

## BELOVED ELOHIM OF PEACE'S DISCOURSE

CHICAGO, ILLINOIS

JULY 8, 1945

BELOVED ONES OF THE LIGHT, in coming closer into your atmosphere and Radiance tonight, I wish to bring an Action of the Flame of Love of My Peace; which shall bring Illumination to the mind, quite as well as Peace to your feeling world! In pouring Our Activity of the Sacred Fire, which It is My Privilege to give; I ask you to feel It tonight, as a Mantle of Great Protecting care! My Peace is so Great, that It enters into and becomes the Presence; which holds Dominion in everything through which It passes!

In the Great Outpouring of Our Cosmic Activities, to which We are calling your attention; there comes into the atmosphere of Earth; first of all—the Individual Focus and Individual Flame; that blazes like the Sun, pouring Its Rays everywhere throughout the substance in the atmosphere of Earth.

Your “Mighty I AM Presence,” your Electronic Body and Higher Mental Body of each one, is a Sun of Peace within Its Own Realm! “THE SUN PRESENCE” is established to pour Their Light Rays in and around your outer activities; so They may become the Vibratory Action of Substance and Flame, which form the enfolding atmosphere around your physical bodies! That Sun Presence especially protects your mental and feeling world! It is an Insulation between you and the vibratory action of the world around you!

In drawing forth Our Individual Focus of Peace, into any specific place, It becomes an “INDIVIDUAL SUN PRESENCE”! The Flame is at the end of an Individual Ray, from Our Great Octave and Activity of Light and Peace, in the Electronic Belt around the Physical Sun! YOU MAY HAVE OUR SUN PRESENCE OF LIGHT AND PEACE WITHOUT LIMIT! IT IS AN INTENSIFYING

ACTION of the Substance and Flame of Peace, which We direct from the Electronic Belt around the Physical Sun! The Expansion of Our Mighty Activity and Quality through the Light Rays which We send forth, can become an INDIVIDUAL SUN in your world; intensifying the Action of the Fire Element! It can become so tangible about you, the Peace is so intense – that Those Words: “It surpasseth the understanding of the mind,” are truly the only description of Our Feeling!

The Peace which We send forth is most quickly felt in the emotional body! The Peace We are bringing tonight, not only into the emotional body, but into your mental body, is to give you Assistance in quieting the mind! It compels it to be still; so you get greater relaxation in the atomic structure and the mental and feeling world! THEN THERE CAN COME WITHIN YOU, THE COMMAND OF ALMIGHTY POWER FROM YOUR “BLESSED MIGHTY I AM PRESENCE” AND FROM OUR OCTAVE, TO HOLD OUR PEACE AND MY FLAME WITHIN YOU AND AROUND YOU!

This Vibratory Action is not established in a moment! We brought forth as you were told a Mighty Pillar of Its Presence within This “I AM” Sanctuary! That is established, My Dear Ones, for all Eternity! It is a Tremendous Radiating Flame! It is drawn here to hold in Perfect Balance, whatever activities you care to bring forth! It spreads Its Radiance into the atmosphere of Earth; and on That, We can go forth into conditions which very much need harmonizing, both in your city and your Nation!

Each one of you can become a Pillar of Our Seven-Fold Flame of Peace, if you desire! I would rather hold It around yourselves as an Enfolding Sun; whose Radiance grows brighter each day and whose Rays extend farther and farther! In this way, you will find your mind will become clear and quiet; and Wonderful Marvelous Inspiration will come to you all; because you cannot even think of the word “Peace” without feeling within It, the Soothing Flame which quiets the whirls in the emotional body!

You have been told many times that what your attention is upon you become; because you brought it into yourselves through your attention. If the attention be through the sight, instantly It is focused through the optic nerve; and is photographed within the cells of the atomic structure, as well as into the emotional body and the mental body! Why is that so? Because as it has been explained before, when there is a sudden feeling of disturbance within the energy of the solar plexus, a shadow passes into the brain! When there is a great feeling of Peace within the solar plexus, It allows the Light from the Heart, to intensify through the brain! You will always find when your feeling is Peaceful, the mind is quiet, Wonderful New Inspiration and Ideas come through with very much greater ease!

The need, Precious Ones, of yourselves and all mankind, is to have sometime each day, when the body is perfectly quiet; and you CONSCIOUSLY turn your attention to your own "Blessed I AM Presence," to Me, or the Ascended Masters and draw into your feeling world, Our Particular Qualities for which you call! With a world at war, the Requirement of those who seek to serve the Light is the feeling of Peace; to be able to hold steady against the vibratory action of the world around you! Then the Right Ideas can keep flooding through from your "Mighty I AM Presence," to hold Balance against the destructive forces!

