

## BELOVED MIGHTY HELIOS' DISCOURSE

SANTA FE, NEW MEXICO

APRIL 29, 1951

No. 8

Series of 15

BELOVED ONES of the Cosmic Fire, again We enter into a deeper and closer association with you in the physical octave, so there may come the more rapid intensifying of the Cosmic Fire to the Earth; for That is the only way and means by which the correction of conditions here can come about permanently.

I want you to feel today, as you have called forth more of the Cosmic Fire to instantly fulfill your calls, that Our Cosmic Fire will answer you. I shall direct It! I shall so command It! I shall so continue Its Expansion! Know with every fiber of your Being, that every call you have made to your "Beloved I AM Presence" must manifest in the physical world, the Outpicturing of the Perfection for which you have called; and the correction of certain conditions here, which should never be allowed to exist.

Now we enter into the Feeling of COMPLETE ONENESS in the Cosmic Fire of My Heart. I want you to feel this COMPLETE ONENESS when you make the call for the Fiery Love of My Heart, to come into physical conditions. I want you to be able to see, feel and watch My Love act with no uncertainty! You don't know what is in My Heart! In fact, you do not know what is in the Heart of anyone; because the Heart of every Life Stream is the Unfed Flame! None unascended, understand completely what is within the Unfed Flame!

So We are going to become more and more conscious of that which is within the Unfed Flame; first of all, in My Heart thru the Fiery Love of My Life, which I give to This

Whole System of Worlds. If you want to know what is in My Heart, then call; and you shall be taught by your ONENESS WITH MY FIERY LOVE, what it means to enter into the Unfed Flame and feel and use Its Authority in the physical conditions of your World; to bring Perfection more quickly; and to cut you Free from that which has tortured and limited you thru the ages.

Know with every fiber of your Being, that the Fiery Love of My Heart, interpenetrates all in This System. All that composes This System of Worlds is held within the the Great Cosmic Fire of My Heart's Love! It is an Actual Concentration of the Sacred Fire from the Great Central Sun, Which forms the Atmosphere in Which This Whole System of Worlds exists; and moves forward on Its appointed Destiny in Its Orbit around the Great Central Sun. So when you ask Me to reveal to you, what is within the Fiery Love of My Heart, I shall show you! From time to time, will there come within you, OUR FULL CONSCIOUS AWARENESS OF ALL THE SACRED FIRE MEANS TO YOU! Then as you call It into outer physical conditions, will you be able to watch those conditions change; until you will feel and know with every fiber of your Beings, Its Magnificent Power, and Its Eternal Authority and COMPLETE Perfection everywhere.

Great is the Wonderful Design of Life, in conferring upon all mankind the Unfed Flame from the Great Central Sun, Which is the Focus of the Life Stream within each physical body! Within That Unfed Flame, there is all of Our Activity of Perfection, you could ever use in outer action. Within the Surrounding Fire of My Heart's Love, which enfolds every Unfed Flame, there abides the Health, the Magnetic Power of the Great Central Sun Magnet, which draws upon each individual's own Heart Flame, and enables It to expand in the Greater Flame of My Love. Every Unfed Flame one day becomes a Dazzling Sun Whose Authority and Power to produce Perfect Creation, goes forward in Cosmic Action:

until Life expresses the Fulfillment of Its Ever-expanding Divine Plan.

I want you to feel, that you can at any moment, by turning your attention to Me, come within the Fiery Love of My Heart's Flame; and if you will still the outer, your own Heart—the Unfed Flame of Life within you, will draw into your outer conditions, the Greater Assistance Which you require at this time. As you become aware of That Unfed Flame and retire at any moment within the Fiery Love of My Heart, you will receive whatever is necessary of the Cosmic Fire, to make you Master over conditions in the physical world. You have but to come to Me, and call forth the Power and Authority which “I AM”; and blaze My Fiery Love without limit into your outer affairs. Then It flows thru you into conditions, that need purifying and correcting.

