Series of 9

BELOVED ONES from the Heart of Love, tonight let us enter deep into Our Great Power of the Cosmic Fire; and call forth the Most Intense Action of the Purifying Love which takes you deep, deep, deep into the All-Knowing-Mind of God!

This Great Flame of Love of which I have been speaking, is the Only Door into All the Boundless Knowledge of Eternity! Since you will need the Wisdom of the All-Knowing-Mind of God, in order to bring Divine Justice into the outer activities of the physical world; the Key for the Release of all you will ever require to use in the outer physical activities, is Our Fiery Love of which I have been speaking! Love alone from the Heights of Creation has designed the Universe! Having poured forth Its Own Life by which the Universe lives, Only Our Love knows what the Divine Plan from hour to hour can reveal, in outer physical manifestation!

So, enter with Us into the Use of Our Great Fiery Love from the All-Knowing-Mind of God! It brings for your outer use, Our Power into the intellect! The Illumining Flame of the Love from the Heart, must fill the intellect. These two Flames must blend in the outer self, if Our Great Fiery Love is to hold command; open Its Heart to you; and give you all you desire! When the Immortal Purifying Love of your own Heart's Flame expands until It blends with the Seven-Fold Flame of the Elohim in the forehead, It consumes everything in between, and you will never again make another mistake!

Oh, it is so worth while, Precious Ones, to just concentrate on the Use of the Great, Immortal, Fiery, Victorious Love from Our Great Sphere of Action from the Central Sun;

from your "Beloved I AM Presence," and from every God-Being of Perfection in the Universe! When you really enter deep into our Actual Feeling and Use of This Flame; and DEMAND Its Presence in outer action, everywhere in the Physical World; you will begin to move in your own World of the Perfection, which your "I AM Presence" intends for you! Beloved Ones, please believe Me tonight, your "Beloved I AM Presence" does intend Eternal Happiness for you, even in your outer activities! You do not have to attain the Ascension in order to begin to dwell in the Permanent Happiness which is to be yours after the Ascension takes place! I want you to know tonight, This Great, Immortal, Victorious, Fiery Love to which your attention has been called, is the Hand of God! In your use of It in the outer activities, It is the Hand of God, Whose Magnetic Power of Attraction, can draw from anywhere in the Universe, whatever you require to FULFILL the Divine Plan in your outer activities!

After all, Beloved Ones, the DIVINE PLAN FULFILLED must come into outer physical action; because so long as Its Wisdom and Power always remain within the Higher Mental Body, It is manifesting in the Great Cosmic Work of Creation! Your Service in the outer world, is to bring Our Perfection into outer physical conditions! Then, you manifest control over the physical things in This World! Thus, Harmony is maintained and ever expands in physical action, the Greater Perfection which is in Our Octave!

We have to set into Divine Order the things of This World; and they must be purified before you can have Divine Order! Now, even in the control of mechanical things, if you had enough momentum of This Great Fiery Love which We direct; and if It were drawn in and around the physical form, you would find your Radiation alone, able to control certain conditions in the physical world; without you ever saying a word; because then the Power of the Great Great

Silence, can act for you and through you, in the physical world by your Radiation alone.

This is a Powerful Activity of the Great Magnetic Power of the Great Central Sun Magnet! It means the Flame of Our Love from the "Beloved Mighty I AM Presence" in the Great Central Sun, pours forth everywhere, Its Blessing into physical manifestation! It forever exerts the Raising Action, which draws that manifestation into Greater Manifestation. The Perfection of the Universe is ever becoming Greater, and you must understand that; because there is no contentment in just reaching a certain manifestation and then not going higher! Everything in Eternity is ever becoming Greater and more Wonderful in Its Manifestation of Beauty, Perfection and Ecstatic Joy in the Divine Use of the Things of the Universe.

As long as mankind has bound the people in the discord of the outer world by their own desires, there must come the Hand of God, to FREE them! That Hand of God is Love, to push aside the discord which enslaves the Life of those who are caught within its turmoil! Therefore, it takes the Power, the Great Magnetic Power of Our Love, to reach in and draw mankind up and out of its own distress! You must have the Wisdom of the All-Knowing-Mind of God, if you are going to know when, where, and how to do that which is for the Highest Good of yourselves and others at any particular time.