The Quality of Peace is much more easily felt than visualized! You can visualize conditions of PERFECT PEACE, there is no question about that; but when you say "Peace" to the average person, the first feeling is Relaxation and quiet! One can have Tremendous Peace within the feeling world and yet be tremendously active; and in Its Activity keep pouring forth the Blessings of the Peace, which is within the emotional body!

Tonight, We want to bring you Peace within the mental body; because that is the place where mankind has very

little Peace! The moment Individuals are worried, under strain, or constantly trying to solve problems with the outer consciousness, the mind does not get a great deal of Peace, because of its CONTINUAL action! It very rarely becomes quiet! We want to bring about CONSCIOUSLY, Our Assistance to the "I AM" Student Body; so your minds are as calm as a lake; and your feeling world so Radiant with Our Cosmic Flame of Peace; that you give It to others everywhere you move! In this respect, I wish to explain an Inner Action of the Great Cosmic Law of Illumination, which every "I AM" Student, every advanced Student should understand!

We live to give forth more of the Qualities, Blessing and Perfection from Our Great Octave of Activity, within the Electronic Belt around the Physical Sun! We are seeking always to find openings, whereby We can expand the Sacred Fire of Our Qualities, through the Individual Life Streams of mankind; so Our Qualities may bless the Powers of Nature, the Beings of the Elements and the Planet Itself; and produce the conditions through which the Divine Plan of Life can be fulfilled! However, in the Outpouring which We send forth, there always is focused Our Consciousness and the Ideas concerning the Fulfillment of the Divine Plan! They abide quiescent within the Feeling of Peace which is Our Natural Radiation!

In assisting mankind, the Law is this: "Everyone makes mistakes, more or less – mostly more – and when mistakes occur, the thing to do is not to be disturbed nor depressed! If a mistake is made call on the Law of Forgiveness! Ask to have it wiped out! Then turn away from the thought of it and go deep into the Heart of the Cosmic Flame of Love and Cosmic Peace!" This will enable you to recharge yourselves, with the Ideas, the Feeling, the Flame and Substance of Accomplishment; to rise higher to strengthen yourselves or whoever you are assisting, to the point where the mistakes do not occur so much in the future, and eventually not at all!

In rendering This Service to others remember many times people, when they come into contact with this Light, see It is the only thing worth serving! They are ready to give their all and try to forget whatever has been wrong! In deep devotion, they want to serve the Light! Sometimes they call with very great intensity for more Light within themselves, so they may serve more powerfully.

Precious Ones, the Law is this: "No matter what the accumulation is around a Life Stream, if that one reaches up temporarily for more Light, We are obligated to give It; even though the Individual might not be strong enough to do what he or she desires to do! Yet the Opportunity must be given! Whenever there is a Call for Light from any Life Stream, the Law of This Universe is, that We must give It from Our Octave of Light; because We are the Dispensers of Those Great Currents of Energy, Those Great Flames of Life's Activity and Perfection!"

Therefore, Individuals who sometimes do not seem to have the Qualifications you might think were strong enough to render Service to the Light for which they call, yet each one must be given an opportunity to see if he or she can hold to the Light at that time. This is the Cosmic Law and We may not deny anyone the opportunity, to draw forth or call forth Greater Light, if that one does choose to make the effort!

Then sometimes people do things and apparently from the outer sense, seem to fail for the time being! We do not always consider that a failure by any means! If it seems temporarily that some of the old conditions, sweep in again, it is each one's Duty to call forth the Victory of the Light for all who want It! Then, Beloved Ones, give Another Opportunity to the Individual; and keep calling forth the Strength and the Power of Light to enable that one to have the Victory! You know a child falls down many times before it really learns to stand alone! So it is along the Pathway of Light!

People reach up sometimes with everything they have within them, for the Light; which their Hearts desire and

the Perfection which that Light is! Sometimes, if they do not quite make the grade or something of past momentum rushes forward, don't condemn them! In their next Call for Light, they may be strong enough to make the grade; and the thing to do is to help each one whenever that effort goes forth! In between times, pour all the Love, Light, Power, and Protection at your command, to the other person, when the struggle is great! It is very easy to be a fair-weather friend and one can always have a great many of those; but the kind of a Friend which the Ascended Masters are to mankind of this Earth, is to stand by and pour Love, Peace, Light, and Kindness; when the Individual is having the greatest struggle!

