

## BELOVED MIGHTY HELIOS' DISCOURSE

SANTA FE, NEW MEXICO

APRIL 22, 1951

BELOVED of My Heart, for such you shall always be, whenever you turn your attention unto My Flame of Life! I want you to feel and to know, with every fiber of your Being, that My Love—the Fire of My Love—is the Master Authority of all Life in This System of Worlds! It is the Master Power of My Love in Its Cosmic Fiery Action, which holds This Entire System of Worlds within the Orbit and Electronic Circle of the Great Central Sun; together with the Other Planets and Other Systems, which revolve around That Great Central Sun! Just so, does that same Great Fiery Love hold each of you within the Great Power of Life; and hold you closer and closer into the Cosmic Fire Element of your own “Beloved I AM Presence,” until your journey in this World is Complete.

If you will remember that it is from My Activity of the Sacred Fire, that the Violet Consuming Flame comes forth to the people of Earth to purify all here, you will enter deeper, into the Understanding of what the Sacred Fire of Life means to you and to the World, and to This System of Worlds to which you belong!

When you understand that the Cosmic Fire of My Life, which I direct to this Earth, is the Purifying Element to all upon the Earth, then you will realize that to use the Violet Consuming Flame, to purify the conditions in your physical world, is to use One of the Activities of the Cosmic Fire, which My Life is to This System of Worlds; because the Radiation from the Physical Sun to the Earth, is that which compels all substance on this Earth, to change into greater and greater Perfection. What you call the Action of the Actinic

Rays of the Sun, in Reality is My Cosmic Action of the Violet Consuming Flame; for I can change everything by Sunlight into Eternal Purity!

Now the atomic structure of your bodies is such, as can only absorb a certain amount of that Purifying Flame at one time. Therefore, in holding the Balance and drawing into yourselves the Blessing of the Sunlight, know always, that you should only draw a certain amount at one time, then let that build into the body and do Its Perfect Work. Draw only as much as you need from day to day! Then in the Wisdom of the Great Balancing Activity of Life, will you find greater and greater Illumination coming to the mind, as well as to the body; because what you call physical Sunlight, is the Radiation of Electronic and Magnetic Force or Energy from the Physical Sun. That is the Supreme Activity of the Fire Element to This System of Worlds; for by the use of Sunlight, you can change everything on this Earth and in mankind, into a Higher Manifestation.

Just as the Life within a seed or the flower kingdom, reaches up and is drawn up by the Magnetic Power of Sunlight, into its greater Perfection, and fulfilling of its Divine Plan—so My Dear Ones, is the Divine Design of your own Life Streams, drawn up into the Ascended Masters' Octave of Perfection, by the Radiation from Their Octave and from the Physical Sun. Just as you place the seed or the plant within the structure of the Earth, and then the Fire of Sunlight draws that to Its Perfection, so does your Higher Mental Body place Its Own Unfed Flame in your Heart; and place you in the physical world, where My Fire draws forth the Expansion of your own Heart's Flame.

May I say, your "Mighty I AM Presence" plants Its Unfed Flame, into the Greater Activity of the Fire Element of this Planet; and thus is the Smaller Flame within the

Heart, abiding within the Greater Fire, drawn up into all the Qualities of the Perfection of That Greater Fire. Such is the Great Divine Plan of Life! Such is the Perfection of the Universe, ever drawing the lesser into the Greater by the Action of the Fire Element. The Radiation of the Light, the Life, and the Fire from the Physical Sun, is the only Purifying Element you have in this World! It takes That Cosmic Fire to purify the Earth, to purify the water, to purify the air, for mankind's human discord, can never contaminate the Fire. THE SACRED FIRE of Life ever remains the Master Authority over all in this World. Therefore, it would be wise, if you knew more of Me.

He who seeks Wisdom and Mastery over the conditions in this World, will have to gain that Wisdom and Mastery first of all, from your calls to your "Beloved I AM Presence" and the Ascended Host; and then to the Greater Fire of the System by which you are surrounded. If mankind want to know something of the Greater Fire in which they move, then there must come the call first, to their own "Beloved I AM Presence," the Ascended Host, and Ourselves—a call from the lesser Fire to the Greater Fire; and the Greater Fire pouring down Its Love into that which is lesser, makes the lesser expand to become the Greater, and it is as simple as can be. Strange IT IS, THAT MANKIND SO BENT UPON THE GRATIFICATION OF THEIR OWN DESIRES, FORGET THE POWER WHICH SETS THEM FREE.

I trust I may elucidate one of those Magnificent Statements of the Mighty Master Jesus, and I trust It will mean to you something It has never meant before. When He said: "Know the Truth and the Truth shall set you Free", that Statement contains tremendous Wisdom, and few know what It means. Every little fragment of Truth which individuals have contemplated, they have imagined He meant by that

Statement; but until they know This Truth concerning the Master Authority of the Fire Element thruout all Creation – they do not have the Way and Means of dissolving that which keeps them bound.