Great is the Wonderful Mercy of Life! Great is Its Magnificent Plan of Perfection! You can scarcely begin to realize just how Merciful It is, until you begin to come Deep Deep within the Unfed Flame, both from the Heart of your Higher Mental Body and from My Heart, which means the Heart of This System of Worlds.

The Power of the Sacred Fire to produce Perfection and to remove imperfection, is without any limit whatsoever; and as you use It more and more; and become aware of Its Magic Powers to produce in This World, the Perfection which ought to be here, will your Hearts leap with Joy, as you enter into a more concentrated Use of These Great Divine Gifts of Life. Mankind is so ignorant in the outer world, of These Great Inner Laws of the Cosmic Fire, of These Great Inner Powers of the Mighty God-Love and Life of the Universe! People are so ignorant of the Cosmic Power of the Sacred Fire, Which ever stands awaiting their use. They can only know and understand It by using It, in the physical world before their Ascension; because at the moment of the Ascension, they become THAT FLAME IN ACTION in the Finer Substance

of Our Octave.

Mankind can only know and understand These Greater Powers of the Universe, by calling them into action in the physical world; into conditions that need purifying and perfecting. By the constant Use of This Cosmic Fire, each one's world becomes purified. Then you become aware of the Authority and Power which each Life Stream has, to produce Perfection in This World; or to help free itself from the conditions in which it has been enmeshed for centuries.

Ignorance of the Law, My Dear Ones, both the Divine Cosmic Law of the Sacred Fire; and ignorance of Its Action in the physical world, is the cause of all mankind's enslavement to destructive forces. Because mankind is ignorant of Its Cosmic Authority Which should be ruling thru every individual, people remain enslaved to the human desires and destructive activities of the sinister force in this world; when by enough use and enough attention to the "Beloved I AM Presence" and to Us, This Cosmic Fire could come in, thru and around every Life Stream, to much more quickly consume the human; and set it Free from the connection with the mass discord in which the rest of mankind abides.

The mass of mankind for so long, has been amused by their own physical pleasures! They have played with the human feelings and the physical senses so long, that the energy of their own mental and feeling world—the energy of each physical body has become qualified with their contemplation of the physical sense entertainment to the point, where those creations have enslaved them to their own ignorance. Unless they receive Enlightenment, unless they consciously call forth the Sacred Fire, to burn them Free from the mass accumulation of discordantly used energy in this world, they would stay here indefinitely. It is only because of the Great Mercy of Life, in Our Great Love Which We pour forth to all Life, that there comes the Light of Illumination by one Wave of the Cosmic Fire after another;

until there is the Magnetic Pull upon the attention, to reach up to something else, beside the sense entertainment of the physical body.

Every limitation in This World, every limitation in every one's Life Stream is due to some thought or feeling concerning the physical body. Therefore, all enslavement of mankind is due to the energy, which has been radiated from the Unfed Flame consciously qualified by the outer self, with the discord and the imperfection in which it chooses to abide; instead of coming back into the Unfed Flame, and entering into the Full Authority and Power of Its Eternal Purity; because the only energy mankind can requalify with the impurity and limitation of the physical senses, is the radiation from the Unfed Flame, for they can never requalify the Unfed Flame Itself! No impurity can enter there!

So it is by mankind's misuse of the Gifts of the Unfed Flame, that their physical senses have been gratified to their enslavement and dishonor to God; for every ounce of energy on This Earth, which has ever been qualified with anything less than the Love, Purity and Perfection of the Physical Sun and the Great Central Sun, has dishonored God. All physical entertainment of the sense consciousness, which does not produce Perfection to glorify the Great Life of the Universe, is dishonor to God. The only thing that can purify mankind from those desires, from those feelings and from their creation of the past, is the Conscious Call to the "Mighty I AM Presence," for the Use of the Sacred Fire, Which brings God's Purity where human creation has been brought forth.

