“I AM” DECREES FOR THE VIOLET CONSUMING FLAME

PART FOUR

**OUR BELOVED ASCENDED MASTER SAINT GERMAIN
SAYS:**

In the Fullness of the “Presence”
Is the Love that you require!
In the Fullness of the “Presence”
Are the things that you desire!

Therefore, in the following Ascended Master “I AM” Decrees for the release of the Dissolving, Purifying Power of the Violet Consuming Flame to act for all who are constructive, the fundamental requirement of this Law is to turn the attention first to God the “Beloved Mighty I AM Presence,” and the Great Host of Ascended Masters, from whence all good in the Universe has always come.

Send your intense feeling of Love and Gratitude to that Source of all Life, Supply, Consuming, Purifying Power, and Healing. Call on the Law of Forgiveness for all your mistakes, discord, problems, and limitations, and also those of all mankind. Call for all obstruction in your thought, feeling, and spoken

word to be annihilated instantly; and for them to be completely, invincibly purified and maintained so until your Ascension.

We call to the “Mighty I AM Presence,” the Higher Mental Bodies of all mankind, and to all Great Beings, Powers, and Legions of Light; especially our Beloved Saint Germain, Jesus, and our Beloved Messengers; Nada, the Great Divine Director, Quan Yin, Goddess of Justice, Mary the Mother of Jesus, the Goddess of Purity, Meta, the Seven Mighty Elohim, and all the Angels and Beings from the Violet Flame Temple; the Temples of Purity, Healing, and Light; and all who govern the Purifying, Healing, Freeing Activity of Light and the Sacred Love of the Sacred Fire to this Earth, all upon it and in its atmosphere!

Come forth! in the Name, Love, Wisdom, Power, Authority, and Invincible Victory of the “Beloved Mighty I AM Presence” of everyone on Earth, the Ascended Masters, the “Light of God That Never Fails,” God’s Infinite Forgiveness and Mercy, Eternal Invincible Victory, Freedom; the Supremacy of Divine Justice and Balance to all Life; and the Mightiest Herculean, Miraculous Purity, Peace, Authority, Protection, and Perfection in the Universe; and annihilate, annihilate, annihilate! all mankind’s suffering, disease, destruction, mistakes, impurity, problems, struggle, limitation and lack of every kind in mind, body, and affairs; their cause, effect, record, and memory from all Life, substance, and energy in the Universe, this instant and forever!

FIRE us with Your Cosmic Christ Feeling of the Instantaneous Fulfillment of our every “I AM” Decree; and with Your Acceptance, Authority, Confidence, Determination, and Cosmic Power of the Light of a Thousand Suns, which compel billions and billions and billions of gigantic Ascended Master “I AM” Miracles of Healing! here and now for all under this Radiation, and all who call to us for assistance!

Then expand! expand! expand and forever expand! this Mighty Ascended Master Victory, Protection, Perfection, and

God's Overwhelming Supply of all that is Divine in the Cosmic Light of a Thousand Suns, until every imperfection and limitation of mankind is annihilated; and all are Ascended and Free forever!

Lovingly in the Service of the "Beloved Mighty I AM Presence," all the Ascended Masters, the Great Cosmic Beings, and Great Angelic Host, and with the Mightiest Herculean Love, Light, Miracles, Victories, Gifts, and Blessings of the Invincible Honor Flame of God's Cosmic Heart forever,

"I AM"

“I AM” VIOLET FLAME DECREES

[THE THREE PREAMBLES]

COME! COME! COME! IN YOUR VISIBLE, TANGIBLE, ASCENDED MASTER BODIES! RAISE YOUR COSMIC SWORDS OF BLUE FLAME AS OF A THOUSAND SUNS FROM THE GREAT CENTRAL SUN THAT TRANSCEND EVERY HUMAN CONCEPT!

