

BELOVED GODDESS OF JUSTICE

WASHINGTON, D. C.

MAY 12, 1944

Y BELOVED, BLESSED, BLESSED ONES, who carry the Light that has been given to the Earth. I come to you tonight to strengthen in you, through you and around you, the Consciousness of what True Divine Justice is; and what you can do to expand Its Blessings and Its Protection to Life everywhere.

Divine Justice is concerned only with the Fulfillment of the Divine Plan; which is the releasing of Perfection that ever expands Its Blessings to all Life everywhere, and all that is yet to be! DIVINE JUSTICE IS THE PLACING OF YOUR "BLESSED MIGHTY I AM PRESENCE" FIRST, because if you will be Divinely Just to your own Life Stream, then everything that pours through you, will be in right relationship to establish Divine Justice around you. If you are Divinely Just to your own "I AM Presence," then you will feel the responsibility of qualifying all energy which passes through you, with the EVER-EXPANDING PERFECTION OF LIGHT, ETERNALLY SUSTAINED; and offering It back constantly to bless Life everywhere!

Divine Justice does not rule the outer world this hour, as you well know. What mankind calls Justice before the Great Cosmic Law of Life is a tragedy! You are moving in a world wherein human qualities have been charged into the substance and the energy everywhere about you, into the air you breathe and into the substance you use! Since that has gone on for centuries, accumulating its greater injustice to Life, then, Beloved Students of the "I AM" who know This Law—it becomes your Duty, your Responsibility and your Very Great Privilege, to use the Command often: to "charge forth into Life everywhere you move, the Ascended Masters' Eternal Invincible Divine Justice"! I ask that you do This, because It is the Ascended Master Consciousness of Divine Justice, which mankind needs to

feel and to think about; instead of what the ordinary human intellect thinks is Divine Justice.

Mankind's intellectual consciousness or concept of Divine Justice has very little Light within it; and you cannot have Divine Justice to Life, without Expanding-Light, charged with Eternal Perfection! Mankind has for many, many centuries brought forth at times manifestations which were nearly perfect! However, when the people have reached Those Great Heights of Attainment, something happened and It was not sustained. Therefore, in the assistance which I ask you to give Me, in order to correct conditions of the outer world that are weighing heavily upon Life, I ASK YOU TO REMEMBER IN YOUR CHARGING TO SPECIFICALLY QUALIFY IT WITH THE ASCENDED MASTERS' ETERNAL INVINCIBLE DIVINE JUSTICE!

Then, you gather a Momentum of Light Substance around you; charged with Our Consciousness of that which will forever expand Its Blessings to all Life; and which none of mankind nor all human creation on This Earth can ever change! IF YOU WILL BUILD THIS PERMANENTLY WITHIN AND AROUND YOUR BODIES; WITHIN YOUR HOMES AND YOUR BUSINESS ACTIVITIES, YOU SHALL SOON SEE THE RADIANCE FROM YOUR OWN APPLICATION, AS YOU DRAW THIS SUBSTANCE FORTH! The Ascended Ones will pour Their Light into that to amplify It; as It penetrates into various activities of mankind in the outer world. Just gradually you will see destructive conditions stop their action; and then just gradually fade out. In their place will come forth that which is of the Light and can be sustained in Its Blessing to mankind!

The world this hour from the outer appearance standpoint is frightfully out of balance! Therefore, there is not Divine Justice acting within it. May I try again to remove from your feeling any concept or feeling that Divine Justice

is retaliation; because someone does something wrong and then the result of that wrong comes back to the Individual, it is not what I refer to as Divine Justice! That is the Action of the Law of cause and effect! That is absolute and, of course, Eternal. Divine Justice is the Fulfillment of the Divine Plan of Perfection! In other words, it is the Activity of each one's Life Stream, receiving the Greater Powers and Perfection of Life, blessing and expanding It! Then, each one is sending It forth to build Greater and Greater Blessings and Perfection; so there may come into outer manifestation a Greater Universe of Perfection! Thus, you have been Divinely Just to the "Presence," the Ascended Ones, the Cosmic Beings Who govern the Destiny of the Earth; and Who have a Divine Plan to fulfill through the humanity, which has embodied here.

In your business activities of the outer world, in your daily affairs, I wish to remind you to take This Positive Command and definitely stand, when you are making your Application in the morning! Raise your hands to the "Blessed I AM Presence"! Call to your "Mighty I AM Presence" first and then to Me; call forth My Limitless Invincible Legions of Divine Justice from the Great Central Sun, with All the Power of the Cosmic Silence! CHARGE THAT SUBSTANCE IN, THROUGH AND AROUND YOUR BODIES; realizing It is the Substance of Light, qualified with the Ascended Masters' Expanding Perfection! As you intensify and call It forth to bless all Life, It grows Greater and Greater around you in Its Radiation! Then, It goes before you like Rays of Light, which penetrate into conditions and help to hold control of outer world activities.