Tonight; "I AM" determined to charge into your mental and feeling world, the Desire to use This Cosmic Love which I have offered, in your outer activities so powerfully; that Your Own Natural Powers of Life, will begin to come into your outer use, as Life intends. In the Golden Ages of the past you have used the Power of Precipitation, instead of the slavery method of building physical things or physical conditions; to supply the comfort which the body must have, in order to continue its work in the physical world. You

have had the Power of Levitation, of Transportation; you have had the Power of Etherealization and Precipitation! Precious Ones, you must return to the Use of These Greater Powers of Life! You are really the postgraduate class of the World, and you must graduate into the use of These Powers; because you have already drawn them forth in former embodiments; and the Energy you used in the past Constructively, is still in your Causal Body!

It is time now, to use These Great, Creative, Fiery Activities of the Love of the Victorious Cosmic Christ! That Love is the "Beloved Mighty I AM Presence" in the Great Central Sun, which governs This Whole System of Worlds! Those Powers must somehow come into the outer use of some of mankind; in order to prove to the rest of the people, These Natural Powers of Life, are the Way mankind is intended to live in the future! Mankind has been entirely too content to stay in its limitations; because it takes too much effort exercised in the outer, to break away from the whole mass accumulation of discord! When We call forth Our Great, Cosmic, Fiery Love of Our Victory, into the human accumulation of the world, it breaks the suction, so to speak; which discord has imposed upon the mental and feeling world of the people! This has to be shattered – cracked apart; before mankind has the Impulse from within strong enough; to exert the Strength necessary to reach up; do These Greater Things; and draw forth the Power, by which they can be done!

If you will understand THIS tonight, with the Help of the Beloved Goddess of Justice, you can be the Balancing Power wherever you move in the outer world! If a condition be wrong, you will draw the Immortal, Fiery Love of Victory into the physical world; and shatter the pressure of the discord which holds mankind in its grip! Then, you become the Peace-Commanding Presence of the Sacred Fire from Our Octave, which brings your Victory here! What is Vic-

tory? The Victory for which you have been calling, is the Perfection of Life; and the Perfection of Life comes only from within This Great Flame of Our Love! So, everything resolves itself, into how much you can use Our Cosmic, Fiery Love of the Victorious Christ, in the physical world, in all you do from day to day! The amount of Victory you will attain, the amount of Victory you require, to bring to you the things you want in the physical world; to produce Happiness, Freedom, and Victorious Accomplishment, is dependent entirely upon how much you use This Great, Cosmic Flame which is provided by the "Beloved Mighty I AM Presence" in the Great Central Sun; by which you compel things in the physical world, to produce Perfection for you!

Everything you desire; everything you require; everything Constructive on This Earth, has come forth from within This Great, Immortal, Fiery Love of the Victorious Christ! Therefore, everything you want in the future will have to come forth from within This Cosmic Christ Love, by your own Conscious Call; if you are going to fulfill the Divine Plan! If you are going to move Free from the limitations in which the rest of mankind is caught; if you are going to bring Divine Justice into the outer world, you are going to have to shatter the streams of substance and energy, which are the sustaining energy and force of destructive conditions! The Only Power in the Universe which is Great Enough to break away the enslaving force which holds mankind in its grip, is This Great, Cosmic Fire from Our Octave of Life.

The Fire Element, My Dear Ones, is the ONLY MASTER ELEMENT! Therefore, It has to be passed through every condition, everybody and everything; all substance and energy in the physical world; if Freedom is to come! Since your Beloved Saint Germain is the Purity, the Immortal Purity, which is the Freedom mankind desires, the Sacred Fire's Purifying Love must come here! The Beloved Goddess of Justice directs the Sacred Fire Element which burns

away the discord, so the Divine Plan can take its place! With My Assistance, I trust regardless of any Quality you require, the Sacred Fire's Purifying Love must come here! Whether it be Wisdom, whether it be Power, whether it be things and substance in the physical world; whether it be health and strength, matters not; Our Purifying, Sacred Fire Love must come!

Everything comes forth from within This Cosmic Flame of Our Immortal Fiery Love! When you begin to use the Phrase – "The Immortal Victorious Fiery Love" from your "Mighty I AM Presence" or from Our Octave, it means RIGHT THEN, your Higher Mental Body and the Assisting Ascended Masters, project the Fire Element into whatever you desire; in order to cause Perfection to come forth there to bless you!