Give these Decrees with us! Keep them Eternally Sustained, ever-expanding, and world-engulfing, until all Beloved Saint Germain’s “I AM” Activities cover the Earth and reign Supreme everywhere with full Power, in all we ever do or contact, until all are Ascended and Free!

Note:

Hold the Picture of the Violet Consuming Flame in your consciousness, knowing It is the Gift of Love from God’s own Heart!

If you hold one millionth part of the Picture of that Violet Consuming Flame in the mind that you allow destructive pictures of the physical octave to record, you will find the Violet Consuming Flame will dissolve and consume the conditions which are the results of your manifestations of the past, in the mistakes that produce discord because they do not contain the Love from the Heart of Creation.

Note:

When your Calls are not answered:

Either you are not using the Violet Consuming Flame to keep dissolved your own human accumulation which comes forth, or your feeling is not following your attention. These are the only two things that can produce any failure in the application of this Law. The Law never fails, but you can obstruct your way by allowing these conditions to exist.

If you call the “Mighty I AM Presence” into action, It will produce that Violet Consuming Flame under your feet, your chair, or the bed wherever you are; and if you will qualify It to be Eternally Sustained, you will but need to remind yourself at least twice a day that It is in operation to have the greatest results. That will take care of the accumulation you have created throughout the centuries.

Then in your application, to have results more quickly, watch your feeling and see that it follows your attention upon what it rests. It is magnificent! It cannot fail and never did in the entire Universe; and if It does not produce results, one of these two things I mentioned is obstructing your way.

1

“BELOVED MIGHTY I AM PRESENCE”!

I DEMAND Legions of the Guarding Heart of Violet Consuming Flame in and around me, go forth and annihilate all evil, everywhere forever!

I DEMAND Beloved Saint Germain’s Legions of the Violet Flaming Heart Control in and around me! I demand Their Mightiest Love, Forgiveness, and Mercy to Life, move throughout America; and do whatever is necessary to prevent slaughter within the Americas, or destruction within our borders!

147 

“BELOVED MIGHTY I AM PRESENCE” AND MIGHTY RULER OF THE VIOLET PLANET!

I DEMAND the greater Concentration of the Violet Consuming Flame from the Violet Planet come into this physical

world! come into myself and into the Life of this planet! into all Life here! not only human beings, but the Powers of Nature and Forces of the Elements, and even the minerals within the Earth! and manifest Invincible Perfection forever!

148 

I DEMAND the Cosmic Action and Concentration of the Violet Consuming Flame, help to more quickly dissolve the hypnotic accumulation around all individuals, especially those in our government; and let the Light of the Expanding Christ penetrate the minds of men, penetrate the feeling of human beings to the point where It consumes all discord and all selfishness!

For healing:

149 

I DEMAND enough concentrated Power of the Violet Consuming Flame from the Violet Planet to heal instantly; sustain that healing; and compel Eternal Purity! to make it Invincible against everything that is not the Ascended Masters' Perfection forever!

150 

I DEMAND the Violet Consuming Flame sweep through this Nation (*or a condition*) a Cosmic Concentration of the Sacred Fire Element; and consume at the Inner Level, causes that would otherwise destroy the people of this Nation! I demand this into all physical conditions with lightning speed, and put an end to all discord! put an end to the sinister force! and put an end to that which opposes the Christ, everywhere forever!

188 (Violet Flame—Part Four)

Make the Call to go to the Violet Planet at night while you sleep:

“BELOVED MIGHTY I AM PRESENCE”!

Draw into my physical body the same Mighty Action of the Violet Consuming Flame, as I receive while I stand within It in the Sacred Fire Temples! While I am there, I ask my “Beloved Mighty I AM Presence” and all who guard the Destiny of this Nation to pour into the Nation at the same time, all They know is needed most!

I ask this same Sacred Fire or Violet Consuming Flame’s Purifying Freedom, pour Its Purifying, Boundless Blessings into, around, and through all our loved ones; and continue to intensify that until the Victory is complete for each Life Stream to arise into the Ascension forever!
