SANTA FE, NEW MEXICO

APRIL 28, 1951

No. 7

Series of 15

BELOVED ONES of My Heart, as We enter into the Release of tonight's Great Power of the Cosmic Fire, may each of you be drawn closer into the Greater Use of Its Mighty Power to produce Perfection for you, which you have craved for centuries; and which now stands ready to draw you into the Glory of Its Heart; as you hold steady with your face to the Light and DEMAND the Freedom only That Cosmic Fire can give.

I want you to enter in, if you will, to the Fiery Forgiveness, which is One of the Great Powers We use in cleansing the Earth; because Forgiveness as We know It, is Replacement of that which is of the human, by the Eternal Perfection of all that is Divine. So your concept of Forgiveness, Love and Mercy of the past, I think will be considerably expanded and illumined; as you realize Forgiveness and Mercy from Our Standpoint, mean the removal of that which is of the human, and the Replacement of it by that which is Divine.

Then if you will call forth into your outer use, My Fiery Control of conditions in the physical world, I think those of you who are sincere and determined to the Light, will go forward experiencing the Miracles, the Blessings and the Marvels your Hearts have longed to produce – those Miracles which come forth instantly at your calls. There is no reason, Dear Hearts, you should not have them, except that the human has been allowed to replace God! Tonight, let us put an end to that human forever. (Applause – audience rising) Thank you, Precious Ones, won't you be seated please! If you will just remain so, I won't stay long tonight, but I trust

I will give you a Gift, which will stay with you forever.  
(Applause)

Precious Hearts, We have longed for so many centuries, for a few of mankind to stand perfectly steady in their Increasing Strength and Expanding Light; until We could raise them to the point where We could clothe them with Our Cosmic Fire, Which would make them Invincible in the midst of anything in This World. We are trying to do That for you all. (Applause) Because of the Service you have rendered thus far, the Great Cosmic Law is permitting many many things to be done for your Blessing, which otherwise could never come! So, as you think of Forgiveness in the future, will you always remember It as Replacement of that which is of human creation, by the Perfection of the Divine.

The Forgiveness under the Action of the Cosmic Law to which We refer, is the Giving of God's Perfection and the Power released, to remove the human limitation. Forgiveness is giving something for something else; and when We give the Cosmic Fire from Our Octave, into your use, It is the Power you are to use, to sweep aside the human; and consume it, that Divine Perfection may come forth and bless you in the Fulfillment of the Divine Plan. So Forgiveness is not a sentimental thing. It is a very tangible, practical Reality. It is a very Definite Positive Use of the Cosmic Fire from Our Octave, to dissolve and consume all discord in yourselves! It is a Cosmic Power and Gift of Love alone.

So, in the Use of These Greater Powers which We are offering to you from Our Great Octave of Life, because of the National crisis and emergency in America, We want you to feel this with very much greater Power. Then, when you send forth your Decrees or conditions come to your attention which need to be changed, you will know the Decree as it is sent forth, becomes clothed by your call in Our Cosmic Fire, to go into the condition and be the Power which re-

moves the human and consumes it; then replace it by the Perfection from Our Octave, which is to become Eternal in This World.

As you call forth My Cosmic Control of any condition in This World, by the Sacred Fire over which "I AM" the Ruler, you will be greatly delighted with the speed with which conditions in the outer world, that have limited and tortured you in the past, will change at your command. We want you to have the Joy and the Feeling of the Greater Mastery, which will come to you as you DEMAND My Cosmic Control come into the world about you; and BE the Action of My Authority, to which everything in This Whole System bows.

There is no opposition to Me, when I blaze That Sacred Fire, It burns away everything else. When you call forth My Cosmic Control, it means you release the Force of the Cosmic Fire, which governs This Whole System. My Cosmic Control holds the Whole System in Its Orbit around the Central Sun. It holds every Planet in This System in Its Orbit around the Physical Sun. That is the Control of the Fire Element to which I direct your attention. Therefore, "I AM" not speaking of some minor power; or something ephemeral; or something that is here one minute, and gone the next.

