

BELOVED SANAT KUMARA'S DISCOURSE

"I AM" ASCENDED MASTER YOUTH CONCLAVE
SHASTA SPRINGS, CALIFORNIA AUGUST 21, 1951

No. 4

Series of 15

ELOVED ONES of My Heart, again it is Our Privilege to come together and in Our Oneness of Life, consciously understand the Will of the Violet Consuming Flame!

You are inclined to think of the Will as a faculty of the mind! To some extent It is, but if you will understand the "Will of Life" as the "Law's Action within Life" to will manifestation into outer physical action, you will understand more of Its Power. Our Will of Life is the Command to produce Perfection sustained forever and forever expanding! As you know and use Our Various Activities of the Sacred Fire, you will begin to understand what the Power of the Will is; and what It can do for you, under Consciously Directed Action of your attention and your feeling!

When you desire to do only that which is Constructive, the thought comes to the mind; but simultaneously there comes the feeling within you in the energy of the emotional body, to push, as it were, the Fulfillment of your Desire into outer action! WHEN YOU REALIZE THE WILL WITHIN THE LIFE OF THE VIOLET CONSUMING FLAME, IS ALWAYS TO WILL PURITY, PERFECTION AND BALANCE INTO OUTER ACTION, IT WILL BECOME A VERY POWERFUL MANIFESTATION AND POWER IN YOUR DAILY USE!

THE DAY YOU ARE ABLE TO CALL IT FORTH; SEE IT FLASH INSTANTLY INTO A CONDITION; AND THEN BEHOLD THAT CONDITION PURIFIED AND BROUGHT INTO PERFECTION WITHIN A FEW MOMENTS BEFORE YOUR EYES, YOU WILL FULLY UNDERSTAND WHAT I MEAN TONIGHT! When you know your Desire for the Violet

Consuming Flame, to come from your Presence or from Our Octave into your physical affairs, is Obedience to the Law of Perfection, you will call It forth everywhere! AS YOU CALL IT INTO PHYSICAL THINGS, INTO PHYSICAL CONDITIONS AS THE WILL, THE LAW, THE AUTHORITY, AND THE POWER WHICH CHANGES THE ACTION OF ALL ENERGY IN THOSE CONDITIONS, IT WILL COMPEL THEM TO PRODUCE PERFECTION SUSTAINED AND EXPANDED FOREVER! Then, you will know Life's Violet Consuming Flame is the Divine Justice you have always sought, but rarely attained!

YOU DO NOT QUITE UNDERSTAND YET HOW BY YOUR DEMAND, YOUR CALL AND YOUR ACCEPTANCE OF THE VIOLET CONSUMING FLAME'S ACTION INTO ALL CONDITIONS, you can re-establish the Natural Balance which should be there to hold Divine Justice! Then, you will know THAT TO HAVE DIVINE JUSTICE BROUGHT INTO THE OUTER WORLD TO CONTROL CONDITIONS, MEANS YOU MUST BRING OUR VIOLET CONSUMING FLAME INTO THE OUTER WORLD, IF YOU ARE GOING TO EXPERIENCE IT HERE!

The Power which draws It into your physical octave is your own Love! The feeling must come within you, to call to your "Beloved Mighty I AM Presence" and allow Its Authority, to release or manifest the Violet Consuming Flame into your world of physical things! Therefore, when you say: "I AM" THE LAW OF THE VIOLET CONSUMING FLAME! "I AM" THE WILL OF THE VIOLET CONSUMING FLAME! "I AM" THE DIVINE JUSTICE OF THE VIOLET CONSUMING FLAME'S IMMORTAL LOVE, PURITY AND WISDOM FREEING LIFE, you yourselves will be giving Divine Justice to your Presence and the Universe about you! Then, automatically, as you surge It into outer action to control conditions around you, It brings Divine Justice back to you!

The World as it exists today, because of mankind's chaos and frightful filth, is surely not balanced! It is NOT giving Divine Justice to Life! It is NOT pouring forth Divine Justice nor Balance into This System of Worlds! Therefore, it is out of attunement in relationship to the other Planets of This System! That condition is just as discordant in the System itself as a musical instrument which is out of tune! Call to your "Beloved I AM Presence" and to Us! We are Directors of All Sacred Fire to the Earth! If you DEMAND the Law and the Will of the Cosmic Christ Violet Consuming Flame, to surge into all the energy of your physical octave, It will immediately begin the Purification, which re-establishes the Purifying Balance in any situation, therefore, Divine Justice!

