

BELOVED RAY-O-LIGHT'S DISCOURSE

CHICAGO, ILLINOIS

JULY 22, 1945

BELOVED ONES OF LIGHT, I come through the ethers tonight, bringing the Light, the Intensity of which can be called forth at your Conscious Command, without any limit whatsoever; to enfold you as a Garment of Protection against whatever seeks to disturb!

In the Release tonight of the Radiation which I bring, I want you to feel a Very Inflexible Determined Stand; to annihilate all fear, doubt, selfishness and discord from your mental and feeling world; and replace them by the Cosmic Light Substance which I bring! Then you will begin to feel a Release from the pressure of outer world conditions, which you have never felt and the Reason is this.

Your emotional bodies, through long centuries of habit, are attuned to the mass feeling of fear; because the mental and feeling world of mankind is One! Since the mass of mankind is so charged with fear, through the spoken word unknowingly released, the people have charged a very great momentum of fear into the atmosphere about you! Mankind's principal chain of limitation is the feeling of fear! It always comes where Love is not!

You might think you love a great deal and true you do, in your own way—when it is not too much effort to love the problem in hand; but, Beloved Ones, no one realizes how deeply embedded in the emotional bodies of mankind, is the feeling of fear; and all fear has its root in the consciousness of the body! It is due wholly to the feeling in the emotional body, that the outer self is not going to get its own way! All fear is the clawing for energy to sustain your human creation! The human creation knows very well, if you conquer fear, it is finished; because destructive forces only hold mankind in their clutches, be-

cause the feeling world has not been charged with Light! Light repels the discord powerfully and quickly enough to keep it from approaching! The Individual can see with the outer consciousness, when the Instantaneous Manifestation of Light dissolves the fear!

This is why I said in the beginning, that in bringing This Radiance tonight into the room in, through, and around each of you, it is to clothe you for a certain radius around the body, with My Light Substance of Eternal Fearlessness! There is a vast difference between Courage and Fearlessness! One may have very Great Courage in the midst of frightful conditions, and yet be tremendously charged with fear!

If you could release all fear from an Individual—completely from the emotional body—all uncertainty, all selfishness, all discord would leave! All fear is a substance! It is the PRINCIPAL SUBSTANCE which the sinister force draws from the psychic plane, to compel and hold people in its power; to do the destructive thing which the Individual does not want to do of his or her Free Will! Fear is always the weapon of destructive forces!

That is why the Ascended Ones have told you repeatedly, you can never stop calling for Protection and Purity, until your Ascension is complete; because so long as you move in this vibratory action of the physical octave — at least until after the change takes place — you are moving in the octave of vibration in which all the rest of mankind's emotional bodies are moving also! Therefore, if you are not on guard, the fear which belongs to someone else, may rush into you and touch your emotional body! Then you begin to fear something and it is not even in your world! You do not even know it is there, until weeks or months later!

Mankind's principal fear, of course, is for the sustenance of the body! Individuals fear they are not going to have enough to eat, sleep, keep a roof over their heads; do what they want to do or have been accustomed to doing!

Therefore, financial fear is perhaps the greatest momentum of fear, in the atmosphere of Earth today! The suggestions of the outer world, have simply grown and grown and grown, like weeds in a garden; until you cannot find the flowers! That is all fear is; simply a rate of vibration! It is just energy vibrating at a certain rate!

“I AM” GOING TO MAKE A REQUEST TONIGHT, BECAUSE THIS IS JUST AS IMPORTANT FOR YOU TO DO MANY TIMES A DAY; AS IT IS TO USE THE VIOLET FLAME OR THE BLUE LIGHTNING OF COSMIC PURITY! DEFINITELY USE THE AUTHORITY OF YOUR OWN LIFE STREAM, TO FORBID FEAR—ANY KIND OF FEAR—TO ACT THROUGH YOU, TO YOU OR TOUCH YOUR WORLD! IF YOU BEGIN TO DO THIS, YOU WILL KNOW SUCH A RELEASE AS YOU HAVE NEVER DREAMED POSSIBLE! Many times, when you are not particularly fearful yourself, if you come in contact with one who is fearful, the pressure of his or her energy upon your own emotional body creates distress! Many times a feeling of uncertainty, often makes you waver from an outside pressure; when there is no cause to do it at all within yourself!

