CHICAGO, ILLINOIS

Series of 9

BELOVED ONES of Earth, as We send forth from Our Great Heights of Love's Perfection, the Radiation of Our Life Streams to assist you all, We want you to feel the ONENESS of Life everywhere! Then, you will not feel it is anything unusual to turn your attention to us; and be able to feel the Greater Power which Our Life uses in the Universe pour back to you, for the OVERCOMING of conditions in the physical world.

When your attention comes to Us, the energy of the emotional body reaches out and comes to Us. Therefore, We can make the Energy of your Life, feel the Greater Power which is in Our Sphere of Action! Since all the faculties of your outer selves are elastic, then you know you can think at any place in the Universe. Remember always that when you think of some place in the Universe, the energy of your feeling world goes forth on your thought; makes conscious contact with that upon which your attention rests; and on the return current of your own energy, mark you, comes back to you, the vibratory action and the feeling of the consciousness upon which your attention rests!

Whether it acts in your physical world, acts in interstellar space, or comes to Us in Our Great Sun of Life's Perfection, matters not! The Action of the Law is the same, and the Power of Life is the Power of the Universe! Since you are Life, through your attention, your Life Energy can reach to the Heights of Creation! Through Love alone, may you become aware of the Greater Powers and Manifestations which abide throughout the Universe.

It takes your attention upon a specific point or Being, to form the connection with the Manifestation which is there!

Since the Manifestation upon the Planet Venus, which is in Reality a Sun, is the Manifestation of Perfection brought forth by Our Love through aeons of time, then We are the Directors of the Cosmic Energy concentrated to the place, where the Power produces Manifestation which is forever Expanding Perfection.

If you require more of the Power of Perfection to hold control of conditions in the physical world and prevent destruction acting within you, through your attention and your Love, you CAN reach to Us, connecting with the Power which We have drawn there and which We direct back to you! Thus, you keep the door open for the Greater Power of the Universe and Its Greater Manifestations, to be drawn around you and into your outer direction; to help you stand against the destructive forces which are raging in the world about you.

Unless mankind through the attention, raises the energy of the individual's feeling world, to that which is Greater and draws forth the Greater Power which is Wholly Constructive, how can anyone rise out of limitation? Unless people reach forth to Greater Life and draw It here, they cannot stand against the mass accumulation of that which is qualified with destruction; due to long centuries of mankind's misuse of the Energy of Life. Since you do require more of the Great God-Power of Perfection to protect you here against destructive forces, then you must reach to the place where That Greater Power abides! Since the Planet Venus is the Focus provided by Life, which has offered the Guardianship of Its Love to the people of Earth through the centuries, the Cosmic Law has seen fit to use the Power of Love which We have gathered; to clothe all that is Constructive in your World, with the Protection which helps you stand against the whirling discord. This is just as mechanical as anything in the Universe can be, and is based solely upon the Law of Energy, Consciousness and Vibration!

When your attention comes to Us, the energy of your

emotional body comes to Us on your attention! Therefore, you CAN raise your feeling from the qualities in the physical world to Us! You CAN become aware of Our Feeling of what the Power of Immortally Pure Love can do in the Universe!

Through that, you can draw back Our Feeling of Its Mastery over everything here; and unless you FEEL Mastery over a condition you cannot master it! You cannot control a condition which is destructive, unless you FEEL control over it first. Because of Our Greater Focus of Energy in our Great Sphere of Action, We are able to direct MUCH MORE POWERFUL ELECTRONIC FORCE than anything you know of in the physical world. When you reach your energy and feeling to Us, We can clothe it with Our Feeling and Our Power, which enable you to stand against that which would destroy you otherwise.

Long, long has the Great Law of Life been patient with mankind's incessant misuse of energy! The Cosmic Law also determines the TIME when mankind must cease the destructive use of the Gifts of God.

In order to help you feel the Great Power of Mastery over the energy of This World, it is necessary that you become aware of Our Feeling of Love! The Love of which We speak is Our Tremendous Strength, which can concentrate and direct any amount of Electronic Force, — any amount of Magnetic Power from the Great Central Sun, in Its Great Central Sun Magnetic Action; and focus It into the atmosphere of Earth, to compel the vortices of destruction to be shattered.

