*"Once the students UNDERSTAND and are able to give immediate response to those Wondrous Inner Promptings from their 'Mighty I AM Presence,' then Divine Order will quickly come in the world, and all chaos caused by human concepts will disappear."*—Jesus.

*"The very beginning of your application in calling forth greater Harmony, greater Perfection, greater Wisdom from your Presence to act within you and your world, is the FOCAL POINT of the Great Light which will one day flood your being."*—Jesus.

*"In very great calmness and serenity turn to your 'I AM Presence' and keep calling It into action, until you have the full VOLUME of Its Power released to produce Its Perfection in you and for you."*—Jesus.

*"It does not matter what the opinions of the outer world are, but it does matter greatly what is within your feeling."*—Jesus.

*"I say to all people of America and the earth: 'You who have said you love Me so greatly, must remember that you cannot have Me without Saint Germain and all the other Ascended Masters. They are ONE in Life's Great Eternal Perfection. They have gained Their Victory, as you are now endeavoring to do. Through Self-conscious application in calling Their own God Power, the "Mighty I AM Presence," the Light of the World, into action They have won Their Victory. They have dissolved and consumed all discord which has been created in each one's mind, body and world, or generated through the lack of understanding. They have replaced it by the Power, the Purity, the Perfection of the Presence of Life'."*—Jesus.

*"Purity in thought and feeling IS IMPERATIVE. Harmony MAINTAINED in your feeling is imperative, if you want to be free quickly. Stand with your 'I AM Presence' and call It to take command; take out of your feeling world all human desire and hold Its Dominion forever. This is the definite, positive Activity by which you can quickly be free."*—Jesus.

*"Never imagine for one moment that you can be free without constantly calling to your 'Mighty I AM Presence' for greater and greater release from outer discord and for intensification of Its own Light and Energy which gives Life to your body."*—Jesus.

*"During My Ministry in giving Assistance to mankind, when I said: 'Thy sins be forgiven thee,' I erased the record of that imperfection for the individual. Are you aware that for everyone to whom I spoke those Words, that they became a PERMANENTLY established Law? It is the same to-day. When you call your 'Mighty I AM Presence' into action, It becomes the PERMANENTLY established Law for you and your world."*—Jesus.

*"You are no longer at the mercy of uncertain information, of uncertain instruction which might at some point lead you astray. No one can make a single mistake in the application of This Understanding if he be sincere! If your motive is wrong, then your energy will be requalified by your own feelings and produce that which is wrong in your world. Energy itself does not discriminate!"*

—Jesus.

*“Remember you are just beginning; you have entered into the Stream of Life which IS WITHOUT LIMIT. Try to feel this with such great joy, that it expands the Light within you. As It continues to expand, your comprehension will become greater and greater. Then in flashes, one after the other, the ‘I AM Presence’ will flash forth into your consciousness, into your feeling world, Its Mighty Revealing Activity. Your Presence which beats your heart and gives you Life is All-wise, for It can call to Itself any information from the furthest parts of the Universe at will.”*

—Jesus.

*“Do you quite comprehend to-day the marvel of the slightest activity of your attention? Behold your Reality! and then comprehend that the moment your attention is upon your Great Source of Life, the ‘Mighty I AM Presence,’ that very moment your Ascension has begun. Every moment you give earnest sincere attention to your Presence, you are increasing, intensifying your climb to Its Goal. This IS the Goal of all Life.”—Jesus.*

*“Remember! and I say this to the whole world: ‘All of you who have loved Me, remember Saint Germain has brought forth the continuation of that which I started two thousand years ago. To-day, there has come in America the example of the Ascension. If you can be sufficiently patient, later there will come the Example to the whole outer world of the Ascension. It is Real! It is practical! It is within the reach of many of mankind to-day, and by that I mean in this embodiment’.”—Jesus.*
