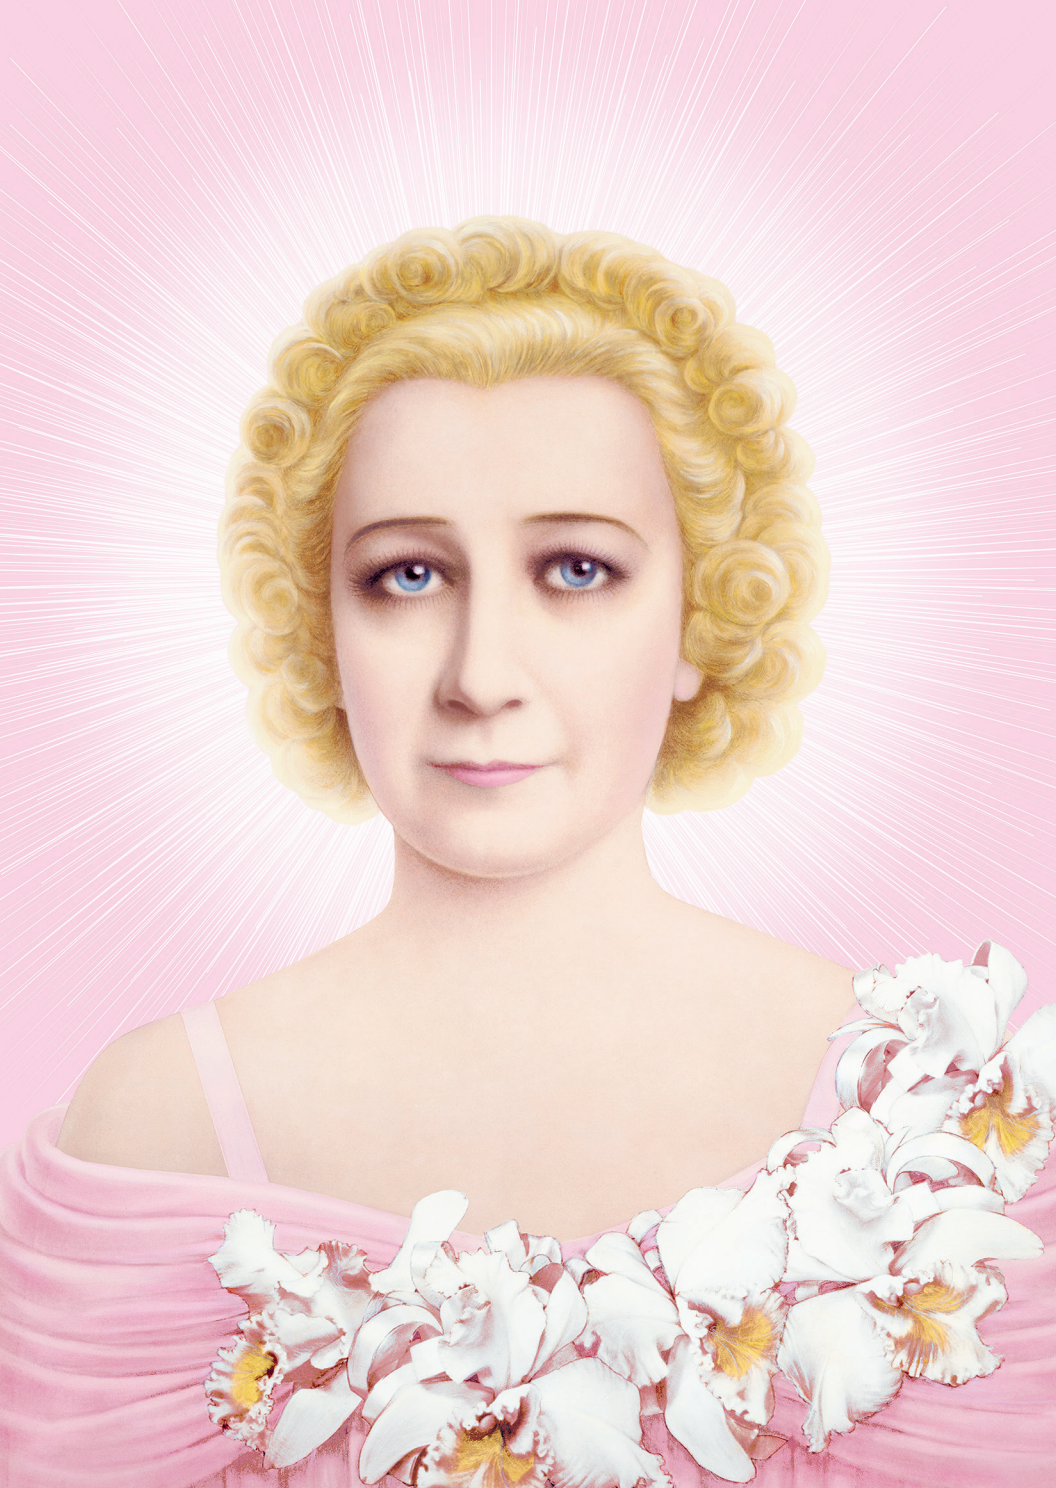

Beloved Ones of My Heart, it is with great Joy tonight that it is My Privilege to bring to you the increasing Activity of the Sacred Fire which I want you to have for all that it is My Opportunity to accomplish through you. And tonight I wish to speak of the absolute certainty, for you all, of having all the Strength and Power of the Light that you require at any time to accomplish anything and everything that needs to be done at this time to hold your Victory, your Freedom, your Protection, your Supply ever flowing to you, and to enable you to render the greatest service possible for the Nation and the World.

Now, no matter what an activity requires, take your stand with Me tonight; for the Cosmic Law has permitted Me to supply, into you and around you, whatever added Strength and Power of the Sacred Fire are necessary to strengthen each one of you to the point where you are victorious over every outer world condition. Many times, when you face destructive forces of the outer world, you feel you're not equipped or able to hold your own against their destruction; but no matter what you decide that you want to do now in the Service of the Light to fulfill the great Divine Plan, know always that through your Call to your "Mighty I AM Presence" and to Me, and to the

Seven Mighty Elohim and others of the Ascended Host, you can be made strong enough at any time to draw all the Sacred Fire necessary into any condition to enable you to hold Mastery over all that is of discord.

So if the struggle sometimes seems great and almost more than you can bear, from tonight never have that feeling again, because when you call to your “Mighty I AM Presence” and to Us for the Release of all the Sacred Fire necessary to make you Invincibly Strong in the Power of the Sacred Fire and Invincibly Victorious over all else, then there can come to your Assistance—in ways and means you know not of—the Release of the Inner Essence into each of you that is the Inner Strength to enable you to hold the outer Victory where it seems almost impossible to do it. So never feel that you’re not strong enough to hold the Power of Victory in whatever you need to accomplish.