Do you know from Our Octave of Light what takes place with many people? Some people by nature have accumulations or dispositions which perhaps swing considerably one way and then another; but, Beloved Ones, many times within those Individuals, there is within their nature, a Strength that comes forth in a crisis; and always renders the Assistance and carries through! To those people We give every Assistance We know how to command; because if there be the Strength or something within the temperament which comes forward under a crisis, stands by and gives assistance; then, Beloved Ones, those people have a Strength and Dependable Quality within them, which We see from the Inner Standpoint, as Light.

So many times perhaps when they are not very agreeable in the outer between crises; it does not always mean they are not making progress! No one knows except the "Beloved Mighty I AM Presence" and the Ascended Masters just how great the struggle is! No one knows how great the pressure is around an Individual, who is trying to carry the Light to serve many people! None know, except the "Mighty I AM Presence" and the Ascended Host!

Tonight, I want you to accept, a Permanent Focus of Flame; a Garment of Flame, if you so choose, to qualify It around yourselves; which penetrates everything within;

and expands to bless everything without! In the Dual Activity of breathing within and blazing without, I ask you to see It like a Flame, which breathes into you; and then carries Its Blessings out around you! In That Rhythmic Pulsation, We can pour an increasing Pressure of the Sacred Fire of Cosmic Peace, which "I AM," to penetrate everything; to quiet the emotional body and to clear the mind! As It breathes out, It goes forth into outer conditions and brings Peace; which will help you to fulfill the Divine Plan; and give Assistance to others whom you contact!

This Mighty Activity has been throughout the centuries, acting in various manifestations! Mankind has not understood what the Words meant, when We have spoken of the "Fire Breath of God"! That is exactly to what I have reference tonight! My Cosmic Flame of Peace from the Electronic Belt around the Physical Sun, is like your breath! We can anchor It around you and let you breathe It in, as It becomes Part of your Life Stream! Then, as We release more Pressure, the Next Wave goes out to penetrate all that is around you! The First Breath comes down and enfolds you and breathes within! You draw It into yourselves and It becomes Part of your Life Stream! The Next Breath comes down and breathes out around you, to purify, harmonize, cleanse your world, and to give Assistance to whatever you contact!

So, Beloved Ones, in Our Two-Fold Action of the "Fire Breath of the Almighty," I wish you to feel tonight, as you accept It within your own world, that It floods around you to breathe out and bless others! I want you to be held really within Its Cosmic Action; because the more you can give acceptance to Our Cosmic Flame of Cosmic Peace around you, the more you can feel It still you, quiet the mind and illumine you! The more Mastery your own "Mighty I AM Presence" can release into your atomic structure, the more It clears your world! Then as you feel the next Flame come down and go out around you, It clears your world from substance which has been charged with discord!

It becomes a Mighty Gift, Beloved Ones, because Our Flame which flows out into conditions around you, can pass through people's physical bodies! It can pass through their minds! It can go forth, give Itself to everybody and wherever It goes, It brings happiness! Everything of Life craves and loves Peace! Our Peace in the Great Sacred Fire-Breath, breathes into outer creation, Perfection from the Electronic Belt around the Physical Sun! Thus, many, many, many wrong conditions are stilled; and the desire to do wrong is changed within the Individual through whom Our Flame passes!

That is the Flame, My Dear Ones, which quiets the fear in animals! It quiets the fear in human Beings! It is the "Great Fire-Breath of the Flame of Cosmic Peace," from the Electronic Belt around the Physical Sun! "I AM" privileged to be the Dispenser of Those Great Blazing Flames and Those Mighty Light Rays; which can come into a room on an instant, spread Their Radiance like a Sun; and everyone within the room will begin to feel at Peace! Why? Because the "Great Fire-Breath" comes forth in Rhythmic Pulsations from the Electronic Belt around the Physical Sun! As It touches the atmosphere of the room or those within it, they immediately begin to breathe It in! Since the Fire-Breath or the atmosphere of Earth, contains the Electronic Force from the Physical Sun; when you feel Its Great Natural Enfolding Peace, It is Sunshine from Our Inner Flame; which penetrates everywhere and everything It touches becomes at Peace! The mind becomes clear and Individuals can more easily know what is the RIGHT THING to do!

Oh, how the world needs Our Peace this hour! "I AM" speaking of the outer world! The "I AM" Student Body has more than the rest of mankind; and yet all mankind needs Our Peace constantly! This is the Flame, My Beloved Ones, which stills the whirls of energy in the emotional bodies of mankind! As you feel Our Flame enfolding you and penetrating within, It is like a hand that stops

the whirl-winds of other feeling! It changes the whole vibratory action, just as if you turned sunshine into everything within yourself; all that had been causing the shadows was stilled; and the feeling released until the intellect knows more readily the Perfect thing to do!