The Cosmic Fire which created and sustains This Whole System of Worlds, is the Sacred Fire's Cosmic Control Which maintains Divine Order and Purity in That Great Divine Plan of which It is a part. Since you are part of the Activities of This World, then That Cosmic Fire is your Master also; and the Cosmic Control which "I AM" to all Life in This System of Worlds, can be drawn into your own individual use and direction by your own conscious call. Then you will know what it means, when you contemplate the Beloved Master Jesus' Words: "Be of good cheer, I have overcome the world."

I want you to FEEL tonight, that the Law of Forgiveness and the Law of Cosmic Control, drawn into physical conditions, are the Activity of the Sacred Fire, the Cosmic Fire, which will consume everything that has been the resistance of the human; and caused the delay in your worlds, in the answering of your Decrees. After you have given your "I AM" Decrees, call forth the Cosmic Fire of My Cosmic Control. This will charge into those Decrees, the Sacred Fire that controls everything in This Whole System. It will compel more Instantaneous Action. Then the delay which heretofore has seemed to be an element of time, in the answering of your calls, will more rapidly disappear.

It is necessary that you use this immediately, in order to more quickly bring Greater Help to the Nation in the crisis which you are facing. We cannot protect that which is destructive. We cannot protect any quality that is of the sinister force. Therefore, as you call the Sacred Fire of Our Forgiveness into a condition, We blaze the Flame which gives you the Power to sweep the wrong aside; and let the Flame take its place, out of which comes the Manifestation of the Perfection that fulfills the Divine Plan. Whether That Perfection be a physical thing in your physical world; or whether it be an idea; or the energy of your feeling; or anything you ask to manifest in the physical world, matters not. All has come forth from the Sacred Fire! All must be purified and perfected by the Sacred Fire! All must be protected by the Sacred Fire, if it is to be sustained in the future and fulfill the Divine Plan.

I assure you, Precious Ones, the Divine Plan does not contain the gratification of your human desires. If they be of the body, then they will torture the body! If they be of the mind, they will torture the mind! If they be of your affairs, they will torture your affairs, and limit you with failure. We cannot use the Cosmic Fire to protect any destructive thing.

Therefore, as you call forth My Forgiveness, Love and Mercy of the Cosmic Fire into the physical octave, you become charged with My Determination and Feeling. The decision within you, to call forth This Cosmic Fire sweeps aside the limitation; and replaces it with the Perfection that keeps you Eternally Happy.

These Gifts, which We are giving by turning your attention to these various Activities of the Cosmic Fire, are the Powers of Our Greater Life, Which We are offering to you, to save you in This World; and none in the Universe can take them from you, if you want them! (Applause) Therefore, when I have offered you the Great Cosmic Flame of My Cosmic Control in This System of Worlds, know that if you call My Control into the physical octave, I will control it. I can assure you of That! I can prove to you, what the Instantaneous Answers to your calls will be. This is the Cosmic Fire Which is necessary to overcome what you call time and space. It brings the Instantaneous Action that enables you to have help quickly enough, to keep the plans of the destructive forces from being fulfilled.

I would appreciate it greatly, if you would call My Cosmic Control into the brain and body of every human being in Congress at once, and all in your government. Then We will see whether the renegades of destruction have any authority or not, but We need your Call. If you want Perfected Conditions in your World, you must call the Authority of Perfection into the physical octave. You must call the Cosmic Fire into action to produce Our Perfection, whether it be for the consuming of that which is wrong or the building and out-picturing and expansion of that which is Right.

The Great Cosmic Law to which I have called your attention, is no figment of anyone's imagination; and it certainly isn't a concoction of the mind of the Messenger. "I AM" pointing you to the One Supreme Power of Mastery

in the Universe, out of Which comes All Intelligence, All Love, All Power, All Substance, All Energy of Life, to produce in the Universe about you, the Manifestations which glorify the Source of Life—the “Beloved Mighty I AM Presence” in the Great Central Sun. All Manifestation should glorify Its Source, instead of being a chain and a limitation to the outer physical self.