Don’t allow yourselves ever to say, “Well, I am just not strong enough to do it.” I am not speaking so much of physical things now, as I am the facing of the destructive conditions of the outer world against which you need to be like steel. And with your Call to your “Mighty I AM Presence” and all the Sacred Fire We have offered, you can be made strong enough to conquer anything and everything that you have to face in your onward journey to your Freedom. So never feel for an instant that you cannot have all the Sacred Fire necessary to assist you and to always hold you Victorious over every circumstance, over all problems, over all that you are yet to do in the Expansion of this Light that brings Freedom, this time, to the whole World.

Now to those who are interested in Music, I have some encouraging news for you; for I wish to apply this to each of you who will let It come through, to do that which I want to do for you, and I hope It will always bring you very great Joy. (*applause*) Thank you, Precious Ones.

When you understand how We can strengthen an individual through the Release of the Sacred Fire through your Musical Activities, it is like recharging your whole world with more Victorious Power of Accomplishment, because your Music is harmonized energy. It's already harmonized; and so, it is a very simple matter for Us to charge into that the Victory of Our Sacred Fire, to hold that in and around you until the Inner Essence releases from your own "Mighty I AM Presence," now notice, through the nerves of the physical body—for that is where the Inner Essence releases, as well as into the brain structure and the mental and feeling world.

The Release of the Inner Essence of Life is the Strength and the Power of the Light in you that stands against anything that is of human discord and wins your Victory. I want you to have that encouragement tonight, for It is one of the Services that comes under My Direction; for as the Harmony is maintained in and around each of you in your feeling world, it enables Me, more and more, to draw the greater Power of the Sacred Fire into you and your affairs for the accomplishment of anything and everything that is constructive.

We are trying to strengthen every one of you in every way possible to take you forward in greater and greater Victory; but We have to prepare the way, and the

preparation is Purity and Harmony maintained. Then the Sacred Fire can come in whatever intensity is necessary to manifest your Victory without any question. And as you go on, It will come more and more easily each day.