Oh, Beloved Ones, you have no idea How Great is the Healing Power of This Great Flame of Cosmic Peace, which I want so much to expand throughout the Earth. Mankind within itself desires the Blessings of Peace, but people refuse to give It to others! Do you know, Beloved Ones, you can give Peace to each other and to the world, as easily as you can give a loaf of bread? It is just as tangible! It is just as Real and far more Eternal! Will you try to feel, that as Members of Mighty Saint Germain's Family; therefore, Members of the Family of the Ascended Host and Cosmic Beings, you are at all times Ambassadors of Peace to Life wherever you move!

Oh, you can have such Marvelous Manifestations as you feel this Great Fire-Breath of Cosmic Peace, breathing into you; penetrating everything within you and stilling every vibratory action which is not Its Own Great Perfection! The next Wave expands out through your affairs, stilling the action of everything wrong. Then, you draw more of that Fire Element and again you flood more of It forth! Oh, get the ACCEPTANCE of This tonight, Beloved Ones, and I will be able to reach you in the midst of any condition! This Constant Flame around you which goes into your affairs at your Conscious Call becomes for you a Great Protection against the fear of the rest of mankind! Our Peace breathing around you Its Great Flame of Blessings, can go into the feeling world of every human Being; control all fear, dissolve it and consume it; and give Peace where fear has been a moment before!

Just as We are able to still fear in the emotional body and stop its distress; so can you, recognizing Our Presence and accepting Our Gift, feel Our Peace and Our Love! You can become the Great Fire-Breath of the Sacred Fire

of Cosmic Peace Supreme and All-encompassing, to everything you contact! Then, Beloved Ones, as you gain a Momentum of This, you feel It intensely around your bodies, will you become such a rest and such a Blessing to the rest of mankind. People will love to come within your atmosphere, because they will receive a Peace they do not receive anywhere else.

We want to make you Our Peace as Part of yourselves tonight! As you feel your momentum increase, Oh Beloved Ones, when things have to be handled, you will stand steady; feeling Our Peace go within and still you, so your connection is clear to your "Presence"! Then you can feel Our Peace breathe into the condition and still the fear in human Beings which makes the problems of distress!

That is why the Mighty Master Jesus said: "My Peace I give unto you," because He had reached the Place, where the Peace within Himself was the Master Presence of the Sacred Fire! It was God's Supremacy in Him, and therefore, It was His Dominion over all around Him!

When children are disturbed, they fear! When a grown person comes along they fear not! The person pours Love to the child and fear is gone, isn't it? The child becomes at Peace! BELOVED ONES, WE WANT YOU TO BE THE GREAT FIRE-BREATH OF OUR SACRED PRESENCE OF COSMIC PEACE SUPREME! THERE CAN COME WITHIN YOUR EMOTIONAL BODIES, SUCH EASE, SUCH RELAXATION, SUCH QUIET—EVEN THOUGH YOU MAY BE IN THE MIDST OF THE OUTER WORLD! YET WITHIN, YOU HAVE THE PEACE WHICH CONTROLS ALL THAT CONCERNS YOU!

We are offering Our Activity tonight, because This is one of the Mightiest Ways to control the fear in those around you; or your own fear, so far as that is concerned!

Do you know why My Cosmic Flame of Sacred Peace is so Powerful? Can you imagine why that is True? BECAUSE MY PEACE IS BLAZING AS THE SUN AT NOONDAY! THE ONLY PLACE WHERE FEAR CAN ABIDE IS

IN THE SHADOWS OF DISCORD! THERE ARE NO SHADOWS WITHIN MY COSMIC FLAME OF PEACE SUPREME! THERE ARE NO SHADOWS IN THE GREAT SACRED FIRE, THE SACRED FIRE-BREATH OF MY COSMIC PEACE! THEREFORE, ITS BLAZING LIGHT CONSUMES ALL SHADOWS, BE THEY WITHIN YOURSELVES OR IN THE WORLD ABOUT YOU!

So, will you always remember the Sacred Fire of Cosmic Peace, which you call in and around yourselves, breathes into you; and out to the world, My Blazing Sunshine that consumes the shadows of fear! Oh, Beloved Ones, this night—if mankind would be still and turn the attention to the “Blessed Mighty I AM Presence” and to Us; there could come like a Gentle Breath into the atmosphere of Earth, a Mighty Flame of Cosmic Peace; which would shut off everything destructive within the people! Peace will not come, until their attention is placed upon the Source from whence It comes!