The sense consciousness, My Dear Ones, has tortured you for centuries; and if I were you, I would charge my outer self with the Cosmic Control of Myself (Mighty Helios) and let us see what I can do for you. Haven't you tried to control yourselves a long while, and have you been too successful? Not enough to gain your Ascension, or you wouldn't be here. How often have you intellectually decided to exercise more control over the outer self, so you wouldn't do the things that you know are wrong? Then, how often has that decision been swept aside and the feelings rushed forward; and you go right on doing the same old things that are wrong? How many times has that happened to you do you think down thru the centuries? I wouldn't like to contemplate it! Since the control of the energy of the outer self has not been enough to keep it purified long enough for you to attain the Ascension, then I would think you need My Cosmic Control in your Physical World! (Applause) Thank you, Precious Ones.

Very often you have charged yourselves with Self-control and sometimes by force of will, have governed the situation temporarily. Then again, you have lost that Governing Power! I guarantee you from tonight, if you call My Cosmic Control into yourselves and into your affairs, It will become permanent; because when My Cosmic Control acts in the physical world or in an individual, the Sacred Fire comes from Our Octave to abide there forever, to raise all into the HEART of the Sacred Fire! Then will you have the Peace for which

you have waited for centuries. Then will you abide within That Cosmic Flame which enfolds you. Even though the Heavens fall and the ground dissolves under your feet, you will abide within My Control which takes care of you. Is that not important? (Applause)

So it will be an easy matter, Precious Ones, to call forth My Fiery Forgiveness into the physical world, to obliterate human creation; and clear the way for the Perfection of the Divine Plan to be fulfilled, which your "Beloved I AM Presence" is ever awaiting an opportunity to release, into your outer use to bless you with Eternal Happiness.

The Use of These Greater Powers of your own Life Streams, your "Mighty I AM Presence" is waiting to bring into outer activity, when your outer self is controlled by the Cosmic Fire which We direct. Then it will be safe to release These Greater Powers of Life's Perfection Which are Natural, and Eternal. They can only bless you and enable you to bless others, always thru the Use of the Sacred Cosmic Fire.

Mankind has not understood what the Cosmic Fire, the Sacred Fire, meant thru the ages, and hence the people have remained in their limitations. Those of you to whom We are bringing This Knowledge, can comprehend It and use This Cosmic Fire, not only to help set yourselves Free; but you can use It now for the Freedom of your Nation. DEMAND that mankind be COMPELLED to understand It, for they can never be Free until they do! With all that has been said thru the centuries, mankind is still as ignorant of what the Cosmic Fire means, as a child. Therefore, tonight it is very important to you, that I remind you to call into yourselves and into outer conditions everywhere, My Cosmic Fire of Forgiveness, Love and Mercy—in and around yourselves. DEMAND My Cosmic Control of everything in your Beings and Worlds, so your Perfection may be Eternal. You can

build a momentum to assist the Nation tonight. It can increase to the point where It becomes the Strength and the Protection around Constructive Forces and individuals within your Land, to enable them to go forward to Victory.

We have given you each night, some Special Quality or Power and have called your attention to the Use of It. As you receive More Control of the conditions in the physical world, which are limiting the activities of your daily Life, you will need to use My Cosmic Control of the Sacred Cosmic Fire. It will flood into you, surround you, and strengthen all that is Constructive within you. Then as you want to control the energy of the emotional body, the Sacred Fire of Our Purity enfolding you, will govern that energy and keep it where it belongs. Thus you return it to the "I AM Presence," to create the Perfection which fulfills the Divine Plan, and thus sets you Free.

You cannot use energy idly! Every ounce of energy you use knowingly or unknowingly, consciously or unconsciously, willingly or unwillingly—every ounce will return to you with the quality with which you have charged it. If you have sent it forth charged with a certain rate of vibration, it will connect with every bit of energy which is charged with that same rate of vibration, and will come right back to you.

