

· THE GODDESS OF JUSTICE ·

REAT Goddess of Justice! Almighty! Supreme!

**From out the Great Silence, pours forth
Thy Pure Stream**

**Of Light in Its Glory—so great in Its Pow'r
The very earth trembles in this Cosmic Hour,
Reveal now Thy Vict'ry! Thy Love shall rule all!
Thine own Blazing Presence steps thru at our call!**

**Great Goddess of Justice! Give Thy Great Command!
Hold all things in balance within this God's Land!
Use Thy Sword of Blue Flame! Thy Justice Divine!
For earth shall be cleansed and with Heaven combine!
Lo, all shall obey Thee, shall bow to Thy Law
And mankind Ascended shall be without flaw!**

**Great Goddess of Justice, Lov'd Freedom's Twin Ray,
In Thy Mighty Descent, announce Life's True Way;
Thy Name thru the ethers shall ever resound,
Till Freedom and Justice on earth shall abound,
For man shall become—"more than man"—ALL
FREE!**

The "Presence I AM," each one's Destiny!

**Great Goddess of Justice! to Thy Heart we call,
May Thy Flame envelop and mankind enthrall;
For all shall adore Thee in all that they do
And let Thy Perfection forever pour thru!
"I AM" Thy Great Justice! "I AM" Thy Pure
Light!
"I AM" Thy Full Vict'ry! "I AM" Freedom's
Might!**