TAKE YOUR STAND AND DEFINITELY EACH DAY FORBID ANY FEAR TO TOUCH YOU, YOUR WORLD, YOUR LOVED ONES; THOSE FOR WHOM YOU CALL FORTH ASSISTANCE, TO EVER ACT THROUGH YOU OR TO YOU! YOU WILL STOP THEIR ACTION IN ABOUT NINETY PER CENT OF YOUR PROBLEMS. AS SOON AS YOU MAKE THEM INACTIVE—I MEAN BY THAT SHUT OFF THEIR EXPANSION, BY FORBIDDING FEAR TO ACT—YOU CAN COMPEL THEIR ANNIHILATION VERY MUCH MORE QUICKLY!

Fear, doubt, selfishness, and discord are practically all one; because they are different intensities of the same feeling. Selfishness is a holding to the outer self, for the gratification of its own desires, that which came from the “Beloved Mighty I AM Presence,” and belongs to the “Presence”! Why does selfishness charge an Individual

with fear? Because the human feeling fears it is not going to get its own way!

That is why, as the Beloved Godfre said to you Thursday night: "Remember, your body came from God, belongs to God and must be given back to God"! Then, if you will make your feeling understand, you love your God and pour your Love there, the "Blessed Mighty I AM Presence" will shut out whatever would cause disaster to the outer self!

Mankind has for so long taken the attitude: "This is my Life! I will do with it as I please"! People have up to a certain point and you see the results in the world today! Tonight, I come to start with you, a concentrated definite – shall We call it – drive? That would be a very Good Idea, I think! It is very applicable to the case in hand; of building a momentum to drive fear out of the feeling world of every one under This Radiation! Then, drive it out of all mankind; because fear is but the desire for self-preservation of the animal, nothing else!

God cannot fear! Your Higher Mental Body does not fear! Your "Mighty I AM Presence" and the Ascended Masters do not fear! Then there is only one place from which it can come; and that is your own human creation or the human creation in the world about you! If you will definitely take your stand, to use your "I AM AUTHORITY OF LIFE" and in the Name of your "Blessed I AM Presence," forbid any fear to ever act through you, to you, touch your Being or world again; or those you hold near and dear! Do as the Blessed Saint Germain says in the "I AM" Discourses: Take your stand and say: "'I AM' the Presence preventing any fear ever acting through or to me again"!

CONSCIOUSLY CONCENTRATE A VERY DEFINITE DYNAMIC CONSTANT ACTION OF THE BLUE LIGHTNING OF COSMIC PURITY AND COSMIC VIOLET CONSUMING FLAME; WITH YOUR DEFINITE COMMAND AND AUTHORITY TO ANNIHILATE ALL FEAR! DEAR ONES, YOU WILL FEEL AS IF YOU HAD TAKEN OFF A GREAT

ARMOR OF STEEL! THE FEELING WORLD DOES NOT YIELD IN A MOMENT AS YOU ARE WELL AWARE! NEVERTHELESS, BEGIN TO BUILD THIS MOMENTUM AND CONSCIOUSLY COMMAND THE ANNIHILATION IN YOUR BEING AND WORLD, OF ALL FEAR ABOUT WEALTH AND DISCORD! Replace it by My Sacred Fire of Absolute Fearlessness and the Substance of the Ascended Masters' Octave! You will begin to see a CLEARNESS in your own atmosphere about, you, for a certain radius around your physical bodies!

We have Many Reasons for wanting to help you to do this! It will not only make your own world much more Harmonious, but It will make you stronger to wield the Greater Powers of Life! Precious Ones, you can draw such a Concentrated Action of My Sacred Fire—My Cosmic Flame of Absolute Fearlessness about you, that when people step near you, It will be as if they, too, had stepped into the Sun Presence of Sacred Fire!