As you approach, when trying to accomplish something constructive, It will help to prepare the way, so other parts of Life will co-operate with you. Whether those other parts of Life are Individuals, the Powers of Nature or in the atmosphere of Earth—those other parts of Life will feel that you want to bless all Life with Ever-Expanding

Perfection, so It can be sustained for Eternity; and They will love to co-operate with you!

REMEMBER TO USE THE STATEMENT: "I AM THE PRESENCE" – YOU MAY REPEAT THE "I AM" THREE TIMES IF YOU WILL – "I AM, I AM, I AM" THE PRESENCE OF THE ASCENDED MASTERS' ETERNAL INVINCIBLE DIVINE JUSTICE HERE; DIVINE JUSTICE TO ALL LIFE; THAT BLESSES ALL LIFE WITH EXPANDING PERFECTION FOREVER." THEN TAKE YOUR ATTENTION AWAY FROM IT. IF DURING THE DAY YOU SEE SOMETHING THAT IS UNJUST OR APPEARS TO BE SO, GIVE THE COMMAND AGAIN: "I AM, I AM, I AM" THE PRESENCE OF THE ASCENDED MASTERS' DIVINE JUSTICE THERE; EXPANDING ETERNAL PERFECTION TO ALL LIFE"!

Precious Ones, if you will try to get This Concept tonight! Wherever you move and see conditions which are of human discord, as you gain a Momentum of This, it is as if you planted a Pillar of Light Substance – drawn from the Ascended Masters' Octave, in, through and around the condition! As you see another condition and draw another Pillar of Light, ask the "Presence" to sustain and expand It; and blaze forth the Ascended Masters' Ever-Expanding Perfection! When you do This to Life, no matter what kind of Life you see, you will realize all Life will begin to pour back to you from every channel, Ever-Expanding Ascended Master Perfection!

Life will begin to feel around you wherever you move, your determination which is Inflexible, to have That Life made Eternally Happy. Since Life is everywhere; feeling is everywhere; consciousness is everywhere and energy is everywhere! Then in the Authority of Life which each one of you is, when you use the Words "I AM," you may say to Life wherever you move, what you wish It to bring forth into outer manifestation! As certainly as you assure Life you are determined that wherever you contact Life, the

Ascended Masters' Ever-Expanding Perfection shall blaze forth to keep all happy; then Life, wherever you meet It, will respond to you and give you back That Same Quality.

I trust I may help you tonight, take your attention and the pressure of your feelings off human Beings with This; and **SIMPLY BECOME OCCUPIED WITH THE USE OF YOUR AUTHORITY OF LIFE, TO COMMAND DIVINE JUSTICE TO LIFE WHEREVER YOU MOVE!** Then you will begin to see human creation, which means discordant accumulation whether it be in your own mind, body and affairs; or whether it be in your home, your business activities or your contacts of the outer world; you will see gradually taking place the breaking up of those discordant conditions; just like ice breaks up in the springtime and floats down stream.

In one year you could build such a Momentum around your bodies of the Ascended Masters' Eternal Invincible Divine Justice to Life; that wherever you move, all Life would love you, bless you, give you Perfection and perfect co-operation! This is one of the easiest ways to harmonize the outer world; using your Cosmic Authority of your Life Streams to command Divine Justice in the world around you.

I want to explain to you the difference in your feeling world, between a determination to compel someone else to do what you think is Right; or the feeling in you, when you ask Us to control conditions. What you think is Right may be, from the standpoint of obedience to the Divine Law! Sometimes what you think is Right may be Right, but sometimes it isn't! When you know what is constructive and what isn't; and you bring the pressure of your feelings to bear upon someone – **WITH THE SENSE OF FORCING THE INDIVIDUAL, YOU WILL DEFEAT YOUR OWN PURPOSE!** With the Authority of your Life Stream, simply plant as it were, Great Pillars of the Ascended Master Light Substance, into a condition; or in and around Individuals; with your Call to Life to establish Eternal

Invincible Ascended Master Divine Justice! THEN YOU GO ON YOUR WAY AND IT WILL BE NOT A MATTER OF ONE HUMAN BEING DOMINATING ANOTHER, BECAUSE THAT IS WRONG! Everybody has a right to go to total destruction, if he or she wants to; because each one has Free Will! We do not want anyone to do that; but Life is so constituted, that to the Individuals of This World, FREE WILL IS PARAMOUNT, AT LEAST UNTIL THE CLOSE OF THE CYCLE! When that takes place, then the Cosmic Law supersedes the Law of the Individual's Life Stream!