I know when appearances are screaming at you, you wonder sometimes where the Violet Flame has gone, but It has not hidden Itself, I assure you! Don't give outer world appearances authority nor energy to exist longer! It matters not how destructive they are, don't give them authority! Don't give them Power! Don't allow them to have action in your world! IF SOME DESTRUCTIVE THING MANIFESTS FROM SOME OTHER PART OF LIFE, FORBID ITS EXISTENCE BY THE VIOLET FLAME'S PREVENTION!

If something has manifested wrong, you can DEMAND the Divine Will of the Violet Consuming Flame take that other manifestation out of existence; and COMPEL Divine Balance and Divine Justice to live and take its place by the Violet Consuming Flame!

When you call forth the Power of the Heart, the Heart of the Universe, which the Great Central Sun is, the Heart of your Physical Sun which sends forth the Violet Consuming Flame; the Heart of your own "Beloved I AM Presence," or the Power of your own Heart, you are touching into the Eternal Divine Will and Law's Action of the Violet Consuming Flame! So, when you say "I AM" THE LAW OF THE

VIOLET CONSUMING FLAME! "I AM" THE WILL OF THAT VIOLET CONSUMING FLAME WHICH COMPELS DIVINE JUSTICE HERE, COMPELS PURITY WHICH IS ETERNAL, it but takes your CONTINUED RECOGNITION OF ITS MANIFESTATION, TO GIVE IT THE OPENING OR THE WAY BY WHICH IT CAN FLOW INTO THE PHYSICAL WORLD AND DO FOR YOU, THROUGH PHYSICAL CHANNELS, WHAT NOTHING ELSE CAN DO!

The Violet Consuming Flame is an Action of the Love of Life which is Eternal! It is an Eternal Part of the Great Central Sun's Life to This Whole System of Worlds! Therefore, every particle of Life can be charged with Our Violet Consuming Flame! As It is intensified, all that is not to become Eternal in the Universe, must be consumed from Creation.

You have heard Us from various angles offer Our Help of the Violet Consuming Flame! You may use It for awhile, then you forget It, but something prods you on to use It again! All of Its Action is a continual charging forward of more of the Will of your own "Blessed I AM Presence"; UNTIL THE VIOLET CONSUMING FLAME BECOMES VISIBLE TO YOU IN THE PHYSICAL OCTAVE! If you demand Its Visibility, Precious Ones, under the Cosmic Law, We would be forced to make It visible to you; or rather your Higher Mental Body from within, would set up a vibratory action within the optic nerve, which would force you to see It; or Our Radiation around you would raise your vibration, until you would see the Violet Consuming Flame!

Many in the outer world, even when they have heard of Our Violet Consuming Flame, think It is imaginary. Wouldn't you like to make their imagination a little more visible? (Applause - audience rising) Thank you, Precious Ones, won't you be seated please?

Now, I have an Idea which I offer for your acceptance. I trust your Experience will be supremely entertaining, and

it is this: If for the Freedom of all Life, in the Name of your "Beloved I AM Presence," your Blessed Master Jesus and the Ascended Host, you DEMAND whatever intensity of the Violet Consuming Flame is necessary, to COMPEL every human being to see It, I think We will make more rapid progress, because one of two things will happen! Either people will be forced to recognize something is around them, which they have to obey; or they will turn to It with Love and Gratitude enough, to let It rule and control outer conditions! If you will make the DEMAND, that because of the condition of the outer world today, the Violet Consuming Flame come into the physical octave; and force Its acceptance in all by Its Cosmic Christ Action, much evil will die before it lives much longer!

You, Precious Ones, have far more power than you know! You have ALL AUTHORITY TO DEMAND WHATEVER MANIFESTATIONS ARE NECESSARY TO AROUSE MANKIND OUT OF ITS FILTH! We are hoping this will bring you such a Thrill, in the use of Our Power, that you may have a few experiences of Its almost Instantaneous arousing of other people! Then, you will realize, you have a Scepter of Dominion which you can go forward and use; until you will scarcely know opposition ever again!