People desire Peace so far as their own feeling world is concerned; but when it is disturbed, people do not give Peace to each other! You often say: “My Love and Blessings be with you,” and Love, of course, is the Fullness of everything; but, Oh Blessed Ones, form the habit of saying to people: “Oh, just be at Peace and let the Sunshine of God’s Love, dissolve those problems or illumine them to you! You hold your feeling at Peace, so God’s Sunshine can consume the fear shadows which are your distress.”

PLEASE REMEMBER WHENEVER YOU CALL FOR MY PEACE, WHETHER IT BE MY MANTLE OF PEACE ABOUT YOU; OR MY SACRED FIRE OF COSMIC PEACE; IT IS AS BLAZING AS THE SUN AT NOONDAY AND SO DAZZLING NO SHADOW CAN EXIST! Then, fear is not existing! Peace is God’s Supremacy! It holds command of the feeling and the mental world of those, around whom you draw It or send It forth!

There can be such Peace within you, Precious Ones,

even when conditions around you seem to be so disturbing! Yet within you, there can be so much Peace, that not the whole world could disturb you! This is the Peace that surpasseth the understanding of the mind, and which Individuals cannot give, unless they have It.

You can call to Us to pour Our Peace and Love to others; but when you say to your own Presence: "My 'Beloved I AM Presence,' make Me the Sunshine of Your Peace and see that I give It to all Life!" Then, will you have Self-Control which will amaze you! The longer you are able to hold It, the stronger It becomes; until you finally reach the Point, where no matter what you do in the outer, you might be very firm; but the Firmness of Our Peace would go forth and dissolve fear! Then the discord and distress of that which sought entrance, just through the pressure of the outer conditions, would be consumed and could not touch you!

The world this hour needs Peace, does it not? Then some of mankind must give It and you Blessed Ones—who in your "I AM" Decrees are giving your Life Energy to Us to be qualified with Peace—are the Open Door through which Its First Manifestation will come! The feeling of mankind, because of its great distress, is calling for Release and Relief from it! Therefore, people have begun to think about Peace; but just the cessation of war, does not necessarily mean Peace to mankind! It means the stopping of distress for the time being; but the Peace which "I AM" to the Earth is the Sunshine of Our Love, which dissolves all fear!

You can have no Peace, until fear is annihilated and doubt consumed by Our Light which "I AM"! As the Elohim of Peace—as the Authority of Peace to the Earth—I tell you, It must come within the mental and emotional bodies of mankind by the dissolving of the shadows of fear! Love, Peace and Forgiveness are the Only Activities which can dissolve mankind's fear! Fear is selfishness; because it is the shadow which covers and holds the energy

that should be Self-Luminous!

Therefore, in the Use of your Violet Consuming Flame to consume all fear – call forth My Cosmic Flame of Cosmic Peace to replace fear and keep the DOOR WIDE OPEN in the future; for the Fulfillment of the Great Victory of Peace to all! The senses riot constantly in the emotional bodies of mankind and in the mental bodies! You know what happens when there is a riot? Distress usually follows doesn't it? If people would breathe in My Fire-Breath of Cosmic Peace and send It forth to others, they would find the things in their own household – "I AM" speaking of their minds and bodies – would be held in Divine Order! Then Love and Peace which are necessary to fulfill the Divine Plan, will govern things; so the shadows cannot cause you any more problems! Oh, there is no substitute, Precious Ones, for Our Mighty Supreme Love of the Universe, which is all Peace to all forever!

It is imperative that the Sacred Fire of Cosmic Peace come into your temples to abide there; as the Authority over your feeling world; if you are to hold Self-Control and the Victory of Light, which forbids the shadows to ever again enter your domain!

Beloved Ones, there is a DIRECT COMMAND you may give to your own desires! When you command all your desires to be sealed within the Sacred Fire of Cosmic Peace, you will find the senses will not riot; nor cause you constant disturbance, when you want disturbance to cease! Call My Sacred Flame of Cosmic Peace to enfold every desire within you, and raise it into the Sunshine of the Love of My Heart! The qualities which are of human disturbance, will disappear as you breathe My Peace within yourselves; and It breathes Its Blessings out into the world around you!

