

BELOVED SAINT GERMAIN'S DISCOURSE

CHICAGO, ILLINOIS

FEBRUARY 20, 1944

MINUTE MEN

BELOVED MINUTE MEN OF MYSELF, I bring you Greetings this morning that I trust, with the Radiation which I shall pour forth, will enable you to have GREATER EASE, GREATER COURAGE AND GREATER POWER THROUGH YOUR FEELING; to be Master over the conditions in the business world, under which you are struggling at the present time!

You move in a seething mass of human desires, clawing desires, of Individuals who as yet are unawakened! It is of no use to battle those people! Battle in the feeling is not Mastery! "I AM" HERE TO CHARGE YOU WITH MY FEELING OF AUTHORITY AND MASTERY; to help you control all outer conditions in which you still have to function; at least until more Light is released through the mass of mankind.

People do not yet know what happens in their feeling world! I shall continue to say that; until they really begin to comprehend what I mean! When something displeases you or you do not get your own way on the moment, your feeling goes out and strikes the little Beings of the Elements! Your feeling strikes Them, as if you took the little Beings of the Elements and hit Them like that! They are everywhere in the atmosphere and one or more guard every form in existence!

Take these flowers. The little Beings who bring the substance and build the flower, stand guard over it, until the time of its manifestation has been fulfilled! When They let go, it begins to disintegrate! "I AM" explaining the Law this morning, so in dealing with the things of the outer world, which are your daily activities in the business world, you will have some regard for what the Powers of Nature have given to you!

These Beings are under the Direction of the Lord the Maha Chohan, the Mighty Virgo, the God of Nature, and Those who assist throughout the Whole Manifestation of Nature's Activities on This Earth! There is a Being who guards every tree, until the time of its manifestation has been fulfilled! This is true of anything that is brought into form in the outer world! The approximate time of its existence is determined in the beginning; but it is varied by the intense feeling of human Beings; because were it not for the discord in the feeling of human Beings, you would have no such thing as disintegration on This Earth! Trees would live for millions of years! No plant life would die on This Earth, were it not for mankind's discordant feeling!

This is the Secret of Maintaining Things in your use over a longer period of time. By blessing them, they last longer than they ordinarily would! All disintegration in the unascended octave, is the result of human discord!

The "Beloved Mighty I AM Presence" and the Ascended Host Who produce Manifestations in the outer world, never allow any feeling to be registered – no rate of vibration ever goes into the substance of this world or its energy, except it be qualified with a Great Love and Blessings to all the Beings of all the Elements! Therefore, in the Ascended Masters' Use a thing would last indefinitely, even for Eternity, or as long as the Master desired it or required it! The Same Law would act in the physical octave, if there were never any discord allowed to go forth through the feeling!

"I AM" explaining what makes constructive business sometimes dissolve. The person at the head of it may have a marvelous idea! Those who wish to assist him may have wonderful ideas, their motives be as good as gold; and the Ideal for which they want to bring it forth may be Absolutely Perfect; but you are dealing with These Beings of the Elements and They are Real Beings! One day your cameras will photograph Them as

clearly as they photograph you! Then, you will see what mankind has done to the Beings of the Elements; for it will photograph the weight of mankind's discord upon These little Beings!

You may think "I AM" talking riddles this morning, but "I AM" not! People don't know what they do to the Life about them, when they feel discordant or don't like something! That is why in My Love to you, the Minute Men of Saint Germain, I have never any desire at any time to intrude upon your Free Will! If "I AM" to help you out of destructive conditions and SINCE MY NAME, SAINT GERMAIN, REPRESENTS FREEDOM, if "I AM" to help you out of that which is not Freedom, I can only do it, by pouring forth My Love and My Blessing! My Light to Life is through the Use of the Sacred Fire, because the Light is the Radiation from the Flame!

The Flame is the Purifying Power which can burn through anything! The RADIANCE of the Light can enter into anything, unless a thing is too frightfully vicious! The Cosmic Light Itself is usually strong enough, except when We are using the Violet Consuming Flame, to dissolve WORLD DISCORD; unless it is downright vicious in its qualities!

Therefore, when I come and enfold you in the Flame of Love from My Heart, it is to let My Flame pass through the substance of your atmosphere and into your bodies, your mental and feeling world; and burn out rapidly as much of the substance as We can at the time! Then It gives your Higher Mental Body, an opportunity to release more of Its Light Substance to take the place of the discord! If you would always qualify in the morning when you first awaken—the Life Energy which comes into your body that day, with My Ascended Master Freedom; the energy you use that day would be kept harmonized; so your day would be very much more Free from discord!

I could go very deep into this, because it is the Fundamental Structure, Precious Ones, of your Success,

your Ascension, your Healing Power, and your Mastery or Control over the conditions of the outer world!

