

DISCOURSE V

BELOVED GODFRÉ

December 5, 1952

CINCINNATI, OHIO

Precious Hearts of Cincinnati, once again are We privileged in that great Love of Life, the Love of Eternity, to come together and draw in and around you these greater Powers of Life to give you the Perfection that must come into your outer use. Tonight I want to encourage you. I want to give you the Assurance that as you look only to the "Presence" for more of the things that are required to fulfill the Divine Plan, will you find those manifestations coming more and more rapidly. As soon as you have trained the outer to feel your dependence entirely upon your own "Blessed I AM Presence," then will you find the delay that is in the outer will cease to act in your world, because all delay is in the outer. It never exists in the Inner.

So as you turn away from the outer, determined to Stand! Face! and Conquer! with your “Beloved I AM Presence’ ” Arms about you, knowing It is your Way, your Protection, your Defense, and your Deliverance, It is also your boundless Supply. I want you to feel that the more you can demand that your “Mighty I AM Presence” make you feel Itself in your outer feeling, the quicker will everything act for you in the Fulfillment of your Calls, because all delay is but the obstruction of the discord of the outer appearances of life.

And so if you want Instantaneous Action, as you turn to your “Presence,” and there call forth Its Feeling into you, demand that It make you feel Its Instantaneous Action of anything you require, because your “Blessed I AM Presence” and Higher Mental Body do not know anything about time nor space, because that part of your Life acts instantly everywhere It desires.

Instantaneous Action into your physical manifestation must come from the Feeling of your “Mighty I AM Presence,” of Its Instantaneous Action in you. You see, that Instantaneous Action is already in the Feeling of the Higher Mental Body; and it is the energy of the outer self that needs to be charged with the Instantaneous Action

of the Higher Mental Body or the "Electronic Presence." So, when in Love to your "Presence," you ask It to charge all the feeling, all the energy of your outer self, with Its Feeling of Instantaneous Manifestation, then will things of the physical world come to you faster and faster and faster, until eventually, one day, they come directly from the Universal by Instantaneous Call.

So keep charging all the energy of your feeling world with the Instantaneous Fulfillment and Feeling of the Higher Mental Body now into your outer affairs. When there are problems out here, instead of allowing the intellect to dash into the problem, and then try to figure it out, if you will compel that intellect to turn its attention back to the "Mighty I AM Presence" and Higher Mental Body, and saying to that "Presence" with all the Love at your command, "Will You come with me into the problem and place Your Instantaneous Feeling of its full Solution into the problem, that I may—that that problem may be solved to glorify You and fulfill Your Divine Plan out here, that You may reveal more of Your Cosmic Perfection."

Just as soon as you get the outer self completely reversed from its old habit of dashing into a condition before it consults the "Presence," as soon as you

change that habit, My Dear Ones, your troubles are over. Believe Me tonight. Your limitations will dissolve almost in a breath as soon as you constantly train the outer to stop just a moment before it tries to do anything, and go into the Heart of the "Presence," and say to your "Presence," as if It were a Living Helper, as if you took your "Presence," your Higher Mental Body, by the Hand and said, "Will You come with me into this problem and produce Your Instantaneous Solution of the problem, that in outer conditions there may come the Perfection that glorifies You and sets me free!"

Then, My Dear Ones, you will make a daily Companion of your Higher Mental Body. And what do you think will happen when you say to your Higher Mental Body, "Will You come with me into this problem and show me Your Solution of it," before you ever start to go into it? Then if you ask your "Mighty I AM Presence" to make you feel Its Feeling of Instantaneous Solution, the moment you enter in and try to solve the problem, I tell you, the Ideas will just come tumbling over themselves, almost, as to the ways and means of doing what you are required to do to assist. And It will help to clear the mind, Precious Ones, of the doubts and the fears that cause your delay, because

all delay in the Fulfillment of your Calls is due to doubt and fear, which are but the resistance of the discord in the world about you.

Oh, you have no idea how much closer your “Presence” can come through the outer physical form when you reach your Heart’s Love to It and say, “Will You give me Your Hand. Will You come into me and make me feel Your Feeling of Your Nearness, Your Feeling of Your Solution for this problem; and then come with me into the problem!” Why, My Dear Ones, your “Presence” will bring you surprises you little dream; and when it comes to the supply, your “Presence” has many, many channels of Supply that even those in the outer world never heard of.

Do you remember, a long, long time ago at the Shrine Auditorium—I think I told you several times to keep calling to your “Beloved I AM Presence” for Its hidden Wealth from the secret places that It knows would never bring you discord, from the secret channels of Its own Supply, the hidden Riches from the secret channels of Its own Supply. Thus you swing the door open, Precious Ones, and allow many avenues of Supply to be opened to you from avenues that you do not even know exist tonight. In doing this, after a few times you will feel nearer and nearer to your “Presence.”

