

## BELOVED SAINT GERMAIN'S DISCOURSE

CHICAGO, ILLINOIS

JANUARY 15, 1944

EVENING

MRS. BALLARD:

If you will command your emotional bodies to be still, relaxed and at Peace during this Discourse, I will do everything possible to charge you with the Energy; with the Strength; and with the Ease and the Peace which will release you from much of the disturbing condition that has tried to affect your throats.

Remember, whatever causes an epidemic or such conditions throughout the Nation, as you have heard Me say before, is the war hate, the war anger and war irritation! It is irritation in your throats, is it not? That irritation is generated through war! Will you replace it by Blessing your throats from now on; and see there is no movement in the room after the Discourse starts! Beloved Saint Germain wants to anchor within you a Radiance, which will stay with you and help to give you His Inner Peace! Just be at Ease!

### BELOVED SAINT GERMAIN

Beloved Ones of the Light, it is Our Hope to bring to you as soon as possible, Greater Assistance in outer activities, so you may have the Unlimited Supply your Hearts require, for the Expansion of This Light; to do anything and everything your Hearts want to do; to carry This Light to those of humanity who are starving in the darkness!

Will each of you make yourselves an "Open Door of My Presence," to give Light wherever the darkness seems to be? You know irritation is darkness! Unkindness is darkness! Criticism, condemnation and every disturbing feeling, depression, worry – anything that disturbs the Ease of your feeling, is but a shadow!

Since "I AM" the Law of Freedom to the Earth, and

since the Earth must have My Freedom – Invincible Freedom – I want you to have It first! I want you to have My Freedom from the hate and the anger of the outer world! So, will you FEEL yourselves a “Part of My Heart” that knows no irritation; that knows no unkindness; that knows no disturbance; for even though I must go everywhere quickly – and I never cease offering My Freedom, yet “I AM” never disturbed!

I will flood you with My Freedom, MY FEELING OF FREEDOM, if you will only shut the door to those shadows, which are your irritation! Will you close the door behind you each night when you go to sleep; and will you close it many times during the day; if there comes to your remembrance the discord of yesterday, the day before, or any time in the past. Will you close the door against the shadows? I will give you more Light and your Light shall be the “Guiding Star” to many others; who are groping in the world which is sick in the darkness of selfishness.

I want you to be a “Hand of Myself” to reach your hand out to those who are seeking Assistance before the darkness engulfs them further! Will you be “My Hand of Light and Freedom” to all Life everywhere? Will you be “My Hand that blesses and blesses and blesses and gives Freedom everywhere”? I love you! “I AM” your Freedom! I have given you as much as you would accept! I offer more than you can comprehend! America tonight, needs “Many Hands of My Light and Freedom,” to help her this hour out of the shadows!

Remember, Precious Ones, every feeling of battle is resistance! Therefore, your feeling is not qualified with a Great Ease! Your resistance, if you are merely expanding your Light – the resistance against which you move, should be qualified with OUR GREAT FEELING and Authority of the Light moving in everywhere!

All feeling of battle with a pressure back of it, of irritation, anger or impatience, is a very dangerous thing at this hour! Don’t let it engulf you! “Just stay within the Light”! Keep yourselves reminded to flood forth and call

forth into everything which is discordant, Oceans of the Cosmic Light of a Thousand Suns! Light is not only taking Its Dominion on the Earth; but "That Light is the Authority on This Earth" in outer activities as well as Inner!

I tell you there is no hope for the sinister force regaining any of its ground! The sinister force is being forced off the Earth; but you, who are the "Cup of Light" must pour more of Our Light everywhere around you; in order to continue to drive back the shadows into the sinister force; until it is bound completely and forever removed from This Earth!

Oh, Precious Ones, you know not yet the Power of Freedom and Opulence which can be yours, with such very little effort and with such great speed; if you will absolutely refuse to have one thought or feeling about anybody or anything; except to command discord annihilated, replaced by the Ascended Masters' Perfection and go forward the "Presence of Light"!