Let us call It a Sun of Sacred Fire! The very feeling within you of Ease and Rest within the "Mighty I AM Presence" and your Calls to the Ascended Host, will carry to others Our Feeling of Security! In that way, the Radiation about you of Our Flame of Absolute Fearlessness, will go forth into the atmosphere about you; and into the Beings and worlds of those you contact!

Often when you just pass by people on the street, you will help to dissolve the fear which binds the rest of mankind. In that way, you will take those Life Streams out of the clutches of the sinister force! Many times just by contact and Radiation for a little while—a few moments sometimes, or an hour or two's association—will enable Us through you, to anchor into the Life Streams of those you contact, the extension of Our Flame of Absolute Fearlessness.

You may draw around yourselves, whatever intensity of Our Flame you desire; but when you suddenly touch other people, your Flame expands for a moment; and be-

gins the dissolving of the fear in the other person! Then as you call to Me, I, too, can anchor within that Individual My Flame of Absolute Fearlessness; and you will be the Courage Producing Presence among your fellow men, wherever you move!

Now I want to make the distinction between foolhardiness and Absolute Fearlessness and Wisdom! Many times people have a certain quality in their nature of daring! That is not altogether fearlessness! Sometimes it is a sense of pride and a show-off before others, and THAT IS NOT WISDOM! WISDOM IS THE RIGHT USE OF ALL THINGS! IN OTHER WORDS, THE CONSTRUCTIVE USE OF EVERYTHING WHICH IS BROUGHT INTO CONTACT WITH YOU OR YOUR WORLD! SO, PLEASE CALL FORTH OUR WISDOM AND ILLUMINATION AS WELL AS ABSOLUTE FEARLESSNESS!

Occasionally a child, a very tiny child goes up to a wild animal, or a dog or horse, and the child is wholly unafraid! Many times those children go near animals which are very vicious to other people; but the animal won't do anything destructive to the child! That is exactly the way the sinister force acts! If the sinister force knows you are not afraid of it, it cannot hurt you! It only affects you, because it makes you think or can make you believe, it is the Authority instead of the Love of your "Presence"! That is the only reason mankind comes under the domination of fear from individuals who have vicious creations around them!

This "I AM" going to explain acts in both sides of the family, ladies and gentlemen alike! There is much fear held over each other in the family life! I wish to lift that tonight wherever possible! People fear others in the family who are vicious to This "I AM" Activity or for some other reason. They fear many times and do things because of someone else's viciousness! Do you know in all situations like that, the creation around an Individual, is nothing but a big bully, like you have in school occasionally! When

you arise in the Dignity and the Authority of your “Beloved Mighty I AM Presence” and your Divine Birthright, you can command that thing to be silent in your presence! You can forbid anyone to speak unkindly to you again! You will be surprised how many of these vicious creations will just turn tail and run and leave you and your world in Peace! Many people live in such torture for years; because they are simply afraid to stand right up and force the annihilation of the wrong!

Tonight, “I AM” drawing a Flame into this room around each of you, which is as tangible a substance as this desk—just as tangible! Accept My Flame and command Its Intensification two or three times a day! Just acknowledge that It is there and ask your “Presence” and Me to intensify It! Then, you will move insulated from the fear of the outer world! Precious Ones, when My Heart Flame is about you, I remove the pressure of the feeling world of others! (Applause – audience rising)

Thank you so much, Precious Ones. I appreciate that and I shall come back to you on your Love with everything possible; to annihilate all fear from your worlds forever! Thank you so much and won’t you be seated?

I have a Very Strong and Powerful Associate, who, if you will call His Flame into action and My Flame of Absolute Fearlessness which I direct—you will begin to feel your own Power much more tangibly; to control vicious conditions around you, when you contact them in the outer world! It is quite as Important for you to use Our Two Flames, as it is the Violet Consuming Flame and Blue Lightning of Cosmic Christ Purity! This Flame is the Mighty Silent Watcher’s Sacred Fire of the Great Great Silence! If you already had a Momentum around you of Those Two Activities of the Flame – and I mean a Powerful Momentum—you could walk into a room full of people, who were discordant and talking! You would not have to do a thing, but just walk into the center of that room and be harmonious! The very Intensity of Our Flame passing out

into the emotional bodies and atmosphere of those in the room, would shut off discordant speech and the pressure of people's fear!