I said to This Messenger several days ago, if just one person will hold the Ascended Masters' Love in a situation; then We would always have an Open Door or entrance into the accumulation of energy; through which Our Light Rays or Our Flame can act to spread out Its Radiance; and dissolve away the destructive conditions which are the discord!

I want to show you how Irrefutably True this is! Suppose you take a person who is sick—and the world is sick today! The world is sick unto death; with the pressure of the frightful qualification of Life's Energy with discord! Supposing you take a person who is very ill and in that distress is irritable, cross and just very uncomfortable! I don't want you to feel this—I AM just drawing the picture! Supposing the doctor and nurse who took care of such a patient, acted the same way as the patient! Would you get the patient well very soon? Does not the doctor and nurse have to hold the Peace, Harmony, and Clear Ideas; and keep doing whatever releases the body from the discordantly qualified substance? Then they give the Rest, Peace and Quiet which is just the opposite of the condition of pain? It is the same way with the world! It is the way with business today!

Business is sick! It has a very high fever at the present time; but it is burning out certain things which cannot survive into the New Cycle, and that is unbridled selfishness! Do not be surprised if people in the business world who use high pressure methods, and there are plenty of them who have such an accumulation, become insane! Don't be surprised when they become insane, because you will remember the Beloved Divine Director stated: "Selfishness shall be a thing of the past!" The hypnotic control of the people must go! When people have a momentum of long years standing—of just beating against the Beings of the Elements, by sending out

frightful discord and selfishness; one day it must all return upon its creator! Through the pounding feeling of battle against the energy in the atmosphere around the Beings of the Elements; one day before Those Beings leave such discordant creations—They turn and throw all evil back upon its creator! That is how people's own creations return upon them!

The Beings of the Elements are Very Loving Pure Beings in the beginning; but because They are created to do the will of mankind; to carry out that will, regardless of its effect upon Them—They are subject to the direction of the feeling of mankind! This is why "I AM" going to take the opposite example now! In musical instruments, for instance, the love of the musician to the instrument is his or her own Life! A violin that may be many centuries old, if it has been loved and beautiful music played through it, will last for centuries longer, than one which has been used for jazz, swing music, and the other things you have!

Now the same thing is True in business! The same thing is True in your homes! The same thing is True of the Nation! The same thing is True of the Inner Plane! So, in order to help you keep your feeling harmonious, your world must be kept charged as a Powerhouse with ever increasing energy; charged so your power grows greater! In order to do that, I want you to understand this use of energy; and the qualification of the energy in the atmosphere around you, by your own feeling! If there be something you don't like or is not harmonious in your world, well just bless it! It is Life! It is Life's Gift of Substance and Energy; but don't hurt those Beings of the Elements and then expect Them to serve you; and all dislike is hurt to Their Feeling!

So, take all the substance you contact, purify it, bless it, and just know someone would like it! Just ask your "Beloved Mighty I AM Presence" or the "Presence" of whoever created it, to place That Purified Substance

in the world of someone who loves it; and will give it the CARE AND BLESSING which will enable it to render Its Service and fulfill the Divine Plan for which it was created!

You and I have much to do in the cleansing of America, and there is still more outside of America! America is the cleanest spot in the World, so you may know what the rest of the World's filth is, which We have to consume!

I want to say something concerning colors, because all red and black shall go from This Earth! Destructive forces don't like this! They have injured Those Beings of Nature long enough! It is time to release the feeling and command those colors to be consumed in the Fire Element! I want you to notice how easy it is to tell what colors are constructive and what are not! To some degree you know, but you still don't feel deeply enough, the Power which flows through colors; in order to definitely take your stand and remove all that is not constructive!

Your standard of comparison is the Rainbow! The pink in the Rainbow is not red, it is an entirely different vibration than the red in this world! If a color is not in the Rainbow, then it should not be around your body! You do not have any black in the Rainbow! You do not have any grey! You do not have any brown! You do not have any dirty colors in the Rainbow! That is your standard! Were there no rates of vibration, which dirty colors are in the substance of this world, you would have no destructive qualities here!

The Rainbow is your standard of comparison! So, if you will take the substance which has already been contaminated by destructive colors; and keep making the Call to the Elohim of Eternal Invincible Purity, the Legions of Purity, the Legions of the Sacred Fire, the Legions of Myself, My Legions of Violet Flame Freedom, the Mighty Helios and All Who direct the Powers of Nature – as you gather your momentum, as you really exert

your Authority and Power, you will be able to clear the atmosphere about you! You enable it to act in the world around you! You can take all substance which has been discordantly qualified by destructive colors, and call to the Powers of Nature, to release the Beings of the Elements from every rate of vibration, except Those in the Rainbow! Wherever you move, you will be able to clear both the atmosphere about you, to redeem the structure of the Earth, and purify all things mankind is using in daily activities!