So, when I invite you to come into the Fire of My Love, the Authority of My Heart, and abide in My Cosmic Control by That Sacred Fire and Love to everything in This System of Worlds, I have invited you to come into the Power-house of Ascended Master Perfection. Its Authority you may yet use in the physical octave while yet unascended, to correct

conditions here which is your obligation to Life! Why is that so? Because if you have misqualified the Radiation from your own Heart's Flame, thru the misuse of Its Energy, then that energy will return to you again and again and again as problems; as any condition in which your physical body has to move, until you take that energy, purify it and requalify it with the Eternal Perfection of the Unfed Flame; because the Unfed Flame expands That Radiation. If you were to hold It steady with Its Own Eternal Perfection, the Flame Itself would reach out, and the Radiation would become the Flame. Then That Greater Flame would again expand Its Radiation. That is Its Natural Expanding Power of Perfection from the Great Central Sun.

Into the midst of a world of chaos, in which even the Powers of Nature are rebelling against mankind's filth, discord and frightful dishonor to God, We come from the Heights of Cosmic Fire into a world of darkness and chaos, bringing the Cosmic Fire Which consumes the impurity. Therefore, you who understand the Law of your "Beloved I AM Presence," or by conscious determination of your own Free Will, turn away from these conditions of the physical world, come within the Heart Flame of your own "Beloved Mighty I AM Presence." When you ask that the outer self be sealed within My Fiery Love and Cosmic Control of all in This System of Worlds—you will find the Sacred Fire of My Love, does come in and around you; and does control the Powers of Nature and conditions in which you move, in a way you cannot control otherwise.

"I AM" offering you Power this afternoon without limit, which as yet you do not understand; but which you shall understand, as you use It and accept the Love I offer. The World is taking its Initiation in Love and Love must become alive in all energy in This World. The Love of which I speak is the Fiery Love of My Immortal Purity to This Whole System! This "I AM" offering you today, so your world may be puri-

fied; and you may receive the Boundless Supply Love alone can give. May you go forward Free, as your Beloved Saint Germain has commanded. (Applause—audience rising) Thank you, Precious Ones, won't you be seated please?

“I AM” revealing to you something that you need to know. Your Beloved Saint Germain has called directly to Me, for the Release of more of the Cosmic Fire into your Nation, that you may more quickly enter into Our Freedom and Use of the Greater Powers necessary, to save Your Country and shut off the frightful things planned against you. In that Love which He bears to you and has poured to you thru the centuries, there has been the constant call for your Freedom; and your rising out of connection with the enslavement of the rest of mankind. Therefore, He has honored Your Country, with the Gift of His Life Which He gave to the Early Patriots in the beginning; because He gave those Patriots, the Courage and Strength of His Own Heart's Flame, to go forth and dare to bring forth a Country Which was offered the Right to Love God and the Freedom to live as God intends. (Applause—audience rising) Thank you, Precious Ones, won't you be seated please?

Since destructive forces hate the Light which reveals their plans and their intent to destroy mankind, then there must come into your Nation, thru the Conscious Call of some of your people, the DEMAND upon the Cosmic Law thru your “Beloved Mighty I AM Presence.” Those who are assisting you, release the Cosmic Fire, which not only reveals what is intended against you, but is the Cosmic Authority of All Creation, to consume all that has enslaved you so long. Therefore, it is necessary I explain this to you today, because the Call for the Fiery Love of My Heart, into that which is the Heart of the World, must come from the Heart of Life Itself on This Planet! Since America is the Heart of the World, and corresponds to the same thing as the Heart in the physical body, then the Call for the Fiery Love of My

Heart to go into the Heart of the World, must go forth to make That Fiery Love expand, dissolve and consume the conditions which have polluted the very atmosphere of Earth. That Call must come! Therefore, We are waiting for the Call and are ready to answer all of you who will continually send That Call forth, in the Name of your Nation! Then the Flame of God's Light and Freedom in the Heart of the World, will be allowed to expand; until It controls all things within your borders, which have otherwise sought to destroy you completely.

