# **“I AM” ASCENSION DECREES**

OUR BELOVED ASCENDED MASTER SAINT GERMAIN  
SAYS:

In the Fullness of the “Presence”  
Is the Love that you require!  
In the Fullness of the “Presence”  
Are the things that you desire!

Therefore, in the following Ascended Master “I AM” Ascension Decrees, the fundamental requirement of this Ascended Master Law is, first, turn your attention with love to the “Beloved Mighty I AM Presence” and the Great Host of Ascended Masters from whom all Good in the Universe has and always will come.

Second, send your love and gratitude to the Great Central Sun, the Source of all Life, Protection, Power, and Control of all in this world.

Third, call on the Law of Forgiveness for all evil; and demand its annihilation everywhere forever, so it never touches any part of Life again.

Hold the picture of the Open Door into the Ascended Masters' Octave of Blazing White Light, the Door of Blazing, Dazzling Violet Flame of Love's Purifying Freedom, and yourself passing through It.

See this clearly, enfolding It in the feeling of Love and Peace from your own Heart Flame of Life; and demand all the Power, Light, and Sacred Fire Love from the Great Great Silence to flood into the Picture without limit.

Then call the Limitless, Invincible Legions of Ascended Master Miracle Friends, Defenders, and Protectors to come forth everywhere and compel Ascended Master Protection, Perfection, and the Ascension to manifest to all under this Radiation, which means all that is constructive throughout the world—especially hold this around all we hold near and dear.

Demand this be made Invincible and forever expanding, by the Power of the “Beloved Mighty I AM Presence” and the Ascended Host, a billion times more each instant of each day, with lightning speed each instant of each hour; and the Ascended Masters' Invincible, Eternal Control come forth everywhere evil seems to be, and annihilate all evil everywhere forever.

Command everything in your being and world to manifest in a Blazing, Invincible Sun of Cosmic Love, Peace, and Power to raise all into the Ascension forever!

Lovingly in the Heart Flame of the “Beloved Mighty I AM Presence,”

“I AM”

## “I AM” THE RESURRECTION AND THE LIFE!

Beloved Master Jesus says, “Think deeply on this!”

“*I AM’ the Open Door*” through which naught but the Ascended Host and Their Invincible Perfection can ever come, for “*I AM’ the Open Door that no man can shut*”!

The Statement, “*I AM’ the Resurrection and the Life,*” is the ability which you have to reach into the accumulated Good of the past. This is not only in your Causal Body, but you have the ability to reach into the accumulated Good which was created by mankind in the first two Golden Ages—the first two million years in which embodiment took place in this world.

That is stored-up Power! It is Energy which has been used constructively. It is all qualified with Perfection, and stands as a Reservoir of the Power of Life to hold Purity, free the world at this time, and draw it out of the destructive forces—or rather, draw off the destructive forces which seek to desecrate and destroy.

The etheric records over the deserts of the world hold this constructively used Power of the past, and hold a concentration of the Power of Purity.

When you use the Statement: “*I AM’ the Resurrection and the Life of the Purity of the first two Golden Ages of mankind’s embodiment on this Earth, which comes forth now Invincible, to protect all that is constructive*”—this will become an added Power to your constructive activities, and will be a barrier against that which wants to produce discord.

When you say: “*I AM’ the Open Door that no man can shut into the Powerhouse of the Universe, which produces Perfection here in this world,*” you come into Our Ascended Master Octave, and the Great Realms of the Sacred Fire which ever hold control of this System of Worlds.

*Note: These are two very powerful Statements! If you will understand Them and what you can have individually, as added Power to all*

*you already have drawn forth, it will enable Me, where I am given recognition, to anchor personally into the outer world activities another etheric record of that which is constructive. Then We draw the Sacred Fire, and It becomes an added Powerhouse for more rapid constructive accomplishment.*

---

---

## “I AM” THE ASCENSION IN THE LIGHT!

---

---

*Note: The Ascension into the Ascended Masters’ Octave of Life is the Manifestation of Perfection and the preordained Divine Plan for every individual. It is the Goal of all physical embodiment, and is the only thing of any real Importance in the Life of mankind!*

*Your own Ascension depends on the Expansion of your own Light, the Expansion of your own Heart’s Flame, the Expansion of your love to Life which wants Life to be Free from the distress of human shadows! It also depends on your Command for your love to go forth and carry the Light which raises Life to greater Freedom. This automatically becomes a Raising Power for you.*

*So it is very important that you fill the world around you with the fulfilled Desires and Manifestations of your own “Beloved Mighty I AM Presence”—of what It wants you to have. Then ask It to manage your outer world, to come into you and manage you inside (which is the energy in your feeling world). Ask your “Mighty I AM Presence” to manage the feeling inside of you.*

*Note: The Fiery Heart of God is the Master Authority of the Universe; and when you hold the Picture of Its Presence and demand Its Power in your beings and worlds for the worship of God, you will experience things which will lift you to the Heights of Freedom and make you Victorious forever!*

*Beloved David Lloyd has said:*

*“To gain the Ascension as I did, be consciously aware, sometime each day, of blessing everything in the physical world which has assisted you. Thank everything with the Love that frees you from all connection with anything in this world except your ‘Beloved Mighty I AM Presence’*

*and the Ascended Host. Then you leave in the feeling of that Wave of Love, the Blessing which one day will free it from all human qualities imposed upon anything.*

*“When you think of Me, try to feel Me Ascending; and as that Feeling saturates you—the energy around your physical bodies and the atmosphere about you—the more you can feel Me and feel that Love which was Mine at the moment of My Ascension. It saturates you and your world. In Its natural Raising Action, one day It helps you to complete the journey of centuries through the distress of this world.*

*“Go forward and just bless everything with the Love that purifies and sets Free, until the giving of Freedom to others has automatically brought your own to you.”*

54

“BELOVED MIGHTY I AM PRESENCE” AND GREAT HOST OF ASCENDED MASTERS!

