Love and Gratitude to the Presence

BELOVED Ones of My Heart, tonight let us commune with that Great Presence, the "Beloved Mighty I AM" within the DEEP DEEP Love of Its Heart; and entering into the use and the feeling of Its Cosmic Fire, begin to know what It means to draw Power into This World; to overcome absolutely Victoriously at all times, conditions which have held you limited so long.

I want to reveal to you tonight, and make you feel with every fiber of your Being, the Great Magnetic Power within this Mighty Fiery Love of all Creation! I want you to realize the Expanding Power within Life, is this Flame of Love; but It must be brought into outer dynamic action and use through the outer self, to produce Perfection in This World; if your own Life Flame is to expand Its Cosmic Powers with enough Raising Magnetic Power, to draw you into your Ascension.

Know, every time you send your Love to your Presence, the most Intense Feeling of Love, as It goes to your Presence a Flash of Light from the Unfed Flame in your Heart goes up to the Higher Mental Body! Immediately there comes back to you, at least a thousand times more Love, a thousand times more energy, than that which you have sent into the next Octave! Therefore, the Response of your Presence or the Ascended Host to the Love which you give, is the Infinite Love from the Universe flowing back to bless you! This is why gratitude to your Presence or the Ascended Host, brings into you and your world such Boundless Blessings, as you cannot put into words. Only

as They manifest in yourselves and in your affairs, can you realize how Great is the Blessing of Love, when Gratitude and Love arise from the lesser to the Greater, in the Great Great Scheme of Creation.

If mankind understood what Love and Gratitude to the "Beloved I AM Presence" would draw into outer use, all mankind and its human creation put together, could never persuade you, not to do it. Gratitude from the outer self is the Harmonious Feeling—the Harmoniously Qualified Energy of the emotional body, in the desire to reach up to the Presence. In other words, to give back to the Presence the Harmonious Energy of the feeling world. Therefore, the Love and Gratitude from the outer self, as it pours back the energy of the emotional body to the Higher Mental Body, automatically draws back a Greater Wave, Infinitely Greater than that which you have given!

Since the Law of Life contains within Itself always, the Expanding, Raising Vibratory Action—the increasing of the rate of vibration of the energy of the outer self is greater Raising Power! As you pour your Gratitude and Love to your Presence, giving back to It the energy you have used out here, you keep the energy active! You keep Its Perfection flowing from the Presence into the outer activities. As you raise your attention to the Presence through Love and Gratitude, It enables a Great Surge of the Universal Fire Element to flow back to you! In Its Great Love and Outpouring, Perfection comes always into the outer self; with ever increasing, expanding, ever Greater Raising Power; into the physical world around you.

Your Gratitude and Love to your Presence enable the flow of Its Own Sacred Fire Element to come into, through and around you; to raise your world nearer to the Ascension. Do you not see how imperative it is, for mankind to be taught how to send Love and Gratitude back to the Source of Life; so individuals may have more of Its Greater Power

and Blessings to fill the world around them?

It is only when mankind holds to the outer self, the things of this world, and will not let them flow forth to create Greater Beauty and Perfection, that the supply is shut off from the Presence! The Presence does not shut it off! The Presence is surging and watching every possible opening, by which It can pour more of Itself, more of Its Fiery Element, more of Its Love, Beauty and Perfection into the Universe around the outer self; ever with that Great Magnetic Power which lifts everything into something Greater!

The Natural Quality within the Life Energy which the Higher Mental Body gives to the outer self, contains always the Magnetic Power of the Great Central Sun Magnet! As It surges Its Love forward to give Greater Beauty and Perfection, It always raises everything into Its Vibratory Action, until it meets the Next Octave above it!

So, the Gratitude of the outer self, the Love – the practice of sending Love and Gratitude to your “Beloved I AM Presence,” the Ascended Host and Cosmic Beings who assist mankind to be Free – is That Action of Life’s Great Magnetic Power from the Great Central Sun, which draws everything up into Perfection; expands that Perfection; and clothes It with more Power to again surge forth, to the Universe, Greater Perfection! Such is the Self-Sustained, Expanding Action within the Flame of Life!

The individual who wants to be Free from the limitations of the physical world, must be taught to turn the attention back to the “Beloved I AM Presence,” and there give Gratitude for the very Life which enables you to have Consciousness through the outer self! This is one of the Most Wonderful Secrets and Wonderful Powers of Freeing mankind, from the conditions of this world, which are of limitation and distress.