When you have a destructive force acting in the physical world, you have but a focus of energy destructively qualified. Therefore, if you are going to stop it, control it, and prevent its destroying that which is here, it must be controlled by more energy than is in itself! That is

what Our Love does! That is why the people of Earth require Our Love, if they are to be Free! If individuals had been able to free themselves through the centuries, they would have done it long ago; but under the Action of the Cosmic Law, they must be made to understand, that to misuse the Energy of Life, brings penalty which binds the individual, until that misuse ceases.

The intense Love, which is the Love of Perfection governing all the Energy on the Planet Venus, is the Keynote of That Manifestation, and is the Power of Love from the Great Central Sun! It has produced Perfection there! Call forth the Fire, the Cosmic Action of the Fire of Our Love of Perfection! Our Love and Perfection of That Cosmic Fire, enable you to have Its Individualized Stream come into your outer use; consciously projected by Us and drawn here by your own Heart's Love! Through your attention, It may come into your outer use to serve you, so you may stand your ground against that which otherwise would destroy you.

When We speak of the Great Love on the Planet Venus, it means Our Love to the Great Central Sun, Our Love of Perfection, Our Love of Life's Purity, Beauty and Harmonious Action! It is necessary to generate That Intense Love for the Greater Perfection and the Greater Use of the God-Powers of the Universe, in order to produce Perfection in outer physical action. So, if you want your World perfected, it can much more easily be brought about, by the Love from Our Sphere of Action – concentrated where you desire It to be, than just by your own conscious effort, as you make your calls to the Presence.

Your own "Beloved I AM Presence" is ALL-POWERFUL to draw ANY INTENSITY OF ENERGY TO PRODUCE ANY MANIFESTATION OF PERFECTION; but since you have requalified It so often through the centuries, then as

you call to your Presence first, and reach to Us for the Cosmic Fire of Our Love to bring Perfection here, the Energy which We direct is qualified with Our ETERNAL PURITY AND LOVE! It can never be changed by anything in your world! That is why mankind cannot free itself, except by the Assistance of the Ascended Masters and Cosmic Beings, who guard the Destiny of This Whole System of Worlds.

Individuals think they can get along without Love, but it is not so! Only the Love of Perfection, only the Love and constructive use of Energy are Power Great Enough and Strong Enough to be entrusted, with the Unlimited Use of Energy to produce manifestation anywhere in the Universe. Unless the individual be That Love, or a Cosmic Being use That Love, matters not! Unless the Love of the individual for the very energy that one uses, is the Love of Perfection, Perfection cannot manifest!

Do you not see, within all Life is all of everything which is CONSTRUCTIVE? Unless you draw It through your own Love to the Greater Life; unless you reach into the Treasure House of the Great Energy of Creation, and draw That Perfection here through Love, you could not have Perfect Manifestation! So, since Love is the Supreme Law of All Eternity, of All Life, Substance and Energy, it is necessary for you to understand this; and use It as a Cosmic Power, to draw any amount of Energy you require, to overwhelm destructive forces! Your Mastery over destructive conditions in This World, is but the use of Energy against energy! Unless you love the Energy of the Universe so greatly, that you will not allow It to be used destructively, you would not be strong enough, to draw all the Energy required, to overcome destructive conditions quickly and Completely!

The Love to which I have reference means that Your Life loves the Energy of the Universe so greatly, that you will never use it destructively! You will never use it to

create anything that is not Beautiful, Perfect and a Blessing which carries Love and Happiness to the rest of Life! So, the Strength of the Light within the individual's Life Stream, must be Great Enough to be entrusted with the use of UNLIMITED ENERGY by Conscious Direction! This must come about by your own individual Love to That Energy! It is the Law of That Which creates.