Therefore, in your calls to your “Beloved I AM Presence,” if you would DEMAND Its Desire be the Authority for you in the outer Life, you would begin to realize, that your Divine Desires are the Master Authority of all Creation! When you call Them into outer physical action, they become That Moment your Eternal Freedom. In the use of the Divine Desires of your “Blessed I AM Presence,” in your outer physical activities, It releases the Cosmic Fire into the physical senses, as well as the Sacred Fire from the Higher Mental Body! There is no Freedom to Life other than thru That Sacred Fire!

If you want to know the Truth that sets you Free, then you will have to know, that the DIVINE DESIRES OF YOUR HIGHER MENTAL BODY, are the Master Authority in all your physical conditions. Then That Fire burns out the limitations which have been created by your human desires; for the only limitations you have ever experienced in all your journeys thru this World, have been your human desires! Therefore, ONLY your Divine Desires will set you Free! The Divine Desire of your Higher Mental Body, is to expand the Unfed Flame in your Heart into a Greater Unfed Flame. That can only take place in the Greater Fire, which exists in the World about you, which I pour forth from the Physical Sun. Therefore, the Truth that sets Free, is the actual use of the Sacred Fire from the Physical Sun, and the Authority of your own Higher Mental Body within your own Unfed Flame, COMMANDING It to expand within the Greater Fire which surrounds you.

Mankind have gone on century after century, gratifying

their own desires of the physical body! Hence have bound themselves in chains, that forever are drawn tighter and tighter about them—until either the Higher Mental Body, an Ascended Being or Cosmic Being, projects Our Sacred Fire which dissolves those desires! Until you are interested in dissolving and consuming your human desires, your human habits, your human authority—by the Master Authority of the Cosmic Fire of your “Blessed I AM Presence,” AND FROM OUR OCTAVE, you will go on indefinitely in your chains.

The Only Way provided by Life, for the consuming of human mistakes and the frightful torture they have created in this World, is by the Use of the Cosmic Fire of which “I AM” the Director and Complete Controller to This System of Worlds! “I AM” speaking now thru a Flame Which enfolds the Messenger, and when you understand what I say today, you will go forward like happy children! Your call to your “Beloved I AM Presence,” for Its Divine Desires to be manifested in all physical action, COMPELS Freedom by the Master Authority of the Sacred Fire! Then will you find conditions in the physical world, yielding to you almost instantly.

UNTIL MANKIND KNOW SOMETHING ABOUT THE SACRED FIRE THEY CAN NEVER be Free. Individuals in your churches and philosophers all thru the centuries, have referred occasionally to the Sacred Fire, but the masses of the people know not what is meant. Your Beloved Saint Germain brought you the detailed Explanation and Use of the Violet Consuming Flame which is One Ray, or One Flame, that I direct from My Thousand Petal Lotus, which appears to you as the Physical Sun! That is the only Way and Means which the Cosmic Law of the whole Universe, provides to This System of Worlds, to change outer manifestations that are less than Perfection into Perfection, and then ever expand that Perfection.

So, if limitations still seem to abide within your Beings or your worlds, know with every fiber of your Being—that you must have the Violet Consuming Flame from the Physical Sun, as well as from your own Higher Mental Body—which after all is one Activity of the Fire Element, before you can dissolve the substance of your limitations. This lets the Unfed Flame in your Hearts and in your affairs expand, until It becomes your world, and you abide in Its Perfection and Master Powers forever!

The Activity of the Unfed Flame is also from the Physical Sun, as well as from your Higher Mental Body and the Ascended Masters' Octave. Precious Ones, there is only One Fire Element in all Creation, and whether It manifests within the individual or in the Manifestations of the outer matters not! It is One Fire Element! If there be limitations and problems, you are going to have to dissolve and consume them, by the Sacred Fire, or they will live until you do! Since your human desires have been the FEELING to hold the substance and the things of this World, under your discordant direction and use, those feelings are your chains! Those are your problems today! Those are your fears and doubts of tomorrow! Those are your limitations of your minds, bodies and affairs! Then you need one thing only, and that is the Full Conscious Knowledge of your "Beloved I AM Presence," thru the DEMAND in the outer, for the Desire of the Presence, to fill you and fill your world. You must DEMAND ITS AUTHORITY OF THE FIRE, the Cosmic Fire which I pour forth to the Earth, to purify and govern everything around you! Until you understand this, and call forth This Cosmic Fire of all Creation, to govern your physical conditions and physical affairs, they will manifest imperfection, until the Sacred Fire fills all.