When you come into the large cities like Chicago, New York, Pittsburgh, etc., which are dirty—realize there is a great deal of good in all of them, but there is a great deal of impurity! If enough of humanity do not want that, they could purify those cities through your Calls! If people would stop their feeling of battle and hate against it—and all dislike is hate—with the same amount of energy released in the Call to the “Beloved Mighty I AM Presence” and the Ascended Masters, you could release all the Beings of the Forces of the Elements from impurity! You could call to Us to project whatever Action of the Sacred Fire is required; to pass through all unclean substance and change its rate of vibration; until it is raised into Eternally Pure, Beautiful and Constructive Substance! If the same amount of energy sent forth with dislike were used to make This Call, you could redeem every bit of substance on This Earth!

What do you think “I AM” doing in My Instruction this morning? I want to touch on the condition of some of your men, when they come back from overseas! The Blessed Ones you have seen go into the war’s holocaust of viciousness, the ones who come back to you will not be the same boys who left you! “I AM” trying to prepare you, so you won’t be shocked; because you have the Power to undo the damage war has imposed on your Loved Ones! With Patience and Continued Application,

you will be able to undo everything the war beasts have done against mankind, if you will stand with Me!

Every person on This Planet should be present to hear My Discourse this morning and not just you! So, I must expect you to see My Instruction goes to others who need it! I have seen This Action of the Cosmic Law, as It has been drawn forth from the Great Silence and given to you! You must carry It to the rest of Life; for unless you want to give Freedom to all of Life, your own Life cannot be Free!

Don't be surprised if many of your young boys who have gone over to war come back grey haired men! It doesn't take more than a year to do it, sometimes less than that! The bodies, especially the emotional bodies, are being subjected to frightful shock and strain! When they return, you should have a momentum of Peace, Purity, Freedom, and Victory; and most of all, YOUR FEELING OF THE AUTHORITY OF YOUR LIFE STREAM, TO COMMAND THAT CONDITION TO BE DIS-SOLVED; AND THE ORIGINAL PURITY OF THE HIGHER MENTAL BODY TAKE ITS PLACE!

I want you to feel your authority this morning! If the war beasts and money beasts have usurped authority over the Life Streams of mankind; have imposed war's destruction on them; and have produced conditions which are destructive in those bodies—can't you who know your God-Power, call forth God's Greater Power to undo all wrong? Certainly you can! If they can contaminate substance and energy which was Pure, then GOD ALMIGHTY CAN ANNIHILATE ALL IMPURITY WHICH HAS BEEN IMPOSED ON THOSE LIFE STREAMS! That is the Power "I AM" firing you with this morning!

I want you to feel your Authority to undo everything, any destructive force has ever done! That is why, if you will use those words: "Fire the people awake with My Ascended Master Consciousness and Feeling of Freedom!" I can release the Flame through their emotional bodies,

and burn out the accumulated destructive habits! The acceptance, that destructive forces of this world, have more power than your own "Blessed Mighty I AM Presence" to correct a condition—is vicious and is doubt! "I AM" trying to burn doubt out of your feeling worlds this morning, so you will use your Full Authority in your Feeling! You know This in the intellect and many of you are using It wonderfully; but you don't have ninety per cent of the energy in your emotional body, qualified with the Same Feeling of Mastery!

When these conditions of the outer world are being handled and your Loved Ones return to you, I want you prepared to undo all damage of war; and in that undoing, they will have more faith, more confidence, more Absolute Knowledge of the Truth and Power of This Law – required to annihilate everything wrong which has been imposed upon them! Then, they will take hold of This Light with a Fierce Determination and gain their Freedom!

So, if you want them to be Free and have the Ascension in this embodiment, prepare yourselves! GATHER THIS POWER AROUND YOURSELVES; TO GIVE OUR ASSISTANCE WHICH PROVES TO THEM, YOUR GOD-CALLS AND YOUR GOD-LIGHT CAN UNDO ANYTHING THE WAR BEASTS HAVE DONE AGAINST LIFE!

It is the Reason this good Messenger has been steamed up recently in calling Beloved Jesus' Consciousness and Power into outer action, because she knows what is coming! If everyone of you had a momentum already gathered to do as Beloved Jesus or any Ascended Master can do—raise your hand and in one sweep take out of a body everything which is manifesting discord, how long could destruction last? When you call for the annihilation of all wrong, then call the Substance from the Elohim of Purity, the God and Goddess of Purity to take the place of the wrong! If everyone of you had already drawn forth such a Momentum, how long do you think the destructive forces could stand against your Calls?

It is YOUR AUTHORITY I want you to feel; for as soon as all the energy in your emotional body really feels your Authority; you will have your Manifestation instantly; because the feeling of your Authority is the Energy and Power released into the outer action of the world!