Gratitude to the “Beloved I AM Presence” with the

intense feeling of Love, Precious Ones, swings the door wide; and keeps It open into the Great Treasure-House of all that is in the Universe! Love and Gratitude to your own Precious "I AM Presence," are the Key by which your Presence can give you everything; but the outer world, through long centuries of habit, has so long demanded of mankind, the energy of the outer self into the conditions of the physical world, that the people have given less and less Gratitude to the Presence! Therefore, if they do not give This Energy through Love and Gratitude back to the Presence, how can they have any more down here? Do you not see the cause of their poverty? Do you not see the cause of illness? Do you not see the cause of limitations in the physical world? If the farmer does not plant seed in the ground, he gets no crops! If he does not give that which he has, he can't have more; and if mankind will not give Love and Gratitude to the Source which continually gives energy to the outer self by which it exists; and does what it desires in the outer world, how can more come? If mankind will not give its Energy back to the Presence, how can It bring Greater Blessings and Powers of Greater Freedom, into the use of the outer self?

You see through habit of the centuries, mankind is sending Life's Energy to the outer activities of the physical world. The people have become so fastened to the physical world, that the attention and the feeling have driven their Life Energy into connection with the things of the outer world! People seek always to gather supply from there! That is why supply has become less and less! Mankind has destroyed more and more; because the Supply of Divine Love's Energy from the Presence has been closed off. This is not difficult to understand.

The Physical Sun supplies Energy to the Earth and into the atmosphere, which mankind breathes in! The

Presence supplies Its Own Life inside the form; but if the outer self takes THAT ENERGY and fastens it to the things of the outer world, it keeps pouring Life's Energy there! Whatever it builds in the outer world of limitation and distress, grows and grows; but it is not giving anything back to the Presence; by Which the Presence keeps the Stream of Energy in motion, on which It places the Greater Gifts of Life for use in the outer self. The whole Secret, My Dear Ones, of mankind's Freedom and Mastery over the conditions of This World, is to turn back to the Powerhouse which can give everything; because the outer world cannot give you everything!

The things of the outer world are here and placed here for Right Use; but can the things of the outer world, give you your Ascension? Most certainly not! Your Presence can! The Ascending Power or the Magnetic Power draws the Points of Light out of the physical body; and raises them to blend with the Higher Mental Body! That Drawing Power still has to come from the Higher Mental Body! The Power, which draws the Life in the outer self, up into the Higher Mental Body and into the Electronic Presence to accomplish the Ascension, has to come from the Higher Mental Body! It must!

Not all the things in the world could give you That! Not all mankind could ever give you That! It can only come from your own "Beloved I AM Presence" alone; and from the Assisting Masters who hold the Flame of Their Love about the outer self; while the Magnetic Power of the Love of the Presence, loves back into Itself, the Energy and the Points of Light, which It gave in the first place to the outer self! This is the ONLY way the Ascension is attained!

The Secret of all of everything, Dear Ones, is Gratitude and Love to your "Beloved I AM Presence," which gives ALL ENERGY to the outer self! Thus, It can give

the outer self still more of Its Own Beauty, Perfection and Love! It seems unbelievable, Precious Ones, that the outer self could have ever forgotten This "Blessed I AM Presence," yet it was so with you! It is so now with millions of mankind in the outer world! It seems unbelievable the outer self could forget the Giver of Its Own Existence, or it could have forgotten Its Very Source!

Now, since you understand this, and "I AM" privileged to reveal what the Magnetic Power of your Presence' Love means, more of Its Love can enfold you! As your Gratitude and Love go back to your Presence, It turns the Current of Energy of the outer self up to the Presence! The Presence' Great Joy will blaze into your Love and Gratitude more of Its Own Blessings; more of Its Love and return It again to you, so you may be the Fulfilling of the Law! You may be a Sun of Its Own Flame; ever expanding to produce Greater Perfection in This World! Your Love, Gratitude and Magnetic Power which are within the Outpouring from your Presence, are the Power of the Great Central Sun Magnet, acting upon the Earth; to raise all, until the Earth becomes Self-Luminous as a Sun.