The thing that causes so much pressure in people's feeling; and the thing which plays such havoc in their affairs, as well as in their bodies and their health, is they become caught, as it were, in the cogs of each other's feelings! It is just like one cogwheel catching into another and jamming its action, until it clogs the whole action of the body! It may seem sometimes that you are indifferent; but really it is not so in the Action of the Law. When you see conditions that are frightfully discordant and wrong—no question about it—then the way to keep your own feeling and your own world and affairs protected against those conditions, is to KEEP CHARGING INTO THEM, THE ETERNAL INVINCIBLE DIVINE JUSTICE TO LIFE!

THAT MEANS THE REMOVAL OF THE DISCORDANT QUALITIES; so in using This Decree, will you always at the same time, see a Flash of Violet Flame, go forth and be established there permanently! THEN, SEE THE SUBSTANCE OF DIVINE JUSTICE ANCHORED JUST LIKE A PILLAR OF IT SURROUNDING THE CONDITION! When you see something wrong, GIVE YOUR DECREE AGAIN! WHEREVER YOU MOVE, LIFE WILL BEGIN TO REALIZE WHEN THE LIGHT APPROACHES, WHICH IS AROUND YOUR BODY, ALL LIFE WILL KNOW THE DIVINE PLAN IS GOING TO BE FULFILLED! THERE WILL BE SUCH LOVE AND SUCH HARMONY POURED TO YOU, PRECIOUS ONES OF THE LIGHT, AS SHALL MAKE THE WHOLE

WORLD LOVE YOU AND THEN YOU CAN DO MORE FOR THE WORLD! YOU CANNOT DO MUCH FOR MANKIND WHEN THEY HATE YOU, UNTIL THE HATE IS CUT AWAY; BUT IN THIS DISSOLVING PROCESS, AS YOU GATHER OUR SUBSTANCE AROUND YOUR BODY, THROUGH DAILY CHARGING OF DIVINE JUSTICE TO LIFE, YOU WILL BECOME THE "FREEING PRESENCE"! IT WILL GIVE YOUR BELOVED SAINT GERMAIN AND MYSELF MUCH GREATER OPPORTUNITY, TO RELEASE MORE COSMIC ACTION OF BOTH THE FIRE ELEMENT AND THE COSMIC LIGHT SUBSTANCE INTO THE PHYSICAL OCTAVE!

When you see destructive conditions and intellectually you know that is not Divine Justice to Life, instead of discussing them, just as if you took your hand and wiped them from the Universe—call for the Light Substance of the Ascended Masters' Eternal Invincible Divine Justice, to anchor there; and compel Divine Justice in Its Ever-Expanding Blessing and Perfection to all Life!

NOTICE WHAT THE EFFECT OF THIS IS IN YOUR OWN BEING AND WORLD. YOUR ATTENTION WILL BE UPON THE EXPANDING OF THE PERFECTION OF LIFE! WHEN SOMETHING DISCORDANT COMES TO YOUR ATTENTION, IMMEDIATELY BEGIN TO CALL FORTH PERFECTION IN ITS PLACE! YOU KNOW, BLESSED ONES, SIXTY PER CENT OF PERFECTION STAYS IN YOUR BODIES, YOUR ATMOSPHERE AND YOUR AFFAIRS! WHEN YOU ARE DOING THAT, YOU ARE USING YOUR OWN AUTHORITY OF THE LIFE OF THE UNIVERSE, IN AGREEMENT WITH THE AUTHORITY OF THE ASCENDED MASTERS; SO WHEN YOU ISSUE LIFE'S COMMAND, THE AUTHORITY FROM THIS OCTAVE AND THE AUTHORITY FROM OUR OCTAVE BECOMES ONE ACTION OF LIFE'S PERFECTION! THEREFORE, YOU ARE DRAWING THE ASCENDED MASTERS' AUTHORITY THROUGH YOURSELVES INTO THE PHYSICAL CON-

DITIONS OF THIS WORLD!

There is a very great need tonight for This to be charged forth into everything that comes to your attention in the outer world! "I AM" depending on the "I AM" Students to give Me much Assistance through This Decree, so I may more readily help to adjust conditions in the outer world, that are whirling into a vortex which is going to have to be handled! I want you to be cut free from that vortex, if you will give Me this Assistance! This will keep your own world charged with Our Blessing and Perfection of Divine Justice to Life!

It will enable Greater Protection to be given you from that which may be in the world around you. It will also assist your Nation to hold a Balance within itself; against the clawing selfishness and destructive forces, both from the rest of the world and within your own borders! This is a Mighty Action, Precious Ones! I wish you to take notice of this tonight! During the next year as you concentrate on the Call for Divine Justice, how your own affairs will begin to set themselves into Divine Order, and how much greater happiness will be yours, as you are determined to give Life everywhere the Divine Justice which is the Ascended Master Blessing of Perfection to all Life!