Could you see what it means, to call forth "Those Oceans of the Flame of Eternal Invincible Purity" all over Your Land; into various activities and to hold a CONCENTRATED STREAM OF ITS ACTION – you would not for one moment, spend any energy discussing anything which was not the "Purity and Victory of the Light."

You know the shadows are afraid of the Light and they do recede when the Light approaches! When the Light becomes BRIGHT ENOUGH, the shadows are consumed! They are no more! When Light is all around you, It makes you Invincible against all that is of the shadows! You can dissolve them, but they cannot dissolve the Light! At most, all they can do is cover It over and hide It for a time, but they cannot dissolve the Light!

**"YOU ARE THE LIGHT OF MY FREEDOM TO THE EARTH"!** WILL YOU LET YOUR BODIES BE CLEANSED AND PURIFIED AND FILLED WITH THE "LIGHT OF MY FREEDOM"? YOU KNOW THE MUSIC OF THE SPHERES IS LIGHT! KINDNESS IS LIGHT! PURITY IS LIGHT!

PEACE IS LIGHT! FREEDOM IS LIGHT AND ALL HEALING POWER IS LIGHT!

Will you take advantage of every opportunity when discord seems to approach; and just suddenly call, for the Cosmic Light to blaze into it instantly and dissolve it from creation; so it may never touch any other part of Life? You know, if the Light of the Sun can illumine the atmosphere of Earth during the daylight hours, you, too, who are Eternal Light, can illumine every place you go—with your Light! There is not one place on this planet where you could move, wherein you could not call forth the Power of Light! There is no place in the Universe, to which you could not send your Love, your Gratitude, your Praise, and your Blessings!

Will you accept My Radiance in the room? Will you LET your bodies and your feeling drink It in and absorb It?

### SILENCE

Will you let go of everything which is not a Blessing of Light and Life? I want so much for you to forget how to criticize or blame or condemn or pass opinions! If you will do that, Precious Ones, you shall have opulence, wealth and supply of beautiful magnificent things; under your direction and in your use, for the Expansion of every desire of your Hearts! They will serve Life to bring forth Greater Perfection, Beauty and Purity.

Remember, Beauty depends on Purity; and Purity, as you heard Me say the other day, is the “Cornerstone of the Universe”! The Light is absolute Purity, and is the Fullness of all Wealth! Will you give the Light to every particle of Life? As you pass by just bless it, with the “Cosmic Light of a Thousand Suns” or “The Light of God that never fails”! Use either one of Those Expressions!

Flood Oceans of the Flame of Eternal Invincible Purity, to be anchored permanently, anywhere and everywhere discord seems to be; and even before you know it, that which seemed to be a problem will be no more! The Light will have taken its place forever, if you will but use your own

Authority and Command to Life; to pour forth Its Light; to give Oceans of Its Blessings of Light, to everybody and everything unconditionally! When you pour your Blessings of the Light of your own Life, to all Life everywhere you move, all Life is COMPELLED to unconditionally pour Its Blessings to you!

Your Nation, tonight, needs a Great Deal of Light! "I AM" depending on you, to make the Call and pour It forth everywhere – wherever you move! FEEL, OH, A GREAT CALM MASTERFUL DETERMINATION, when anything is brought to your attention that is not the Perfection of Light! Simply call the "Mighty I AM Presence" to strike Its Sword of Blue Flame into it, and the Ascended Masters to wipe it out of the Universe, so it never touches any part of Life! Then, replace it with "Oceans of the Cosmic Light Substance and Oceans of the Flame of Eternal Invincible Purity," for Those Activities are Eternally sustained and Ever-expanding by the Group of Ascended Masters, Who govern Their Special Action to the Earth.