If, in any business association, you contact people who are just going to browbeat you and make you do something, just wait! GO BACK TO YOUR "BELOVED MIGHTY I AM PRESENCE" AND REMEMBER YOUR AUTHORITY! ASK IT TO CHARGE YOU WITH ITS FEELING AND ALL THE AUTHORITY WHICH IS WITHIN THE HEART OF YOUR "PRESENCE"! Then, ask the Ascended Masters to charge all the feeling which comes into you from your "Presence," with Their Ascended Master Consciousness and Feeling of your Authority over every human condition! Just build This Momentum day after day and keep increasing and calling It forth; keep charging It around your bodies! Then, it won't be very long, until domineering Individuals will meet a force they cannot rule! Domination is nothing but human conceit and that is not power! Such people think they have the right to rule everyone else and make all do what they want; or at least what they want to fulfill through their plans! When those Individuals come into the atmosphere of one who understands This Law; and has drawn Ascended Master Feeling and Power of Light into action around the outer self daily—they are going to feel they are up against a steel wall and it is something they cannot combat! They need to be educated by experience!

Those Individuals must be taught there is some part of Life which is greater than their human desires! The Will is always Divine, but the HUMAN DESIRE which wants to use the Power of the Will, simply to carry out the creation of human conditions, must be dissolved and consumed!

I do not mean, that in holding This Light around

you, that you do not have to hold the Directing Power and Authority around yourselves! I want you to realize this! The success of any business depends on the person at the head of it; concentrating the energy which comes into it, unto avenues which are the action to fulfill the "Divine Plan"! The moment you take your attention away or relax, you will find there is a lull in the outer activities! Every business lives by the Life of those who are its operators! All We have to do to know what qualities are in the HEAD OF ANY BUSINESS, is to observe the qualities within the business! In the Life Energy flowing forth from those who are at the head of great corporations; you will find the motive and feeling within their Life Streams, radiate through the energy of every bit of substance they use in those activities!

If there be selfishness and hypnotic domination, browbeating Life into doing what is a limitation to other parts of Life; then the hour is drawing closer, for its complete recoil to enter into the brain of the Individual, who so defiantly opposes Life! The Free Will of the Individual is paramount! When that is set aside or imposed upon, you will find Life will not hold any human Being guiltless who does those things! So, all hypnotic domination of the people of this world must cease! All selfishness must cease! All political intrigue and treachery throughout the world, you will find returned into the brains and bodies of those, who are seeking to destroy everything wholesale, without any regard of replacing it!

YOU WILL FIND THE SINISTER FORCE HAS ONLY ONE INTENT – THE ANNIHILATION OF ALL FORM IN WHICH THE GOD CONSCIOUSNESS AND PERFECTION OF LIFE SHOULD FUNCTION!

You as Minute Men of Myself are a "Cup of Light," My Freedom to the people of This Land! If "I AM" to give you My Life and My Freedom, I cannot do it, if you are beating against the Beings of the Elements, your unkind feeling! If just one person in a business holds

My Love and My Freedom within his or her own feeling world, then I have an Open Door through which I may walk at any moment, to release the Power of My Heart Flame, to handle destructive conditions; and dissolve them so the Divine Plan of that business may be fulfilled! If nobody provides Me with an Open Door, if no one holds Continued Harmony, how am I to get through? How am I to help you? The Law does not permit Me to arbitrarily impose My Freedom upon you; if of your own volition, you choose to beat unkind feeling against the Beings of the Elements; who are My servants, or rather My Co-operators, My Co-Workers!

If "I AM" to give you assistance, I must give it through My Love to the Beings of the Four Elements; for everything you do in the outer world, is a handling of their energy and their substance! If "I AM" to help you, then I must help you through the Way and Means Life has provided as a Manifestation in this world.

No matter what anybody else does, that has nothing to do with it! If you will just keep releasing Those Beings of the Elements, from all discord and impurity imposed upon Them by others; then you will keep your feeling continually Harmonious! It is no use rising to Great Heights or calling for the Power of Light and Perfection one moment; and the next moment when something displeases, swing like a pendulum and beat against Life, something which is a limitation! That is just the swinging of the pendulum of your feeling!

If you will just reach unto the Heights; ask to have Perfection sustained and see that never again, do you impose upon any of the Beings of the Elements, anything We would not, then you are safe! Then, I have a Door through which I may step and give you at any moment whatever Assistance is required!

Now enough of the rest of mankind are imposing their hate, anger, selfishness, and domination upon Those Beings! "I AM" depending upon you to redeem Them!

“I AM” depending upon you to give the Command in the Authority of your own Life Stream—“That every bit of discord shall be dissolved and consumed by the Fiery Christ Blue Lightning Purity, the Violet Consuming Flame’s Purifying Love and the Cosmic Light—from the Beings of the Four Elements which touch your world!”

