

BELOVED SANAT KUMARA'S DISCOURSE

"I AM" ASCENDED MASTER YOUTH CONCLAVE
SHASTA SPRINGS, CALIFORNIA AUGUST 14, 1951

No. 3

Series of 15

BELOVED ONES of My Heart, tonight, as We enter in to the DEEPER USE of the Great Glorious Violet Consuming Flame, I want to take you deep within the Understanding, both of yourselves and Our Violet Consuming Flame; so you may reach into Its Powerhouse and draw forth THAT which sets you Free more quickly!

Through These Various Dictations, the Ascended Host has constantly poured the Blessings from Our Octave into yours! Your Mighty Saint Germain has poured to you the Freedom of His Life, the Love of His Life, which brought Him His Freedom! The Mighty Master Jesus has poured to you, the Love of His Life, which brought Him His Ascension! The Beloved Godfre has poured to you the Love of His Life and His Obedience, which brought Him His Ascension! I have poured to you My Love throughout the centuries and My Love is My Mastery of Life! My Love is My Cosmic Power to hold This World in Perfect Balance; and to enable the Constructive Activities, to stand against what otherwise would destroy them! The Mighty Victory has poured to you, the Love of His Life which brought Him His Victory; and made Him the Outpouring of the Stream of Flame, which is Victory in the use of everything in the Universe!

All these Outpourings from the Various Ascended Masters and Cosmic Beings are the Feeling of Love! Our Love is the amount of Energy from Our Life Streams which brings into your Life Streams, a Substance and the Power you require, to produce Our Perfection here! Since all Perfection comes from LOVE IN THE FEELING WORLD OF

THE INDIVIDUAL, the sooner you take the energy of your emotional bodies in hand; and ABSOLUTELY CONSCIOUSLY COMMAND the energy of your feeling to record only that which sets you Free, your Freedom will come very much more quickly! In your use of the Great Cosmic Violet Consuming Flame, command your feeling and all the energy of your outer self, to feel Our Cosmic Violet Consuming Flame! When you make your outer self feel It, you will begin to feel Its Qualities and Its Powers acting in you; to bring the Perfection you have craved and are trying to call forth now! Then, as you master all feeling within yourselves, and FEEL ALL THE QUALITIES which are within Our Cosmic Violet Consuming Flame, the Radiation, as It goes forth through the physical body, will pour your feeling into the energy of the air you breathe and in which you move! As soon as you charge your feeling out into the atmosphere about you, the Flame follows It and the Flame is a Greater Pressure of Energy, than just your feeling can send forth!

So, the whole effort, My Dear Ones, of redeeming the outer self and bringing it into obedience to the Great Divine Law, is the Management and qualification of the energy of your feeling world; because when you think a thought, it goes forth so quickly, you are only conscious of a little energy! Yet, as little as that is sometimes, it can stir a feeling within you or within others, which can boil to a great volcano! Unless you shut it off, My Dear Ones, you would go on indefinitely in more and more problems and limitations! Your limitations will continue, until you come to the time, when by your own Free Will; by your Own Choice; by your Own Authority of your Own Life, you command your feeling to feel Our Qualities of Life's Perfection which are Eternal! By your own "Beloved Mighty I AM Presence"; by Conscious Command, using the Great Creative Word "I AM," you in the outer self, must choose to issue the Fiat which compels the energy of your feeling world, to FEEL ALL the

Qualities from the Ascended Masters' Octave, which are Eternal!

Unless you take This Command of your own feeling, all feeling just as it pours through you, may one day be harmonious, when you don't contact any discord in the outer world! The next day there may be a terrific turmoil of discord! When you take the Authority of your "Beloved Mighty I AM Presence" and FORBID your feeling to register anything in the energy of your emotional body, but Ascended Master Feeling, turmoil stops! You must FORBID your feeling to register anything but the Ascended Masters' Qualities of Their Feeling of Life! Then, there is some hope for you; because that locks the door against the vibratory action of discord from the outer world flowing into you! Thus, you stand insulated within your Tube of Light, determined only to feel the Divine Desires of your "Beloved Mighty I AM Presence" and Higher Mental Body!

I might talk for Eternity, but unless I reach into your feeling world; and arouse you to the importance of guarding the energy of your feeling world, you cannot have Invincible, Eternal Protection! Somebody, sometime, somewhere must guard the energy of your feeling world, if you are ever going to gain your Ascension! Therefore, in mastering yourselves, take your stand against all destructive forces! When you see individuals doing things which are wrong, you must know you are insulated within your own Violet Consuming Flame! While It goes forth to repel or purify wrong conditions, It does not draw you into those wrong conditions!