Within Our Cosmic Flame of which "I AM" speaking, of Our Eternal Love, is the Protection, you must have against discord! When you understand how Great is Our Cosmic Fire to which I refer; when you realize you can walk into It, and become Its Qualities in yourselves, by abiding within It; you can become a Sun-Presence of Our Sacred Fire Love! Then, whatever you desire to manifest in the outer world, you will cause to come into outer action; by your own DYNAMIC DEMAND, for This Sacred Fire to come in and around yourselves, which is Our Victorious Love! It is the Flame which makes the Planet Venus Self-Luminous, but which really is a Sun within This System! It is the Fire Element which produces the Light! It is the Fire Element which makes the Sun! Then, in the world of physical things, This Cosmic Flame of Our Love must come to abide! You must become Its Expanding-Flame to everything about you. You must become clothed in Our Flame, if It is to yield you Perfection!

Oh, understand what it means to call forth the Fiery Mind of God; by That Love from the Heart of Creation, which brings you Everything Good! You will love to make This

Call, more than anything you have ever loved before on the Earth! I want you to enter so deep into your Love for This Cosmic Fiery Love from Our Octave, that you will use It all the time! The more you use It, the Greater will you feel your own Power! The more you use It, the Greater will be your Happiness! The more you use It, the Greater will grow Its Presence in and around you; and the discipline of the outer self, is but to remind you to love Love; and call Its Flame into outer physical action, to produce Perfection everywhere!

In your Decree: "‘I AM’ THE ALL-CHRIST," to which your attention has been turned recently, when you begin to recognize: "‘I AM’ THE ALL-CHRIST FIRE OF IMMORTAL VICTORIOUS LOVE," DEAR HEARTS, YOU DON'T NEED ANOTHER THING! IT IS ALL OF EVERYTHING! When you say: "‘I AM’ THE IMMORTAL FIRE OF VICTORIOUS LOVE, IMMORTAL VICTORIOUS LOVE," then you stand within the Flame! The Flame of Our Love can do for you, that which you have been doing in the past by physical effort of struggle.

This does not mean you can sit in the corner, and just expect things to drop out of the atmosphere, not at all! You will draw the Flame in and around yourselves; and wherever the Flame moves, automatically the Beings of the Elements, come to serve you and bring you Their Gifts! What you have heretofore done by force, through human desire and human effort, you will do now by Love's Own Magnetic Attraction through Our Flame!

We have gone more deeply into These Various Activities of the Cosmic Fire, the Sacred Fire of all the Universe, than ever has been permitted at any time in the outer world! It is because, while your attention is held upon the Sacred Fire, We are pouring It into the mental and feeling world of all mankind! We hope to awaken the Desire in the people, to know something about the Sacred Fire! They are nearing

a certain point in outer world information, which is going to compel them; to at least inquire about what the Fire of Creation is! When you know the Great Flame of Our Immortal, Victorious, Fiery Love, is the Supreme Scepter which produces Manifestation of Perfection, THEN THE SACRED FIRE BECOMES A VERY PRACTICAL THING TO YOU! When you ask Our Flame to produce the Perfection you require here, and then the Perfection appears; isn't it practical to take you out of limitation; and bring you into the Freedom of Boundless Supply?

Mankind has cried unto the Heights for Supply, for the physical body! The torture, the agony of war, and the strain mankind has sent forth through the desire for food, clothing and the necessities of Life, have gone on through the centuries! Had the Same Intensity of Desire gone forth, for This Flame of Immortal Victorious Love, there could not be a human being on the Planet, ever lack for anything! The Law of Life is to desire the Greater Love from the Source of Greater Life! When the Greater Desire goes forth, It will draw back a thousand times more of the Greater Life and Its Boundless Powers, than exist already in the outer world!

To get mankind to turn the attention to the "Beloved Mighty I AM Presence," and the Great Beings Who can send Our Cosmic Fire of All Creation, into the Physical World, to release Its Love, My Dear Ones, is the Pathway of Mastery! That is Service to the Light! That is the DEMAND of the Cosmic Law, if mankind is to be Free! When you love to love Love, then will the Three become One! You are a Three-Fold Being, as you exist in the unascended state! BEGIN TO FEEL AND KNOW THE POWER WHICH COMES INTO YOU AND AROUND YOU, WHEN YOU SEND YOUR LOVE TO AND JUST ENJOY LOVING YOUR PRESENCE! LOVE to call This Great Cosmic Flame of Immortal Victorious Love, into every condition of the physical world; especially into all which is not the Perfection you desire!