Call forth the Sacred Cosmic Fire from Our Octave! As you charge the energy of your mental and feeling world or the atmosphere about you, with Our Control by Our Cosmic Fire, that vibration goes forth into the atmosphere about you. As you say in electrical or radio parlance, Our Sacred Fire cancels out everything unlike Itself, wherever It travels. When you call It forth into outer use, It swings into the world around you to consume or cancel out those vibrations which are discordant. The Cosmic Fire will return to you with Its Blessings. It will be a Direct Messenger to go forth into destructive conditions and blast destructive vibratory action.

Then It will return to you for use again. It is Eternal! It is Ever-expanding, because It is the Causeless Cause of Eternal Sacred Fire. It is Self-sustained, Ever-expanding Perfection, Happiness and Manifestation without limit, everywhere for Eternity.

Therefore, I plead with you to remember the Use of this Activity of the Sacred Fire, which We have given you, every night! I know of nothing that will bless you any more than to consciously call forth into your outer affairs and into yourselves—into persons, places, conditions and things, Our Cosmic Control of everything that contacts you. Then the Sacred Fire of Our Forgiveness, Love and Mercy—Our Cosmic Control of conditions in and around you, will come about by the Release of This Cosmic Fire, which none on Earth can change or defy.

That Cosmic Fire will consume everything unlike Itself. Therefore, you will have the Purity which is necessary! You will have the Strength which is necessary! Then, your “Mighty I AM Presence” can give you the Greater Powers of your Higher Mental Bodies, to use in your physical affairs to do the things the World calls Miracles. This is of Powerful Assistance in healing! When you call forth My Cosmic Control of the Sacred Fire, to produce Instantaneous Healing in yourself or others, the Violet Flame is set into action, with whatever Intensity is necessary to control the condition. That Violet Flame is the Purity which COMPELS Perfection.

Oh Beloved Ones, please use, and use, and use This Which “I AM” giving you tonight. Use the Fire of Our Forgiveness, Mercy and Love in yourselves, to replace everything that keeps you disturbed, when the Great God Presence, your “Mighty I AM Presence” wants you to be at Peace. We want you to be at Peace; and because human creation exists in the outer world and has disturbed you for centuries, is no excuse for letting it go on. You call My Cosmic Control

of the Cosmic Fire into those conditions, and I will control them. (Applause) Thank you, Precious Ones. You have let the sinister force control the energy and conditions of the outer world, until it has imposed these limitations upon you. Now then turn to Us, and call forth Our Fiery Truth in Its Cosmic Victory, into your physical conditions and see whether I act or not! See whether "I AM" a Merciful Being or not. I can produce Results. If I should choose to teach someone a lesson, I could control the atmosphere about that one; or I could shock him out of his seat; and We shall see whether the human is going to go on longer, with its dishonor to God.

You call forth My Cosmic Control, and the human will cease its torture of you! Call forth the Fire of My Forgiveness, Mercy and Love and see whether My Fire will push aside the human, until it can be consumed! You need this, My Dear Ones, and once you begin to feel the Thrill, the Joy and the Mastery of Its Use in your daily affairs, you will go forward almost on Wings of Light, with the Release of a Power which will delight you forever, and bless every particle of Life you contact.

So "I AM" not offering you a temporary Gift. "I AM" offering you an Eternal Power of Life! Whose Life? My Life to This Whole System of Worlds. That Life is the Life from the "Mighty I AM Presence" in the Great Central Sun, with which your own "Beloved I AM Presence" is ONE. "I AM" offering your outer self My Life and the FIRE of My Life in the outer, to enable your own "Beloved I AM Presence" to expand the Fire of Its Own Life in you; until the two become ONE, and when they are ONE, your human limitations are thru. It is well worth every effort you can ever make, to remember to call My Cosmic Control into your physical world, even in the tiniest condition, with which you are concerned in your daily activities. Let This Flame become ever active

within and around you, until It repels and consumes all that is destructive. Then you abide in the Divine Home of That Sacred Fire Which is given to you from the Great Central Sun. You may move within It for Eternity and expand Perfection to your Heart's content; to bring Joy, Freedom and Illumination everywhere you go in the Universe! When you use It in Cosmic Action, you become a Ruler of Systems of Worlds.