The human creation of mankind's discord and filth is frightfully energized; but still it is nothing like as powerful as the Violet Consuming Flame! When you call forth Its Cosmic Christ Action of Instantaneous Visibility, to the physical sight of everything that lives, We will shock mankind out of at least some of its intended destruction! If I were you, I would call It forth before the physical sight of every official in your government; every person in your army; every one in your National Defense; and FORCE MANKIND TO SEE THE VISIBILITY OF OUR VIOLET CONSUMING FLAME. Your CALL will compel It, because the approach of the Cosmic Light and the RELEASE of these Activities of the

Cosmic Fire are imperative; in order to shock mankind out of its frightful determination to go on to more destruction! Selfishness and filth have become so great, that REASON does not longer function, when it affects the mass of the people! Therefore, the Cosmic Law offers some Assistance to offset the frightful onrushing destruction which is planned.

If you will demand the Cosmic Christ Violet Consuming Flame compel visibility to the physical sight, It will be so! Call to the "I AM Presence" of every human being, to COMPEL THE OUTER SELF, THROUGH THE PHYSICAL SIGHT, TO SEE THE COSMIC VIOLET CONSUMING FLAME IN ACTION; TO THE REMOVAL OF ALL THAT ANY LONGER WANTS TO ENSLAVE LIFE, TO THE DESTRUCTIVE DESIRES OF MANKIND! IF YOU DEMAND THE COSMIC CHRIST VIOLET CONSUMING FLAME IN SUCH INTENSITY, AS TO COMPEL THE PHYSICAL SIGHT OF EVERYTHING THAT LIVES TO SEE IT, YOU WILL SEE VERY MUCH QUICKER FULFILLMENT OF YOUR CALLS!

"I AM" sure you will enjoy this quite as much as We will. It is beautiful in the extreme, and to some parts of Life, Its Beauty will be positively fascinating! It will draw conditions up into Our Violet Flame with a Love which brings Freedom quickly! To those, who are so coarse and selfish, they have no further desire to be constructive, the Approach of Our Violet Consuming Flame will be a warning! It may perhaps strike consternation for a time; but It will compel Understanding and Illumination to help Free every particle of Life!

Just as mankind has been astounded by the frightful activities of the atomic bomb, so can the people be astonished by the Terrific Activity of the Cosmic Law! When Cosmic Law manifests as the Violet Consuming Flame, It purifies and forces Balance into all physical conditions! It can astonish mankind just as easily as the physical fire. Mankind has denied the Invisible so long, that the hour is

approaching, when all people are going to be forced to see, that out of the Invisible comes all which is their Master! Before It, all will bow with no uncertainty!

You, who love Our Violet Consuming Flame and understand something of Its Authority and Power to assist you, can call forth the Will from the Heart of the Violet Consuming Flame! Ask your "Beloved I AM Presence" to manifest the Fulfillment of Its Own Divine Plan; as you COMMAND THE WILL OF YOUR "I AM PRESENCE," THROUGH THE VIOLET CONSUMING FLAME, BE THE ONLY AUTHORITY IN YOUR OUTER PHYSICAL AFFAIRS!

The Will within Life is Terrific Power! Only when It is surrounded or travels forth in Its Great Pressure within the Violet Consuming Flame or those Activities of the Sacred Fire from the Central Sun, can you possibly have PERFECT MANIFESTATION. When you desire to live in the World of the Heart, try to feel your duty is to fill your world every morning on arising with the Will of the Violet Consuming Flame; made physically manifest in such Power the human cannot live! That takes dynamic force and you need to remind the outer intellect constantly, to keep It charged into your physical affairs. My Dear Ones, your Speed of Accomplishment will lift you into action, with Joy that is yours forever!

Many of these things you have been told! Many of them you know, but only your use of them, will determine in your world how rapidly you want your Freedom; how quickly your Perfection is approaching! The more you use the Violet Consuming Flame, the more Joyous will you become! The more you make yourselves the Will of the Violet Consuming Flame, the more you can use all Our Determination you desire! What has become or what has been stubbornness in the past, if charged with the Will of the Violet Consuming Flame, becomes the Victory of the future! You can use all the Will Power you want, so long as you charge It forth

with the Violet Consuming Flame, which compels Purity, Love and Wisdom, to be the Power to balance everything into Perfection! It is the MANIFESTATION of the Divine Plan FULFILLED.

So, My Dear Ones, turn the Power and the Will of the Violet Consuming Flame – they are almost synonymous – into every condition! DEMAND THE COSMIC ACTION, THE COSMIC CHRIST ACTION OF OUR VIOLET CONSUMING FLAME, BE MADE VISIBLE TO EVERYTHING! Your Manifestations will be all the encouragement you need to jump into action; and use all the Power which takes you to Victory every time without delay!