Now your Higher Mental Body abides, ordinarily, when you are harmonious, from twelve to fifteen feet above the physical body. But when you ask It to come closer, and you hold the Harmony and pour It your Love, It will come closer. When you ask It to come into the condition, then as It comes into the condition, from the Inner Level, could you see It, It would be like a Sun of Light coming into the energy of the problem; and then there would come to the outer intellect—in this greater Light which would enfold you as well as the problem, will come the ideas of handling the problem in the most wonderful way, and by which in the Solution of the problem, you would glorify that “Presence” with greater Love and greater Obedience. There would be greater Harmony out here; for every time you hold the Harmony and send the Love to your “Presence,” you glorify It and you glorify the Universe around you.

Therefore, in the solving of your problems, in the release of your supply, Precious Hearts, nothing will ever take the place of your Love to your “Presence” and your “Presence’ ” Love to you. It is that swing of the energy to your “Presence”—and then you ask the “Presence” to come into you and into the problem—it is the great Activity of Life that ever draws the

Perfection from within the "Presence" into outer manifestation, commands It to expand Its Happiness to all, and in the Expansion, it pours more Light to the "Presence." And the next wave of Love draws back to you your greater Freedom.

It is so wonderful! It is so true! It is so real! It is so All-Powerful, that I long for that hour when the Instantaneous Action of your Call brings you the Happiness and the Release that will astonish both you and your fellowmen; for I tell you, when the Law begins to act instantly for you in the Solution of your problems, the outer self takes quite a while before it gets over the astonishment. And that is because it has accepted the element of time and space so long through the centuries, and it has felt that, as part of the race consciousness, that when things act instantly, it is always more or less of a shock and a surprise to the outer self that it really worked so fast.

But you know you have entered the age of speed, haven't you? You've all desired speed, you know, in one way or another, especially with your automobiles. You have just loved that speed, haven't you? Well, why not love your "Blessed I AM Presence" until the speed of Its Action in Instantaneous Release enters into your problems and you go on your way and you arrive more quickly. Isn't that reasonable?

Isn't that what you are supposed to do? Aren't you supposed to pick up speed and get going, you know, in all things in the physical world? You don't have any trouble egging people on to drive faster, do you sometimes, if the way is clear?

Then why should We have any trouble drawing you on to greater speed in the Fulfillment of your Call? I am doing this tonight to show you that you can have the money and the supply more quickly! (*applause*) Now this will bring you very great Joy as you practice it. And it is not difficult to practice it, Precious Ones. If you want your supply in a hurry, is it difficult to want it? Don't you want it in a hurry?

Think this through, now. If you need it in a hurry, don't you want it in a hurry? You do. You know you do. All right then, the formula, may I say, of getting it in a hurry is to turn to the "Presence" first and ask Its Speed of Action, the Feeling of Its Instantaneous Action, to come into yourselves; and then ask the "Presence" to come with you into the problem. It's just as mechanical, it's just as absolute, it's just as real as you are. I am determined, with your cooperation, to bring you into more Instantaneous Release of the supply you require to do these things in the outer that need to be done because they are right and ought to be done!

Therefore, anything that ought to be done, that is right to do, should have Instantaneous Action in the doing. But if you will just form the habit the moment the outer self wants something, in just saying, "O 'Mighty I AM Presence,' give me this," and "'Mighty I AM Presence,' give me that"—instead of that, if you just form the habit of sending Love to the "Presence" first, and then asking your "Presence" to make you feel Itself in the outer self, to make you feel Its Feeling of Its Presence with you, Its Feeling of Instantaneous Answer to your Call. Then you take the Hand of your "Presence"; and then, as you go into the solution of your problem, there comes the right prompting, and your "Presence" will draw the right people or the right conditions together to help you solve the problem more quickly.

Now when you need money quickly, you have often said, " 'Mighty I AM Presence,' give me this money for which I call. Give me this money quickly." Well now, preceding that, if you'll just turn: " 'Mighty I AM Presence,' I love You. Charge Your Feeling of Your Nearness and Your Presence into me, and then come with me and draw to me this which I require. And then You see that I fulfill Your Divine Plan here, that I may glorify You with more Love." Then everything you do in the outer, you do to the Glory of that "Presence."

Precious Ones, how could your “Presence” fail to glorify you if you glorify It? What you send out comes back; and if you glorify your “Presence,” It will glorify you with more of everything your Heart can desire.

