

BELOVED MIGHTY HELIOS' DISCOURSE

SANTA FE, NEW MEXICO

APRIL 23, 1951

ELOVED of the Light, as We enter into the Release of the next half hour, I ask you to feel deeply with Me the Feeling that sets you Free.

Long have We waited thru the centuries, constantly pouring forth ALL that Love can give; and yet mankind have turned away from Our Love, and sought in their own desires, greater and greater distress; but you who have turned back to the Light, I wish to know tonight, that the Love which We have waited to pour forth all thru the centuries, stands now awaiting your call and your use to rush forward, like an AVALANCHE and to flood you with every good thing.

You MUST call forth Our Feeling, Beloved Ones, if you are to fill yourselves with the Power that draws to you all Perfection. You have filled your world with your own feelings of the past, and your world is today, the condensation of those feelings of limitation. Therefore, you DID feel and you caused the outer self to feel, that which you desired at the time! Hence built the limitations of your outer affairs of today. I say to you from tonight, you can just as easily and really far more so, command your feelings to FEEL Our Love! You will have to take them definitely in hand!

Definitely command the energy in your feeling world, to FEEL the Love We want to give! If you will discipline the outer self, and command it to feel Us DAILY – when the energy of your outer self FEELS Our Love, then there comes the Release of those Greater Powers of Life, Our Life, into you. Those Greater Powers come into your outer use to serve

you, or rather to come under your direction; and therefore draw to you in the outer all the conditions that you really desire to produce Perfection.

If you had no automobile, you needed to go somewhere, and someone offered you the use of an automobile, if you did not use it, you wouldn't go very far would you? Well this is the same corresponding condition. We have offered mankind the use of Our Love thru the centuries, but they have chosen NOT to call Our Love into physical conditions! Hence, they are bound by their chains thru the centuries—the desires of their own choosing. As the Mighty Master Jesus told you, to call forth His Feeling from the Heart of the Great Great Silence, His Feeling contains now the Mastery which He is, as the Cosmic Christ! It can be poured into your own energy, to make you FEEL the same control over physical conditions, that HE CAN NOW MANIFEST. It is the same with Myself or any of the Ascended Host, who have offered you the use of Their Ascended Master Consciousness, to help you free yourselves from the conditions which cause you distress.

Everything less than Perfection, must one day have the Fire of Our Love pass thru that energy, if you are going to dissolve imperfection, and cause Perfection to arise in its place. I want you to feel how close you are to Our Life, and because there is that Oneness with all Life, you can command the feeling of your Life, to feel any Special Ascended Master Quality, which is in Our Life.

Dear Hearts, This awaits your use in the outer! Sometimes it is very difficult to wait, when We want so much to give you the Happiness you crave. We want so much for you to use these Greater Powers of your own Life, Our Life, and all Life everywhere. Then it is very difficult to have to wait century after century, until mankind choose to charge their feelings and the energy of their emotional world, with Our

Feeling about Life! It is your FEELING about Life, whether it be your own Life or someone's else, that produces the conditions in which you must move—in which you must live, move, and have your Being. Therefore, when you command the energy in your outer selves and your affairs, to be charged with the FEELING OF OUR LOVE TO LIFE, you will find Love can do for you from Our Octave, what you cannot yet do for yourselves. All these Greater Powers of Life's Perfection, abide always within Our Love to Life, within Our Cosmic Fire of Love.

Charge This Cosmic Fire of Our Love into the energy of your feeling world! Command It into the energy of your world, so it too, must become Self-luminous. AS THE GREATER LIGHT OF OUR LOVE MANIFESTS IN YOUR ENERGY AND YOUR FEELING WORLD, THE FORCES OF DARKNESS WILL RECEDE! It is impossible for Us to have any feeling in Our Life and Our Energy, that is not the Complete Mastery and Authority over all energy in this World. So, when you call Our Feeling into the energy of your outer selves and your world, THERE MUST COME THE COMPLETE CONTROL OF ALL CONDITIONS AROUND YOU, which heretofore have been your limitations. If you will charge your limitations WITH OUR FEELING OF THE COSMIC FIRE, those conditions will become for you, the Miracles of Happiness and Perfection which set you Free! BY YOUR USE OF OUR FEELING OF THE COSMIC FIRE, you can compel every condition to become a Miracle of Perfection, Happiness and Boundless Supply to you!

