

## THE SHRINE OF MY HEART

The Shrine of My Heart is God's Honor Flame,  
The Flame that caused me to be;  
That Altar of Life, My Immortal Self,  
"That Presence," "I AM" – all Free!

The Shrine of My Heart is where God abides,  
It is My Own Heart's Command;  
Its Voice ever speaks above human din,  
Before My Heart's Flame I stand!

The Shrine of My Heart is God's Altar Pure,  
Its Power none here can change;  
Its Light forever and ever expands,  
Dissolves all here that seems strange.

The Shrine of My Heart is God's Flame of Peace,  
The Peace that only God gives;  
Its Power does come and holds Full Command,  
As each one in God's Heart lives!

The Shrine of My Heart is God's Miracle Love,  
The Love by Which we exist;  
Its Gifts and Blessings forever remain,  
God holds control – we insist!

The Shrine of My Heart is God's Victory here,  
Its Freedom, all must attain;  
Perfection's Great Glory all must become,  
Protection then does remain!

The Shrine of My Heart is God's evermore,  
Its Powers here now blaze thru,  
"My Great I AM Presence," speaks and all hear,  
It says: "Do all that I do"!

The Shrine of My Heart is God's World for me,  
Then Heaven on Earth has come;  
My Throne-Room of Being now here abides,  
Till all My Victories are won!

The Shrine of My Heart, I ever adore,  
Its Gift is Eternity;  
For now from that Shrine does all Good come thru,  
It is all God's Purity!

In the Shrine of My Heart, God's Will is done,  
That Will, "I AM " every day;  
The Glories of Heaven to Earth have come,  
As we live only God's Way!

The Shrine of My Heart is God, the Great One,  
That One, "I AM" – All that is!  
I enter Its Flame and blaze all Its Light,  
All in My World now is His!