This will also have much bearing upon your health. Sometimes when We say the “Inner Essence,” your intellect says, “Well, what’s that?” And yet, It’s in you all the time; but your Higher Mental Body is the Reservoir in which It is stored. It can concentrate in and around you more powerfully than you understand, but We must hold about you the Focus of the Sacred Fire while that Inner Essence is intensifying through your mental and emotional bodies, until It becomes anchored into the outer flesh structure.

That is why I said in the beginning that you can be made as strong as you need to be made to conquer anything now, once you know of your “Mighty I AM Presence.” Once you know of your Calls to Us in your use of the Violet Consuming Flame, there is no such thing as not being capable and able to accomplish anything you attempt to accomplish, so long as it be constructive. So, every bit of Harmony that is in you and your world, I can at all times amplify without limit by the Sacred Fire Victory that is now Mine; and the Seven Mighty Elohim will do the same thing for you. But certain Activities of the Music come under My Direction.

So, for the benefit of those who are to receive that Blessing and utilize that Power, the Sacred Fire which I am offering tonight, I assure you, is a very practical help to you, and is a strengthening of everything that is harmonious within you and your world. If there seems

to be difficulty sometimes holding the Harmony, demand the annihilation of anything—and it doesn't make any difference what it is—that tries to disturb your Harmony. And if you call for that powerfully enough, the Sacred Fire of My Flame of Victory will follow in and make you the Victory for which you call.

We—each of Us has offered, from time to time, more and more of the use of this Sacred Fire. Now there must come within you the realization of Its Mastery and Its Strength within you to do anything that is necessary to fulfill the great Divine Plan. Each of you has unlimited opportunity to call to your “Mighty I AM Presence” and the Ascended Host. And there is nothing in the Universe that can prevent you sending your Love and your Call to your “Beloved I AM Presence” and to Us, even in the midst of anything you do in the outer world. There is no such thing, since you have come this far in the Light, that can interfere with you being made as strong as it is necessary to make you, to hold your Victory of the Light. And that means your Freedom in the Light—not only your Victory over outer world conditions, but that is the Strength of the Light that holds your Freedom of that Light in yourselves and in your affairs. So It is far-reaching in Its effect upon you, and It is the wide-open Door to the release of anything and everything that will bring you Freedom and Protection, bring you Supply, and make you capable of assisting all whom We will bring to you.

This will go forth to bless your loved ones. And who can tell Me how long it takes for one to respond when I choose to concentrate the Sacred Fire of My Harmony,

and My Love, and My Victory in and around an individual to accomplish a definite Victory? Some of you blessed ones have been calling so intensely for Love and Help to your loved ones, and those Calls are heard, and They will be answered! I am here tonight to assure you of that and help you to bring about the Victory for every Life Stream for whom it is possible for Us to release at this time.

So, Blessed Ones, just to demand Harmony isn't all there is to it in your accomplishment of your Victory. Try to understand, before you start anything, that your first duty is to pour your Flame of Love to your "Mighty I AM Presence," and ask for Its Love and Its Power and Invincible Protection and Boundless Strength of the Victory of the Sacred Fire to come into you, and make you strong enough to do what needs to be done, and it will be manifested to you. And in preparing the way ahead, it is well if you want to call the Victory of My Sacred Fire Power into a condition to hold the Harmony until your Victory is complete.

Many times when you want to hold Harmony, My Dear Ones, disturbing conditions continually try to annoy you. If you will understand what I am doing tonight, in your Call for the Inner Essence of the Victory of My Sacred Fire and My Love and Harmony of My Heart's Flame to come in and around you and *prevent* irritation, *prevent* aggravation, and *prevent* anything that is not your Victory and your Strength to go forward and absolutely master the conditions around you—through this you will gain a Strength, a Confidence, and a Mastery that comes in no other way.

Your Mastery only comes by using the Master Powers of Life, and the Master Powers of Life all abide within the Sacred Fire. So when you ask for the Inner Essence of your “Mighty I AM Presence” to make you the Strength within to conquer everything, then when you ask for the Victory of My Sacred Fire Power of Our Indestructible Harmony to enfold you, your Victory is just as absolutely certain as that you make the Call. So, Blessed Ones, feel free at any time to call the Victory of My Sacred Fire Harmony ever about yourselves, to close out irritation and aggravation and anything that seems to make a struggle for you at this time.