If you want the Fire of My Cosmic Control, ask for It! Too long has mankind been told thru the centuries: "Call unto Me and I will answer thee! Knock and It shall be opened unto thee! Thou shalt decree a thing and It shall be established unto thee." Why think you has That Reminder been given to Life—to mankind, century after century, if It were not the Law? Anyone who makes the effort to give this obedience and issue those commands, will have Proof of the Law in Action.

So from tonight, Beloved Ones, call forth the Fire of My Forgiveness, Mercy and Love and the Fire of My Cosmic Control, and let your world be the World of the Perfection of Our Cosmic Fire! Then as Its Radiation comes forth to the Life about you, It will strengthen everything Constructive, and consume or repel everything that is not. It is a Scepter of Power second to none! When you call forth the Fiery Cosmic Control from My Heart's Flame and you DEMAND It fill all your physical octave, don't be surprised if changes take place; but they will be changes that can only bring happiness to you.

If you will call this forth in the Authority of your own Life, your "Beloved I AM Presence," and remember that My Fiery Cosmic Control is acting in all your physical world with which you are concerned, then there comes from Our Octave into yours, more and more of Our Cosmic Fire. This time It will remain permanently. You will perfect one place after

another and the Perfection of the centuries, will be sustained for all time to come.

Therefore, it is a very Wonderful Gift which I offer, and the Most Practical Thing, you could ever use. So as We enter into the Preparation for tomorrow, let Us call forth the Fiery Cosmic Control of everything with which you are concerned. Call It into all your physical affairs; into everything in the physical octave; into everything in your physical government; into all physical conditions of mind, body and affairs; and know wherever you move, My Flame of Cosmic Control enfolds you; and governs conditions about you, until they become the Perfection expressed. Then you honor your God; free your fellow man; perfect your Nation, and hold the Freedom which is the Destiny of all Life here in permanent control!

In the Great Love which provides these Magnificent Activities of Life, do I clothe you tonight; to make This Help clear to your consciousness; to keep It before your memory; and to help you use It in your outer conditions, until they are brought to Perfection. This gives you the Greater Freedom, by Which you may go forward, and bring the Victory of Light everywhere. Then in the Service of your Beloved Saint Germain, will your Joy know no bounds; and all the Greater Powers of your Life Streams, can be released into your outer use safely, this time permanently. Never again will you pass thru the disappointment of losing a Power you once used.

Let Me show you tonight, the Cosmic Control which Our Sacred Fire has offered to everything in Creation. In the Love, Forgiveness, and Mercy of the Cosmic Fire which I direct, may you enter into the Use of this Divine Blessing. It will surely bring Heaven on Earth as you make the Call! Then will you find My Cosmic Control of the conditions of This World, is no figment of anyone's imagination. You will

have entered into the Treasure-house of the Universe and the Use of Its Boundless Powers. It holds all your Heart can ever desire to produce Perfection. In the Great Joy of Its Ever-expanding Glory, will you sing with the Angelic Host and be grateful for your Freedom. Your Freedom cannot come except by the Cosmic Control in the Sacred Fire. Your own "Mighty I AM Presence" is That Control! Every Ascended Being is That Control; and because I use Cosmic Control of This Whole System of Worlds, Its Momentum is terrific! Its Power Infinite! Its Manifestations can become Eternal at your Command!

I commend you to the Greatest Happiness you have ever known, in the Use of This Cosmic Control which sets you Free, and all mankind too! Then when you say: "My 'Beloved I AM Presence'" will you know that Its Cosmic Control from Our Octave of Life, moves before you and prepares your way! Thus in the Pathway of Light, will you go forward to the Fulfillment of your every Heart's Desire; and the Joy of Eternity is yours to expand without limit to bless others! May you go forward and forever abide in the Great Cosmic Fire of My Cosmic Control and know All that Its Love can do for you!

Thank you and good night.
