

· THE "CRYSTAL CUP" ·

AY the "Crystal Cup" of Liquid Light
Be yours to drink this hour;
May the "Crystal Cup" supply to you
Life's Mighty Cosmic Power:
May the "Crystal Cup" from Heights Divine
Be offered you to-day;
May the "Crystal Cup" of Liquid Light
Reveal Great Victory's Way.

May the "Crystal Cup" of Liquid Light
Release you now—all free;
May the "Crystal Cup" pour out Its Gifts
Blaze forth for all to see:
May the "Crystal Cup" illumine now
Raise all at Life's Command;
May the "Crystal Cup" of Liquid Light
Pour from the Great "I AM"!

May the "Crystal Cup" of Liquid Light
Be held within my hand;
May the "Crystal Cup" now come to those
Who really understand:
May the "Crystal Cup" from Saint Germain
Become the Holy Grail;
May the "Crystal Cup" of Liquid Light
Serve now, so none can fail!

May the "Crystal Cup" of Liquid Light
Stand forth—forever flow;
May the "Crystal Cup" from Life's own Source
Its Love and Peace bestow:
May the "Crystal Cup" and Unfed Flame
Reveal the Presence too;
May the "Crystal Cup" of Liquid Light
The "I AM" Self come thru!