When you just love to flood Our Love forth, you will lift yourselves beyond human limitations! This is required, My Dear Ones, before Precipitation can be again released, into the use of many people in the Present Age!

Mankind has had This Power before and lost It; because of selfishness which drove in; and which did not want to return to the Source of Life, the Gifts Life had given! It was a holding of the Gifts God had given to the outer self, which bound the outer self in human desire! Since the Law of This Age is the PURIFICATION OF THE EARTH AND THE RELEASE OF ALL LIFE FROM LIMITATION, there must come Our Great Cosmic Fire of Immortal Purifying Love; for without It, mankind would go on indefinitely in the chains of its own desires!

Since human desire has bound you through the centuries, the Divine Desire to call forth This Great Cosmic Flame of Immortal Victorious Love into the physical octave, will draw the Magnetic Power of all the Universe to assist you! Just make That Divine Desire alive within you! Let It become an ALL-ABSORBING HABIT AND ACTION OF THE OUTER SELF, to adjust conditions Silently and Harmoniously which ordinarily, you have adjusted by physical struggle and effort; and much of the time have created more problems, instead of solving the ones you have! If you will love to use This Flame of Our Immortal Fiery Love, you will never create another problem! Now that is something, because, Beloved Ones, ordinarily people solve one problem and pick up a dozen in its place, and you have just a difference in the variety!

In the Great Mercy of the Law, when It took the black magicians from the Earth, We had hoped to have avoided this war; but mankind released from the torture of the black magicians, has again turned to the use of more destruction in this warring condition; and has drawn upon the people, dangers they know not of. So, when We have released the

Earth from that which has tortured mankind through the centuries, the least mankind could have done, was to turn back to Us; and try to understand the Law of Love which had released them; instead of persecuting This "I AM" Activity of the Mighty Saint Germain; instead of casting discredit upon That which is of God; and which is the Divinest of the Divine! My Dear Ones, again mankind has faced the misuse of its own energy, to again torture the people. Now, Our Hope rises in you! Just love to use This Great, Cosmic, Fiery Love of which We speak! If you will concentrate on This Demand, everything in your world can be corrected; perfected and protected by Our Great Cosmic Flame of Immortal, Victorious, Fiery Love! We have hope that It can come forth, intense enough into the physical octave; to begin to reach out and shatter apart the accumulated discord; which only draws mankind into the quicksand of destruction!

We are offering you the Solution of everything in the World! If I were you, I would constantly DEMAND the Cosmic Authority; the Cosmic Law; the Cosmic Divine Judgment of Immortal, Victorious, Fiery Love from the Planet Venus; NOW BECOME THE ACTION IN THE PHYSICAL WORLD, WHICH SHUTS OFF ALL HUMAN AUTHORITY FOREVER! (Applause – audience rising) Thank you, Precious Ones, won't you be seated please?

If you will DEMAND the World; the Nations of the World; and the people of the World, be now possessed by the Immortal, Fiery, Victorious Love of the "Beloved Mighty I AM Presence," the Ascended Host, and from the Planet Venus; the authority of the human will begin to recede! DEMAND with every fiber of your Beings, the Immortal, Victorious, Fiery Love from the Heart of Creation; from the Planet Venus; and from the "Beloved Mighty I AM Presence" of all mankind; now blaze Its Authority in the physical world! DEMAND THERE BE ONLY ONE AUTHORITY ON THIS EARTH,

AND THAT IS THE AUTHORITY OF THE ASCENDED MASTERS' VICTORIOUS LOVE IN THE COSMIC FIRE WHICH CONSUMES EVERYTHING ELSE! Then, will hate and anger and selfishness die! Whenever these seem to appear in outer action, SWIFTLY DEMAND, THE LIGHTNING DESCENT OF THE COSMIC FIRE OF ALL CREATION; IN THE IMMORTAL VICTORIOUS FIERY LOVE AS ALL AUTHORITY!