I DEMAND, I COMMAND the Fulfillment of the Divine Plan for all mankind; which means the Ascension of every Life Stream, as well as the purifying and reordering of the conditions in our Nation which have been thrown out of balance through mankind’s discord, defiance, and rebellion against God, the “Beloved Mighty I AM Presence”!

*At noon (12:00 o’clock) the following day, be quiet for half an hour or an hour, and give conscious recognition to your “Presence.” Ask It to see that you make your Ascension in this embodiment if possible. Ask your “Beloved I AM Presence” to give you the feeling of the Ascension.*

“BELOVED MIGHTY I AM PRESENCE”! I here, now, and forever, give You all Power! I give You all Obedience! Take charge of this body and prepare it to become the Ascended Master, and see that I make my Ascension now!

*Make a written record of the following:*

“BELOVED MIGHTY I AM PRESENCE”! Take complete control of my being, world, and activity! See that I make my Ascension in this embodiment, for “I AM” the Resurrection and the Life! “I AM” the Ascension in the Light!

## NOTES OF INSTRUCTION

---

---

### ASCENSION DAY

**a.** *During the time of giving recognition to the Beloved Master Jesus' Ascension—from noon of the preceding day, Ascension Day, to noon on the day following—for three days try to live in the constant Call for the Cosmic Christ Victorious Accomplishment of the Ascension of every individual, the Nation, and the world. Demand the Cosmic Christ Power of the Mightiest Love in Creation, and call the Angelic Host who direct the Blue Flame to spread that Flame everywhere. Then mankind will feel the pull toward the Light; and thus raise the attention, until once again the Magnetic Pull from the Great Heights of Creation from whence all Life comes, draws upon the outer self, and it turns away from the misery of its own limitations through the centuries.*

**b.** *At the moment of the Ascension and just previous to It, as the Love is continued from your outer self to your “Beloved Mighty I AM Presence,” your “Mighty I AM Presence” lifts the struggle and the pressure of the outer self by consuming the discord. As It pours Its Love in the Violet Consuming Flame to the outer self, every vibration of discord is dissolved and consumed. The impurity fades, the Light within expands; and the Love from above joins the Light from below, and draws It up until It becomes that Greater Love also. And I assure you, it is not strenuous!*

**c.** *As you enter into the Great Great Silence, demand before you go into It, the Ascended Jesus Christ' Knowledge and Use of all the Powers of the Sacred Fire during this time and until after Ascension Day.*

*Ask for the full Understanding and Use of all the Powers which He used when He produced certain Manifestations—which it was not wise to explain to the outer world at that time.*

*Ask Him to reveal to you the things which He did which He could not explain to the outer world at that time.*

*Ask Him, by the Power of the Sacred Fire which He directs, to teach you to do the things that He did.*

*You will have great Illumination! You will find yourselves having Mastery over world conditions which will surprise you.*

**d.** *If at any time you want to know more about the Ascension, and in the anticipation of your own, you begin to wonder how you would feel, call to Me [David Lloyd]. I anticipated It and lived It, My Dear Ones! I desired that for more than fifty years. Even the Master Jesus did not have that Momentum of Desire! It is a very deep Record in My Feeling World; and if you want to know how deep My Feeling and Desire for It were in My Life Stream, ask Me to illumine you and make you feel My Desire and the Joy of Its Victory!*

**e.** *The Protection of your Nation, the Protection of yourself, the Manifestation of the Incoming Golden Age, the Manifestation of your Ascension, are all contained within your Acknowledgment of the Sacred Fire Control in you and the Sacred Fire World around you—the Sacred Fire's Possession and Control of you unto your Ascension!*

*The Sacred Fire is the Power which gives you the Ascension! Not one imperfection can remain within that Sacred Fire. It is the Love which is the Mightiest Power at the Heart of the Great Central Sun. It is the Power which sustains the manifested System of Worlds—this System. It is the Power that gives you embodiment. It is the Power which sustains you in anything that is constructive.*

*It matters not whether It be the Sacred Fire of the Violet Consuming Flame, the Unfed Flame, or the Blue Lightning Purity. Whatever you call forth is controlled by and is the Manifestation of Love's Perfection to Life, and you cannot fail.*

*The Cosmic Law stands Supreme; and Its Demand of Life is that the Ascension be attained by the Power of the Ascended Masters' Love, because unascended beings cannot generate enough Pure Love and keep It pure long enough and be constructive enough to hold the Guard until the attainment of the Ascension. That is why unascended mankind must have Our enfolding Flame of Love in order to hold the Protection and be the Strength to take individuals to their Victory of the Ascension!*  
(Beloved Messenger Number One)