Every destructive force in every other Nation of the World hates you! The Fire of My Love and Authority of My Life, Which are the Control of the Cosmic Fire to This Whole System of Worlds, must be intensified into your Nation, by Your Call—by your own Free Will. The Cosmic Fire must blaze here, Which prevents destructive forces gaining their ends; and unless That Cosmic Fire is drawn into the physical octave, there will be no hope for you.

When I offer the Fiery Love of My Heart to every one of you, who chooses to retire within It from time to time, it is because the need of the Nation and the World, far transcends the need of the individual. Therefore, the Cosmic Law is allowing Much to be done for each of you individually, Which could never be permitted otherwise, except for the crisis your Nation faces this hour. When you have only a few men like your Beloved General MacArthur and Others who are standing with him, to see as God sees, the Destiny of the Nation, all must see and know and tell the public, that war will not solve anything. If they don't stop it, then it will engulf the world. You must know, that God thru the Courage of a man like General MacArthur, is speaking the Truth at this time; to fire the people awake, so This Flame may expand within your borders and save you.

Therefore, you are the Saviours of your Nation, if you will remember to go into the Fiery Love of My Heart, and

COMMAND what is in My Heart to save your Nation! Who of you can tell Me What is in My Heart for your Nation? Only by calling forth This Cosmic Fire within your borders, will you be made aware of What IS the Eternal and Divine Plan fulfilled for your Nation; and what is the Way and Means of bringing That about. The unascended mankind on the Earth do not know what is in My Love Flame for you; but you may find out, if you give Me your attention, and use My Fiery Love in your physical conditions; until It reveals to you What is within It! "I AM" not talking in riddles!

Let the Fiery Love of My Heart be a Garment about you, until It becomes Visible and Tangible to the physical senses of mankind. Let It go forth within your government, and into the individuals who are trying to stand for the Protection of God's Freedom to the Earth! Let It become for them an Armor of Living Flame; and you shall see destructive forces die and their plans collapse forever! There is no other way!

Mankind's reasoning faculties have told them repeatedly thru the ages, that war is the failure of Life; and yet their feelings have gone on determined to create more war! Now Our Feeling comes into the lower physical atmosphere of Earth, if you will call It forth. With your Call for the Fiery Love of My Heart's Flame, to come into your physical world, It shall come; and as your Beloved Master Jesus said: "Ask the 'Beloved I AM Presence' Anything you will, and that 'Mighty I AM Presence' will give It to you!" "I AM" saying the Same Thing today. Ask What ye will to save your Nation by the Fiery Love of My Heart, and I will show you What is within My Heart. I will show you what It can do for the Heart of the World—what nothing else can do in the Service of your Blessed Master Saint Germain; in the Service of your Mighty Master Jesus! Ask to know What is in My Heart; and I will tell you thru your own experiences inside of you, thru the Flame. From the Unfed Flame, as It expands thru you, will there come the Illumination, Full Conscious Awareness

and Use of These Greater Powers to Which you are heirs. These are your Divine Birthright, and They are the Natural Way of Living Life!

You call the Fiery Love of My Heart into every condition you contact; and see for yourselves whether the Power of Transmutation is a figment of anyone's imagination. When you place physical fire into paper or you let it touch something in the physical world, it produces a certain effect, doesn't it? Well, so does My Cosmic Fire! When the Fire of My Love, which is an Actual Living Flame, touches the substance or the energy in a condition which is wrong, That Flame sets to work to consume the wrong. In its place there flows forth the Perfect Manifestation which renders Service to the Universe, fulfills the Divine Plan, and produces only Happiness Which is Eternal!