Everywhere you move, Precious Ones, every instant there is something around you, which can be a reminder to call This Master Power from your “Blessed Mighty I AM Presence,” into outer action to release Its Purifying Blazing Power. If “I AM” to give you Continued Assistance, I ask you to keep the Door to your world open; so I may enter at any time to release My Love, My Light, My Wisdom, My Power, My Feeling, and My Gifts for your Peace!

Do you know what happens when you suddenly don’t like things and the feeling comes forth from you of displeasure? Do you know it is a form of hate! It is as if you said to Me: “Saint Germain, will You come in and help me?” I say, “Yes, ‘I AM’ coming”! I start toward you and before I can get there, you slam the Door in My Face! Then, I just have to leave and I go to other Doors, for there are some which are open a Great Deal of the time!

It is this battle in your feeling against the Forces of the Elements which, if I can get you to dissolve it, will enable Me to flood through you, everything your Hearts desire—all you require! Then you will be strong enough to be entrusted with These Powers, for which you have been calling; which your America needs so, so greatly and which you are going to need! You are going to need a Great Momentum of Them when your Loved Ones return! “I AM” TRYING TO PREPARE YOU, SO NO MATTER WHAT IS AROUND THOSE PRECIOUS ONES, YOU SHOULD HAVE ATTAINED SELF-CONTROL AND PATIENCE ENOUGH; THAT WHEN THEY COME HOME, YOU STAND LIKE A GREAT PILLAR OF LIGHT,

POURING OUT OUR LOVE! YOU ARE A SANCTUARY OF MY LOVE, MY LIGHT, MY FREEDOM INTO WHICH THEY CAN COME; AND BE SAFE FROM THE PAIN AND DISTRESS WHICH HAS BEEN IMPOSED UPON THEM! I WANT YOU TO BE SUCH A SANCTUARY!

You know a Bird Sanctuary is where the birds may come, be undisturbed and the food provided! What do they give you in return for that? Their song! Their Happiness! Their Beauty! Just let Life, if you will, make each one of yourselves, your bodies and most of all your feeling a Sanctuary of the Purity, the Freedom, and the Love of My Heart; into which I may bring others, so you may love away their pain and distress! Then you are truly My Ambassadors of Freedom! Then can you help America to be Free!

Do you know, "I AM the Doctor" and you are the nurses for America just at the present? If I were to behave like some human Beings do against the patient, We might have a funeral instead of a healing! Now, "I AM" trying to save America! I can only save Her through those who will let Me! If you are to be "My Corps of Assistants," "I AM" going to ask you not to make the patient worse by being like the patient!

WHEN YOU ARE DEALING WITH VICIOUS FORCES, THEN YOU MUST REMAIN DYNAMICALLY POSITIVE AGAINST THEM, BUT NOT WITH A SENSE OF HATRED! When you are dealing with world discord, you can stand in the midst of it; and pour on Our Light and Kindness and in every case you will dissolve it! When you deal with viciousness and downright murderous force, that is another thing! You have to be like steel against it! but still you do not hate the thing; any more than you would hate a tidal wave, which rises high into the atmosphere to release its force! You would just try to protect yourself! That is what you are dealing with in the outer world; and if anyone's actions can make you act similarly, then you are both in the same boat! You are not letting My Freedom through!

You are "My Corps of Assistants" to bring Freedom to America! The Heart of America is Chicago! This Sanctuary of Light is the Powerhouse from which "I AM" working at the present time, to release all over America, the Fulfillment of your Decrees! You are the Permanent Atom in the Heart of the World! So, I hope everyone of you, will be My Open Door of Eternal Invincible Freedom to all Life wherever you move - Freedom from all discord!

This, I think, will release you from a great deal of criticism in your feeling world, which you don't know is going on! I might apply this to the fashion world! MANY THINGS ARE BROUGHT FORTH THAT ARE DIABOLICAL, THERE IS NO QUESTION ABOUT THAT, IN THEIR SUGGESTION TO PEOPLE, ESPECIALLY WHEN THEY WEAR THEM! If something of that sort comes to your attention you don't have to criticize, ridicule it, and use more energy to battle against These Beings in the atmosphere! Rather can you look upon it as something which the Beings of the Elements have brought Their Gifts of Energy and Substance to build Perfection; and someone has built something that was not meant to be! Therefore, you CAN use the same energy you would use to ridicule and condemn a thing; to call to the "Beloved Mighty I AM Presence" and Higher Mental Bodies of those who created it; to turn the Sacred Fire or Blue Ray into it, dissolve and consume it; so the energy may be used over again to build something beautiful in its place!