Will you try to remember that every feeling in, through, and around you, is seen by someone? Every feeling is seen by your Higher Mental Body and the Ascended Host! Will you command your feeling, to be charged with "Oceans of the Cosmic Light Substance; Oceans of the Substance from the Secret Love Star; and Oceans of the Flame of Eternal Invincible Purity"?

Try for the next twenty-four hours to just take your feeling and keep charging and charging and charging it, with the "Flame of Eternal Invincible Purity"! Use your Violet Flame FIRST, then call forth Eternal Purity! Remember what That means! Invincible Purity means your Protection; and, Precious Ones, Eternal Purity is the Full Supply of every Good Thing; for a lack of any good thing is an impurity.

I want you to feel, tonight, in preparation for tomorrow and the Musical Monday night, the necessity and yet the Great Loving Willingness to call forth more of This Light; so during tomorrow, as the Power for the Ascension Day is

drawn forth and Monday during the Musical, there may gather into those two days, ALL THE PRESSURE of the "Cosmic Light and the Flame of Eternal Invincible Purity," which can be called forth to flood over your America! The Light grows brighter and the atmosphere itself becomes Luminous, when charged with Light, Precious Ones! LIGHT ENOUGH can become the PRESSURE that shuts off the expansion of destructive activities!

When the atmosphere of Earth is charged with "The Cosmic Light as of a Thousand Suns; and Oceans of the Flame of Eternal Invincible Purity" – the atmosphere holding That Pressure of Light, becomes a Terrific Wall or Pressure against the expanding of destruction! It will make destructive plans very much less powerful! I want you to feel It, as That Light is called forth into the special activities for which you are decreeing! It is like you opened a great big faucet, the water began to flood and you had turned it on full, until it had filled everything around it with water.

The Mighty Elohim of Eternal Invincible Purity and the Mighty Elohim of Eternal Invincible Peace, are Beings of such Magnitude and Power; that you cannot but in a fragmentary way, comprehend what is at Their disposal to use; to either cleanse the Nation or raise you into the next Octave.

THE ASCENSION IS THE PURIFICATION OF THE ATOMIC STRUCTURE! THE PURITY AND THE POWER OF LIGHT WHICH IS CALLED FORTH BY YOUR FEELING AND DESIRE FOR THE ASCENSION ACTS LIKE A MIGHTY MAGNET; TO DRAW YOU AWAY FROM DESTRUCTION OR DISCORDANT CONDITIONS; AWAY FROM DESTRUCTIVE FEELING.

"America is the Cup of Light to the Earth," but her Light needs to grow BRIGHTER; and through you, I believe We can release It rapidly enough, to avoid some very unpleasant conditions! My Precious Ones, you cannot possibly know how much I love you; how grateful "I AM" to you, that you have stood by thus far; and kept giving These Mighty Decrees for the Release of This Light! Now, let us move

into action, with a Tremendous Power, which will be drawn into the outer action of your classes tomorrow and into the Musical; so you will all maintain just a Great Happiness and a Great Inner Quiet in your feeling! You shall receive Transcendent Power for the Blessing of your America; and you cannot bless America without blessing yourselves, at least as much and half as much again!

With your Musical Monday night, if Harmony is maintained in your feeling, Tremendous Things can be drawn into this room! Tremendous Power can be drawn into this city and It can be flooded over the Nation! There is no limit to the Power the Seven Mighty Elohim wield; and when They issue a Command to extend a CERTAIN ACTION ALL OVER THE NATION every Power of Light in the Universe stands obedient to Their Request!

Next week there will be a Very Important Activity in Chicago which is a drawing of representatives from the rest of the Nation. If you will consider Chicago next week, charge an "Ocean of such Blazing Eternal Invincible Purity, the Flame of Our Purity," to flood forth and wrap Itself around those who come here for This Assistance! Then, you will clothe them and equip them to go back into their own principal cities, and take to each city an Outpouring of the Flame of Eternal Invincible Purity! It will be the Sustaining Power and the "Protection of the Rights of Free Men" in each city!