The Flame from the Silent Watcher—the Heart Flame of the Great Great Silence—is an Action which every human thing fears! Everyone's human creation or that in the atmosphere of Earth, fears frightfully the Silent Watcher's Flame; because within His Flame is an Action of the All-Seeing-Eye of God! Destructive forces know very well, It sees through their motives and plans; and before It they cannot succeed!

So, if you have This Combination—Beloved Saint Germain's Violet Consuming Flame, My Flame of Absolute Fearlessness, the Silent Watcher's Flame of the Great Great Silence and the Blue Lightning of Cosmic Christ Purity—Precious Ones, it will not be long, until you will feel so light in the vibratory action of your bodies and the atmosphere around you; that you will almost feel as if you were sprouting wings to fly—not that you would, but you would feel like it!

You have not called to Me very much! You mention Me occasionally, but you have not used My Flame very much; and I can only give It when you invite It! I would be so happy to annihilate all fear from the Earth; but the Cosmic Law demands that you stir the ethers into action, with your Call for My Flame; before the Door is opened between for Me to blaze It through!

There is not a person in the room tonight, who has not many phases of fear acting in the emotional body, but you don't realize it! Fear has so many many different forms! Just go right to work with FIERCE DETERMINATION TO ANNIHILATE ALL FEAR AND DOUBT, SELFISHNESS AND DISCORD! The reason I say that is because many people doubt themselves; when all the time the "Beloved Mighty I AM Presence" is, through a Gentle Feeling in the Heart, giving them the Right Direction to do what is the Fulfillment of the Divine Plan! When they doubt,

they doubt the “Mighty I AM Presence” or they doubt Us! It is just a wavering, so you cannot accomplish the thing your “Blessed I AM Presence” is all the time trying to help you attain!

I knew of one woman, and I have seen this many times, when people who have fierce human creations, have also sometimes very very great Strength, Courage and Power of Fearlessness! In so many channels they are absolutely fearless, but in others something will touch them!

In this case, the lady had been extremely dictatorial! In her entire life and family, she just always ruled the surroundings; but she was a very lovely person! She had a creation which was the size of three people, because of her frightful dictatorial feeling; but she also had Great Courage and was Fearless in the extreme in many ways!

One night this creation showed itself to her! She arose out of bed, walked over and faced the thing and said: “Get over there,” and the thing backed off! She said: “I don’t know who you are or what you are; but don’t you come around here trying to scare me”! She was not a Conscious Student! She did not consume the creation by any means; but she made that thing recede, because of her Fearlessness; and in that way I glory in her Power!

This lady has since passed from the body, met our Beloved Godfre and is receiving much Assistance! The next time when she comes into embodiment with That Fearlessness, she will tell her human creation to go into the Violet Flame in no uncertain manner; and she will be Free in a very short while; for she has the Courage of a regiment!

I want you to do the same thing! Suppose your human creation does show up, what about it? Say: “Get out of here and go into the Violet Consuming Flame! Don’t you come here and try to scare me! If I created you, I can finish you”! Dear Ones, It is just like you take your human creations by your hand and put them in the Violet Consuming Flame. Then you will know a Peace and Hap-

piness you never knew! Strange to say, there always comes with that condition a Sense of Humor! I don't know why, but it does exist within the FEELING of Mastery and Authority within yourselves!

When Our Feeling begins to arise within you, and your own Power and your Right to annihilate all human things arise, It will give you a sense of Relief from things you have feared and gone down under again and again throughout the years and sometime Lifetimes!

I have seen many a small lady who was Fearless for the time being, back off some very destructive forces! I mention this case tonight, because I want you enfolded in My Flame of Absolute Fearlessness! I want you to take the Same Dynamic Positive Stand against anything; which wants to obstruct the Blessing of Mighty Saint Germain's "I AM" Activities any longer to the people!

