

· THE SACRED CHAIR ·

Thy Chair of Light and Unfed Flame,  
Almighty Pow'r from Thee—"I AM,"  
Is offered now to those of earth  
Whose time has come for Cosmic Birth;  
To set them free from their distress,  
To raise and to forever bless  
With Life's Great Light—"In Freedom's Name,"  
So each becomes the Unfed Flame!

Thy Chair of Light and Unfed Flame  
Illumines now with Light, the same  
As those we love have felt before,  
Who have passed through the "Open Door"  
To Heights beyond and Vict'ry True—  
Ascended now, Who call to you  
To rise Supreme as Lords Who came  
From Venus' Realm of Unfed Flame!

Thy Chair of Light and Unfed Flame,  
The Gift so bright from Saint Germain,  
Now glows again to raise on high,  
Those still on earth and purify  
Their human forms, until in Light,  
They rise—ALL FREE—in God's Great Might!  
The Heavens resound and now proclaim—  
"I AM THE ONE—THE UNFED FLAME"!

The Chair of Light and Unfed Flame,  
Receives us NOW in Thy Great Name!  
Enwrapped in Light, It claims Its Own  
And Life reveals Its Radiant Throne!  
The "I AM PRESENCE" through our eyes,  
Sends forth Its Rays, as we arise  
To greet Our Glorious Saint Germain—  
Our Loved One too—in Unfed Flame!

The Chair of Light and Unfed Flame,  
Has raised us NOW in Love's Great Name!  
We bid the world a soft—"goodbye,"  
And soaring swiftly through the sky,  
Seek Cosmic Help for those of earth;  
LIGHT answers us! reveals the worth  
Within those Blessed Words—"I AM"  
AND CLOTHES ALL NOW IN UNFED FLAME!