So My Loved Ones, when the Unlimited Powers of Life in Our Octave, ever stand awaiting your use in the physical world, I say USE! AND USE! AND USE! the Fiery Love of My Heart in all your physical conditions, before you start to do any physical thing; and see for yourselves whether I will help you build Perfection or not! I do not want you enslaved longer to the limitations of the physical octave, when the Fire of My Love will supply you, and set you Free, as you have never experienced in the past.

One day, you too must become a Sun of that same Great Fiery Love which "I AM" to This System of Worlds! That is the Cosmic Destiny to Which Life calls you! That is the Height of Attainment to which you must reach. Life's Law is Ever Expanding Perfection! Therefore, if you will come into My Love and feel the Great Natural Expanding Fiery Love of the Authority of This Whole System, you will no longer have struggle and limitation. You will arise on the Wings of Light, clothed in the Cosmic Fire, Which takes you forward in the Mastery of Perfection! If you do not come Our Way, then you go the other way, for there is no such

thing as standing still! You either continue to rise, calling the Great Expanding Cosmic Fire of Love to bless the Universe around you, and go forward in Cosmic Creation without limit; or you turn your back upon That, and go into the degradation and enslavement of your physical bodies, to destructive forces!

But for the Love of your Beloved Saint Germain and for the Love of the Mighty Sanat Kumara; but for the Love and Service of your Beloved Blessed Divine Director and Others of the Ascended Host, Who have called your Life Streams again, again and again into the Fiery Love of Our Octave; you would all have gone to annihilation long ago! Love alone has brought you to where you are today! Love alone has taken you out of the conditions which enmesh the rest of mankind! Love alone from the Mighty Sanat Kumara two and a half million years ago, enfolded you in the Fiery Flame of His Love; and His Love alone kept you from going the pathway of that with which you were then experimenting.

I, Who guard This System, I Who supply My Love to This Whole System of Worlds, I Who have offered the Fiery Love of My Life to be the Light of your physical Earth, AM offering you your Home in the Fiery Love of My Heart! I have offered you the Opportunity to enter in, and receive Its Illumination and Understanding from within your own selves; by your own Use of My Sacred Fire in your physical affairs, to prove to you the Law, the Truth and the Power Which "I AM" offering. Therefore, We expect each of you, by your Use now of My Fiery Love, Authority and Control of This Whole System of Worlds, to be an Open Door and by Conscious Command, call this into your outer daily use. Then the Unfed Flame from the Physical Sun, may continue Its Expansion in the Heart of the World; to guard the Heart of the World; until the rest of the Body of Earth is purified and healed; and once again can be made Self-luminous and taken forward to Its Destiny as a Sun.

Unless you use This Fiery Love from your "Beloved I AM Presence" and from Our Octave, the only other place you can go in the Universe, is to annihilation. You have your choice today! You either enter into the Fiery Love of My Heart, have your Freedom and become the Saviours of your Nation and the World; or you go with the destructive forces into annihilation. Make your choice! Not indefinitely does the Cosmic Law permit mankind's constant misuse of forces of Life in This World. The hour of decision is at hand, and you either come to Our Perfection, or if you turn your backs upon It, you go the way of the sinister force, which is annihilation. There is no other existence to Life! Life either gives obedience to the Cosmic Law of Its Expanding Perfection, or Life is withdrawn from the physical forms that will not use It correctly.

Infinite has been the Patience of the Great Cosmic Law, in allowing mankind Free Will to do as individuals please; or may I say mis-do with the energy of the Universe and the Gifts of Life and produce the destruction they have in This World as it exists today. The frightful dishonor to the Source which gives everything, by mankind's continual discordant use of energy, is soon to come to an end! Individuals who will not face This Great Love to Life to Which We call you, wherein abides only Eternal Happiness, Freedom and Boundless Perfection—individuals who will not come Our Way at this time, must face the frightful suffering of their own creation; and because they are unawakened and unlearned concerning the Law, their suffering will be terrible! It does not need to be, if enough will call the Fiery Love of My Heart—the Heart of This System of Worlds, concentrated into Your Country—into your minds and bodies, into your physical affairs, to produce Perfection Which Love alone can give. What does Love produce except Happiness and Perfection? What would I give to This World, but Greater

Glory, in the Use of My Love Which is Wholly Divine? What could I give to Your World but Perfection?