Whenever you call for the dissolving of something, immediately call to have it replaced by the Perfection from the Ascended Masters' Octave! Then, eventually this planet will be raised and perfected to the point, where the same beauty as is in the Octaves of Light, may be brought forth here in manifestation! Then, those beautiful materials may come forth; and this world may once again be a THING OF BEAUTY AND A JOY FOR ETERNITY; to sing its song of action and happiness to

the Great Beings of Light and Beauty throughout creation!

Music will do a great deal in this way and there must be removed from the Earth, all records of the frightful thing which has been imposed on mankind, over the last fifty years in the musical world! It is depravity imposed on the Beings of the Elements! When you hear such sounds come forth; ask immediately for your "Mighty I AM Presence" to blaze an OCEAN OF VIOLET CONSUMING FLAME AND COSMIC LIGHT into them; and shatter every rate of vibration which is manifesting as discord! Call forth a flood in its place, Oceans of the Flame from the Heart of the Mighty Elohim of the "I AM" Miracle Music of the Spheres! YOU CAN CALL FORTH THE MELODIES FROM THE MUSIC TEMPLES; AND COMPEL THE SILENCING OF ALL DESTRUCTIVE VIBRATORY ACTION IN THE ATMOSPHERE!

This is such a Vast Subject and it is a thing of such importance! It contains so much; because, Precious Ones, this is the Secret of your Powerhouse! The Individual who is strong enough to keep the Door open to My Light, My Freedom, and My Love—in the midst of the chaos and hatred in which you move—is truly an Ambassador of Light; and is rendering Assistance to Life, America and to the Whole World which can only come that way!

WE CANNOT AND WE DO NOT ENERGIZE ANYTHING, ANY PLAN, ANY QUALITY THAT SUSTAINS DESTRUCTIVE ACTIVITIES! We cannot, for it is contrary to the Law of Our Octave; and you should not, if you really know This Law and will accept your Authority! So, in the qualification of your feeling world wherever you move, instead of battling something which you know is wrong—instead of fighting and battling it—instantly arise into your Powerhouse, your "Beloved Mighty I AM Presence," and make your Call to the Ascended Masters' Octave; to come forth or let there come forth all the Sacred Fire Purity required to dissolve the condition! Then hold perfectly steady, until It can pass through the Open

Door and come in and render the Service!

If you did not consider yourselves at all, but just the Effect of This Power of your Authority and the Master Presence of Light; acting through you and in the atmosphere around you for only your Loved Ones, you would hold your Mastery! You would exercise Absolute Self-Control! It would be the Obedience the Law requires, to enable Us to give the Greatest Assistance; and give you more Power with which to do everything your Heart desires!

We could release Things into your conscious use, which would lift you to the Heights, with just the enjoyment of handling them; if We knew they would never receive any feeling from you nor around you, of anything but Our Love, Our Freedom, Our Blessing, and Our Purity! We are not limited! Everything in the Universe rushes to Our Assistance at Our Call! There is not a thing We cannot draw into this physical octave; if the conditions are provided which fulfill the Demand of the Cosmic Law! There is not a thing I would withhold one second and there is not a thing I could not release to you; if you only won't whip Life around you with your unkind feeling, pressure or tension of discord, which battles Those Little Beings of Beauty and Perfection!

I have the Power in the Ascended State to confer upon the Beings who choose to serve you, My Immortality; so They may one day become Individualized human Beings—endowed with Free Will; who can make Conscious Effort to become Ascended Masters! Many Ascended Masters have been such in the beginning! “I AM” ready to confer Immortality upon any of the Forces of the Elements, when the Great Law will permit; but They need the Blessing and Love of mankind to be Protection about Them; until the Earth has been cleansed of its hatred, discord and impurity; and the Permanent Harmony of the Incoming Golden Age has become established in the outer! Then, many of Them can be raised into the Individualized Consciousness of a human Being; until They move for-

ward to the Fulfillment of the Divine Plan of becoming an Ascended Master!

All This Great Expanse stands before you, of the Opportunity to have, O Such Beauty, Such Blessings, Such Power, Such Happiness, Such Freedom in Our Octave! Oh, Precious Ones, when That stands there and you know there is only a layer of atmosphere between Us and what you are in, I long so much for you to be Free! WE MUST HAVE STRONG, DETERMINED, FEARLESS, UNSELFISH INDIVIDUALS IN THE UNASCENDED OCTAVE AS YET, TO BE THE NEXT OUTPOURING TO THE MASS OF MANKIND!

When you see such destructive things take place as have been done on This Earth, when above everyone is all that is Beautiful, Perfect, and Free, it is a frightful blight not only upon This Earth, but to The System to which this planet belongs! The frightfulness of this war—the depravity and destruction of the Gifts of Life on This Earth, by some of mankind, is terrible to behold! The mass does not want it, but I mean the few who have been allowed to usurp authority! When you see what it imposes upon the System, it almost makes My Heart weep sometimes! If that were possible, it would make It weep! Only because I know the Law and “I AM THE LAW,” I know one day everything human must cease to exist, even if We could stand it!