When you DEMAND your world be made, from tonight, the Heart of the Cosmic Christ Violet Consuming Flame, you are calling to the Heights of Creation! In Our World, You DEMAND the Perfection manifested which holds balance everywhere! Then, you may reach to Our Heights of Creation! There is no Height you may not reach! There is nothing too Great to accomplish, when you do it with your CONSCIOUS AWARENESS AND CONSCIOUS COMMAND OF THE WILL OF THE VIOLET CONSUMING FLAME, WHICH IS THE LOVE OF YOUR “MIGHTY I AM PRESENCE” IN ACTION! It is the Purity of your “I AM Presence”! Its Balancing Action is the Purifying Power of your own Life, to control all Power in this world!

Let us go forward remembering, that Our Magnificent Gifts of Life are ever awaiting your call! What do you think fills the Infinite Universe about you? Limitless Energy, Limitless Power, Limitless Consciousness, Limitless Beauty and Manifestation! They are all for your use here in whatever intensity you choose! They will draw Perfection forth, by your own CONSCIOUS CALL to your “Beloved I AM Presence” and to Us!

Therefore, in calling Our Violet Consuming Flame into outer action, it is not always just to solve your own problems

and live peacefully! It is to call forth the Illumination to the mass of mankind which compels the people to awaken! When you DEMAND the Cosmic Christ Violet Consuming Flame in whatever intensity in the physical octave is necessary, to make all that lives see Our Violet Flame, there must come the AWAKENING! There has to come the Illumination! There must come the Response from within all Life; to the Upward Pull of all that is trying to purify the Earth at this time!

So you can co-operate with Us in a very Magnificent Way, as you DEMAND It in physical action to fulfill the Divine Plan! As you have called, many times, you yourselves will see the Beauty of It! The more pictures there can be made of the Violet Consuming Flame, the easier will you feel It! Some of the most Transcendent Beautiful Examples of this Violet Consuming Flame will come forth! As you contemplate It, you will begin to live in a World you have never known, and yet has been around you all the time!

Just as you can take a prism and break up the White Light from the Physical Sun into the colors of the spectrum, then use any particular color for any particular purpose; just so can you reach into the Great Activities of the Cosmic Christ Fire Element of the Universe, and draw forth into your special activities of the outer, any Definite Quality or anything you choose to manifest—even that which has never yet come forth into manifestation! This is the Great Treasure House of the Universe; for the Sacred Fire is THAT which contains ALL and from which ALL Manifestation has come forth! Mankind has never understood in any age, but a fragment of what the Violet Consuming Flame means to the Universe; means to this world, means to individuals and means to Life everywhere!

It is the Cosmic Harmonious, Balancing Force! Therefore, It is the Divine Will and is the Divine Plan made

manifest! When It takes command of physical conditions, It forces them to become the Perfection, which they should have been from the beginning! Tonight, I commend you to the Glorious Beauty and Magnificent Feeling within Our Violet Consuming Flame! As you enter the realm of sleep, or the body does; and you come to Us to understand more, of what Our Cosmic Violet Consuming Flame must come forth to do now, within your Nation, It will strengthen all that is Constructive and dissolve and consume all that is not! So, to the Unlimited Use of Its Glorious Presence do I call you; and I will show you at the Inner Level, Its Almighty Power to control physical manifestation in this world! So, be not discouraged no matter what the appearance! Call forth Our Violet Consuming Flame; and together from your octave and from Ours, shall the Sacred Fire come to do the Will of Those, Who have sent Us to help you on the Earth! To Those Great Cosmic Beings from the Central Sun, Who have sent Us to assist the Earth to be Free, shall We do Their Will together! The Earth and all Life will be blessed, because Our Violet Consuming Flame will come in response to your Call!

May the Fullness of all My Love can give, bring you the Illumination and the Determination to use It; until It reveals all Its Power to you! Then, you will not need anything to take you forward in Its Use; because Its Own Love will draw you with Irresistible, Eternal Power into the Happiness and the Perfection which is your Destiny!

To the Glory of Our Love do I commend you tonight! May Its Eternal Peace come to the Earth through your Calls!

Thank you with all My Heart for your Presence here tonight!