Now let us take up something very practical, may I say your financial obligations, which you call bills. You see We don't have those things in Our Octave. We don't believe in them! We don't create them for others nor for ourselves, but since they are in manifestation in the physical octave—IF

YOU WILL CHARGE ALL YOUR OBLIGATIONS IN THIS WORLD WITH OUR FEELING OF LOVE, OUR COSMIC FEELING OF MASTERY AND SUPPLY INTO THE PHYSICAL OCTAVE, YOU CAN USE THE OBLIGATIONS OF THE PHYSICAL WORLD AS A STEPPING-STONE— TO LIFT YOU INTO OUR FEELING BY THIS REMINDER OF US. YOU CAN SET YOURSELVES FREE FROM THE TORTURE AND LIMITATIONS OF THE WORRY AND STRAIN OF PHYSICAL CONDITIONS! It sounds easy tonight, doesn't it, and Dear Hearts, It is. Please believe Me! It IS easy for Me to Love! It IS easy for Me to GIVE you My Love! It IS easy for Me to Love the Cosmic Fire into your octave, and it IS easy for Me to illumine all things with the Fire of My Love! You don't quite believe that, concerning your bills, but try it! Will you? Won't you just try it? (Applause—audience rising) Thank you Precious Ones, won't you be seated please?

Now let me show you why Our Love is Boundless Supply! Isn't My Love supplying Life to This System of Worlds? If I can supply Life, do you not think I can supply the things of My Life in this World? You could not have the manifestation of one physical object on the Earth, if My Life did not penetrate everything in This System of Worlds. My Life, is the Light from the Physical Sun. Were that withdrawn from all substance and energy of this Earth, it would disappear like a breath! Then do you not think I can supply things to you by My Life, if My Life supplies Life to the Whole System of Worlds? "I AM" GOING TO MAKE YOU BELIEVE ME TONIGHT! (Applause) Thank you, Precious Ones. Just try, and I know you will, to keep charging all the energy in your feeling world WITH MY FEELING OF MY LOVE TO ALL LIFE. Just insist on this charging into your energy and the energy of your Being and world and your affairs. Just keep flooding, and flooding, and flooding My Feeling of Cosmic

Fire—My Feeling of Love to Life into everything. Then That Cosmic Fire will move into the substance of your world; and It will make Life in your world the Perfection of My Love, which produces things of Perfection in This System of Worlds.

The Planets themselves have been brought forth by Our Love, Precious Ones, and if We could mould a Planet, do you not think We are sculptors of fate and sculptures of Perfection? Do you deny Us the right to mould the substance of the Universe, into that which you require in your outer affairs? Try Me out! Just remember, and don't let your memory be short! Just remember to charge, and charge, and charge all the energy of your feeling world with My Fiery Love—My Feeling of the Great Great Silence, wherein is God's Greatest Activity; wherein is God's Greatest Supply; wherein is God's Great Treasure-house!

Hold clearly the PICTURE in your mind of that which you desire; and then command the energy and the feeling of your outer self to be charged with My Feeling of Love; for It is the Magic Power, the Great Central Sun Magnet's Power, to draw into outer manifestation anything you desire, so long as it be constructive. It is My Love which draws the Divine Design in the plant up into Its Perfection! It is the Radiation of the Sun Which does that, for without the Sun's Radiation, the Divine Design does not expand into usefulness. Therefore, My Love, My Feeling of the Cosmic Fire charged into the energy of your feeling world, draws forth not only the Perfection from within you into outer manifestation; but My Love draws from the Universe around you, Perfection to you, and I want you to have supply! I want you to have Unlimited Freedom in the use of the things of this World, to fulfill the Great Divine Plan which We all enjoy expanding, and which you too shall enjoy with Us.

