

· CONCERNING THE ASCENSION ·

*(Excerpts from the Great Divine Director's Discourse,
Shrine Class, January 8, 1939.)*

TO-DAY, in accepting the Vast Power and Freedom through the dispensation for your Ascension, I ask you beloved ones, please do not look upon this idly. Do not think it is just someone's imagination. It is a Reality, and remember, those who accept this Assistance and do enter into the Ascension will never in eternity return to this dense sphere of earth. They will function forever in their Purified Perfected Bodies as We are doing to-day.

Think of it—this is not said to make you feel bad, but to make you feel charged with the Current of Energy which is contained in My Words: some of you were with Me at the time so long ago, when I went forward and you chose to give your attention to the things of the world. Now, once again, we meet to go forward again together.

The Greatest, the Mightiest of all the Power of Understanding is this one point. To think, that through so many hundreds of centuries, you have played with the things of the outer world! In My choice to go forward in the Perfection which was Ours then, I have gone on into this Great Glorious Dominion and Authority over Life which makes it possible for Me to now give you the Assistance to-day. Please see what Almighty Progress has been made since those Children came to Chanda's Home in India with your Messenger. Think of it!

There were a few who received that great blessing. To-day, thousands and thousands within your America are being prepared for a similar thing. Do you not see what your calls and what

Saint Germain has meant to the world in bringing forth This Understanding of Life which has made all of this possible? Do you think for one minute, if you had not made the earnest sincere call to the Presence of Life, your "Mighty I AM Presence," and to Us, that these Things could have been done! It would have been impossible because you would not have made the necessary preparation.

While you do not know all you are doing in the outer activity of your Life, I say it is there; otherwise I would not be here, to-day, giving you this Opportunity and rendering this Service which you could scarcely estimate. The fact is, it is being done, which shows you have given the obedience and preparation for it. In your full acceptance of this and in not allowing your mind or feeling to waver by the suggestions of someone's unbelief, you will hold steady in this Mighty Blessing and Service which is offered you, to go forward continuously in that Mighty Expansion.

Thousands among the students, who would otherwise pass through the change called death within five years, will ascend into their Eternal Freedom. I say to all of you who come to that point where you would pass through the change, say to your people and give the firm command; that your bodies or the shell which remains visible of your body, remain on ice for three days, then be cremated and that no one touch those bodies for embalming.

Already in three different instances, those, who have made the change, which others not understanding thought was so-called death, have made the Ascension. In each instance there has not been one particle of Life remaining in the cells or struc-

ture of the flesh that remained behind, which is mechanical evidence of the Truth that they have made the Ascension.

There are quite a number who will make that change within a few months; but if you will follow this instruction, you will enable the full complete activity to take place that is required; and since to-day, your progress has prepared you very efficiently for this, it can easily and readily be done.