Do you know where this world war condition stands in the System of Worlds to which you belong? Do you know this planet is like a cancer on the body of the Whole System? That is why “I AM” pleading for some of you, all of you, and all who will yet come into This “I AM” Activity; to just keep your feeling as Pure as the Heart of the Goddess of Purity—harmonized! Just let your Calls go forth for My Freedom, My Blessing, My Love to go forth—a Stream of Life everywhere; and give Me as many Open Doors as possible; through which like a Great Great River of Flame, Freedom and Light, I can pour My Blessings and Purity! I want to pour It to the human-

ity of This Earth, the Powers of Nature and just let My Flame move in and dissolve all that is not Purity!

Oh, Life will not hold you guiltless, Precious Ones! Life does not hold anyone guiltless who goes on, whipping Those Beings in the atmosphere with discordant human feeling! It has to come back into you! Wouldn't you feel very much disgusted with yourself, if you were to whip little children who were just happy and joyous? Wouldn't you dislike yourself very much? You could not be happy, could you? Well, the little Beings of the Elements in the atmosphere about you, are the Children of the Lord the Maha Chohan!

I think this morning, We are getting Results! I can feel your feeling, for "I AM" sure you feel and understand this better than you have ever done! "I AM" sure there is something taking place within each one, which is a Permanent Record of a Determination of your own Free Will, not to do those things again! I know It! I feel It! I feel the answer from your "I AM Presence"! The Higher Mental Body of each one wants so much to give Me Assistance! You really do in your intellects and your Love is so great—you want to through your Love; but just that old human accumulation of feeling at the solar plexus, is the thing which interrupts you from time to time and prevents you holding a Permanent Blessing to Life!

So, if you will remember This, I shall charge you with My Comprehension of It and My Comprehension is FEELING! I shall charge My Feeling of This into your feeling; so that when any occasion arises in which you could become displeased, there will suddenly be a Guard and you won't be a part of discord any longer!

You know you are My Minute Men, and you will be My Ambassadors of Freedom and Light to America! Then you will be My Custodians of the Wealth which is Limitless and will be used to free all Life! Then you shall know what the Joy of My Freedom is; because I CAN GIVE YOU WEALTH WITHOUT LIMIT! YOUR JOY, AS

I SAID BEFORE, IN JUST HANDLING THE BEAUTIFUL THINGS, THE BEAUTIFUL MATERIALS, THE BEAUTIFUL ACTION OF THE THINGS WHICH ARE TO BE BROUGHT FORTH, WILL BE WITHOUT LIMIT! YOU WILL LOVE THEIR ACTION FOR ETERNITY! YOUR JOY WILL BE SO GREAT THAT YOUR POWERHOUSE WILL BE INFINITE!

I call It all around you before your Loved Ones return; for I want you to be a Sanctuary in which they may come home and never in all Eternity, ever again want anything except the Love of the Light, which is the Freedom and Peace their Hearts crave this hour!

May the Cosmic Dispensation be released at once from the Great Central Sun; in which Beloved Jesus will raise His Sword of Blue Flame and sever from the Earth, the beasts which have preyed upon mankind throughout the centuries; and have misused Life's Gifts of the Universe so long! Better had some of those beings never been born in any embodiment; than to have imposed upon the Universe what has been done in this war alone!

I HAVE GIVEN MY LIFE, MY EFFORTS, MY LOVE, AND EVERYTHING I KNEW HOW TO GIVE IN THOSE MIDDLE AGES; TO BRING THE CONSTITUTION OF FREEDOM OF GOVERNMENT INTO ENGLAND AS THE MAGNA CHARTA! I BROUGHT FREEDOM TO AUSTRIA! I BROUGHT FREEDOM TO FRANCE! I BROUGHT FREEDOM TO AMERICA; AND MANKIND DID NOT FEEL THE RESPONSIBILITY TO LIFE NOR FEEL ITS RESPONSIBILITY TO PROTECT THOSE GIFTS, THAT ARE FOR GENERATIONS YET TO COME; AND THEY PAY FOR IT BY THE MURDER OF THEIR SONS! IF THEY WILL NOT LOVE MY FREEDOM, THEN THEY WILL FEEL THE LASH OF THE TYRANT—THEY MUST DECIDE! I CANNOT DO IT FOR THEM!

I have loved them! I have given! I stand still ready to give; but I can only give through the Open Doors which Life provides; and yet the World belongs to the Light! Every Life Stream belongs to the Light, but the

darkness has become very great! I ask each one of you to remain My Open Door of Light and Freedom to Life wherever you move, that I may come in and claim all into the Light! Then the Light once again can claim Its Own, raise and purify, harmonize and set Free those Life Streams; which go forward to fulfill the Divine Plan of their Destiny, unto the Accomplishment of the Ascension!