Therefore, the Light of a Planet or a Sun, is focused and expanded through the Individuals who are embodied there! The Individual Flames become the Light of the Planet; until Its Substance becomes a Flame! So, the Duty of the outer self is to understand This Power, This Fiery Love from your "Beloved I AM Presence" and from Our Octave! Then, demand the substance of the body, the outer physical flesh structure, be filled with and surrounded by This "Sun Presence"! It then becomes the Flame from the Higher Mental Body; until the structure of the physical flesh becomes the Great Sacred Fire of the Love from the Presence! This is the Duty of the outer self! Then, will your Joy be Unspeakable and so Tremendous in Its Great Great Power to pour forth into this physical world, the

Fiery Love from the Ascended Masters' Octave! It is the Magnetic Power to raise everything into Perfection! Your Joy will know no bounds in the use of the Power of the Cosmic Fire from your Presence; from Our Sphere of Action; the Ascended Masters' Octave; and from the Great Central Sun! Wherever and whenever you require the Activity of the Sacred Fire, your Joy in Its Use, will transcend anything and everything you have ever known as Joy in This World! It so far transcends what you have known as happiness here, there is no comparison!

Precious Ones, when you see That Flame go forth at your own Conscious Command and carry the Blessing of Its Love; flood Its Perfection; and lift everything into Greater Beauty, Greater Power and Greater Perfection, your Joy will be Boundless! It is ever becoming more active in the Great Cosmic Scheme of Creation! When you see It obey you; when you know you can give It to the world around you, Joy will become Eternal in you! All of It comes from your own Precious "I AM Presence." The Intensity of the Great Sacred Fire Element from the Electronic Body, is Its first Activity from the Great Central Sun! The Intensity is lessened in Power, as the Higher Mental Body comes into existence! The Higher Mental Body lessens the Intensity of the Flame, in order for the outer self to hold Its Mighty Love!

When you begin to pour your Love and Gratitude to your "Beloved I AM Presence" for Its Own Life and for your very existence in This World, the outer self begins to hold more of the Sacred Fire Element within the flesh body! As your Life Flame, in Its Ever-Expanding Action, releases Greater Magnetic Power into the world about you, It not only lifts the world, but It lifts you! In raising the outer self to your Presence through Love and Gratitude, your Love to your Presence, produces the Magnetic Power in This World, which raises the world also, into the Higher

Activities of the Fire Element!

Life is very Wonderful, Beloved Ones, when you understand the Powers of the Sacred Fire! When you give Love and Gratitude back to your "Beloved I AM Presence," everything in the Universe will come to serve you; because Its Own Greater Magnetic Power, filling you with Wave after Wave of Its Increasing Blessings, becomes the Great Raising Force to those around you and to the World! That is why one individual who understands the Power of the Cosmic Sacred Fire, with Intense Love, Gratitude, and Devotion to the "Beloved I AM Presence" and to the Ascended Host, can release a Raising Action of the Sacred Fire Element, into a community or into a group of people which raises the entire group, or the entire locality. This is how one person may be an Influence in the midst of a thousand, by which the thousand may be raised; through the Action of the Sacred Fire of one individual's Life Stream! This is what has happened with the Great Saviors all through the centuries.

The Beloved Master Jesus, when He came at that age, releasing the Sacred Fire through His Love and His Direction of the Sacred Fire, He released to the Earth His Magnetic Power which has affected all Life on This Planet! He has raised all through the centuries, to a Higher Level, than they would have reached had He not come! Now, your Beloved Ascended Master Saint Germain is, in this Age, rendering a Similar Service! Others with Them are rendering a Similar Service in Concentrated Action of the Cosmic Sacred Fire, to the whole World; in order to lift it out of the frightful condition which has accumulated as war, through the centuries.

Unless you have This Magnetic Power of the Great Central Sun Magnet's Love; unless This Sacred Fire from the "Beloved Mighty I AM Presence" of Every Life Stream and the Ascended Host comes, you cannot avoid destruction!

Unless the Great Central Sun's Love comes into the physical world at this time; UNLESS IT ENTERS INTO THE ATMOSPHERE OF EARTH AND TOUCHES THE FEELING AND BODIES OF THE PEOPLE, you cannot save the World from destruction! The only Power which is the Magnetic Raising Force of the Universe and which can lift the World out of its destruction, is This Cosmic Sacred Fire of Our Love, directed from the Planet Venus; directed from the Secret Planet which guards the Earth; directed from the Violet Planet and the Pink Planet!

