· MR. BALLARD'S "I AM" SPEAKS ·

"I AM" the Power of Light!

"I AM" the Strength of the ages!

"I AM" the Glory of Its Mighty cleansing, purifying Power on this earth and I act through Its Messengers, the Goddess of Justice, the Goddess of Purity, the Goddess of Liberty, the Goddess of Light and the Goddess of Peace. The peace that passeth understanding SHALL reign upon this earth by My Command of Light.

"I AM" the Presence of ALL Life!

"I AM" the Glory of God made manifest through mankind and My Fiat to the earth is Supreme! Since I must give It through human form, then may Its Almighty Power come into action this day; to render Divine Justice and produce Divine Order in this city; to silence all qualities of human viciousness; to set the people free; to hold them untouched by human suggestion, and to raise them into the fulness of their Almighty Power, here throughout America and the world. In New York, Washington, Los Angeles, San Francisco, Oakland, Seattle and Denver the Power of My Light SHALL reign! In West Palm Beach, Miami, Florida, and these other places which are calling to Me in earnestness, shall I reign in Glory. Then, shall My Power of Light take Its Supreme action!

Every human being who is acting under false pretense shall see his own mistakes and correct them!

I speak in the Authority and Power of Light! Its Supremacy upon this earth is now taking Its full command; and I thank thee thou has heard, Oh children of earth!