You can return mankind – all mankind on the Earth, to the Authority of the Cosmic Fire of Victorious Love! Then, Certain Cosmic Activities of the Law can come to your assistance! The Great Beings Who Command This System of Worlds, will permit the Use of Certain Cosmic Power, which the people cannot use by themselves as yet! The Cosmic Beings will permit Us to do Certain Things in the physical octave for you; IF WE CAN HAVE A GROUP OF PEOPLE, WHO WILL SEND THIS FORTH WITH FIERCE, RELENTLESS DEMAND; THAT IT BE ALL THE AUTHORITY WHICH COMPELS MANKIND TO SEE THE LIGHT OF THE “BELOVED MIGHTY I AM PRESENCE”; AND KNOW IT IS THE OPEN DOOR TO THEIR FREEDOM!

DEAR ONES, IF YOU SEEM TO BE BOUND BY LIMITATIONS, WITH EVERY FIBER OF YOUR BEINGS, DEMAND THE IMMORTAL, VICTORIOUS, FIERY LOVE FROM VENUS, GIVE YOU FREEDOM NOW IN THE PHYSICAL WORLD; THAT THE FLAME OF OUR LOVE MAY NOW BECOME THE FREEDOM OF YOUR NATION! DEMAND Our Fiery, Victorious Love be now the Purity, which is the Strength within the people, to arise and go Godward! Demand the Government of Love from Our World, be the Guardian of yours! Demand Our Government of Immortal, Victorious, Fiery Love! Demand the Law's Eternal Action of Divine Justice of Our Love, which is All Authority of the Cosmic Fire! Demand the Eternal Divine Justice which Love alone can give! Demand the Boundless Supply of Immortal Vic-

torious Love in the physical octave! Out of That Cosmic Fire will come to you a River of Everlasting Supply; a River of all God-Powers; and the Illumination which enables you to use Them, only AS LIFE INTENDS TO FULFILL THE DIVINE PLAN!

Precious Ones, when you seem discouraged, turn to the Happiness of Our Immortal, Victorious, Fiery Love! We can make you Happy in a moment! Have you ever noticed when you sometimes seem distressed, if some individual comes into your midst who is happy and begins to joke, it turns your attention away from the distress; you all become Happy in a few moments? Well, if unascended beings can do that, can't We? We can make you Happy, and tell you Things of which you never heard! and They will be True!

When uncertainty, doubt and fear of the outer world, have caught you in its feeling, DEMAND THE ETERNAL TRUTH OF IMMORTAL, VICTORIOUS, FIERY LOVE OF THE "BELOVED MIGHTY I AM PRESENCE" IN THE GREAT CENTRAL SUN AND FROM OUR PLANET VENUS, COMPEL MANKIND TO BECOME AWARE OF THE TRUTH OF THE SACRED FIRE! DEMAND ALL MANKIND BE FORCED TO KNOW THE COSMIC TRUTH OF THE ETERNAL LAW; AND THAT LAW IS THE FIERY LOVE FROM OUR PLANET! We have much to Give and More than all the Earth has upon It! The Cosmic Law demands the Greater Perfection on Our Planet, NOW begin to release Its Stream of Blessings to the Earth; to change into Greater Perfection, the outer physical conditions; and the things you use in the physical world; until your things become more like Ours. (Applause - audience rising) Thank you, Precious Ones. Won't you be seated please?

There are Certain Things which We have perfected, that must come from Venus to the Earth to bless you all; but you may have Them much ahead of the rest of mankind; as you enter deep into This Use of the Great Fiery Love

of Cosmic Christ Power! You can use All the Power you desire, of Our Immortal Victorious Fiery Love! It can never produce anything that would be a danger to you; but the Gifts We have ready to bestow, must come in through YOUR OPEN DOOR! Precious Ones, if someone sends you a Magnificent Present, the delivery boy knocks at your door and is ready to give you the Gift; if you don't open the Door, how could you accept It? We are in the same relationship to you in Our knocking at your Door of Life, with the Divinest Gifts Our Love can bestow! Won't you let Us in? (Applause – audience rising) Thank you for that response! Now, "I AM" going to take you at your word! First of all, let Us into your Hearts! Then, let Us into your affairs! Let Us into your government! Then, let Us into your business! Let Us into your Life, and see what Our Gifts can bring, which the world can never give you! but if you will let Us in, We can give Our Gifts to the World! So, you are the Open Door by which Our Cosmic Fire must reach into the Nation and through the Nation to the World!