If the outer world were suddenly to discover that all the "I AM" Students were extremely Fearless; they knew what they were doing and held their ground; it would not take long to convert many people who think they are antagonistic to Our Ideas! After all, you have something they don't have and they would like to be as Free!

Beloved Ones, My Mantle of Fearlessness is yours if you will accept the Gift! You cannot have Freedom so long as you have fear! There cannot be two Masters in the house and anything be definitely accomplished! One day you must get rid of all fear! You cannot take it into the next octave! You cannot take it into your Ascension! So, the more you consume Consciously here and now; the Greater will be your Joy, Freedom and Mastery until you do attain your Ascension! SO IT IS VITALLY NECESSARY TO ANNIHILATE ALL FEAR, DOUBT, SELFISHNESS, AND DISCORD!

I WOULD MENTION THOSE FOUR THINGS AND I WOULD ALSO SAY KNOWN OR UNKNOWN! Many people are so fine in many ways; but sometimes lurking in the emotional body, is a record of a habit or something de-

structive they do not know is there! Just insist on the annihilation of these four things! Then stand steady with your Violet Consuming Flame, the Blue Lightning of Cosmic Christ Purity and Beloved Saint Germain's Spiral Blue Flame; and you will not have much difficulty in the future, Precious Ones.

YOU COULD SAY THE SAME THING TO YOUR BILLS OR TO YOUR PROBLEMS! Get in the habit of acknowledging your Mastery! Whenever a problem appears, whether it be in yourself or someone you love, someone you are trying to help, command its annihilation! If disturbing conditions intrude themselves repeatedly, talk to the consciousness in that human creation!

Remember always, whenever you speak a Command, speak It in the Name, Authority and the Power of your own "Mighty I AM Presence" and the Ascended Masters! **SAY DIRECTLY TO THAT HUMAN CREATION: IN THE NAME OF THE LOVE, WISDOM, POWER, AND AUTHORITY OF THE "BELOVED MIGHTY I AM PRESENCE" AND THE ASCENDED MASTERS, "I AM" YOUR MASTER! NOW UNDERSTAND THAT! "I AM" HERE TO OUTPICTURE THE FULFILLMENT OF GOD'S DIVINE PLAN! YOU ARE IN MY WAY! GO INTO THE VIOLET CONSUMING FLAME AND BE THOU NO MORE IN THE UNIVERSE!**

THEN, CALL FOR THE ASSISTANCE OF THE "MIGHTY I AM PRESENCE" AND HIGHER MENTAL BODY OF EVERY LIFE STREAM, TO TAKE UP YOUR DECREE; AND SPEAK IT TO EVERY BIT OF HUMAN CREATION ON THE PLANET, UNTIL EVERY LIFE STREAM IS FREE!

I challenge anybody or any group of people, to take That "I AM" Decree and speak It to whatever is of human discord; and see whether or not it knows when it has met its Master! When you say: "I AM your Master"! by the Use of the Word "I AM" in the beginning, you shock the whole human creation! The moment it knows you are not afraid, it will go elsewhere or dissolve at your command!

“I AM” charging you tonight, with My Cosmic Flame of Absolute Fearlessness, and what is That? It is Mastery, isn’t It? Because, when you are drawing forth from your own “Mighty I AM Presence” and from Our Octave of Life – the Sacred Fire of Cosmic Love, Its Protection and Perfection, the Mightiest in the Universe – there is nothing to fear!

Speak Those Words into the ethers about you many times during the day! Say Them to your own human creation or that in the world about you! Say many times a day: “IN THE NAME OF THE LOVE, WISDOM, POWER, AND AUTHORITY OF THE ‘BELOVED MIGHTY I AM PRESENCE’ AND HIGHER MENTAL BODY—MY OWN AND THAT OF ALL MANKIND, ‘I AM’ YOUR MASTER! GO INTO THE VIOLET CONSUMING FLAME AND BE NO MORE!” Precious Ones, It won’t take you thirty days to build a Momentum around you through that Decree alone, which would lift you—just like a Great Magnet would come along—and draw you out of connection with destructive things you have feared so long, and which you have accepted as problems! You don’t always have to stay on the firing line; but whenever fear is concerned, you had better remain tremendously dynamically positive!