So just charge, and charge, and charge My Feeling of

Love into your world of things; and let Me be the Transmuting Process to draw into your outer use, that which you are going to require. It is so easy, Precious Ones, to live close to God thru Our Love; and the only reason you do not have more of the Perfection within Life—once you turn to the Light, is because of the old habit of the outer world, which pulls upon your attention again, and again, and again; when if that attention were turned back to Us, it would draw into your world, the Perfection from Our Octave.

Which ever way you look, be it to the world of the outer, or to Us, there will come back to you on your own Life, thru your own energy, that upon which you look. Therefore, if you remember often enough in a day—and I say at least once an hour—to turn back to Us; and DEMAND the Cosmic Fire of My Love, charged into all the energy of your feeling world; to produce the Eternal Perfection which “I AM”—in outer physical conditions for you; I will begin to reveal to you the Inner Secrets of Cosmic Love. They abide within the Cosmic Fire, which sustains Life in This Whole System of Worlds.

Since your outer self is a thread of that Life, expanding the Unfed Flame into outer action, you will find the Unfed Flame in your own Hearts expanding much more rapidly; as you call My Feeling of Fiery Love into yourselves, to produce Perfection in the energy of you and your world. It must come, within you first, before the things of the outer world are manifested; but Our Love is the Drawing Power, which gathers and selects that which you require and desire, to use in the Fulfillment of the Divine Plan. Just try Me out for one day, and remember once an hour to raise your hands to your Presence and to Me; and to DEMAND with every fiber of your Being, that My Love and Its Cosmic Fire—Its Feeling, charge into all the energy of your feeling world, and your outer physical activities. Thus will It surge by your CONSCIOUS COM-

MAND, but you must DEMAND IT with every fiber of your Being. As you do this – think of It ten or twelve times a day, then just one flash of My Fiery Love and My Feeling of that Love into your feeling, will you find the Oneness of Life doing for you, that which you have craved for centuries but as yet have not quite attained.

We long ago offered you the Use of Our Ascended Master Consciousness! We are offering you the Use of Our Cosmic Fire of Love, the Love which creates Whole Systems of Worlds, and sustains them in their ever-expanding Perfection; to bring Happiness thruout Creation, for We love to bring Happiness to you. Our Love charged into the energy of your feeling world, can only bring you Happiness. Therefore, if you do not have the Happiness or the things that you require for greater Perfection in the physical world, then fill your world, fill your feelings, fill your energy with Our Fiery Love, and see for yourselves what comes to bless you. We want you to have these Blessings.

Dear Hearts, sometimes if We did not understand the Law, it would be quite difficult to watch you who are facing the Light, wait so long to receive the things, that others in the world who are not doing right are wasting and destroying. If it were not that cause and effect are absolute, it would be a matter of impatience on Our Part, which of course We cannot feel. To watch those We love who are winning their Freedom, not have all the things that you would like to have, to quickly bring Perfection here in this Octave, takes Great Patience. Let Me guard you in calling forth the Fire of My Love into your feeling world. Command that Its Immortal Protection, guard everything that is drawn into your outer use; so whatever manifests to you to fulfill the Divine Plan, remains protected and under your control; that it carries Automatic Protection with It! So the sinister force or the un-

awakened of mankind, cannot use for destructive purposes, that which Our Love supplies to you in answer to your call!

The place where the Great Magnetic Power of Life must first act in an individual, is the feeling WITHIN. There must come the Love of the Cosmic Fire WITHIN. When you charge Our Feeling of Love into your feeling world; and then hold your picture of what you desire, you will love that into outer manifestation by the use of Our Love. It rides forth, shall I say, on your own energy, thus requalifying the conditions of the outer world. Thus It brings back to you, the Perfection and the things which you ought to have; to give you unlimited Freedom in fulfilling the Great Divine Plan.