Within Our Cosmic Fire is everything you want and nothing you do not want! It contains everything mankind could ever use and nothing which would ever cause distress! Therefore, Our Reality must be acknowledged; accepted; and drawn into all your activities of the physical world! Then, We will transmute your world by Our Love! Isn't that a fair proposition? (Applause – audience rising) Thank you, Precious Ones, won't you be seated? Just remain seated for a few moments!

Beloved Ones, please I plead with you, for it would really only take five minutes of intense desire and determination; for you to face your Chart in the morning – your "Beloved I AM Presence" and Us! With every fiber of your Beings, with ALL THE DEMAND you know how to send forth – DEMAND your World be Our World of Immortal, Victorious, Fiery Love! Just DEMAND IT! Really if you only

demand it for five minutes, you set the KEYNOTE FOR THE DAY! Demand everything which happens to you each day, be the Immortal Fiery Victory of the Mighty Love from Venus! If you just DEMAND, THAT YOUR WORLD BE THE WORLD OF OUR VICTORIOUS LOVE, WE WILL MAKE IT SO, BECAUSE YOUR LIFE AND OUR LIFE IS ONE LIFE! We are not as separate as it seems to you, in the physical form! The Great Universal Energy is One throughout Creation! Consciousness is One! Substance is One! The Flame of Love is Innate within ALL LIFE, and is One Flame throughout the Universe! Since It always abides quiescent within all Life, when you take your stand, that you want your world made the World of Our Immortal Victorious Love, the Fiery Love of all Creation; your own Life stirs into action, the energy in the atmosphere about you! We, projecting the Flame of Our Love into your Life's Energy, begin to reveal to you Our Qualities of Love; which have made the Planet Venus the Sun of Its Beauty, Perfection and Joy to Life!

Each of you may become now Our Perfection and Joy, with your Calls to Us with Fierce, Relentless Determination! Then, your World, first of all, meaning your own individual world; then the Nation and the Earth, become now the Immortal Love and Perfection from Venus! It is, as if the Flame of Our Love covered your Earth, like a skin covers an orange! It begins to protect you, as you enter into the changing condition, into the Beauty and Perfection of Eternal Happiness!

We give you Our Gift tonight! It is Our Life! We love your Life and when Our Love of Life touches yours, your Love of Life goes forth; to shed Our Flame of Love to All Life! Thus, you will find It lifting everything out of the shadows; and into the Light of Eternal Happiness, where Love abides! Supreme is the Divine Law and in the FULFILLMENT of Its Own Cosmic Desires, It forever produces Perfection; which blesses the Universe and takes all for-

ward to ever expand Happiness! Yet the Great Creative Work of the Universe—the Cosmic Creative Work goes on! Then, in the Uninterrupted Joy of Victorious Accomplishment, It ever sustains all!

To the Heart of Its Joy, do I commend you; and may Our Love of which I speak teach you about Itself, the Joy of your Eternal Inheritance! It is the Greatest Legacy in the Universe! It is as Free as the air you breathe! It only takes a little time, when you turn from human distress, TO DEMAND OUR FLAME FILL YOUR WORLD AND MAKE YOU THE GLORY, THE JOY, THE MAJESTY, THE POWER AND THE VICTORY OF OUR LOVE, SO YOU MAY BE FREE AND FREE OTHERS!

I turn your attention tonight, to the DISCIPLINE OF THE OUTER SELF, commanding it to love to use Love! May Its Cosmic Fire take you into Its Heart, and reveal to you everything you desire! Know in the Eternal Truth of All Creation, and your “Beloved I AM Presence,” you come closer and closer into Our Flame of Love, which eventually is Your Ascension! May the Glory of all in Its Heart, flood you tonight; and make you feel with every fiber of your Beings, all the Mastery We have; and are so glad and grateful to pour into you!

To the Glory of your Victorious Freedom do I commend you! May the Flame of Immortal, Victorious, Fiery Love, ever abide with you; and be the World of Our Perfection and Gifts to you forever! Thank you with all My Love! Our Flame shall abide forever in This World, until It, too, is Ascended and Free! Thank you and good night!