Beloved Ones, I hope the Silent Watcher dictates to you soon; because He has Certain Things He can say and give to you, in the Use of the Sacred Fire from the Great Great Silence; which contain so much Power to do the things you desire to do—without one word of friction with anybody! The Love and the Power of the Silent Watcher are so great, Beloved Ones, that He has but to send forth His Flame into a condition and you just be silent! You will see things change sometimes, without the slightest effort on your own part! You will just find events of Life changing conditions, that will bring greater Perfection to you!

The Power of the Silent Watcher cannot be over-estimated! Remember He said: “I have more energy in

my little finger than all mankind put together!” When He directs the Power Ray, which is the Blue Ray, within It is the Heart Center of Pink! He always has That Center of Pink! In other words, the Love from the Great Great Silence is the Nucleus! He clothes His Love in the Blue Ray to which there is no obstruction anywhere! When you have the Love and the Power of the Great Great Silence, My Dear Ones, only as you feel It build around you as a momentum; and only as you charge It into everything you do; will you begin to have Our Feeling within you of what Mastery really is! Then you can many times just stand still; make your Call; That Flame moves into the condition; and you don’t have to say one Word!

The Power of the Great Great Silence is the only thing which will handle certain kinds of conditions; because to speak the word or use a spoken word in certain situations would be absolutely fatal! You can call the Flame of the Silent Watcher into a condition, command It to be the Master Presence there; and absolutely control some of the most vicious forces in this way!

I trust He will find time to talk to you before long! He can give you through His Own Radiation, a Feeling of how necessary it is to cultivate a momentum of His Flame of the Great Great Silence! That is the Place of God’s Greatest Power! **THE GREAT GREAT SILENCE IS THE CENTRAL SUN, AND THE POWER OF THE SILENCE IS ONE OF ITS SPECIAL ACTIVITIES!** The Silent Watcher directs It! When you draw forth the Love of His Life Stream and the Power of His Silence, you really have entered into a Freedom you cannot comprehend; until you go within His Flame and FEEL the Love and Peace, which are within the Great Great Silence!

There you may see throughout space everywhere! Within the Great Great Silence your sight sees everywhere! Your ear hears everywhere! You may speak and you will hear everywhere! The Silent Watcher has Gifts to give that none other conveys!

As you remember to call forth My Cosmic Flame of Absolute Fearlessness, when you say—the “Mightiest in the Universe”—Oh, Beloved Ones, it is as if you Swung the Doors open wide into My Domain! Like an avalanche down the side of a mountain, the Flame, Substance and Power from My Great Temple and Octave of Light, surge through you and around you! They lift you out of connection with that under which you have struggled so long; and which you have feared, because you did not understand you were its Master!

OH, BLESSED ONES, REALLY I WOULD SO LOVE TO HAVE A GROUP OF PEOPLE, WHO WOULD TAKE UP JUST MY ONE DECREE FOR THE ANNIHILATION OF ALL FEAR, DOUBT, SELFISHNESS, AND DISCORD; AND REPLACE IT WITH THE COSMIC PURITY, FREEDOM, LIGHT, AND POWER OF THE GREAT GREAT SILENCE! OH, BELOVED ONES, MANKIND NEEDS THIS I THINK, MORE THAN ANYTHING ELSE I KNOW OUTSIDE OF THE VIOLET FLAME!

PEOPLE FEAR THE HUMAN, BECAUSE THEY HAVE NOT LOVED THE DIVINE ENOUGH, TO RELEASE ALL OF ITS POWER THROUGH THE OUTER SELF! DON'T YOU SEE? IF FEAR SEEMS TO STRIKE YOU, CALL FOR ITS ANNIHILATION FIRST! CALL FOR MY FLAME OF ABSOLUTE FEARLESSNESS TO TAKE ITS PLACE! THEN TURN TO YOUR “BLESSED MIGHTY I AM PRESENCE” AND LOVE IT! ASK YOUR “PRESENCE” TO MAKE YOU SUCH AN OUTPOURING OF THE ASCENDED MASTERS' LOVE, THAT YOU NEVER FEAR AGAIN!