Now then, We have given you many, many, many ways and means of drawing to yourselves the supply you require; and We have done that so everyone will find something that just “clicks,” as you say, and works always and instantly. Beloved Ones, We have given you this great volume of the Instruction because We have to keep flooding you with the Reminder of It all the time, until It comes to the point of saturation, and you reach up and you make It your own. And as surely as you feel your Oneness with this which We give you, will you find the very Oneness is the Action of your “Presence” in your affairs to produce your Victory always.

I am determined, with your cooperation, to see that there comes into your hands and use more of every good thing to give you freedom to go forward and expand this Light and produce Perfection in this world, because part of the carrying of this Light is to build Perfection into your outer world conditions that can be made imperishable and self-luminous, as an eternal part of this world, when We come forth or you Ascend.

If you have done a magnificent thing here, wouldn't you like, when you come into your Ascension, to turn back into it the greater Perfection and raise it into that which is Eternal, and then leave It in the world as your Gift to Life? That's the great Joy of Existence. Then everything that you leave in this world becomes a magnet of Light to draw the rest of mankind up until they make the same effort, by which the world becomes eventually transformed into the Ascended Masters' Octave of Perfection.

You take it little by little, and place something Eternal here that is like Our Octave; and then when you come to Us, then you turn back into this world and expand that which you built, until all mankind redeem the Earth which they have desecrated. This Earth in the beginning was beautiful and magnificent to behold. Therefore it is mankind's duty to redeem the Earth and, this time, fill it with Ascended Master Perfection that is Eternal. So when I ask you to call to your "Presence" to make you feel Its Presence in you, make you feel Its Feeling of Its Solution of your problem, then when you have the Feeling within, go into the problem; and, Precious Ones, you will find almost Instantaneous Action in the solution of

everything that you enter into in the outer world after you have sent your Love to the “Presence” and asked It to make you feel Itself.

It’s only because you have felt the fear and the doubt and struggle of the discord of the outer world that you have problems. That is what has condensed into your problem. Now when you command the outer self to feel the Feeling of your “Presence” and draw that Feeling into the outer, into your outer self and into your conditions, then your Feeling—the Feeling of your “Presence” in you and into the condition—will make the condition the Perfection of your “Presence.” Do I make Myself clear? (*applause—audience rising*) Thank you so much, Precious Ones. Won’t you be seated.

Now I have just one more thing to say. Your “Presence” wants you to have an abundance of every good thing. I want you to have an abundance. Every Ascended Master and Cosmic Being wants you to have an abundance. All the Life in Our Octave is surging to pour Perfection into this world. You want abundance. Then why longer give this outer thing any more attention or acceptance? Every time the appearance of the limitation comes, say, “Be gone!” And then turn your Love to your “Presence” and ask It to come

into you with Its own Feeling, give you Its Hand, and then come into the problem and compel that problem to become the Glory of Its Presence. And Its Love will transmute and supply everything.

The Love of your “Mighty I AM Presence” in you, when you call It that way—poured out here—can become the supply, the money, the friends, the living things that you want in this world, because that Love is the Giver of everything; and when you ask It to come into the problem and be the Perfection that glorifies Itself, you will not know delay nor struggle nor limitation longer, because you have replaced the doubt and fear of the outer world, which is the problem, with the Love of the “Presence,” which has no problems. The “Presence” never had a problem and never will; and Its Love is the Dissolver of all problems, and It is Instantaneous in Its Action. It doesn’t take any time for the “Presence” to send Its Love to you, and it shouldn’t take any time for you to send your Love to the “Presence.” Well, since Love is the Supply of everything, well, it doesn’t take the “Presence” any time to put Its Love out here and draw whatever you require to fulfill your Calls instantly.

So let Us go forward determined that whenever doubt and fear and delay appear, the Love of the “Mighty I AM Presence” will make you feel Itself

here. And when It is in you, it is only a breath until It is manifested in your affairs and in the conditions that set you free. So let Us go forward, determined to have the Instantaneous Action of all the supply you require, and all the protection, and all the friends, and all the expansion of this Glorious “I AM” Activity, until mankind irresistibly turn to It and know once again the Happiness that is their Home of Love.

Tonight, feel the Mantle of My Heart’s Love clothing you all with the Victory of Its Eternal Supply and Its Invincible Protection, until everything in your world honors your “Blessed I AM Presence” and the Ascended Host, because It has become Love manifested in this physical world as an eternal part of the Perfection that must come in and fill the Earth and hold Command forever. Thank you. And I shall make you feel My Feeling of My Heart’s Love with you, and My Presence, and My Command to solve your every problem if you will do this, and forever turn away from the doubt and the fear which are but the delay of your outer affairs. Love is Instantaneous Action, and I command It to forever hold Command.

Thank you so much.
