

· MIGHTY ROYAL TETON ·

H, Mighty Royal Teton bright!
Great Mountain of God's
Power,
Of Cosmic Light Supreme o'er
all,
Whose Light Rays every hour,
Charge thru Our Land, Blest Vic-
tory's Might;
And God's All-Seeing-Eye,
Forever acting thru Light Rays,
Observes all—you and I!

Beloved Royal Teton fair!
Great Mountain of God's Light,
From Thy Loved Star of Golden
Jewels,
The Central Sun's True Might,
Pour out Thy Gifts beyond
compare,
Thy Life in Freedom's Name
Whose Cosmic Splendor all shall
see—
The Mighty Unfed Flame!

Majestic Royal Teton True!
Great Mountain of God's Love,
Thy Blessed Presence on this earth,
God's Fiat from above,
Is evermore Life's Altar too
From which the "Great I AM"
Comes forth in Power none can stay
And speaks the Great Command!

Oh, Glorious Royal Teton Pure!
Great Mountain of God's Peace
Where Precious Lanto long has
served
To give mankind release!
Thru Thy Great Heart which shall
endure,
Now bursts the Cosmic Light
And sweeps from Our America
All else but Victory's Might!

Oh, Blazing Royal Teton high!
Great Mountain of Love's Flame,
Out-pouring thru Thy Mighty
Heart
The Light from Venus came;
And Cyclopea thru God's Eye,
Now sends forth unto all
The Crystal Rays that set earth
free,
In answer to our call!

Oh, Blessed Royal Teton Light!
Great Mountain All Divine
Within Thy Heart awaits "The
Cup"
Which makes Our Life all Thine!
Its Pulsing Essence is Thy Might,
We drink now from Its Brim,
We are the "I AM Presence" Heart
The Seven Elohim!