The Fire-Breath of the Almighty is no figment of anybody's imagination; because all goes forth in a Rhythmic Pulsation just like your own Heartbeat! From the Source of Creation, comes the Constant Expanding Blessings of

Life in God's Universe. The Divine Plan fulfilled is at all times, the Rhythmic Blessing of Love and Peace to all substance, energy and consciousness! If you will accept that which "I AM" offering, you can draw It within yourselves; so your "Blessed I AM Presence" may intensify Its Own Peace and Dominion through you! Then call Its Blessing forth to hold Its Dominion through the world about you! In this way, you will have a Three-fold Action of My Cosmic Flame; which I assure you is Dominion over the distress that has manifested in your worlds so long!

You are hourly rising out of these conditions, Beloved Ones. Be not discouraged! You have everything in the Universe to encourage you, because you have come this far! If you could get this far with all that has gone before, the rest of your Pathway should be a Continuous Song of Joy; a Continuous Acceptance of all of Our Qualities, which It is a Great Joy to release and direct into your use.

Every unascended Being needs all the Ascended Master Peace, do you not, in order to bring Perfection into this octave? If you don't give Us your attention, reach up and call forth that which We give, We do not intrude It upon you! "I AM" sure you do not intrude your gifts upon those who are indifferent to you! If they are indifferent, you just go to someone who is not indifferent! We do not exactly do that, but the Cosmic Law of your Life Stream does not permit Us to force Our Perfection into your world, unless you request It! You are the Authority over every quality you want! We may not intrude upon your Free Will at any time; but Oh when you invite Us, We are so grateful that another Wave of Expansion of that which We want to give to perfect the Earth, is allowed to have an Open Door to flow without obstruction; and to carry Blessings for Eternity to those who become One with Us!

Now, will you feel how closely you are One with the Seven Mighty Elohim of Creation? Because "I AM" a Transcendent Being of Cosmic Power, does not mean that "I AM" not connected with you! A Flame of My Life

Stream abides within the forehead of every human Being on This Earth! Then would I not be concerned about the Temple in which My Flame abides? Would I not always seek to expand My Flame of Cosmic Peace and help It to grow, until It blesses all everywhere?

We have sent forth Our Flames into the brain structure of mankind; so Our Cosmic Activities of Life might expand through all of this world, until this world becomes Our Cosmic Perfection! We can only do it as mankind consciously draws forth that which We have to give; love It; expand Its Blessings; and give It to others, as We have given It to you!

Therefore, I say to the mankind of This Earth, all of whom have the Seven-Fold Flame of the Seven Mighty Elohim within the forehead: "You have a Direct Connection with the Cosmic Flame of Cosmic Peace and can call forth Its Mightiest Expansion through yourselves! You can give It to all, because there is some of It in every one's Life Stream! You can call It forth from the Higher Mental Body and, therefore, you can release to Life, Our Action of the Sacred Fire which consumes doubt and fear! It consumes the feeling which makes the senses riot!"

It blazes Peace from God's Own Heart, where human creation has sought to cause distress for so long! You can bring Peace into the mind! Peace into the feeling! Peace into your affairs! You can call to the Source of Peace and that Source is your own "Beloved I AM Presence"! You can call to Me; and to Those of the Ascended Masters' Octave, Who have for so long offered all of everything!

I WOULD LIKE TO REMIND THE "I AM" STUDENT BODY TO CALL TO THE MIGHTY RAY-O-LIGHT MORE OFTEN! HIS LOVE HAS OFFERED TO CONSUME THE FEAR, OR RATHER TO CHARGE YOU WITH THE ACTION OF HIS SACRED FIRE OF ABSOLUTE FEARLESSNESS! IN OTHER WORDS, THE FLAME OF LOVE FROM HIS LIFE STREAM IS THAT WHICH ESPECIALLY CONSUMES

FEAR AND DOUBT! When you have consumed fear and replaced it by Cosmic Love and Peace for Eternity, you command the Divine Plan be fulfilled! Then God's Supremacy shall reign in Eternal Victory!

Do you know, Beloved Ones, an individual sometimes lives an entire Lifetime, when that one does not even touch the fringe or the edge, so to speak, of Our Peace? The only rest some individuals get is between Lifetimes, when they are taken into the Octave of Light; the emotional body is compelled to be still; and listen to the Instruction which they receive There! If it were not for that interim of Peace and Quiet to the Life Streams between embodiments, mankind could not go on in the constant strain of the outer experiences of Life and remain sane! The only thing which holds mankind's sanity, is the rest a person receives between embodiments; until he or she comes unto This Acknowledgment of the Law of the "Mighty I AM Presence."