It is a very unusual thing and I believe it is the first time in America's history, the Mayors of so many cities have been gathered in one place! CHICAGO IS THE PERMANENT ATOM OF THE HEART OF THE WORLD AND AMERICA IS THE HEART OF THE WORLD! CHICAGO IS THE PERMANENT ATOM WITHIN THAT HEART AND WITHIN CHICAGO SHOULD STAND THE UNFED FLAME!

WILL YOU CONSIDER YOUR CITY NEXT WEEK, A GIGANTIC UNFED FLAME, FLOODING OCEANS OF ETERNAL INVINCIBLE PURITY IN, THROUGH, AND AROUND

EACH ONE OF THOSE WHO COMES HERE? THEN, EACH ONE CAN BE AN EVER-EXPANDING OCEAN OF THE UNFED FLAME ALSO, TO FLOOD THE CITY FROM WHICH THAT ONE COMES! IN THIS WAY, IT WILL BE AS IF EACH WERE COMING TO A FOUNTAIN TO FILL A CUP AND TAKE THAT "CUP OF LIGHT" BACK TO THOSE RESPECTIVE CITIES! THEN, EACH CITY CONNECTS WITH EVERY OTHER CITY, AND THE LAND CAN BE COVERED WITH OUR LIGHT!

Will you bless their Life, the Life Stream of each one who comes here, with "Oceans of Eternal Invincible Purity"? Will you bless their every activity in the political world, with "Oceans of Eternal Invincible Purity"? Then, the Pressure can become so great in the atmosphere, that destructive forces are afraid to move! Not that We ever use fear, because it is not necessary; but the Light can hold the fear – they would impose on others – back within themselves; and shut off the action of their destruction!

It is a Tremendous Opportunity from tonight, until the end of next week; to give a Blessing to This Nation, CONSCIOUSLY COMMANDED by those who understand This Law, and Use of the "Great Creative Word of Life – 'I AM'"! It can flood the Nation with a Power of Life, which has never been acknowledged before in any cycle or time; by a group of unascended Beings who CONSCIOUSLY understand the Law! When you of your own Free Will give This Blessing, you are calling forth "Oceans of Eternal Invincible Purity and Blessing through your bodies and worlds." Mankind has never consciously called It forth before, FROM THAT GREAT BEING, THE ELOHIM OF PURITY WHOSE HEIGHT OF ATTAINMENT IS INDESCRIBABLE!

I make this Request tonight, for I want to see how much Assistance We can give, over the next week to those in governmental channels; who are calling for the Protection of the "Rights of Free men in America." They represent the "Rights of the People." They are coming together to

try to protect those Rights and maintain some kind of Justice to the People. Let us bless them with such "Oceans of the Flame of Eternal Invincible Purity," that every desire of their Hearts to serve America and keep her People Free – SHALL BE EXPANDED AND STRENGTHENED WITHOUT LIMIT; until It flows forth like a Great Magnet, raising America out of the shadows of discord!

My Precious Ones, America is the "Cup of Freedom" to the Earth! PURITY IS FREEDOM AND THE FLAME OF ETERNAL INVINCIBLE PURITY IS EVERLASTING FREEDOM! Will each of you be a "Crystal Cup" to offer Our Freedom NOW INCESSANTLY without limit, wherever you go? I must have some of those who are unascended, to be Bearers of the Freedom I offer! Will you give Me This Assistance tomorrow and the next day? Watch that you do not get too tired; as you go into next week's Calls for This Light to flood over America! I hope your Hearts will be singing with Great Joy, when you see the Answers Those Great Beings will give, if you will maintain Harmony!

