Illumines the Spheres of Infinity,
Enfolds every form on earth makes it
free!

II.

"I AM," Oh, "I AM"—the Power of Light
Pouring Perfection in Victory's Might
To bless those who call and seek the God Way
Of Life's Glorious Plan for this Cosmic Day.

III.

"I AM," Oh, "I AM"—the Power of Light!
Whose Great Healing Rays from Love's Cosmic

Pour Their Pure Substance to bless and set free,
To light every eye and make it to see!

IV.

"I AM," Oh, "I AM"—the Power of Light!
Master of all by My Fiat of Right,
Holding the Cosmos in Order Supreme,
My Limitless Life floods forth Its Great Stream.

V.

"I AM," Oh, "I AM"—the Power of Light!
Consuming forever all earthly night
And flashing thru space the Great Unfed Flame,
I speak Life's Great Word—the Almighty Name!

VI.

"I AM," Oh, "I AM"—the Power of Light!
Controlling mankind by My Cosmic Might,
Which answers each call—fulfills My Command,
Then BE all My Light! Hold Victory's Hand!