Those in the past who have attained the Ascension, came into Our Great Peace through Intense Devotion to God as they called It! When their Devotion opened the Door to Illumination, the Explanation of the "Mighty I AM Presence" had to be given! When they understood It, then they became the Flame of Peace to the rest of Life everywhere!

When the Mighty Master Jesus said: "My Peace I give unto you," It was because He had drawn That Peace from His Own "I AM Presence" and from Us! Like all who serve the Light, as soon as they receive THAT WHICH IS GREATER THAN THEMSELVES; the Law is to give It out, to those who are receptive and will value It!

It is the Law of My Life Stream, to give My Flame of Cosmic Peace to the Earth, wherever It can be received! Then those who receive It under the Action of the Law, become the Open Door through which It is expanded again; until It flows forth everywhere and dissolves whatever has caused mankind's distress! Without Peace and Quiet in the mind and the feeling, you cannot receive clearly

from your "Mighty I AM Presence" or the Ascended Host, the Greater Illumination which is constantly surging to bless you with Itself!

As you hold steady in your Calls for Our Great Cosmic Activities of the Sacred Fire; and you understand more deeply, what is meant by the Sacred Fire-Breath of the Almighty—you will know that every Flame of EVERY QUALITY you desire to call forth, can be charged around you and breathed into you! You absorb It and make It part of your own Life! It can be breathed out around you and become a Blessing which continues to expand, until It enfolds the world! Not all mankind together can prevent the Expansion of Our Cosmic Flame of Peace which "I AM," when I command It to go forth through your CONSCIOUS CALLS!

World Peace is coming, Beloved Ones! It must come! Mankind's distress must cease! World Peace this time will begin to breathe into the very Earth itself, the Power of My Light; which consumes the cause and effect of fear throughout the centuries! My Flame of Cosmic Peace shall pass through mankind into the structure of Earth—even unto the Heart of the Earth itself! It shall breathe out, until It becomes the atmosphere of Earth! Once again, the Sunshine of God's Love in the Quality of Peace, which consumes doubt and fear—shall bring Illumination to all mankind; until all awaken into the Fulfillment of God's Divine Plan; and until all see the Glory and the "Beloved Mighty I AM Presence" above each human form!

Do you know through the Flame of Peace, stilling within you COMPLETELY ALL DISTURBANCE—through My Flame of Peace held perfectly steady, you can see your "I AM Presence" face to face! Therefore, to those under This Radiation, the Sunshine of My Presence, means more than just words; and My Peace which brings Magnificent Accomplishment, is as necessary as the air you breathe.

CALL FORTH THIS MIGHTY ASSISTANCE WHICH I OFFER! CALL FOR MY PRESENCE OF THE COSMIC

FLAME OF COSMIC PEACE! BELOVED ONES, LIKE THE MIGHTY MASTER JESUS WHOM YOU HAVE BEEN VISUALIZING, CALL TO ME, TO PLACE THE HAND OF MY FLAME OF PEACE UPON AN INDIVIDUAL! IF YOU WILL COMMAND THE HUMAN, SAY: "PEACE, BE STILL BY THE AUTHORITY OF THE ELOHIM OF PEACE," IT SHALL BE SO UNTO YOU! IF YOU WILL COMMAND, I WILL DO; BECAUSE WHEN THAT COMMAND GOES FORTH, IT MEANS AN IMMEDIATE EXPANSION OF MY FLAME OF PEACE; WITHIN THE BRAIN STRUCTURE OF EVERY ONE FOR WHOM YOU CALL IT FORTH!

Say to your problems and the problems of those under This Radiation: "In the Name of the Elohim of Peace, I say: 'Peace, be still, and go thou into the Violet Consuming Flame and be thou no more!'" You can speak to the consciousness and energy in your problems just the same as you could to an Individual! They are but the creations of your own thoughts and feeling of the past and your spoken words! They are your own Life's energy! Therefore, you have the authority to command them to be still and be consumed and dissolved! If you commanded them to come into outer expression, you can command them to be dissolved and consumed from creation!

Supposing you have created them, you can say: "Well, if I were your creator, then 'I AM the Presence' that annihilates you!" When you say to everyone of those problems: "Peace, be still! Mighty Beings of Light, consume forever all that is not the Peace of God's Own Heart" – there shall come forth, Beloved Ones, Oh, such Illumination to you! If Peace is within your feeling and within the mind, then the Way is Clear; and the Light from your "Blessed Mighty I AM Presence" and Our Octave, will give you the Fullness of All Good Things! It comes on the Flame of Peace; and PEACE, BELOVED ONES, IS A MOST INTENSE ACTION OF COSMIC LOVE! That is the reason the color gold has been used always to symbolize Peace; or rather to be the Carrier of Peace! Gold is also the Flame of Love and

the breath of pink within It, is the Divine Compassion which forgives and sets Free, to the completion of the Divine Plan!