We are giving everything possible to help hold Purity, Harmony, Protection, and Supply for those under this Radiation; and this will help you to hold It for each other as well as for yourselves. So go forward, knowing with every fiber of your being that you are all the Inner Essence necessary to hold Invincible Harmony and Sacred Fire Victory in everything in your beings and worlds; and I shall establish an Outpouring of that to you all at a certain time every day—and as near the noon hour as possible. (*applause—audience rising*) Thank you, Precious Ones. Won’t you be seated, please, and just remain so. I will not hold you long.

This will enable you to have your Healings more quickly, and it will enable Supply to reach you more easily. This will be a Magnet to bring to you everything that you want, and to keep closed out the things that have caused your struggle.

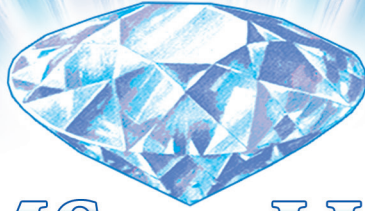

So, Blessed Ones, try to flood forth the Inner Essence into everything in your being and world that is always

the Strength and the Power of Victory, because that is the Power by which Victory manifests. When you call forth the Sacred Fire of My Harmony to bring Victory for you, I shall stand until that Victory manifests and the outer becomes filled with the Inner Essence that is always Victory. And the Sacred Fire compels Its Manifestation as the Harmony is held about you, until the momentum is gathered that makes you Master of circumstance permanently, wherever you go; for once this Inner Essence is drawn forth in and around you, My Dear Ones, that becomes the Illumination that draws you into your final Freedom.

Thank you with all My Heart. And the Victory of My Heart's Flame of Invincible Harmony ever stands ready to give you all the Strength and Protection and Assistance you require, until your Freedom is complete forever. Thank you so much.

# GEMS OF LIGHT

## BELOVED CHA ARA

I want you to anticipate the Joy, the Victory, the Arrival, the Attainment and Use of the Power of the Sacred Fire that enables Us to come to you as quickly as possible! I told you before, the Door is not locked from Our Side of Life. It is you who must unlock the Door from your side of Life; and wherever these conditions have been fulfilled, My Dear Ones, We have come to individuals down through the centuries. We always will whenever the outer self of an individual complies with the Requirements of the Cosmic Law of Our Presence.

I want to issue a Warning tonight to the Student Body! Do not expect this Law to act for you if privately and in secret you keep your attention on things that are not the Purity of Our Octave! You cannot live in the unconventionalities of Life and maintain Purity. I want to say something about this, because there has been so much flagrant abuse of outer world conditions that We must bring the people back to the balance of decency! The conventionalities of Life were established by the Ascended Masters in the beginning to be a brake upon mankind's animal nature and to keep human beings from acting like animals.

Therefore, the Refinement, the Culture, the Restraint, and the Ideal of living as the Ascended Masters established it, is, after all, the Ascended Masters' Way of Life. We can no longer give Protection to individuals who, knowing of Our Presence and knowing this Law, privately prefer to live the opposite. You cannot disregard the conventionalities of Life and have either Our Protection or Our Supply or Our Help! The Cosmic Law demands certain Requirements! Through a soiled garment the Light of the "Presence" does not shine. If people think on impure things in secret, they will find the Cosmic Law will reward them openly by their corresponding conditions in the outer.

So, when I have pled for twenty-five years for the preparation by which We might come to you, it is so We may close the Door of Eternity upon the very things that are destroying mankind today throughout the world.

Beloved Ones, the hour is approaching when it is going to be necessary for Us to come if you are to have Protection and Supply. Therefore, We are urging you to make every preparation possible for Our Presence, that We may do for you the greatest Service possible, and to help you help others. We are not coming just to gratify your own desires or for Our Enjoyment. We are coming to render a Service to the world, and We have to render that through some group of unascended beings; and We cannot do It through impurity.

*The Voice of the "I AM," 1976.3:18-19*

## *Talk*

**Mrs. G.W. Ballard**

---

**May 17, 1959**

Beloved Ones, for your own protection, kind of watch yourselves, if you will, please. If you make strenuous Application for a while, if you find yourselves getting tremendously exhausted—I don't mean especially from the Application—but I mean if you're terribly tired from the outer day's work, the outer world's work, and then you force yourselves to make Application, watch out that you do not get keyed up to a nervous tension where you can't sleep. Now when you find yourselves getting that tired, go to sleep; and decree afterwards, as soon as you wake up, when the energy is fresh. Then you won't find a nervous strain or tension being a reaction from maybe driving too hard physically, and in Application, too.