Oh, Beloved Ones, We want This to come to you! You must become the Outstanding Lights of the world! If you are to go forth and bring forth the NEW THINGS into the outer world's activities; if you are to lead the rest of mankind into the Beauty and Perfection of the future; you must be cut Free from all fear—all human selfishness, all uncertainty, which doubt is; and you must be cut Free from all discord!

Do you know what doubt does to the pattern of YOUR world? You start out to accomplish something and then someone's radiation of fear or uncertainty comes in and MAKES YOU uncertain! You begin to doubt! It would be just the same, as if someone with a camera came up to take your picture and kept going this way and that way! (moving it about) You would not have a very clear picture would you, when you got through! Don't let people make you uncertain!

Go to your "Almighty I AM Presence"! Call forth the annihilation of all doubt and fear! Command and demand the Full Illumination from your "Blessed I AM Presence" and Our Octave; to show you unmistakably the Ascended Masters' Divine Plan fulfilled, for whatever you require! Charge forth My Cosmic Flame of Absolute Fearlessness into the condition! MOVE FORWARD AND ACKNOWLEDGE YOUR MASTERY!

Don't let down and begin to change the Focus of your Energy, until you accomplish nothing! Learn to make a Constructive Decision and stay with It! Call to your "Beloved Mighty I AM Presence" and the Ascended Host, for all the Ascended Masters' Illumination in the Universe; to show you the Right Thing to do; to take hold of you and make you do It! Then go forth and annihilate uncertainty and doubt! You must do it, if you are to be Free from the interference of the outer world!

Take your stand of Mastery, My Loved Ones; because It is Part of My Flame of Absolute Fearlessness! Take your stand with your "Beloved Mighty I AM Presence" and the Ascended Host, that you shall have your Mastery NOW! When you really mean It, every human creation in and around you or around others, begins to look for a place to go! If you are the Master, you are going to see the human creation go! (Applause - audience rising)

Thank you, Precious Ones, I accept that and I want to charge you with the Courage, Power and Flame of My Fearlessness, which enables you to say to your "Pres-

ence”: “My ‘Mighty I AM Presence,’ take command of me! Charge me with whatever is necessary to accomplish the Victory of Your Divine Plan fulfilled here! Annihilate everything on this planet, that would produce fear in me or outside of me! ‘I AM’ ONE WITH THE COSMIC FLAME OF ABSOLUTE FEARLESSNESS AND ‘I AM THE PRESENCE’ COMPELLING PERFECTION HERE, BY THE POWER OF THE GREAT GREAT SILENT WATCHER!” You talk like that to some of your problems and see whether or not We answer you! Won’t you be seated please?

We want you to move forward clothed in These Mighty Flames of the Sacred Fire of Our Cosmic Qualities; about which the rest of mankind knows nothing! You, Beloved Ones, who have come thus far in the Light, can be clothed with any Intensity you choose of any particular Quality in Our Cosmic Flames! Our Flame makes you go forward into Victory and Success, when you are determined that the Divine Plan fulfilled shall be your world and there is no other for you!

“I AM” determined to charge My Feeling in and around you! If you will call My Flame forth and call for the annihilation of all fear throughout the Earth— you will give all mankind Courage, Strength and Power; to stand against the destructive forces; to blaze the Light which sets the people Free; and to put an end for all Eternity, to that which was never intended to exist!

Human creations have to bow, when the Absolute Fearlessness of Your Own God Presence, the “Mighty I AM,” or any Ascended Master or Cosmic Being, moves into outer action; using the Authority which is within Life; and making all human creation understand, it has no right to live longer! Remember, human creation is human consciousness! It is a living thing! Therefore, when you take the Consciousness of your “Precious Mighty I AM Presence” and Our Flame of Absolute Fearlessness, every human thing knows the end has come! If you are not Master, it will certainly disturb your world, until you become its Master!