Therefore, when I offer you My Heart, It is My Life and Its Love is Almighty Authority everywhere thruout Creation forever! If you will turn away from the human authority and human desires of the physical world, you will enter into Glory Indescribable, in the Use of the Sacred Fire from the Heart of Creation; Which ever expands Its Blessing and gives Its Miracle Powers to those who will abide within It, and Love Its Law to the Fulfillment of the Great Divine Plan.

It should be no struggle, My Dear Ones, to turn your back upon human desires when We are offering you Glory and Happiness; the Freedom, Perfection and Beauty beyond limit; Joy Indescribable and Ever-expanding Perfection! We offer you the Fulness of ALL THAT IS WONDERFUL and worth everything of your outer effort to attain It. We offer you everything that is Joyous, Free, Beautiful and Magnificent in the Great Master Powers of Life to produce Perfection; and what can the senses offer you in comparison to that? What can mankind and all the forces of the outer world put together, offer you in comparison to the Love of My Heart? What can they give you compared to the Glory, Beauty and the Love of the Physical Sun?

It is Self-evident the Law will not wait forever for mankind to make up their minds. Soon the Cosmic Law will take a hand, and BE the decision for every Life Stream; but those who of their own Free Will turn Godward at this time, will abide in the Glory and Happiness of the Fiery Love of Its Master Powers and produce Perfection forever, wherever you go in the Universe! You will be able to correct conditions in This World, by This Very Master Authority and Power of the Sacred Fire! You who turn Godward and receive Our Love at this time, can go forward living a charmed existence of which your Blessed Messenger speaks often.

Thru the Fiery Love of My Heart, will Heaven be made manifest on Earth, and that which will not come Heavenward, must one day cease to exist.

Our Way is the offer of everything that is of Love, Beauty, Perfection and Eternal Happiness! The other way, is annihilation, due to the degradation of dishonor to God. There is no middle ground! If you choose to longer experiment with the entertainment of the senses, and the degradation to which they take you, then that is your end! If you come within the Love of My Heart, you will be the Ever-expanding Glory of the Universe.

You may feel Me just as close as you want to! When you say to your "Beloved I AM Presence": MAKE ME FEEL THE INTENSE COSMIC POWER OF MIGHTY HELIOS' FIERY LOVE, your "I AM Presence" will call to Me; and together shall the Two Flames—one from within you, given by your Presence, and That Which enfolds you given from My Heart, make you know the Glory Which "I AM." Then will you know what the Messenger meant when He said: "'I AM' THE PRESENCE THAT GLORIFIES YOU"! If you ask, that My Fiery Love in you, glorify you to the Great Freedom and Victory of your "Beloved I AM Presence" in the Fulfillment of your Destiny, the Great Divine Plan and Its Ever-expanding Blessings, I will Glorify you! I will Glorify your world! I will Glorify all you hold near and dear, by That Love and Glory which only the Cosmic Fire can create, maintain or expand. The only Presence which can give you That Glory, is the Sacred Fire of Our Love.

You may not always want to hear Us constantly reminding you of Our Love, but if you will be grateful to hear Us, the Blessings contained within It, will one day fill you with the Contentment and the Satisfaction of such Freedom, as nothing else can give. So Beloved Ones, if you want the Master Power over the Forces of the Elements, you will have to use the Fiery Love of My Life, to This System of

Worlds! You will have to use the Sacred Fire of My Life from the Physical Sun, if you are going to control the discordant conditions of the Forces of the Elements in This World.