If you will forbid the energy of your feeling world, to ever again record anything but Ascended Master Feeling of ALL OUR GREAT QUALITIES OF LIFE'S PERFECTION, then regardless of what is in the outer world, it would not come into you and produce a condition which becomes a problem in the future! THIS IS THE ONLY WAY YOU WILL EVER GET RID OF PROBLEMS! EITHER ALL THE EN-

ERGY IN YOUR FEELING WORLD IS GOING TO BE QUALIFIED WITH ASCENDED MASTER QUALITIES AND ASCENDED MASTER DESIRES, WHICH CAN ONLY PRODUCE CONDITIONS THAT ARE WITHOUT PROBLEMS TO YOU, OR YOU WILL LIVE IN THE WORLD OF PROBLEMS!

You, who are the Younger Generation, have as yet perhaps not had as many problems as the Senior Youth! None of you has ever seen as many problems as I have! I have watched mankind throughout the centuries go from one problem into a dozen, many times! Now, let us be through with that tonight! YOU DON'T HAVE TO STAY IN PROBLEMS, PRECIOUS ONES! Here are these Ascended Masters pouring to you Their Love, constantly ready to give you more! Their Love only contains that which you can never change into anything but Greater Perfection! They are offering you the Pearls of Existence—Mastery without limit; Happiness which is Etemal; the Boundless Use of All the Wealth of Creation! By your own Free Will, you can go forward to honor your Source; and create only that which blesses all the Universe; because you are releasing the Love which contains Perfection!

When you take the energy of your feeling world in hand; and command it to be filled with Our Feeling, Our Purity forever sustained by the Cosmic Violet Consuming Flame, you are charging it with all the Ascended Masters know you are going to require to handle conditions in the outer! You will only have to issue those commands a few times; until within you will surge Our Feeling of Our Mastery of Life! ONCE YOU FEEL OUR MASTERY IN THE LOVE OF OUR LIFE STREAMS, nothing will be any effort to you in the outer; to accomplish quickly that which otherwise would take you years to attain! You could do in ten years with this of which "I AM" speaking tonight, what the mass of mankind would take fifty years or perhaps a hundred to accomplish!

Our Love clears the way before you! Our Love con-

tains within It, the Intelligence, the Ideas and the Enfolding Light, which shows you in a moment the Right Thing to do, to bring the Perfection you desire! Our Hearts' Love and especially Our Use of the Violet Consuming Flame contain within them the All-Knowing-Mind of God and the Directing Intelligence which We are; and which We are using in Our Own Octave and Sphere of Activity! Therefore, when you feel Our Love, try to know that It carries into you, Our Intelligence to show you in every case the Easiest, Best, Most Permanent Way to do everything, which will bring Perfection here in This World!

The substance and energy of This World has been contaminated by mankind's discord! You, who understand the Law and know how to bring Our Violet Consuming Flame into the physical substance of This World, into your physical problems; into the things you contact, My Dear Ones, are expected under the Action of the Cosmic Law, to call Our Violet Consuming Flame into This World, to redeem it, by filling It with the Perfection from Our Octave!

What do you think is My Attitude to Life? What do you think has been My Activity throughout the centuries to This World? When I left the Planet Venus to come and abide within the atmosphere of Earth, I became an exile, so to speak from My Native Planet! Yet I have stayed within My Own Light and poured My Feeling of Life, the Flame of My Love into the darkness of mankind's hate! I would not like to tell you how much I have consumed over a period of two and a half million years! If I have chosen to do that, could you not do likewise? (Applause – audience rising) Thank you, Blessed Ones! Thank you for the Love from your Hearts! Thank you for the appreciation you have sent forth in this response! It shall bring back to you still more of the Help, which I can and I will give you! Won't you be seated please?

Now let Me show you, where My Joy has been through

these centuries! I have always dwelt within My Own Sphere of Light! While I have been in the atmosphere of Earth, yet I have been surrounded by the Flames of My Own Love of My Own Life! So, I have not felt the discord of the hate around Me; but in pouring forth the Violet Consuming Flame into the atmosphere of Earth, for the consuming of mankind's hate, I have enjoyed compelling human darkness to become the Light, by the Violet Consuming Flame which I drew into it! You, too, will have Great Enjoyment, when you once begin to feel These Greater Powers of your own Life Stream; as you use Them in outer conditions, to compel those conditions to become Perfection! I TELL YOU THE JOY IS GREAT BEYOND DESCRIPTION!