Mankind has such a fragmentary idea of what Pure Divine Love means! Before We are through This Class, there will have been released into the physical atmosphere of This Earth, the Conscious Understanding, through the Fire Element from Our Octave, of what the Law of Love means to Life! What the Law of Love can do for the Universe and for the individual; and what the Law of Love produces in outer manifestation by your own Conscious Command!

“I AM” going into This Explanation, because I wish you to understand, that when you send forth your calls for the Cosmic Sacred Fire of all Creation, in the Victory of the Cosmic Christ, to come into the physical atmosphere of Earth; into all physical action; and remove all destructive forces, you should understand that you must draw the Fire of Our Love of all Energy HERE, in order to control and shut off what otherwise would destroy you.

You have NOT loved Energy with the Same Intensity that We have! Hence, the amount of energy you can direct, is but a small proportion of what you require! We love ALL THE ENERGY OF THE UNIVERSE! We love It so intensely that It never can produce anything but Perfection! Therefore, you require Our Love of That Energy in order to be the Controlling Force in the physical world, which compels destruction to obey your command and stop its action.

So, when you draw forth Manifestations in the physical world and you DEMAND the Great Cosmic Fiery Love from the Planet Venus, govern the energy in yourselves and your world; govern the conditions in the Nation which are required

to shut off the destruction of war; you will understand MAN-KIND MUST BE MADE AWARE OF OUR PRESENCE AND MUST ACCEPT OUR REALITY, if Our Love is to act; or the Energy which We direct is to act to take war from the Earth; and to consume the hate which generates war!

When you understand the Supreme Power that is yours and which you can direct when you love the Greater Energy of the Universe, you will call It here to be Master of all destructive forces; so they are compelled to cease their action. THEN, WILL YOU LOVE THAT LIFE AND THAT ENERGY OF THE "BELOVED MIGHTY I AM PRESENCE" in the Great Central Sun, with ALL your Heart, with ALL your Mind, with ALL your Feeling, with ALL your Being. THAT is Mastery! THAT is what the World requires. When you understand to love all Energy enough, so you respect It, and never use It to create anything but Perfection; when you love It enough and only use It to produce Perfection, will you find ALL the Master Powers of your "Beloved I AM Presence," all the Sacred Fire of Creation; the Great Creative Fire of the Universe, will come to assist you; will abide with you; will open Its Heart and give you all the Powers of God!

Love is the Fulfilling of the Law! Love is the Master Hand of Creation! The Great Creative Fire of the Cosmic Christ, is Our Concentration of Electronic Force and Magnetic Power, which combined produce Perfection, create Systems of Worlds, and move them forward clothed with Beauty and Perfection upon which Divine Beings embody, and go forward in the Happiness the Great Divine Plan intends!

You may reach to the Heart of Creation and draw from there Magnificent Manifestations which have never yet come forth anywhere. You may draw This forth by the Love of the Energy which is there! Your Love to That Energy with the feeling to honor It, by only using It to produce Perfec-

tion, IS the Pathway of Light! It is the Joy of Eternity! Mankind has felt no responsibility in the use of Energy! Individuals feel no compunction about using It destructively and feel they do not have to face any reaction! That feeling is darkness indeed! LOVE ALONE IS THE LIGHT OF CREATION! LOVE ALONE IS THE LIGHT OF THE UNIVERSE! LOVE ALONE IS "THE LIGHT OF GOD THAT NEVER FAILS," FOR GOD'S LOVE CANNOT FAIL!

"I AM" showing you tonight, the Power of Our Love which concentrates Electronic Force and Magnetic Power from the Great Central Sun into action; TO FOREVER CONTROL ALL AND COMPEL ALL TO PRODUCE PERFECTION. The Pathway of Light, My Dear Ones, is the Pathway of Love! That Love is Love to the Life, the Energy and the Substance of the Great Central Sun, with the Full Feeling within you, that you will never dishonor It, by misuse of It. There upon rests the Responsibility to the individual.