So let us enter in and become Love Supreme! Then when you call My Fiery Love to assist you, to bless the Beings of the Elements, so they are cut Free from the impurity imposed upon them by mankind, which causes them to do destructive things, you give Them Their Freedom thru your Love and Blessing. They will become your Happy Willing Co-workers, to give you all the Blessings in Their Realm of Life.

I say one more thing and I trust you won't think "I AM" scolding you this afternoon, but this I want you to know; that within the Fiery Love of My Heart is all the supply you could ever dream of, more than you could ever use to perfect the Whole Planet. If you want Boundless Supply, let My Love supply It in the Divine Way of Everlasting Freedom. "I AM" not coaxing you or prodding you to be good! "I AM" calling you to the Use of your Divine Powers which set you Free; because I want you Free! Whether your outer selves know that or not matters little. I want all in This System of Worlds set Free! Free from all that is not the Eternal Joy of Our Love, and the Boundless Freedom and Unconditional Use of the Sacred Fire thruout all Creation.

You are living in the Heart of the World, and if you will make yourselves a Sun of My Heart's Love; and fill the Heart of the World with My Fiery Love and Cosmic Fire to protect God's Freedom here—then We can do many things for you, Beloved Ones, to quickly set you Free from the conditions that have seemed to resist your calls. You shall go forward like happy children, clothed in the Sunshine of Our Eternal Love, in Which is everything you could ever desire.

This Whole System of Worlds has come into Manifestation thru My Love! Do you think I could not give you all you

could desire thru That Love? Every Desire of your Heart, which means every Constructive Desire of your Life Stream, can be fulfilled in outer action to you, thru the Fiery Love of My Heart. Know that It is REAL! It is as Real as Your Physical Sun, and It is the Physical Sun! Did you hear Me say: "Your Physical Sun," because It is yours just as well as Mine! The Unfed Flame in your Heart and My Heart is One Flame of Life! You have come into embodiment thru the Physical Sun from the Great Central Sun! So it is Part of your own Life Stream's Manifestation, to This System of Worlds.

Enter into This and use It to fill your worlds; and your Decrees shall produce manifestation quickly. It will give you by the hour Greater Joy, while yet rendering your Service to the Nation and the World. What think you could be the Release tonight, to those in your National Defense in the holocaust of that destruction? What think you would be their Joy, if in One Mighty Flash of My Fiery Love blazed in and around them, and the Cosmic Voice of your Master Jesus spoke the Words: "PEACE BE STILL"! and all be compelled to bow? That is the Power of My Fiery Love! That is what "I AM" offering you tonight! That is the Control of the Elements! That will eventually be yours, as you call It into your daily activities; into the physical octave in everything you do; to be My Control of the Whole System of Worlds, by the Fiery Love from the "Mighty I AM Presence" in the Great Central Sun.

As you become the Victory of Our Fiery Love Supreme, will you become more and more like your Higher Mental Bodies; until mankind will be compelled to DEMAND the Fulfillment of the Law and give you the credit that is your due. I would appreciate greatly your Continual Call for My Fiery Love and Cosmic Control of This Whole System of Worlds, to be the God-Control of every person in Congress;

every one in your government; be the control of every physical thing in Your Country; until the Heart of the World, is filled with the Fire of My Love! Then Balance and Freedom will send forth These Cosmic Flames into the other Nations of the World, until all destructive forces are consumed and compelled to leave the Earth, until they are purified.

Your Beloved Master Saint Germain asked you in your Decrees to DEMAND that those who are sent to the compound, have their Life Streams sustained, so they may not enter into the second death; because it would delay the Perfection which must come to This Planet. In your Use of This Call, you may be the Open Door, thru which the Strength goes forth and gives the Power of the Sacred Fire, to sustain those Life Streams; until they are purified, turn Godward and fulfill the Divine Plan as Life intends.

“I AM” offering to you that which will fulfill every desire you have ever sent forth which is constructive! It will fulfill every desire of your Hearts to fulfill the Great Divine Plan. It can be for you, the Power to give help to your Nation! It will BE Strength to those who are trying to defend the Freedom of Your Country, in the midst of the blackness of the world’s hate. My Fiery Love can bring such Light to the Earth, as shall consume every shadow forever.