There is Eternal Happiness in all you would do, to help set the rest of mankind Free! As We have told you before, unless the Seven Kumaras—the Other Six with Myself—had come from Venus to render This Service, other Cosmic Beings would have had to come from somewhere else in the System, to pour the Violet Consuming Flame to mankind during these centuries! If We had not come, My Dear Ones, the mankind of This Earth would have all passed through the second death! Individuals will not know until their Ascension, when they look back upon the record of the Earth and its record of each Life Stream, nor will they realize the danger they were in! MANY TIMES OUR LOVE CLOSED THE DOOR TO THAT DANGER, AT THE TIME WHEN IT MIGHT HAVE BEEN FATAL!

So, to give up the temporary sensations of the physical world, because "I AM" not going to call them "pleasures"—they are but sensations, here one moment and gone the next—to give them up is no difficult task I assure you! If the senses riot within you and pull you here one minute, they will pull you somewhere else the next minute! They will not give you Peace; but when you arise into the Mastery and Use of This Magnificent Violet Consuming Flame and

ALL Its Cosmic Power and Powers of Action, you will know only the Most Ecstatic Joy; as you see It obey your will; go forth and do whatever needs to be done! Then will you know Happiness and Peace are yours forever!

Please remember, all of you have had This Knowledge of your "I AM Presence" in every Golden Age! That is six times you have had This Understanding before; but you forgot your "Blessed I AM Presence"! Now, because you have entered into the Age of the Violet Consuming Flame, you will not forget It again! The only reason you won't forget It again, is because the Violet Consuming Flame is the Law of This Cycle! It will be the Reminder in continual action which keeps consumed the shadows and the substance which in the past, made you forget It! With all your Hearts, thank the Great Cosmic Law and the "Blessed I AM Presence" in the Great Central Sun, that the Cosmic Hour has arrived, when in the use of This Great Cosmic Violet Consuming Flame with your assistance, We can cause the suffering of Life on This Earth to cease forever! Enough Violet Consuming Flame will compel the human to disappear; and that disappearance won't be the disappearance of your bodies! It will be the disappearance of the misery within them! Then, the outer self of each one will be the Loving Co-operation of the Higher Mental Body! It will be the Expansion of Its Great Glorious Action of Life; wherein every Power of the Universe will offer Itself to you, to produce Perfection and Joy without limit forever! Then you know no exhaustion! You know no distress nor limitation; because you continually expand the Blessings of the Universe and they grow ever Greater at your conscious command!

You can scarcely comprehend tonight, except in a small way, what the Beauty and the glory is, when I say to That Violet Consuming Flame: DESCEND THOU AND EXPAND HERE! Then, Beauty Indescribable manifests at My Call! While "I AM" called the Youth of Sixteen Summers,

“I AM” also called the “Ancient of Days.” It sounds like a contradiction, doesn’t it; but it is not! When you see the Cosmic Fire from the Great Central Sun, at My Call, descend in Its Indescribable Beauty and Glory; enter into that which must be removed and know the removing is Harmonious—Joy Indescribable is in the Great Mastery of the Sacred Fire!

Love That Violet Consuming Flame as you have never loved anything in your whole existence, except your “Blessed I AM Presence”! Let It show to you what It will return to you for your Love! Did you know, Precious Ones, in the Great Cosmic Law of the Universe, every time you send your Love to the Cosmic Fire, no matter what Activity, the Great Cosmic Law pours back to you a Greater Wave of Love containing more of the Powers and Blessings of the Universe for you to use? Your Love to the Violet Consuming Flame will always draw back to you, not only more of the Violet Consuming Flame’s Own Love, but all the Other Blessings which are contained within It! I tell you, It is the Treasure House of existence today! The greatest wealth on your Earth is nothing, compared to THAT which abides within the Sacred Fire! Its Magnificent Manifestations release and give to you, the Power to change anything into Greater Perfection!