Watch out that you do not get too tired—I mean force yourselves to do things too long at one time. You can do the

same amount of work if you break it in the middle with a rest and let the energy be supplied, so you do not get the nervous system tied up into knots where you can't go to sleep—you get so nervous, you can't. Now, don't do that.

After all, it's the fresh, positive, rested energy that does the most good and produces the quickest manifestation. Now that doesn't mean that any time you don't feel like doing something, you go to sleep. You think you're too tired. That isn't the idea at all.

Keep to your regular schedule. But after you've driven a certain length of time and you find yourself coming to that nervous tension, stop, sleep, and then give your Decrees afterwards; and you'll find you'll have a great deal more power and a lot less exhaustion. In that way your energy is not down.

Now, tired energy has two dangerous conditions. In the first place, unless you are positive—your energy is rested and positive—when you're too tired you don't have the protection that you do when the energy is rested, because one way it's harmonized and the other way it isn't. Tired energy is not harmony. You've got to watch this thing, because the whole outer world will take every bit of energy away from you and won't let you make your Application if it can possibly be avoided. I think I don't need to convince any of you of that.

In holding positive energy within you, rested energy, it's harmonized and your protection is very much more invincible than when the energy is too tired. And you will not find the strain on your health if you will rest after a certain number of hours of Application, or work in the outer world. Break it before you run too long at one time.

The outer world, because of the insistent, constant confusion and discord, there is a certain absorption of the life energy just by discord. Discord will wear you out. You don't have to do a discordant thing yourself, but you can stay in a discordant atmosphere and it just sucks the energy out of you. You don't realize that until you step out of it. Then you find what a rest it is when the noise and the confusion stops. You don't realize what a pull it is on your energy until that does stop. Then you realize what strain you were under.

Now if you'll break this, you can do the same amount of work in the same number of hours; but you won't feel the exhaustion in the physical body. So watch this carefully because you need to keep protected for more than one reason. The mind is not alert when you are too tired, and the feelings are much more easily irritated. So before you start to do anything, make the Call to the "Presence" and the Ascended Host to give you the Illumination to do it in the most harmonious, invincible way. See? Then you won't find it drawing the energy out of you that you ordinarily use if you dash into a thing without making your Call first.

The whole thing is training the outer self to get in the habit of sending the flash of Love to the "Presence," asking for the Illumination and the Strength of the Light within, to enable you to do what you have to do in the most harmonious way, and keep you invincible against discord of every kind. You will find you can do more work with the same amount of energy and you can do it quicker.

Now, I presume you're all in the same fix. We all have ten times more to do than we have time to do it in; but how many times you know there's a dozen things that need to

be done, you want to do them, ought to do them, and say, “I’m going to do that,” and immediately something comes up and says, “Oh, is that so?” And something else will use your time or your energy, and push it off and push it off. You can knock that thing in a loop in one Decree if, when you need to do something that needs to be done, you say, “I should do it today,” or whenever you’re supposed to, and then say, “ ‘I AM’ the ‘Presence’ that gets that done, with the speed of Blue Lightning from the Great Central Sun!” You say that Decree and you’ll be amazed—it’s like a Hand parts the obstruction; and the first thing you know, you do it and it’s over with and done, and you almost surprise yourself, and without the sense of strain. Just try it. That’s the only way I get things done. (*laughter—applause*) Thank you so much.

When everything crowds in upon you, ten times more than you can handle, and everybody yells for something at the same time—you know how it is—sometimes you just have to stop and settle that outer thing and call to the “Presence” first. Send your Love first to the “Presence.” Call for the Illumination to show you what is the thing It wants you to do now. Then It will direct your attention to something, the most important thing; and then you say, “ ‘I AM’ the ‘Presence’ that gets it done.” There’s no opposition to the “Presence.” Evil forces know better than to oppose the “Presence” because they’re going to get swatted and annihilated. But you think, “Well, I’m going to do this,” and right away fifty-seven things just try to say, “Oh, is that so? I’ll prove to you, you aren’t!” That’s the time you have to rise right up and recognize the “Presence” as the doer. Then when you say, “ ‘I AM’ the ‘Presence’ that gets this done,” why it is just like magic, Dear Ones! I just want you to have that relief.