I will be with you again on Tuesday evening, which is Washington's Birthday; and On That Day, may We pour forth through you, the Fire and Love of Freedom, which was the Gift of His Heart to America; the Heart that guarded Freedom for the Earth; the Light of Whose Life Stream, was great enough to open the Door fearlessly; and let Me give This Light in this embodiment!

May mankind feel its Responsibility to Life deeply enough, to value the Gifts which have been given; and to guard them, so those they love may have Freedom and Peace! All here must be guarded and left as a Heritage to generations yet to come; if Safety is to be given now to the people of America! When Life has given Great Blessings, Life expects you to protect Those Blessings; so they may serve through generations, the Life that is yet to come! If you do not value them now for the Blessing of others, there will be no Blessings now!

Feel your Responsibility to Life! I say FEEL your Responsibility when people in the business world are discouraged! When they are sinking for want of Courage, Confidence, and Energy, give them This Law! Give them THOSE BOOKS OF THE SAINT GERMAIN SERIES, to read in their hours of discouragement; and you will bring the Greatest Light to the greatest number in the shortest time! Bring THOSE BOOKS into the hands of the people! They are more valuable than food to the body! Don't forget to keep calling for the annihilation of everything on this planet; which wants to prevent Those Books giving Their Freedom and Blessing to Life! We think enough of Them to have Them bound in covers of Jewels at the Inner Level, why should mankind not value Them?

You who sit here, not in the actual combat area of the world, cannot possibly comprehend what is there, until you have been there! The last world war was baby's play compared to this! Your Loved Ones are caught in that cyclone of hell; for there is no other name that belongs to it! There is nothing worse in the Universe than what you have right now in the theaters of war! The Compound itself is no worse!

Let Us go into action! Feel your Authority to call for the annihilation of all that holds mankind in the shadows or limitation of the human feeling; and that is the only thing which ever created war! An idea in the mind would have no chance of action in the outer, unless it were energized by rebellious feeling! Stop and annihilate all rebellion in your feeling, as you would a rattlesnake! Take your dominion in the Authority of your "Blessed Mighty I AM Presence." Give It your Love! Call for Our Power! Reach unto Us! Hold your Harmony and see whether We are really in action in the outer or not!

Fire the people wherever you go with the Call to the "Mighty I AM Presence." If they do not know This Word, call It the God Power of the Universe! Remind them of the Power of God! Fire them through your Radiation, Feeling and Confidence; and Our Ascended Master Consciousness and Feeling which We will fire forth without limit! Then you will lift them and give them the courage to go through to the end; and shatter everything which is so vicious.

Why am I speaking so positive this morning? Because your Beloved Lotus has been calling for you to be made the custodians of the Wealth of the world, together with the Other Constructive People of the Earth! Do you know what that means, the managing of That Energy? You all want abundance and you all want Freedom to use abundance as the Divine Plan requires! Then it is going to take Our Strength and Wisdom to protect It – Our Wisdom, Directing Intelligence and Discrimination to use It! So, I want you strong as Minute Men of Myself!

Freedom is your Watchword! Harmony is your Passport! Victory shall be your Daily Companion, when the Requirements of the Divine Law are fulfilled! May the "Beloved Mighty I AM Presence" of each one, Your Glorious "I AM" Self, which is so Magnificently Beautiful, cut away everything that is not Its Own Divine Plan fulfilled in the outer! May It call to Us and issue the Command for the Release of everyone of your Life Streams here today, and all under This Radiation from all limitations! May a Dispensation be given, so We can act quickly to make you Great Powerful Beings, to release more Light through you; until you stand forth the Authority, Power and the Living Example of This Law Fulfilled – as Proof of My Freedom to the rest of the World!

May I be able to pour forth through you, such a Radiation of Freedom everywhere you move, that it is like a forest fire which sweeps the planet! May other people take up your courage and call to God as they understand It; draw back from the Great Central Sun, the Power and Authority for the One Mighty Stroke to be given!

Harmonize yourselves! Use your Life Energy to bless everything wherever you move. Keep Purity blazing through you! Call to Me and We will move forward hand in hand; and not one thing shall come against you, when your Call is in obedience to the Law!

May the Full Powers of the Great Host of Eternal Invincible Freedom, the Hosts of Light, the Great Angelic Host, the Limitless Legions of Freedom and Light; of Justice and Obedience, of Harmony and Victory; of Purity and Peace and of the "I AM" Miracle Music of the Spheres, move into outer action! May all the Protection given at the Command of the Seven Mighty Elohim enfold you; wrap you in Their Oceans of Flame; and move you forward releasing all that is required for America's Freedom at once; and I shall be with you unto the end! Unto the Victory! Unto the Freedom of the Ascension!

I thank you!