Each one of These Planets, most of which are Suns, is concentrating Its Sacred Fire Element upon the Earth at this time! That Sacred Fire Element is the Gift of Their Love! That Sacred Fire is a Magnetic Power Itself! It is just like a Physical Magnet, which comes near the Earth and begins to raise the vibratory action of the Whole Earth nearer to Itself – nearer to That Flame! I tell you without Conscious Understanding of what the Sacred Fire means to the Earth and enough of mankind making the Call, it would be impossible to lift the people out of these conditions of war! NOW DO YOU UNDERSTAND WHAT OUR LOVE MEANS TO THE EARTH? (Applause – audience rising) Thank you so much, Precious Ones, will you be seated, please?

Do you not see, Beloved Ones, when mankind's destructively qualified energy, keeps whirling, and whirling, just like a whirlwind; unless the Cosmic Sacred Fire from Our Octave, is consciously projected into the whirlwind, to shut off its expansion and to stop its action, it would swallow mankind up completely in its own destruction? Therefore, unless there is a group of mankind who call the Sacred Fire of Our Love – the Cosmic Fiery Victory of Our Love into the physical energy, which is already acting destructively in this world, there is no way mankind

has to stop it! If you do not, at once, stop that whirlwind, it continues to feed and grow greater, and it will suck everything into its own destruction! When Our Cosmic Fiery Love, which is the Magnetic Power of the Great Central Sun Magnet, is called into action, the Flame from Our Greater Heights of Power, can shut off all destructive action! The people themselves cannot shut it off; because they are within the lines of force which are acting; because that energy has come out of themselves!

The whirlwind of destruction in the outer world today, is but the radiation or existence of mankind's own Life Energy. The people cannot get away from themselves, don't you see? Their own creation ties them to itself; because it is their Life Energy, and it can't get away from them! Only by the Sacred Fiery Love from Our Great Sphere of Action, can there come the Flame which stops the vibratory action that is destructive. Therefore, unless the people call for the Sacred Fire of Our Love to consume their hate, how are you going to consume it? Don't you see how necessary it is, to keep demanding the Cosmic Fire of Our Love, the Cosmic Fire of the Victorious Christ, to come in and consume the destruction?

The people cannot free themselves! Their destruction in This World is tied to them, because it is the extension of their own energy! It is their own energy whirling out here. They are tied to it, because it is their consciousness! There is only One Magnetic Power in the Universe which can raise anything into something better, and That is the Fiery Love from the "Beloved Mighty I AM Presence" and the Ascended Host! So, Our Love is a Necessity to the Earth! The same thing is True of your own precious selves! The Gratitude and Love of the outer self of your "Beloved I AM Presence" is an Absolute Necessity; if you are going to be sustained in Constructive Action; or if you are going to go forward and fulfill the Divine Plan; or if you are

going to attain the Ascension!

Intense Love and Gratitude daily, hourly, momentarily to your "Beloved I AM Presence" is an Absolute Demand of the Cosmic Law of the Universe, by which the Magnetic Power from the Great Central Sun, acts upon you, in you and through you; to lift you by your own Life into Perfection which is your Freedom. You may hunt the world over for Eternity, but you will never have Freedom except through the Fiery Love of your "Beloved I AM Presence" and the Ascended Masters! There is no substitute for It anywhere in the Universe! It is the Master Authority of Life! It is the Great Divine Plan of Creation! It is the Great Cosmic Action of Ever Expanding the Perfection from within – the Causeless Cause of Eternity!

That Great Cosmic Fire of Everlasting Love is Everlasting Perfection; and is the Law of That which manifests the Universe! Therefore, you will never find a substitute for It. When you want Freedom from the limitations of This World, the Fiery Cosmic Love of your "Beloved I AM Presence" and the Ascended Host can give you what nothing else can bestow!

Now, we enter into the Wisdom which is within That Fiery Love. Within That Sacred Fire of Magnetic Power, from your own "Beloved I AM Presence," is the Wisdom, My Dear Ones, to design Perfection; expand Perfection; to make Perfection act; and to know and see ahead for aeons of time, as well as aeons in the past. The All-Knowing-Mind of God in Its Dazzling Magnificent Directing Intelligence, is within the Great Cosmic Fire of Everlasting Love. I could talk to you for Eternity about That Flame and all within It and We would never come to the end of Its Perfection! Is it not wonderful? (Applause – audience rising) Thank you, Precious Ones, won't you be seated please?