There is not a thing this hour, Precious Ones, which is worth one moment's discord nor discussion of anything but the Light! Feel yourselves wrapped in "Our Flame of Eternal Invincible Purity"! See this city wrapped within It! See every physical body of everyone in this city wrapped within It! See your Loved Ones, Our Precious Donald, the Younger Generation and those in the National Defense – EACH ONE HELD IN THAT BLAZING FLAME OF ETERNAL INVINCIBLE PURITY – Oceans of It surrounding them! See every city flooded with It! See your Nation covered with It! See the atmosphere charged with the "Ascended Masters' Living Flame of Dazzling White and Silvery Radiance" blazing through It! See It grow Brighter, Brighter and Brighter and extend farther and farther; and still grow Brighter wherever It moves; stopping instantly the expansion or action of all unlike Itself!

Do not become impatient with Individuals, who do not know This Law who might do unfortunate things! Just wrap

them up in "Oceans of Our Flame of Eternal Invincible Purity" and go on your way; asking your "Mighty I AM Presence" and their "Mighty I AM Presence" to shut off everything but Our Purity! See in a short time, as you gain a momentum, what It will mean not only in your personal affairs, but the affairs of the nation!

IT MIGHT BE WELL, IF YOU CALL TO THE MIGHTY BELOVED ELOHIM OF ETERNAL INVINCIBLE PURITY, TO CHARGE THE WATERS OF THE OCEAN WITH HIS FLAME OF ETERNAL INVINCIBLE PURITY; AS IF THE WATERS OF EARTH HAD BEEN REPLACED BY HIS FLAME OR OCEANS OF HIS ETERNAL INVINCIBLE PURITY! SEE OCEANS OF IT! SO, AS FAR AS YOU CAN SEE, EVERYTHING BECOMES THE BLAZING PURITY OF HIS PRESENCE!

Oh, Thou Beloved Elohim of Eternal Invincible Purity! Close the door for these Precious Ones on everything which has happened up to this moment! Hold their vision upon "Thy Radiant Presence, Thy Dazzling Presence"; and see they never look down and never look back again! MAKE THEM FEEL THE LOVE IN YOUR HEART! MAKE THEM BE ITS FLAME OF EVERLASTING BLESSING! MAKE THEM ALL OF ITS WEALTH AND PERFECTION! SEE THE FEELING WORLD OF EACH ONE IS SO CHARGED WITH YOUR FLAME OF ETERNAL INVINCIBLE PURITY THAT ALL ELSE IS FORGOTTEN FOREVER!

Mighty Beloved Elohim of Eternal Invincible Purity! Make these, the Beloved of the Light, Thyself in Action and answer their Every Call instantly; with such a Mighty Outburst of Your Power and Authority, no sooner do they think of whatever is Constructive, than it is made manifest in their hands and use! Flood them with Thy Purity, so I may give them Freedom Unconditionally and Eternally; to go forth and build and build and build America into a "Temple of Light, before which stands the All-Seeing-Eye of Mighty Cyclopea, whose Rays forever spreading over That Temple

guard everywhere the Action of Life and form”!

America, Thou must be the “Cup of Light” which is Bright enough now, to shut off all the shadows within and surrounding thy borders! America, Thou shalt be the “Cup of Light” so blazing, the shadows dare not move! The shadows must go! America, Thou art the “Land of Light”! Let the Light in the Heart of everyone within thy borders, EXPAND into Oceans of the Flame of Eternal Invincible Purity! Our Light must raise all and blaze Thy Light, for It shall be sustained forever!

THE LIFE OF THE PEOPLE WITHIN THY BORDERS AND THOSE WHO BELONG WITHIN THY BORDERS, BELONG TO THE LIGHT! BELOVED MIGHTY ELOHIM OF CREATION! CLAIM EVERYONE OF THOSE LIFE STREAMS INTO THE OCEANS OF THY FLAME OF ETERNAL INVINCIBLE PURITY! DRAW THEM INTO THE FLAME IN THY HEART! MAKE THEM THE FULLNESS OF THY POWER OF PURITY! COMPEL ALL THY LIGHT AND ALL THY PURITY, TO HOLD THEM SAFE WITHIN THY BLAZING PRESENCE FOREVER!