Please do not forget what the Mighty Master Jesus told you, when He said: "DRAW MY FEELING FROM THE HEART OF THE GREAT GREAT SILENCE INTO YOURSELVES", AND I SAY THE SAME THING! "CALL FORTH THE FIRE OF MY LOVE, MY FEELING OF THE GREAT GREAT SILENCE, AND ITS COSMIC FIRE INTO YOURSELVES; INTO YOUR CONDITIONS; INTO THE ENERGY OF EVERYBODY AND EVERYTHING; INTO ALL THE FEELING THAT GOES FORTH FROM YOU! THEN WHEN MY LOVE AND ITS COSMIC FIRE PASSES THRU THE ENERGY OF YOUR FEELING WORLD, NOT ALL MANKIND COULD EVER DISTURB YOU IN THE OUTER LIFE! WHEN MY FEELING IS WITHIN YOU, DISTURBANCE DARE NOT APPROACH! WHEN MY FEELING OF LOVE IS WITHIN YOU, FEAR AND DEPRESSION CANNOT EXIST."

Therefore, "I AM" GIVING YOU THE FIRE OF MY LOVE, TO QUALIFY AND CONTROL THE ENERGY OF YOUR FEELING WORLD, INTO THE PERFECTION WHICH LOVE ALONE CAN MANIFEST. THIS CAN BECOME FOR YOU A TREMENDOUS HEALING POWER. When you call the Fire of My Love into the energy of someone's mental and

feeling world; to produce there the Perfection that sets Free—then My Dear Ones, that which is of the human, cannot abide within My Fire of Cosmic Love.

Pay no attention to appearances! Call forth the Cosmic Fire of My Love into your feeling world! Let It go forth and do Its Perfect Work by Conscious Command; and come forward out of your limitations and into that which you have a right to command, to bring the Fulfillment of the Great Divine Plan! Oh, if you would sometimes take only one full minute, to stop in the midst of the outer activities; and charge the Fire of My Love into all of the energy of your feeling world, It would consume whatever is wrong. Then, if there be something distressing, and My Flame of Love passes thru that energy, the distress is consumed! If that consuming is needed, then That Flame which passes thru you, is your Violet Consuming Flame, which your Precious Saint Germain has taught you to use!

When you call forth the Fire of My Love into your physical energy, in the physical world, That Fire contains whatever Quality is necessary to dissolve human limitation, wherever It touches that energy. It is as simple My Dear Ones, as, one, two, three. Won't you let Me experiment with you? (Applause—audience rising) Thank you Precious Ones, won't you be seated please?

When the temptation comes to be depressed about conditions in the outer world, take command of the outer self and say: "No! the Fire of Eternal Love from the Heart of the Great Great Silence, under the Conscious Command of Mighty Helios, shall go thru this energy and compel Perfection here." You try it! Thus you give Me an Open Door here, and there, whenever you use this Conscious Command, to let a Flame of Love from Our Octave, become permanently established in the physical structure of the Earth; as well

as the atmosphere about you, to render That Service which only the Cosmic Fire can give.

“I AM” offering you this Assistance tonight, for several reasons. In the ages past, when the Sacred Fire was manifested physically, to mankind in many places on the surface of the Earth, That Fire was guarded by one or more individuals who maintained ABSOLUTE PURITY in the feeling world; but when mankind became so discordant and impure in their feelings, that the Guard was not held, then We had to withdraw Those Flames, from outer visibility to mankind.

Since the Law of the Incoming Cycle is such, as to make it necessary for Those Flames to come again into the outer—there must come the Purity Which guards Them. As you use the Fiery Love from the Physical Sun, the Heart of the Great Great Silence there; and you DEMAND, that It come into all outer physical energy, there will come this Greater Purity again. Then We may establish in the outer, these various Activities of the Sacred Fire, which can bless mankind so greatly, and which they need without question.

Once again must the Sacred Fire become Visible before the physical sight of man; and when the Great Cosmic Law permits again, the Manifestations of These Flames into the outer, there will many times come the Voice which speaks within the Flame! Then will the Cosmic Law be known by all—accepted and obeyed; because the Authority of the Sacred Fire within Those Flames is Absolute, Eternal and Perfect! This will begin by the purification of those who use My Love of the Cosmic Fire.