Now, in handling conditions of the outer world, where the momentum has increased to a certain intensity, you can

make the call to the Great Immortal Fiery Love of the "Beloved I AM Presence" of Eternity, to blaze Its Flame into whatever is destructive; and COMMAND it consumed from the Universe as quickly as possible! Call forth the Great Immortal Fiery Love of All Eternity; to burn out every destructive condition on the Earth; and you shall have Authority which you, none of you, yet know. Those who understand how to call Our Sacred Fiery Love of Eternity, from the Beloved, Cosmic "Mighty I AM Presence," to sweep Its Cosmic Flame through all destructive activities, may see This Action of the Sacred Fire! If they demand all destruction be burned out of the Universe for Eternity, they will begin to see an Action of the Fire Element, mankind has not yet understood! This must come into the physical octave by the physical command of unascended Beings, in order to let the Cosmic Law act to set them Free!

It is why "I AM" here for the Concentrated Action of these nine days; to hold your attention for an hour or so each evening, upon the necessity of doing this which only the Cosmic Fire can do! Only Its Love can create the Sacred Fire and only Its Authority can COMPEL Purity into the physical octave! This is One of the very Magnificent Powers of the Great Central Sun Magnet!

Therefore, when your Love and your Gratitude go to your "Beloved I AM Presence," after the day's service is ended, before you leave the body when you put it to sleep tonight, demand the Sacred Fire's Love burn out all destructive conditions. When you pour your Love and your Gratitude back to the "Beloved I AM Presence" for all It has done for you, DEMAND the Great Central Sun Magnet's Immortal Fiery Power of Cosmic Love, act NOW through all of you, to burn out of This World, all that is destructive! Then, each of you can become like a Sun of Fire, whose very Radiation consumes the fog, which otherwise would hide the Glory of Its Gifts and Beauty from the Earth!

Each of you can move among mankind, as a Sun of This Fiery Love from the Ascended Masters' Octave, which you command to burn out of existence everything destructive! Then, you will know what is meant by That Phrase— "Clothed with a Sun," the Sun of Our Fiery Love from the Great Central Sun Magnet, which you can command to go forth and consume whatever is destructive! Then, will the very Radiation of your Life be an Healing Benediction to those you contact; and It will be the Healing of the Nations, as the Flame is consciously directed to consume the evil, mankind has generated and yet plans to do!

The Great Cosmic Fire of all Creation in Its Magnetic Love from the Great Central Sun, is all Authority over the energy mankind has sent forth in This World destructively qualified! Draw and DEMAND all the Cosmic Fire of Creation, to charge forth Its Magnetic Love of Immortal Purity; and DEMAND It be the Government of every Nation in the World! You, as unascended Beings, in the Authority of your "Beloved I AM Presence," DEMAND the Cosmic Fiery Love of the Victorious "I AM Presence," the Cosmic Christ in Victorious Action, BE the Government of every Nation in the World, and see for yourselves what evil is consumed!

The people cannot shut off the thing they have started, except by This Cosmic Fire of Love which is their Master! That Cosmic Love gave them existence! The Fiery Love of the "Beloved Mighty I AM Presence" owns and has created all that exists! Without the Cosmic Fire of the Ascended Masters' Love charged into destructive conditions, how can you burn them out? You cannot burn them out of existence by more of the same thing! Since they are generated by hate and selfishness, you must have Our Qualities of the Cosmic Fire, to consume all qualities which are destructive!

Send your Love and your Gratitude to your "Beloved I AM Presence" and the Ascended Host; and DEMAND Our Flame, which you are calling into the outer world, to burn

all evil out of existence! Let the Cosmic Fiery Love from Our Ascended Master Octave, become a Mantle of Substance around your physical bodies; and see for yourselves Its Healing Action within the physical form! DEMAND Our Cosmic Flame of Fiery Love become as a Substance around your flesh bodies; and demand It consume everything which is NOT the Immortal Purity and Perfection that gives you Perfect Health! See whether it be practical or not; to use the Sacred Fire of Love which comes from Our Sphere of Action; until It produces the Same Perfection in your world, that We have on Venus.