All that is Constructive is the Desire from your Higher

Mental Bodies coming into outer action! All Constructive Desire is the Radiation from and Expansion of the Unfed Flame in the Heart of the Higher Mental Body. When you call the Desires of your Presence, into yourselves and thru yourselves into your outer conditions, then the Unfed Flame in your Heart expands; and It continues to expand; until It fills your world with Ever-lasting Purity, in which forever abides Perfection ever expanding! That is the Master Authority of your "Beloved I AM Presence". That is why the Electronic Body is a Flame Body! Your Electronic Presence is surrounded by a Blue Fire! Your Higher Mental Body is spoken of as a White Fire Body! If the outer self were wholly Pure, It would be Self-luminous and would allow the Unfed Flame in the Heart, to go forth and control conditions instantly for you, in all your affairs. It would draw forth from the Universe at your slightest desire, the Perfection which could be forever sustained here.

Therefore, if you want the Truth that sets you Free, you will have to accept and call forth the Divine Desires of your "Mighty I AM Presence" and Higher Mental Body! You must call Them into OUTER PHYSICAL FULFILLMENT IN YOUR PHYSICAL AFFAIRS, or you will never be Free until you do! So long as there is any feeling within, that you want to experiment with this or that in the outer world, you are just marking time. When you call forth the Fire of the Divine Desires from your Higher Mental Body, and your Master Authority of That Sacred Fire into all physical conditions, you will know ahead of time—that which you are going to experience. Then in the Fulfillment of the Divine Plan, will come an Ecstasy, a Joy compared to which, your physical pleasures are as sand.

You have never touched the fringe of Happiness, until you begin to FEEL the Fulfillment of the Divine Desires of

your Higher Mental Bodies while yet in the physical form—reveal to you in your outer affairs, the Magic Hand of That “Blessed I AM Presence”. If you seek Happiness, if you seek Freedom, if you seek Mastery or the use of the Divine Powers of your own Life Stream, you are going to have to draw them all into outer physical action, by the Cosmic Fire and Divine Desires of your Higher Mental Body. As you allow That Fire to expand the Unfed Flame in your Hearts, and to fill your world and your conditions—you will find Heaven made manifest on Earth. Then your world becomes the Ascended Masters’ Octave of the Sacred Fire, where Love alone is the Master Authority and Power Supreme, thru the use of That Cosmic Fire.

You will have some very delightful experiences as you continue the use of the Ascended Jesus Christ Fire into your physical octave, to become the physical conditions of your outer world; until the human can never live again, because the Fire Element is here in ever-expanding Command.

The moment you take the outer self in hand and say: “Never again shall anything exist in my feeling world, but the Divine Desires of Eternal Cosmic Fire from my own ‘Beloved I AM Presence’, and the Ascended Host,” you make the outer self the Crystal Temple of That Living Flame. You command That Flame to expand and fill your world and your affairs! Then will you find evil die at your approach; you will find the Heavens open and flood you with their Blessings—Indescribable in your words! Then will you know what the Messenger means, when she says: “All that We want to give to you.” We want to give you Our Divine Desires, to take the place of the human desires that have tortured you, and which always contain the limitations of suffering.

There never was a human desire came forth thru any

human being, that did not always produce suffering and limitation in the end. Make up your minds to that today! However, if you turn about and leave those desires, which are but ashes compared to This which is Eternal—you can enter into the Complete Companionship of your “Beloved I AM Presence” and Higher Mental Body; and DEMAND Its Divine Desires Fulfilled thru you in all outer physical action. As you call the Fire of My Love into your world, I will transmute your world into My Perfection, and all mankind cannot touch Me!

Is there anything you have in your world, as great as the Physical Sun? I said, I would transmute your world into that which becomes a Cosmic Sun! Then each of you becomes a Dazzling Sun or Flame, whose Love is the Master Authority thruout all the Universe forever. Tarry no longer in the suffering of your own human desires! No longer let them fool you with the idea, that you can gratify them and not one day face the limitations which they have become; because they are NOT the Eternal Fire of Our Love, whose Purity is the Master Authority of all Creation; and whose Desires are ever expanding Beauty and Perfection without any limitation.

So, if you have determination enough, to DEMAND all the Divine Desires of your “Beloved I AM Presence,” fulfilled in you and thru you into all physical conditions, by the Fire of My Cosmic Love, and Its Master Authority in This Whole System of Worlds—you shall see Miracles and Manifestations, before which the world will bow and gasp with amazement. If you want Miracles, they must come from within the Sacred Fire! If you want Marvels, Wonders, and the Illumination, to show you the Divine Way of Life, they must come from within the Sacred Fire—whether that be the Unfed Flame or the Violet Consuming Flame or the Healing Flame,

the Golden Flame or the Flame of each color. The Sacred Fire is the Treasure-house of Existence! All that is of Perfection must either come from within the Activity of the Sacred Fire, or you will have only imperfection in outer manifestation.