Therefore, if you will call to Me, I will do what alone “I AM” the Authority to do in This Whole System of Worlds. You are My Hope! You are the Open Door of Freedom to your Nation! You are the Family of your Beloved Saint Germain, Whose Love has called you from the shadows of annihilation! Now let us return to Life, a Balance for the Assistance given; and feel Great Joy at the Opportunity to return to Life, Great Blessing for the Freedom of the Nation. It has been given to you thru the centuries, to bring you back to the Light from Whence you came; and It will not let

the shadows ever touch you again.

Your Beloved Saint Germain seventy thousand years ago, in the Goblets of Liquid Light gave you His Illumining Love, to protect and strengthen your Life Streams, so the destructive forces could not engulf you! Now in His Service for the cleansing of the Earth, do I offer My Heart to help you return to Him, the Great Divine Balance of Life; for the Nation He has loved and served so well, and which is the Heart of the World. Mankind began their journey here on the ground which is now your America; and mankind must begin their Ascension here as the Ascension of the World! Knowing the Law, if you will use the Fiery Love of My Heart, you will be privileged to render this Service, and make the Balance to Life for all that has been given you in the centuries past. All that yet awaits your use, We offer today.

I clothe you in the Armor of Its Blazing Glory! Let It BE a Cloak of Invisibility about you, thru which destructive forces cannot see! so you may have the Victory your Hearts desire! Let the Freedom which is Your Destiny become manifest NOW in your Nation, so It may be the Magnet of Love and Encouragement to the rest of the people of the World to turn Godward and use the God-Powers of Life, until their Freedom is Eternal in the Ascension. May your Nation arise tonight held in the Fiery Love of My Heart! May Its Cosmic Fire sweep thruout the Whole Country in such Power as you have never felt! May It fire the people with the Strength of My Love, that the Heart of the World may blaze Its Unfed Flame, until the Divine Government of the Earth in every Nation comes forth; and selfishness is consumed from the records of the Universe forever.

To the Glory, Contentment, Happiness and Master Powers of Its Eternal Freedom and Perfection, do I call you into My Heart tonight! May you come within It and find what awaits you to receive you into your Eternal Freedom.

Thank you for your Love to your Nation! Thank you for your Love to your Beloved Saint Germain, to your "Beloved I AM Presence." For all the Love you have ever poured forth, I shall pour back to you more Fiery Love. I shall continue to pour It, until That Hour when We welcome you into Our Octave; and We look upon your Nation as the Ascended Master Nation of the Earth, Whose Unfed Flame becomes the Magnet, to raise every other Nation into the Eternal Perfection of the Ascended Masters' Octave.

Great is your Opportunity! Glory that is Boundless lies ahead of you! Freedom that is Eternal in the Greatest Happiness ever awaits you as the Divine Blessings Life holds in store for all, who want to come the Way of Our Fiery Love in the Great Perfection of Eternal Sacred Fire. May That "Beloved I AM Presence" in Its Mighty Glory bless you tonight with all My Heart can give, which is Boundless. May you become a Sun of Its Presence everywhere you move; and all you have ever desired come into outer Fulfillment now; to bring Glory, Perfection and Joy everywhere you go; until the Earth Itself sings Its Song and Anthem of Praise, to the "Beloved I AM Presence" from Whence We all proceed. Its Boundless Fire of Eternal Love, ever pours forth a Glory Which lifts all to Eternal Perfection.

Thank you for your Love and My Love enfolding yours, I trust shall fill your Nation and bring back the loved ones in the National Defense; until war is unknown and not even remembered anywhere in This System of Worlds! The Fire of My Love can consume It! Call It into outer action and let us free those other Life Streams, who cry in the darkness to find the Way of Light, to God.