Your Beloved Saint Germain, when He offered you the Use and Explanation of the Violet Consuming Flame, gave you the Privilege of calling His Love of That Violet Flame into your mental and feeling world; into all the energy of the outer self! He told you, if you would use That Violet Con-

suming Flame, It would consume all human limitations; but you have not been exactly aware, that when He offered It to you, He offered you His Fiery Love in That Violet Consuming Flame; to be the Purity in your own feeling world, which produces the Perfection, that sets you Free from limitation.

So tonight, as you give Me the opening by which These Flames can flood thru into the physical octave, will you find the limitations disappearing. You will find yourselves arising into the Perfection, which is the Divine Plan made manifest, while yet in the physical world. When the Beloved Master Jesus asked you, to call forth His Feeling from the Heart of the Great Great Silence, know that His Feeling is His Love! As you approach your Freedom, you must know, every bit of Help you call forth from your "I AM Presence," the Ascended Host, and the Cosmic Beings Who assist the Earth, IS the Great Fiery Love of Eternal Perfection. When you want Its Help and you call It into outer action—you will have It as surely as you make the call! Whenever you want Help for any condition, try to remember, to call the Fiery Love from the Great Great Silence or any of the Ascended Masters or Cosmic Beings Who offer you Their Assistance. DEMAND THAT OUR COSMIC FIRE CHARGE THRU ALL THE ENERGY OF THE FEELING WORLD OF YOURSELVES AND ALL YOU CONTACT. Then the Violet Fire begins to burn away the human desires and human creations, which have been the chains of the centuries.

Tonight, I commend you to the Heart of My Love, and may the Temple of the Cosmic Fire, which manifests as the Physical Sun in your System of Worlds, become an abode for you into which you may enter while the body sleeps; and receive the Feeling of My Love, which shall be as tangible when you awake as you desire It to be. If you enter sleep with the COMMAND AND DEMAND, that My Fiery Love pass

thru all the energy of your feeling world while the body sleeps; and that It fill your world and all the things of your world with My Feeling of That Love—then the very Vibratory Action and Energy from My Great Temple of Life, shall flood like a river into your world, and as a Magic Hand remove that which you have accepted as limitations.

COME LET US FEEL THAT ONE SUPREME COSMIC ACTIVITY OF THE SACRED FIRE OF ETERNAL LOVE, AND LET IT DISSOLVE FROM YOUR FEELING WORLD, ALL THAT HAS DRAWN LIMITATION UPON YOU! Then will you find the very Sunlight that blesses the Earth, is in Reality Love which is trying to set mankind Free. By Conscious Command, may you draw this into your outer use! May the Great Ones Whom you have loved and served, come now and flood Their Fiery Love thru ALL the energy and substance of your Beings and worlds. Let Us quickly release all of you from these limitations; so you may go forth and render a Service, which brings Freedom to your Nation; and release Its Freedom to the Younger Generation thru Our Love! Our Love wants to give It! Your Love wants to give It! The Divine Law of all Creation DEMANDS that It must come into this World! The more you can call It into outer action, the more the shadows and the faster must those shadows disappear.

I SHALL LISTEN FOR EVERY CALL, AND ANSWER YOU BEYOND YOUR FONDEST DESIRES! LET US GO FORWARD TO VICTORY, WHICH ALONE MANIFESTS BY THE LOVE OF THE COSMIC FIRE; AND MAY THAT FIRE BECOME FOR YOU THE TEMPLE OF ETERNAL PEACE. LET THIS FIRE DESCEND AND PEACE POSSESS THE EARTH AS GOD INTENDS, UNTIL ALL AWAKEN AND BEHOLD THE COSMIC FIRE OF THAT “BELOVED I AM PRESENCE” AND THE ASCENDED HOST; AND KNOW

THAT MANKIND CAN NEVER AGAIN DISOBEY THE SUPREME LAW!

UNTO THE GLORY OF ITS ETERNAL BOUNDLESS BLESSINGS, DO I CALL YOU TONIGHT, AND MAY YOUR EXPERIENCES BE PROOF OF THE REALITY, THE POWER AND AUTHORITY OF MY LOVE TO SET YOU FREE. I DEMAND YOUR FREEDOM IN THIS, WHICH I HAVE OFFERED TONIGHT!

Thank you.
