

GREAT ANGELS OF THE GUARDING-HEART

Great Angels of The Guarding-Heart,
In Legions bless us all!
Their Crystal Rays enfolding us,
Are Love's Own Answering Call!
Great Rainbow Rays of Cosmic Power,
Bring Flames from God's Own Heart!
The "Mighty I AM Presence'" Life,
Can never from us part!

Great Angels of The Guarding-Heart,
Give us Light's Armor here;
It is God's All-Controlling Hand,
Light's Legions now appear!
Their Power is Invincible,
Their Victory is God's Might!
All on Our Earth must now awake,
And rise to Freedom's Height!

Great Angels of The Guarding-Heart,
Forever guard us well;
As we accept Their Presence NOW,
And know They 'round us dwell!
Their Peace, Their Love, Their Own Hearts' Flame,
Their Victory shall NOW stay;
Their Mighty Cosmic Miracles,
Do heal, God's Perfect Way!

Great Angels of The Guarding-Heart,
Abiding here in Flame,
Reveal to man, God's Cosmic Law,
"I AM"! God's Own Great Name!

From Heights above, God's Great Heart-Realm,
They come in quick descent;
Where'er They move, Their Flame rules all,
As discord They prevent!

Great Angels of The Guarding-Heart,
Love's Honor-Flame reveal;
Their Great Heart-Legions ever blaze,
All shall Their Hearts' Light feel,
Their Heart-Command goes forth to help,
To purify and bless;
Their Heart-Realm here – established NOW,
Prevents mankind's distress!

Great Angels of The Guarding-Heart,
Protect Our Loved Ones, too;
For all on Earth now welcome Them,
Their Legions do come through!
They clothe us in Their Raiment Bright,
In which no shadow dwells,
To all abiding here on Earth,
God's Truth each Heart NOW tells!

Great Angels of The Guarding-Heart,
The Source from whence you come;
Are Life and Light – Perfection's ALL!
God's Love! God's Flame – The One!
The "Mighty I AM Presence" NOW,
Is seen and loved by man;
It is Our Own Heart-Home, All Peace;
In Its Heart-Flame we stand!