This night, Beloved Ones, as Great Cosmic Actions of the Sacred Fire are nearing the Earth; and will continue to expand to the Accomplishment of the Great Victory of Light—clothe everything in and around you, with My Sacred Fire of Cosmic Peace! Build the Momentum which blazes around you of My Authority to consume fear; so there may be nought to interfere with the Great Service you are all to give!

Love and Peace are Handmaidens of the Almighty; and Those Flames can clothe you in Such Beauty, Such Majesty and Such Power as you cannot realize; until you draw Them around yourselves and you feel Them breathe within you and blaze around you! As Their Action goes on and on, just as your own Breath and Heartbeat continue, you will realize you are One with Our Love! As you realize It more and more, you will find the veil thinning; until one day there will be no veils between! There will just be This Great Cosmic Acknowledgment, which has swept aside the shadows of human discord; and Our Mastery, Love and Peace will hold Their Dominion! Then you, the Glory of God's Own Heart, stand the "Blazing I AM Presence" of the Thousand Petaled Lotus; and Those Flames are the Living Outpouring of Your Love and Peace and Blessing to all!

This night, as We are pouring Our Radiance here, We are releasing the action of Intensifying the Element and Quality of Peace in and around each of you! Then Its Light is shedding Its Radiance into every Life Stream on this planet; until the Intensifying Power of the Cosmic Light enters into the atmosphere of Earth; and sets a Flame, a Call for Peace in each Life Stream! Thus, the atmosphere as It surges forth, will draw down all the Intensity of My Cosmic Flame required, to compel the cessation of destruction! Then, My Loved Ones, as We move into outer action, help Us to close the door against every-

thing on This Earth; which would attempt to interfere with Eternal Peace and the Victory of the Light!

We hope with a body of "I AM" Students this size or larger, who can be harmonized and raised to a certain point—sometime when We are dictating, We want to pass through the atmosphere of the room, a Light Ray which will part the veil for awhile; and let you hear the "I AM" Angels of Peace and the "I AM" Legions of Peace, sing the Great Anthem of Praise in the Temple of Peace! (Applause – audience rising)

Thank you, My Loved Ones, for the Mighty Release of your energy. I shall accept It! I shall expand It with My Love, Peace, and Blessing; to come back to you all, with every Assistance, until That Moment arrives! THAT MOMENT, BELOVED ONES, WILL BE A MOMENT YOU WILL NEVER FORGET IN ALL ETERNITY! MANY TIMES YOU WILL HEAR OUR MUSIC LATER, YET NEVER WILL IT MEAN TO YOU NOR THRILL YOU, AS IT WILL THE FIRST TIME IT OCCURS! I SHALL AWAIT PATIENTLY, I hope, until It arrives! I want you to have Our Joy! I want you to have the Expansion of the Light which It will bring. So call for It! Feel My Flame of Peace breathe through you, around you and give It to all! Command the ethers to part and let you hear that which is Eternal Peace—the Song of Peace throughout All Creation! Thank you, Beloved Ones, won't you be seated?

Oh, that We might do This tonight for the whole world! Oh, that mankind might be compelled to be still all at once; and as the Light increases in the atmosphere of Earth, let the people listen to that which they automatically know is of God! Once and forever their doubt and fear would disappear! Go on and call for the Cosmic Light of These Manifestations! Only the Great Divine Law knows what might be permitted, through your Intense Calls for Those Manifestations; which will awaken all mankind out of the sleep of human selfishness and discord; and into the Song of Life's Eternal Peace.

Great are the Blessings, Beloved of the Light, to expand; until the Fullness of all the Glory you can comprehend enfolds you; and floods through you to render Our Assistance, which raises all into the Great Golden Age! Our Peace which surpasseth the understanding of the mind, can one day flood the Flame in the Heart! May My Flame from My Heart, envelop you tonight in Its Mantle of Living Fire; visible, tangible, Eternal and All-Commanding; until that hour, when you stand in Our Octave and Your Victory sings the Praise of Peace for Eternity!

Thank you for this night! May Its Love, Its Light, and Its Blessings envelop the Earth; and draw all into the Heart of Our Light; so We may give them Peace for Eternity and the Victory of God's Own Heart Supreme forever!

Thank you, Beloved Ones of the Light.