THOU SUPREME ALMIGHTY BEING OF ETERNAL INVINCIBLE PURITY, THE GOD AND GODDESS OF PURITY! SEND UNCOUNTABLE LEGIONS OF ETERNAL INVINCIBLE PURITY, TO STAND GUARD AROUND EVERY ONE OF THOSE LIFE STREAMS WHO REPRESENTS THE FUTURE OF AMERICA; ESPECIALLY OUR BELOVED DONALD, ALL THE “I AM” ASCENDED MASTER YOUTH, ALL THE YOUNGER GENERATION, THOSE IN THE NATIONAL DEFENSE AND ALL WHO ARE THE BUILDERS OF THE FUTURE FREEDOM OF AMERICA! BELOVED MIGHTY ELOHIM OF ETERNAL INVINCIBLE PURITY! CHARGE THEM WITH THE STRENGTH OF THY PURITY! FIRE THEM WITH THE INSATIABLE LOVE OF THY PURITY! CLOTHE THEM WITH THE INVINCIBLE ALMIGHTY ARMOR OF THY PURITY! MAKE THEM THE INVINCIBLE VICTORY OF THY PURITY! MAKE THEM FOREVER THE

CUSTODIANS OF THE ETERNAL FREEDOM OF THY PURITY!

THOU ART THE SUPREME SCEPTER OF LIFE! WITHOUT THEE NOUGHT CAN EXIST, FOR ALL MUST HAVE SOME OF THY ENERGY; BUT THOU SUPREME BEING OF ALMIGHTY GLORY – THOU SHALT PURIFY AMERICA AND MAKE HER INVINCIBLE AND ALL-BLAZING AS THY DAZZLING HEART! BELOVED MIGHTY GLORIOUS BEING, TAKE THY RESIDENCE AND THY DOMINION WITHIN AMERICA! HOLD ALL WITHIN THE FLAME OF THY HEART AND LET THY PURITY COME FORTH NOW AND BE THE ONLY AUTHORITY AND CONTROL WITHIN THIS LAND!

Blaze Thy Love and Desire for Eternal Purity into every human Heart; into the feeling of the people; until the Call to Life is so insistent and the Love of Thy Purity is so Insatiable; that It draws down into the physical octave the Manifestations of Eternal Purity and the Permanent Golden Age!

May all the “Purity Which Thou art” enter into the bodies of these “Blessed Ones of the Light,” whom I love beyond measure! Give them every Blessing at Thy Command! Let Thy Purity fill their minds and their bodies, their feeling and their worlds! Let every breath they breathe, be a Mighty Blessing of Thy Eternal Invincible Purity to all Life; that My Freedom may go forth and release America and the Earth into the Octaves of Light which are the Eternal Destiny of mankind, the Earth and all upon it. Make every atom of these flesh bodies Thy Blazing Flame of Eternal Invincible Purity! Charge Thy Substance of Eternal Invincible Purity into their mental and feeling world, into their every thought, feeling and spoken word; into the flesh structure; into the atmosphere about them, into their clothing; into their activities; their homes; and their Loved Ones. Flood, flood and flood It forth! Enter in and still every vibratory action, which is not Thy Eternal Invincible Purity,

then dissolve all not like Thyself within them!

Do Thou the Higher Mental Body of each one enter in! Hold Thy Blazing Authority and Control and make each one "Thy Crystal Cup." LET Thy Light spread everywhere, Thy Almighty Gifts and Eternal Blessings! Purify, purify, purify Beloved America! As if a Mighty Hand had swept the Country; taking away all remembrance from every Life Stream of all but the Flame in Thy Heart! Purify these bodies! Dissolve all substance that is not Thy Light, for they shall be Free! They shall be Thy Purity! They shall be at Peace forever in Thy Heart! They are the Corner-Stone of America! Let her "Temple of Light" open Its Heart and the River of Everlasting Purity, flood forth to lift each one into Eternal Freedom!

I thank you!