In the Heights of Creation you may have everything your Heart could ever desire, once you understand what the Divine Desires are within the Great Cosmic Love of Our Planet Venus! Then, in your use of It, the Great Cosmic Love of your "Beloved I AM Presence," whether It be your own Individualized "I AM Presence," whether It be in the Physical Sun or the Great Central Sun, or the Ascended Masters' Great Octave of Life, matters not. WHEN YOU UNDERSTAND YOUR LIFE, THROUGH YOUR FEELING AND YOUR ATTENTION, CAN REACH UNTO THE HEART OF LOVE SUPREME; AND DRAW FORTH THE LIMITLESS BLESSINGS OF THE UNIVERSE, YOU WILL NOT GROVEL IN THE LIMITATIONS OF THE HUMAN LONGER. (Applause—audience rising) Thank you, Precious Ones, will you please be seated?

The Life in the Great Central Sun, That Energy and Substance are yours to use as freely as the air you breathe!

Everything in the Universe is yours to use under the Law of Love! When you love all above you, with all your Heart, which means all of your Life, all your Life Flame; all your Mind, which is all your Consciousness; all your Soul, which is all your feeling; with all your Being; when you love all Energy and love to use It only constructively, It becomes for you the Mastery and the Perfection of Eternity.

There is nothing from the Heights of Creation, you could not have here, through the use of Our Love! Love will draw to Itself Its Own! Love is the Fulfilling of the Law! Love is the Supreme Command of Life. Therefore, the Love of the outer self must come FIRST to your "Beloved I AM Presence"; then the Ascended Masters and Cosmic Beings Who assist you; then to the Heights of Creation! That Holy Love is the Raising Magnetic Power which draws the Energy of the outer self, through the attention and through the feeling, up into the Constructive Ideas and Desires of your own "Blessed I AM Presence"! It comes into the Desires and Constructive Ideas of the Ascended Host and the Cosmic Beings Who direct This Whole System of Worlds! Your Energy there draws Our Greater Activities here into you to bless you!

Mankind does not need more things to quarrel over! Mankind does not need more Power in human beings' experimental activities of destruction! Human beings NEED ONE THING ALONE – UNDERSTANDING OF THAT BELOVED "I AM PRESENCE" AND ITS LAW OF LOVE TO ALL THE UNIVERSE AND ALL THE ENERGY WHICH PRODUCES MANIFESTATION. There is nothing too Great to attain! There is nothing too Great to contemplate! There is nothing too Great to Love, and Love can give you all; but the Love to which I have reference is Our Honor to Life! It is OUR Love to Energy which never will misuse It. Do you not see when you call forth OUR Feeling within yourselves, and you demand the annihilation of all that is not the

Divine Desire of Our Love of your “Beloved I AM Presence,” the outer self becomes strong enough, safe enough and protected enough to be entrusted with the Use of Greater Power – Greater Energy – All Power and All Energy?

If you notice tonight, I have twice made the distinction between the Electronic Force in the general atmospheric condition of what you call interstellar space, and the Magnetic Power from the Great Central Sun. One is Substance and the other is the Flame of Love! The Great Magnetic Power of the Great Central Sun Magnet, is the Flame of Love which never misuses the Substance of Light! So, when We turn your attention to the use of the Great Magnetic Power of Love from the Planet Venus, and the Great Magnetic Power of the Sacred Fire of all Creation, the Victory of the Cosmic Christ becomes a Manifested Reality! It is a very Practical Manifestation in your Physical World! This is what you need, if you are going to overcome war!

In Our World there is no room for anything but Love! Now, you will see why. Mankind does not understand but a fragmentary part, of what the Great Cosmic Love of the Universe means; and how It acts within the Life of the individual. This is the Magnetic Power which, through the attention, can draw to you in outer physical manifestation, anything your Hearts desire; so long as it be constructive and you will not misuse It! If you do not use It for anything, except to create Permanent Happiness to Life; after all, isn't that enjoyable? (Applause – audience rising) Thank you, Precious Ones, won't you be seated please?

