

RAINBOWS

RAINBOWS of Beauty—Life's Promise
Divine,
Gleam o'er the earth in white mist and
sunshine
Pouring their blessings and message of Love,
Turning all hearts to the Presence above.

Rainbows of Power, Obedience and Light
Blend in our hearts, Their Heavenly Might
Drawing us up to our Victory Supreme,
The "I AM"—Our Source, Their Presence, Its
Stream.

Rainbows of Promise so bright in the sky,
Crowns of Great Glory to bless you and I
Shedding their splendor, their Radiance so rare
Release their Perfection, past all compare.

Rainbows of Blessings come—one two and three
Expanding their gifts to all—you and me.
They pour out Light's Glory—Life's Mighty Plan
Dominion on earth and Freedom to man!

Rainbows Almighty—the Great Cosmic Light,
Cover Our Land with Its Glory and Might!
Swift comes Its Action in Justice to all!
Life in Its Vict'ry has answered our call!