Beloved Ones, as you sit here today, if your desires were strong enough, and your determination relentless enough, to DEMAND all the Cosmic Violet Consuming Flame into this room necessary, you would change your bodies into the Purity and Perfection you desire! You would be That Freedom and go forth like happy children! If your desires were firm enough, relentless enough, and determined enough—you would COMPEL the release of the Violet Consuming Flame in and around yourselves, for all of you! You would go forth thru those doors tonight, and not even your closest relatives would recognize you. (Applause—audience rising.)

Thank you, Precious Ones, and while you are standing for just a moment, I wish to thank you for your Presence here, and the strength you have had to stay in these Classes, and render the Service which has been given thus far. It is because you have rendered this Service so nobly, so selflessly, and you have been so fiercely determined to serve the Light, that "I AM" privileged under the Great Cosmic Law, to offer you this Assistance of My Love! If you will accept My Love, It will give Me the opportunity to show you, just what the Fire of My Cosmic Love can do for you!

I trust We may have many enjoyable experiences as you enter into that which is your Eternal Home, for the Fire of My Love holds This System of Worlds in Perfect Harmonious Relationship, to all the Other Systems which encircle the Great Central Sun. Therefore, I trust you won't doubt My Power to hold you in that Divine Order, which brings you Happiness. May the Love which is the Master Power and Authority of the Cosmic Fire, open Its Heart to you; and

give you the Instantaneous Manifestations thru your calls, which will lift you unto the Heights. It will make you a Blessing to give Freedom wherever you go, when you call My Love into physical conditions, that should have long ago manifested Perfection. Won't you be seated please?

Therefore, I will not hold you longer, but I say I shall love you stronger, if you will let Me. (Applause) Thank you, Precious Ones, and that means this—We pour forth all the Activities of the Sacred Fire, you can stand at one time. As That Sacred Fire unites with the Unfed Flame in your Hearts and becomes a Permanent Part of you, then We can give you another Flame, and It will unite with your Unfed Flame. Your own Unfed Flame ever becoming greater within you, thru your calls and Our Flames of Love, will take you forward on the Pathway of Perfection! Then you will leave forever the chains of human desire behind! The Violet Consuming Flame shall obliterate them from the Universe, so they may no longer touch any other Life Stream with distress.

Come, let Us love you into the Divine Desires of your Higher Mental Bodies, and may they out-picture for you in the physical world, a Perfection you have never known! Then you reach forward into the future and see ahead of you, the Promised Land of Perfection! It abides ONLY in the Love of the Cosmic Fire, Whose Authority all must one day become. May That Paradise on Earth come quickly thru your calls, and you go forward to be the Helping Hand of Cosmic Fire and Love Supreme, to Life wherever you contact it; until all becomes the Perfection Which is the Eternal Destiny of all Creation.

As you enter into the use of This Cosmic Fire, It will lift you beyond every distress of the outer world! It will give you all of everything your Hearts could ever desire from Our Octave. Then will you find, the Divine Desires of your "I AM Presence" and from Our Octave, will bring you Our

Happiness which is Eternal! Never again, could a human desire ever hold your attention, because you would know it for what it is! Our Divine Desires and the Truth of the Cosmic Fire, are the Truth that sets you Free!

As your "Beloved I AM Presence" constantly calls you home, into that which is your Eternal Temple of the Cosmic Fire, will you find Beauty and all the Joys you have craved thruout the centuries, becoming the Eternal Design of Perfection! The Desires within the Love from your "I AM Presence," become Eternal in your OUTER ACTIVITIES, to bring you Victory without limit! The Divine Desires of your "Mighty I AM Presence" for you, bring and are the Perfection which ultimately raises you into the Ascension! Therefore, call those Desires into outer action, by My Love of the Sacred Fire, and see for yourselves the Fulfillment of My Words today!

May you enter into and be clothed with, the Eternal Fire of Victory and Love, whose Desire is Perfection—to bless all Creation with Happiness Eternal, which ever takes all on to Greater Manifestation. I commend you to the Joy of Our Flame, Whose Heart is Love and Whose Power from the Great Great Silence, is the Source of all Creation! Its Manifested Perfection ever keeps you and your world, untouched by anything but Its Glory and Master Authority of Life everywhere. To the Eternal Happiness of That Love do I commend you! Since Its Fire comes forth from My Heart, I trust I shall make you feel It! Once you have entered into My Feeling, will you know that My Desires for you, contain Glories and Joys you have never contemplated! My Desire shall draw you on with Irresistible Power, until your Freedom is complete.

I commend you to the Anticipation of That Eternal Joy. I thank you.