We want all We love to be happy! We want only the Constructive Use of all which surrounds all We love. So, if you love Peace, then you must surround It by the Great Love of the Creative Fire of the Universe – the Great Creative Power of the Cosmic Christ! If you want Peace, you must protect It by the Flame of Our Consciousness or of

Those Individualized Beings whose Love for That Flame, is so Great, no dishonor or misuse of It could ever take place. This is how you become SAFE in the use of the Greater Powers of the Universe; because if you are going to draw forth Those More Magnificent Activities of Life, you must love Them intensely enough, to be the Drawing Power which brings Them into your world. It is your Love to Them which draws Them into your outer use, to produce Permanent Happiness, Permanent Beauty, Perfection, and Balance to the Universe around you forever.

You see all discord, My Dear Ones, dishonors Life! Therefore, when your Love becomes great enough to love God's Energy with Our Honor, you will never produce discord with It in the physical world! When you DEMAND the Magnetic Power of the Great Central Sun Magnet's Love, become the Law of all your outer action, your "Beloved I AM Presence" can release Its Divine Desires through you and fulfill Its Divine Plan! Its Will is then done on Earth as It is in Its Own Octave of Harmony! This is just as mechanical as anything could ever be! (Webster's definition of mechanics is: "The playing of forces upon bodies.") Until mankind comes to the Basic Understanding of That "Beloved I AM Presence" and everyone's Responsibility in the use of Its Energy of Life, how can suffering cease? Until individuals understand It and obey It, how can their suffering cease? All must be ground into Perfection! All CAN be purified! All can be raised by the Cosmic Sacred Fire of all Creation, into Victorious Cosmic Christ Love to the "Mighty I AM Presence" in the Central Sun, in the Physical Sun and in every human being!

That Fire of Creation is the Love which sustains the Universe! Its Great Magnetic Power in Those Activities of the Sacred Fire for which you call, will draw to you all the Gifts within Life. When you understand how terrific is

the dishonor to the Universe, because of mankind's generation of war, you will know how much the people need the Love from the Planet Venus; from Those of Us Who direct Its Destiny and Its Action, and Who have poured to the Earth the Power of Our Love to stop the generation of hate!

My Dear Ones, when you want to produce Perfection in the physical world; when you want to change conditions of mankind's existence; you must DEMAND with every fiber of your Beings, the Great Creative Love from the Planet Venus and Those Who direct Its Cosmic Fire to the Earth! DEMAND ITS VICTORIOUS COSMIC CHRIST FIRE consume all discord on Earth; consume mankind's capacity to hate; consume mankind's lack of Understanding; until all let the Law of Love reign supreme. Only That Love is SAFE ENOUGH to be entrusted with the concentrated Action of the Fire Element; whether It be what you call physical fire; or whether It be the Great Inner Fire of Creation, matters not! Who of mankind can stop a raging forest fire? You use many physical means, but you only have fragmentary control! Yet with a raging forest fire, We can stand in the atmosphere above it; and IN ONE WAVE OF LOVE STOP ITS DESTRUCTION. That is what it means to love the Energy of the Universe with the Honor that never uses It, except to produce Perfection which always brings Eternal Happiness.

Do you know that It is the Master Power of Life? Do you not think It is the Great Scepter of Dominion? Then, let It enfold you and draw into yourselves and out into your affairs by your own Conscious Command, all the Cosmic Fiery Love from the Planet Venus! Let Us show you what destructive forces HAVE to do! We offer It because It is yours to use! You cannot misuse the Energy and the Power which Our Love brings to the Planet Earth! That Energy and Power you can NEVER change! Therefore, if

you wish to use It as Unlimited Power, We are ready to release It into your direction. (Applause – audience rising) Thank you, Precious Ones, and while you are standing for just a moment, I wish to say this: “When you love It enough, you will remember to use It always! When you remember your ‘Beloved I AM Presence’ enough, It will clothe you with Itself, and Its Powers will act through you, to bring Perfection into outer existence, permanently at your command.”