With this Magnetic Power in the Universe; with Love which is Infinite, Eternal and Almighty, Beloved Ones, no longer let yourselves dwell in the limitations of a world clothed in the darkness of mankind's own filth! Arise in the Magnetic Power and the Fiery Love from the Planet Venus! Use It practically in everything you do! Demand It burn out of existence whatever dishonors Life; and see for yourselves whether it be practical or not! (Applause – audience rising) Thank you, Precious Ones, and while you are standing, feel yourselves clothed within This Flame! Say to your Beloved Presence whenever something in the outer world needs to be handled: “I DEMAND THE IMMORTAL FIERY LOVE OF MY ‘BELOVED MIGHTY I AM PRESENCE’ AND FROM THE PLANET VENUS, BE THE GOVERNMENT OF MY WORLD; AND MY AFFAIRS AND THE RULER FOR ETERNITY IN ALL THAT CONCERNS ME!” You DEMAND the Government of Immortal Fiery Love from Venus! Demand Immortal Fiery Love be the Government of your business; the Government of the body; the Government of your world; the Government of your Nation! Demand and see whether the Law will answer you! We are ready! Your “I AM Presence” is ready! The Great Central Sun is ready! The Great Central Sun Magnet is ready! The Angelic Host are ready! The Seven Mighty Elohim are ready! All Divine Beings are ready

to flash the Sacred Fire of Eternal Love; to be the Government of your world, if you so command It! (Applause) Thank you, Precious Ones, won't you be seated please?

If just a few of you will take up This Command, We can fulfill It! If you will DEMAND the Immortal Fiery Love of the "Beloved I AM Presence," the Ascended Host and from the Planet Venus, be the Government of your Nation; be the Government of the people; be the Government of every land; be the Government of the Earth; be the Law of your Land; be the Law of your Government; be the Law of your own physical action; and consume everything which is not the Perfection Life intends in the Fulfillment of Its Divine Plan, hate will die! When you call and DEMAND the Immortal Fiery Love of the "Beloved I AM Presence" of This Nation, BE the Government of the Land, and the Fiery Love from Venus be the Law of your Land, HATE WILL DIE! (Applause—audience rising) Thank you, Precious Ones, won't you be seated, please?

As you enter into the Use of This and you feel Our Sacred Fire surge Its Cosmic Power in, through and around you all, will your devotion to the Presence expand! Things of the outer world coming more and more into Divine Order, will be Proof to you in the physical octave, of This Truth of which I have spoken! Then, will you leap into action with all the Devotion of your Being, with the determination to love and be grateful to your Presence! Then, in your DEMAND that Its Immortal Cosmic Fiery Love be NOW the Law of your world; be NOW the Purity of your Earth; be NOW the Healing of the Nations; be NOW the Authority of the Central Sun brought into the physical octave; to burn out everything which has tortured Life, will you find Legions of the Cosmic Sacred Fire entering into the conditions of the outer world! You will see Legions reversing the appearance of human creation; until the Purification takes place which becomes the Eternal Perfection of the Earth;

and It can never come in any way, except by that which I have commanded!

Tonight, I have commanded the Immortal Fiery Love from the Planet Venus to become the Law to the Earth, UNTIL HATE CAN NO LONGER BE REMEMBERED! (Applause – audience rising) Thank you, Precious Ones, for that response! With All My Being shall I bless you for Eternity! From tonight, clothe yourselves, your government and your Nation in the Immortal Fiery Love from Venus! Keep DEMANDING the Immortal Fiery Love of Cosmic Christ Power, keep increasing Its Power of Cosmic Flame within the Nation; until nothing else can live! Then, We shall draw everything into outer action, which will assist you as you go forward using This Command!

May Its Boundless Blessings clothe you in an Armor which is Invincible for Eternity! May Our Sacred Fire of Cosmic Love, become so VISIBLE AND TANGIBLE about you, that wherever you go, It has already consumed whatever opposes the Perfection of Life! May Its Boundless Reality, Its Visible, Tangible Presence, become Blazing about you; and give you Its Everlasting Magnetic Power from the Central Sun Magnet, which raises you, and through you, raises everything in This World into Eternal Freedom!

May the Glory of the Ascension, in This Magnetic Fiery Love, blaze Its Power through you all, to your Eternal Victory; and as your Victory is attained, may the Earth attain Its Victory also! I clothe you in Its Everlasting Fire and may My Love prove to you the Glory of Eternity is yours now; to use with Boundless Power to bless everybody! Thank you! I clothe you in Its Victorious Flame unto your Ascension!

Thank you and good night.