## THE NERVOUS SYSTEM

### **BELOVED VICTORY**

The first and easiest way for the sinister force to disturb your feeling is through the power of sight. And so, since that touches your emotional body so easily, the next easiest point for the sinister force to touch you is the feeling at the solar plexus, the feeling at your stomach. The destructive forces know this, and that is why I wish to set up a Guard.

Compact Disc 01212

### **BELOVED GODDESS OF PURITY**

How many pictures do you suppose in one year you photograph into the flesh of your bodies, into the energy of your feeling world, into your affairs, through the pictures that the eyes rest upon? Answer Me that! How

many, do you suppose, of the pictures of imperfection in the outer world you have absorbed through the physical sight alone in the course of one year, into your bodies and into your affairs? Rather an infinite number, isn't it?

*The Voice of the "I AM,"* 1999.8:7

### **BELOVED CHARITY**

When your attention, through the sight, focuses upon a picture and that is photographed through the optic nerve into every cell of the body, into your nerves, the energy of your feelings, into the atomic structure of the body—and naturally that goes into your affairs—when that takes place, that which you see *out* here has come to live *in* here. That's a very serious thing! Therefore, it is vitally necessary that you keep your attention off of pictures that are destructive unless you want that destruction to live in your bodies.

Record SG 2043 AB

### **BELOVED SAINT GERMAIN**

I am bringing you this Knowledge tonight to help you free yourselves from the connection of that which does not belong to you; for I can say clearly that seventy-five percent of the things you have photographed into your world were suggested to you by the destructive forces of the outer world, and they were not, therefore, of your own creation.

Cassette 6 0380-2

Your feeling about persons, places, conditions, and things affects the health of the body, particularly your digestion and your nervous system, as well as the brain structure and your mind.

Back of the stomach is a ganglionic mass of nerves called the solar plexus. It is like a Sun to the body. Those nerves go out from the back of the body and flow around the stomach. They are just like antennae to a radio. They are like feelers on a fly, or at least an insect. They go out, reach ahead, sense and feel things in the atmosphere about you. They are always looking for something. That is the feeling which is generally going out. The moment you come into a vibratory action you don't like or that opposes your desire or your will, hundreds of those nerves pick up the vibratory action of what is around you. When that takes place, there goes forth a rate of vibration from your spine into whatever is around you—which is a repellent force. The moment you don't like something, there is a wave of energy passes through those nerves into the atmosphere about you.

*The Voice of the "I AM," 1950.8:8-9*

### **BELOVED LADY MASTER NADA**

Now the attention of the mind will draw your Life energy everywhere that it goes; but the Life energy is the Life in your feeling, and your feeling is the Liquid Light in the nervous system. Therefore, the attention will make your Life flow into anything upon which your attention rests, and it is the pull of the feeling that changes the decision in the mind.

Cassette 6 0119-2

## **BELOVED MARY**

All day long you hear all kinds of things that do not produce Perfection in your world; and you hear so much that is not the Truth, that unless you take the stand, as the Messenger does, to demand the Great Central Sun's Fiery Truth to come forth and consume everything else, the constant vibration of imperfection that surges through the atmosphere of Earth from the activities of mankind's discord enters into the brain structure as you hear it. It passes through your nervous system. It radiates out into your atmosphere, and it leaves there its record of discord. That is why the Beloved Saint Germain has been so insistent on your use of the Violet Consuming Flame.

*The Voice of the "I AM," 2000.12:14*

## **BELOVED GODFRÉ**

You can improve your eyesight very much by simply the absorption of blue, by looking upon clean, deep blue. You can strengthen the nervous system by the absorption of the vibratory action of certain colors that can go right into your feeling world and place there the blessing of its Perfection to Life. And in the absorption of the Violet Consuming Flame as you gaze upon It, you can draw It into the emotional body through the sight alone.

## **VIOLET FLAME GROUP MEETINGS**

Our Beloved Ascended Master Saint Germain has said that He would appreciate it greatly if every “I AM” Temple, Sanctuary, and Study Group would increase as much as possible their Violet Flame Group Meetings. It would be well if every “I AM” Sanctuary would have Violet Flame Group Meetings on Wednesday as well as Saturday. Wherever possible, all are having Violet Flame Group Meetings every morning from 7:00 to 8:00 as added Power to assist each one in his daily business activities.

It has become necessary, because of the national conditions in our Land, for every “I AM” Study Group to give at least fifteen minutes of Violet Flame Decrees, or longer. We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply, and Victory for the “I AM” Students, as well as the Nation.