If you have ambition, My Dear Ones, give It an outlet through the use of Our Violet Consuming Flame; and see what Its Lifting Process is to you; to take you forward in the Victorious Accomplishment, which will satisfy your strongest cravings! Our Glorious Violet Consuming Flame could beautify the Planet, until you would be speechless with delight; and if you think It can beautify the Planet, why can it not beautify you or your homes, your world or your Loved Ones? Why could It not heal mankind? Mankind’s own experiments have not healed the people; but I challenge them to experiment with the Violet Consuming Flame and see whether Healings take place or not! I challenge the

scientists of the world, to study the Violet Consuming Flame with the same intensity of research, they have put into the atomic bomb! Then, tell me whether the Earth could remain in war or not!

I challenge anybody to experiment with Our Violet Consuming Flame and see whether It is Real or not! In the cloud of their own ideas, their ignorance and their discord, have the people struggled unnecessarily! WHAT LIFE DOES IN THE REALM OF PERFECTION IT DOES EASILY, GLO-RIOUSLY, BEAUTIFULLY, JOYOUSLY; AND WHAT IT GIVES, IT GIVES OF PERFECTION PERMANENTLY!

Oh, Dear Ones, turn away from the shadows! Enter into the Light of Our Love and let Our Life in you, give you the Qualities, the Strength and the Power; to produce the Same Perfection in your world, that Our Life produces in Ours! Adore your "Blessed I AM Presence"! Adore That Precious Violet Consuming Flame! I challenge you to love Our Violet Consuming Flame with DEEP INTENSITY, by daily attention and see whether My Words are True or not! It is a Scepter of Power second to none, to correct the conditions in this world which have no Right to live! By Our Violet Consuming Flame, does Love reveal Its Forgiveness, Its Mercy, Its Purity! It does reveal what Wisdom is within the Great Love of the Universe, which comes forth from the Great Central Sun; to produce Manifestations to glorify the Source of All! You are entitled to live in Our Glory!

In the Love of Our Octave there can come to you, all that would beautify your world! Then you, the Master within it, the Jewel in the Heart of the Lotus, blaze Its Dazzling Presence; and give to the Universe the Blessing of Its Beauty and All-Powerful Command! Live no longer in the slavery of the senses! Arise into the Freedom which Love alone can give! In the Use of the Violet Consuming Flame, Our Love will take you all to the Heights, unto your Ascen-

sion! All the human desires and their gratification in this world, can never give you your Ascension!

May the Glory of all which is within the Heart of the Violet Consuming Flame, blaze around you tonight, Its Limitless Happiness; Its Infinite Blessings; Its Glorious Invincible Protection; to take you forward; open the Treasure House of the Universe; give you Boundless Supply; and glorify every particle of Life with the Greater Perfection in the Great Cosmic Command to Life! Command Our Violet Consuming Flame to go where you will; and your Joy shall be Eternal! You will walk hand in hand with the Ascended Host and the Angelic Host! You will realize They are your Friends of Eternity and will never give you anything but the Blessing and the Joy of Love! Ever abide within the Majesty of Its Glorifying Presence and take your Freedom! In It you may give Freedom to others! Wherever you go in This World, you become a Blessing for all Eternity! Our Glorious Violet Consuming Flame becomes a Permanent Part of the structure of your world! It ever sheds the Radiance of Its Love and Its Blessings to the Universe and to this System of Worlds! You are part of It! You may live within It! You may glorify It! You may use It! You may give It to others; and wherever you send It forth, only Happiness can ever exist there to Life!

In all the Glory and Love of Our Violet Consuming Flame, do I clothe you tonight! May It lift your attention into the Heart of your Presence and into Our Octave, until you see What you must some day become; What you ought to be now; and What you can have, as you go forward in your Service to your Nation; and establish here whatever honors all Life for all time to come! In the Glory of Our Love, may you ever abide and Its Healing Purifying Power make you a Benediction to the Universe! Let all that It contains flood into your outer use now, and Its Mighty Reality reveal Itself to your fellow man! Then, wherever you

move, mankind will love It, and want It, and call It into action; until It is the Law in outer physical conditions, so This World outpictures the Perfection which is Its Destiny!

May your Nation be glorified in It tonight, in the Eternal Freedom of your Blessed Master Saint Germain, as It moves throughout the Nation, His Love to Life! May the people awoken to the Freedom which is waiting to bless them! Ever go forward and use Our Violet Consuming Flame, as you have never done in the past; have the Greater Happiness and all the Blessings which will increase in your world to your Victory over all!

To the Glory of Its Heart do I commend you; and I bid you ever welcome within Our Octave, as It frees you from the limitations of yourselves!

Thank you and good night!