Within This Correct Understanding of the Great Creative Fire of Our Love, will you find all the Powers you have sought through the ages! In Their use, will you find Happiness, Satisfaction, Contentment, and Permanent Perfection, which you have always craved and never yet attained. IN THIS WILL YOU FIND THE ELIXIR OF LIFE, ETERNAL YOUTH AND BEAUTY! In This, will you find the Purity and Perfection which take you to your Ascension. Won't you be seated please?

This is the Master Power of the Universe! Now, that I have opened another Door into the Vista that lies ahead of you, I trust you will enjoy entering through that Door with Us! I hope It will never again be closed to you. Within abides everything which is in the Treasure House of God! The “Beloved Mighty I AM Presence” of your own Precious Selves, ever awaits the opportunity to pour Its Eternal Perfection into your outer use; when you DEMAND It with all you are and have. Try for one day, demanding the Great Creative Fire of Love from the Planet Venus! Charge It into your worlds and command It to produce Eternal Perfection for you! Demand It act to set ALL Life Free. Make your Demand to Life, your “Beloved I AM Presence”! Make your Demand upon the Cosmic Fire of Creation, to produce Its Love in a darkened world; and That Love shall become the Light which consumes the darkness. Demand the Cosmic Fire of Creation and the Victorious Cosmic Christ Love

from the Planet Venus, take the place of war upon the Earth;  
and COMPEL LIFE SET FREE FROM ALL THAT IS NOT  
LOVE!

Make your Demand to Life! Make your Demand to Us!  
Make your Demand upon the Cosmic Law; that the Great  
Creative Fire of God's Immortal Love, shall draw the Mag-  
netic Power from the Planet Venus to the Earth, until evil  
dies and Light takes its place for Eternity!

BEAUTY INDESCRIBABLE, UNSPEAKABLE AND YET  
ETERNAL, IS EVER AWAITING YOUR CALL TO COME  
INTO OUTER EXISTENCE AND BEAUTIFY THE EARTH,  
WHICH WAS ONCE A DAZZLING SUN IN SPACE, AND  
MUST BECOME SO AGAIN. Only by the Release of the  
Great Creative Fire of Our Love, can the Earth be released  
from the shadows which have made it "the dark star." Our  
Love shall yet come to Earth and BE The Dazzling Light  
of Eternity! It shall and We shall COMPEL MANKIND'S  
AWAKENING AND THE ACCEPTANCE OF THE "BELOVED  
I AM PRESENCE"!

So, whatever you desire of Perfection to overcome con-  
ditions in the physical world, My Dear Ones, DEMAND IT  
BY THE GREAT CREATIVE FIRE OF THE COSMIC CHRIST  
LOVE FROM VENUS! Demand that Our Love come here  
and take the place of hate forever, and YOU SHALL HAVE  
IT! (Applause – audience rising)

Thank you, Beloved Ones, with All My Heart's Love  
for THAT RESPONSE! Let It become the Fiery Love of  
the Planet Venus to the Earth, to set it Free! LET THE  
VICTORY OF THE COSMIC CHRIST BECOME THE REAL-  
ITY OF YOUR EXISTENCE HERE! Won't you be seated  
please?

Mankind through the ages has demanded money! De-  
manded power! Demanded authority! The people HAVE  
BOUND THEMSELVES BY THOSE DEMANDS INTO THE

WAR OF TODAY! If We may have from a few of you, or all of you, your DEMAND to Life for the Great Creative Fire of Love from the Planet Venus; and Its Victorious Cosmic Christ Action of your "Beloved I AM Presence," everywhere the shadows of hate seem to be; everywhere war appears; everywhere limitation has come forth in the outer, We can accomplish miracles! If We may have your Calls; if We may have your DEMAND upon Life; if We may have your attention and determination to have Our Cosmic Fire move throughout mankind, We will see what We can do! "I AM" sure We can accomplish a great deal! (Applause – audience rising) Thank you, Precious Ones, please be seated.

Now, as your Cosmic Demand goes forth to the Heart of Creation, We will bring This Cosmic Fire, to burn Its Way through the discord of human creation; and interpenetrate the structure of Earth Itself; to hold Invincible, certain Plans and Protection for that which is Constructive on the Earth! As Our Cosmic Fire burns Its Way through the discord and maze of human desire, I will fire mankind with OUR Desire to live the Pure Way of Life; understand the Law of Life and obey It!