You cannot take fear into the Octave of the Ascended Masters' Life; but Their Flame of Absolute Fearlessness, can surge into this octave and annihilate all fear creations! Beloved Ones, "I AM" determined you shall be Free as you feel this tonight; which "I AM" charging into your mental and feeling world; with the Authority of all that is of the Great Central Sun! (Applause – audience rising)

Now, follow Me closely! Remember, when you do not fear a thing, you are at Peace! When there is not fear, then there is Love! When you are fearless, you will not hate! You will not resent! You will not criticize, condemn nor blame; because all of those activities are simply the results of fear!

Will you feel My Flame of Love about you? It is gold with pink which blends within It like changeable silk! The Power of Love of the Silent Watcher's Flame from the Great Great Silence is blue, the outer edge blue – the ultra marine blue, the inner a turquoise blue. There blazes through It Streams of Pink and Golden Flame! "I AM" describing these colors so you may feel Their Qualities, in your own emotional bodies and around you! Call forth the Most Intense Action of My Cosmic Flame of Absolute Fearlessness, under all conditions! Call for the annihilation of all fear in all mankind, which holds the people in the clutches of the destructive forces! Then call to Me and We will amplify Our Flame of Love's Fearlessness and keep on amplifying It; until Wave after Wave of It surges throughout the atmosphere of Earth; mankind awakens from the sleep of the senses; and looking to the Source of Light, comes back home into the Father's House as God intends!

Fear, My Dear Ones, is far more deeply rooted in mankind's feeling world, than you will ever understand, until you are Ascended! Go after all destructive qualities this week, with a fierce relentless determination; so you and your world shall be Free within Our Flames of Cosmic Christ Love! Then, the Power of the Beloved Silent Watcher goes before you; and shuts off anything that wants

to interfere with the Divine Plan of your world fulfilled—to assist mankind to be Free!

There is no Freedom so long as you fear! That is why the Mighty Saint Germain, in the Use of the Violet Consuming Flame which He gave you, has already consumed a great part of your fear! Definitely command, whenever you use the Violet Consuming Flame, that One of Its Most Dynamic Special Activities, SHALL BE THE COMPLETE ANNIHILATION OF ALL FEAR FOR ETERNITY OUT OF YOUR BEINGS AND WORLDS! Command the Sacred Fire Love of His Cosmic Freedom, take the place of all fear; and BE the Master Presence of Perfection and Protection of the Divine Plan fulfilled; such as has never come to the Earth in any age!

You have Friends of Mighty Power, Beloved Ones! You have been told that again and again; but you don't dream just how Great This Power is, which the Great Cosmic Beings can direct at your call; but which They cannot release to you, except through your invitation. Place your attention upon Them! Give Them your Love and Devotion! Call forth Their Actions of the Sacred Fire Love to cleanse your world and that of your fellow man. Command It for your Nation and the Earth and you give Those Cosmic Beings, whose Power is Indescribable, a Free Hand to draw mankind out of the misery of its present condition!

Mankind's bodies know no Peace, so long as fear holds them slaves to destructive forces! Take your stand tonight, that fear shall be blasted from the Universe; and mankind awakens to the Heart of God's Love and the Power of the Great Great Silence! It can do through the Silence, that which can never be done in any other way! Then you will move forward, Beloved Saint Germain's Freedom and the Victory of Mighty Victory—Who is a Friend, Indeed, to you all! (Applause—audience rising)

Thank you, Beloved, Precious Ones of the Light! Great has been your Love! Great has been your Sincere

Effort to give obedience! Now you will find Many of Us, will intensify the Powers and the Gifts We are privileged to bestow! We will help everyone of you, as you take your stand against fear, doubt, selfishness, and discord! Stand with Us and let Our Cosmic Flames Blaze! Blaze! Then you begin to feel the Powers of your own Blessed Life Streams, go forth and do the things your Hearts have desired to do for so long! I shall stand and assist you, until your Joy knows no bounds and It will be yours for Eternity!
