*Words of the Ascended Master, Saint Germain*

**AM" the Ascension in the Light!**  
Made manifest as Love's Great Plan,  
To bring God's Freedom full and bright—  
Complete Release for every man!

**"I AM" the Ascension in the Light!**  
It is our Life's Transcendent Goal  
And lifts us now above the world,  
Its Own Great Glory to unfold.

**"I AM" the Ascension in the Light!**  
Those Words—"I AM"—are Life all free;  
They sounded through the earth of yore  
And still They call to you and me!

**"I AM" the Ascension in the Light!**  
Forever shall those Words resound,  
Till every ear shall hear Their Call—  
In every heart Their Joy abound.

**"I AM" the Ascension in the Light!**  
And everyone shall be It too;  
It is the Great Command to earth,  
Arise! and Be! It's Vict'ry True!

**"I AM" the Ascension in the Light!**  
Was Our Blest Jesus' constant Call,  
He stands beside you now—all free!  
His Mighty Love enfolding all.

**"I AM" the Ascension in the Light!**  
And Light is all of God's Great Pow'r;  
Then stand within the Light of Life  
And Be Its Vict'ry NOW—this hour!

**"I AM" the Ascension in the Light!**  
The Light from our Great Central Sun,  
Within Its Dazzling Blazing Heart  
In Glory, I at last have come.
