

· VICTORY'S REQUEST ·

*(Extract from Victory's Discourse at
San Francisco Class—Feb. 6, 1938)*

THE greatest menace to the American people is the nefarious dope being spread among them secretly! To-day, We have found the means of freeing them forever. You have no idea the inroad it has made in your America! By it, the sinister activity has wrecked the Nations of earth for centuries upon centuries. It has spread, as a sinister breath in the most cunning secret way, all over your America. It must be stopped for the protection of the young people of America! We need and must have them for the incoming Golden Age. We also need your blessed calls for their protection. The Great Powers of Light think We have found a solution for this problem; and through it, We expect to quickly absorb the whole thing throughout America. It will be done almost as secretly as it came.

You have no idea, precious people of earth, the danger which has confronted your young people of the entire Americas! Many unfortunate beings, who have been pretending to reveal this nefarious thing to your people, have been but the claws for its dispensing. Beloved ones, will you do Us the kindness—the Powers of Light—the kindness, to issue a Mighty Decree for the dissolving and consuming of all dope in America and the world? I shall ask the Messengers to put a paragraph in next month's Magazine asking the students all over America to issue this Mighty Decree, for the dissolving and consuming of all dope its cause and effect in America; to call directly to

the Forces of Nature for its annihilation and to no longer allow to be produced that from which it is made. Then, at your call, We will take up this activity and in all parts of the world where this substance has been grown, it shall wither and disappear.

I say this to you that you may know the far-reaching power of your call. Saint Germain has touched upon it but very little. Perhaps, you think war is your great danger to-day. So it is! but this poisonous breath and substance, which has been spread among the people, would unfit them to protect themselves if war came into your country. Then the sinister thing would seize upon the FEELING of mankind; and by the use of dope make them unfit to cope with their adversaries. This is why, to-night, I am asking all sincere students of America, individually and in your Groups, to make that one Decree. Even if you give no other Decrees, at least give these three: the one for seizing and binding of the entities; one for keeping war out of America; and this one for annihilating all dope.

It is incredible that the cunning of the sinister force can spread a condition of this kind, with such rapidity over the entire Americas. It is largely because in the large cities, things go on unnoticed which in the smaller localities would be quickly discerned.

· DECREE TO BLAST ALL DOPE ·

“Mighty I AM Presence,” Great Host of Ascended Masters, Mighty Legion of Light, Great Angelic Host, Great Cosmic Beings and Great Cosmic Light! Saint Germain, Jesus, Nada, the Great Divine Director, Astrea, Archangel

Michael, Oromasis, Mighty Maha Chohan, Great Gods of the Mountains, Great Forces of Nature, the Goddess of Liberty and Mighty Victory!

Send Your Legions of Blue Lightning and the full Power of Your Blue Ray into all channels using dope in America and throughout the world!

Blast and annihilate all substance and equipment for making and using it! Seek out, seize, bind, hold inactive and remove — THIS INSTANT — all black magicians, their emissaries and claws—embodied or disembodied—who foster its manufacture, use and activity in America and the world!

Blast its cause, effect and record from mankind, the earth and its atmosphere forever!

Mighty Maha Chohan and Great Forces of Nature! withdraw and withhold all energy from all that grows or produces it; and make it wither and disappear forever! Replace it by the Cosmic Light-Substance from the Ascended Masters' Octave of Life in such a world Onrush, that it obliterates forever all that is not the Purity, Happiness and Perfection of the Ascended Masters.

· CLEANLINESS AND FOOD ·

Whether it be Group Leaders or students, Saint Germain says: "If you desire Our Radiation and Assistance do not eat onions, garlic nor use alcohol or tobacco. We cannot and will not intensify the energy within and around you, when such a thing is in the atmosphere.

"Do you know that those are the things that discarnates love? Those are the things which draw them! for they feed upon the essence from that which is sent forth from your body. Now at this time, it is IMPERATIVE that you keep your bodies very clean; if you wish the Radiance that We want to give forth to do this Tremendous Work."