Could you see the Beauty and Perfection in which Those who live upon Venus abide; and could you understand how you may draw that same Great Creative Fire of Perfection in and around yourselves; to make you Master over conditions here, you will begin to love Life with the same Love We have! Your desire will be to use all the Powers of your "Beloved I AM Presence" to produce the Perfection in This World, which frees one Life Stream after another, from the shadows which have bound them in the distress and ignorance of discord.

I tell you all discord is ignorance. All darkness is ignorance. All lack is ignorance. All war is ignorance of This Law of Life! You can have Power Unlimited, when

you love All Energy of Life, with such devotion, that you command It to produce Perfection; so It may be the Expression of Eternal Happiness to the Universe about you! Then, all Energy, which is after all Consciousness, is kept happy also. It is the part of Wisdom to use ALL to produce Permanent Happiness; but it must be qualified by the Great Creative Fire of the Love of the Cosmic Christ! Then, have you given back all Authority to your "Beloved I AM Presence," to set your world into Divine Order; to clothe you with Its Magnificent Presence and Power; and to take you forward in the Fulfillment of the Great Divine Plan, until It calls you home in the Ascension.

This is what We speak of as the Immortal Fiery Love of the Great Central Sun Magnet! It is the Immortal Fiery Love of the Victorious Cosmic Christ! It is the Immortal Fiery Love from the Planet Venus! It always produces Perfection and always is a Raising Action, to everything It contacts; to draw it forth into Greater Perfection.

So, place your attention upon the Heights of Creation! Let the Love of your Heart come to Us; and know that on your Love comes the Energy of your own emotional world; your own feeling world; your own emotional bodies! That Energy of your Life Stream comes to Us, to bathe in the Love which is Our Honor to Life! Let It come back to you and produce the Perfection you have always desired to express! The Door stands wide open! The Secret is revealed! The Scepter is offered for your acceptance, and obedience is the first Law! BE THE FULFILLMENT OF THE LAW! Go forth the EXAMPLE of Our Use of Cosmic Power; and wherever you abide, make the shadows disappear by That Fiery Love of all Creation! BE Its Honor Flame to the people of Earth! Honor your God, your "Beloved I AM Presence," by the Expansion of Its Fiery Immortal Love which produces Purity forever! Then, will you abide in the Happiness of God's Heart! Then, will you and the Father be ONE!

Nothing can take the place of That Love! Enter into It! Dwell and abide within the Palace of Its Glorious Beauty! Use Its Unlimited Power! Go forward the Freedom of Its Glorious Heart and give That Freedom to all! Thus, will you honor and co-operate with your Beloved Master Saint Germain, Whom We all love, bless and honor for His Constant Service to Life; and His Courage through the centuries to bring mankind to Purity, Freedom and Love which are forever Happiness. May all It contains within Its Heart flood you and your world and make mankind aware of the Home which awaits its coming.

Unto the Glory of Its Presence, may you arise and worship at the Altar of Its Perfection forever! I clothe you in the Armor of That Flame, to reveal to you ALL We have on the Planet Venus; until the Earth, too, has become a Sun of Everlasting Love! Then, Freedom and Victory will have taken mankind forward to the Ascension! The Earth Itself will have ascended into the Sun of Its Eternal Perfection.

I leave you clothed in This Cosmic Power! May you feel It steadily increasing each day, until I come again! Those with Me leave the Glory of Their Service to Life! You, too, one day will render That Same Service wherever you go! Your Joy will be Unspeakable and your Power without limit forever! To the Glory of Its Heart do I commend you! To the Victorious Power of Its Glorious Accomplishment may you go forward in Wonderful Attainment! May you know only the Happiness Life intends you to enjoy forever! Let Us use This Mighty Power and do all We can quickly, to remove the shadows from the Earth because they are not God's Great Creative Fire of Eternal Divine Love!

Thank you and I bid you adieu.
