

The hour has come to see the shining face of your "Mighty I AM Presence"! Its slender Hands point you every minute to Victory and every second is now filled with Mighty Ascended Master Miracles of Perfection forever!

(Excerpts from David Lloyd's Discourse to the Minute Men, New York City, Dec. 4, 1938)

GENTLEMEN, remember as you look at the Chart and see those Light Rays going forth, try to make yourselves feel their full Power and realize all that it means.

You stand in the same position to-day as those who are being trained in the use of those Light Rays in the Retreat in Arabia. There is no thing on the face of this earth or anywhere else that is as valuable, as important, as the use of these Light Rays to-day. You may not see them, but when you call the Presence to project a Light Ray to render any service, that instant Its Light Ray goes forth; and if you can really feel that in the fulness of all it means, you will be able to absolutely render a service which is incredible to you at the present moment.

In the last five or six classes the Messenger has poured that forth like a river, trying to get the students everywhere to realize that this Power of Light knows no opposition. When called forth It goes forward into action that instant. As you close most of your Decrees with the call for It to be sustained, then It is sustained. The thousands of letters and telegrams of the instantaneous healings which take place show the Power of not only healing of the body and the remedying of all conditions which are not quite balanced but of the healing and solving of conditions in the outer world.

When you see and know that this is done, you will understand why you are not subject any longer to the limitations and conditions which the outer world has imposed upon itself. The appearance world you must understand is not real. It is only the Power accumulated by the re-qualified energy released by mankind. It is not an eternal thing. The Power of Light is eternal and a thousand times more powerful than all the appearance world put together. That is why you must understand this and become more and more firm in the following acknowledgment: "When I call this Light Ray forth into action to render this service for myself or someone else, It goes into action with the Infinite Power of Light and stays in action until the achievement is complete"! If you once fully understand this point, there is not one thing in the world you cannot accomplish; and remember you cannot harm anyone in this activity.

You cannot harm anyone by calling the Light Rays forth because They are Love, Wisdom and

Power acting in balanced form. They will dissolve all discord, all imperfection and viciousness, but They cannot harm anything that is good, because They are the fulness of good within themselves. That is what you need to understand and of which you need to remind yourselves in all your application and the Decrees you issue.

You have heard these Decrees issued for a long time. What do you think happens? To-day, you have stood and issued these Decrees as one voice. Their activity is the same as when you throw a stone in the water and you see these waves go out. Well These Decrees are a thousand percent, many thousands of times more powerful in the Radiance of the wave as it goes out. It not only carries the wave of vibratory substance, but it carries a Radiance and Power of Light as it goes forth and spreads into the mental and feeling world of mankind.

Nada's Decree:

"Mighty I AM Presence" charge and fill my being and world with Divine Order and Divine Justice.

Saint Germain's Words:

"Mighty I AM Presence" take command of my feeling and desire world and raise them into Your Heart and the full command of my Higher Mental Body.

Saint Germain's Decree:

"Mighty I AM Presence" take out of every human being under this Radiation the capacity for lying, deceit and treachery of every kind and replace those qualities by the Goddess of Truth in eternal possession of their consciousness.