It is really a matter of DECISION IN YOUR OWN FEELING WORLD, that you are not going to be a part any longer of anything human; but you are going to use the Authority of your Life Stream to fulfill the Divine Plan. It will compel such Divine Justice and Perfection to all Life, that It just grows Greater and Greater and Greater around you, UNTIL EVERYWHERE YOU MOVE ALL LIFE WILL CO-OPERATE WITH YOU FOR THE FULFILLMENT OF THE DIVINE PLAN!

I have long wanted to give you This Concept, but it has not been possible until now; because certain other things had to be done first! In a world whose outer action is so charged with discord today, the INDIVIDUAL WHO

SERVES THE LIGHT, DOES NOT FIND DIVINE JUSTICE OFFERED BY THE DESTRUCTIVE FORCES, AS YOU MOVE IN THE OUTER WORLD AND THE EVENTS OF LIFE COME TO PASS!

Since It is not there –well, it is your privilege and Mine to plant It there! If you had a great tract of land, which had not been cultivated and you really wished to accomplish some Tremendous Project, give a Great Blessing or expand wealth through it, you would put it under cultivation would you not? When you started to put it under cultivation, you would have to clean out something, many things, which were not wanted.

The same thing is true of This Decree! The world is full of what you don't want, and it is not Divine Justice to Life, any of it! Therefore, you who know This Law, who will use your own Authority of your Life Streams to command into This Octave the Ascended Master Divine Justice, it is just as if you had reached up into Our Octave and the Ascended Masters, offering you Their Hands, poured through you to the Earth, That which helped to bring things into Perfection more quickly!

MAY I HELP TO RELEASE YOU TONIGHT FROM ALL FEELING OF RETALIATION OR RESENTMENT AND ANY SENSE OF REVENGE! DON'T EVER ALLOW FOR THE FRACTION OF A SECOND ANY FEELING WITHIN YOU OF "GET EVEN" WITH ANYBODY! THAT OPENS YOU TO EVERY DESTRUCTIVE FORCE THERE IS! Now this does not mean that you have to be a jelly fish and take everything on the chin and let people wipe their feet on you! Not at all!

You can remain a positive, poised and commanding Individual of Life; understanding the Authority of Life and your prerogative to qualify It; and command It to go forth and produce whatever manifestation you will! YOU HAVE THE RIGHT TO MOVE ANYWHERE AND EVERYWHERE IN THE UNIVERSE, IN THE AUTHORITY OF LIFE AND

DIVINE JUSTICE, TO COMMAND LIFE'S PERFECTION TO BE EXPANDED FOR ETERNITY! THUS, YOU BECOME ONE THROUGH THAT DECREE WITH EVERY ASCENDED MASTER'S CONSCIOUSNESS IN THE UNIVERSE, IF YOU WILL FEEL IT, UNDERSTAND IT AND REALIZE IT!

Discord is not Divine Justice to Life, never was, never will be! Retaliation and revenge are not justice to Life; and because a thing needs to be balanced under the Demands of the Cosmic Law, does not mean the Balancing needs to be done discordantly nor through suffering! You may say to every mistake you ever made; you may say to your "Presence" and the Ascended Masters: "I call on the Law of Forgiveness! Great Beings of Light! Reach out Your Hands and call forth the Sacred Fire to consume the action and reaction of all my mistakes and the mistakes of all mankind forever! LET ME BE THE OUTPOURING OF THE ASCENDED MASTERS' ETERNAL INVINCIBLE DIVINE JUSTICE, IN POWER OF SUCH MAGNITUDE, THAT ALL LIFE FOREVER WILL LOVE ME AND APPROVE OF WHAT I DO!" This is not just a sentimental thing! This is a positive qualification of the energy of your Life Stream! You are qualifying the energy of Life every second, sleeping or waking! Some rate of vibration is coming out from you and every bit of vibration is a special quality! YOUR LIFE FLOWING THROUGH YOU IS A CLEAR LIQUID JUST LIKE WATER, CRYSTAL CLEAR, WHEN IT COMES INTO YOUR MIND AND YOUR BODY.

It is your choice of Life to place whatever quality – in other words, whatever color you want to put into this Crystal Clear Liquid, which Life will give you to fulfill whatever design you choose to produce in the world about you! It has to be done through your own Free Will, through your own feeling, through your own determination!

Suppose I wish to pour forth the Feeling of My Divine Love and Compassion of Eternal Invincible Divine Justice,

which is Beauty and Perfection; then the Light of My Life becomes pink and gold! I send It forth with My Feeling of Love and Peace to make everything happy that It touches!

Supposing I wish to give My Blessing of Eternal Invincible Divine Justice and Protection to a certain part of Life—whether it be an Individual or a city or a condition in a locality; I take That Crystal Clear Light Substance which is My Life Stream; and I place upon It or charge into It the color of gold enfolded in the blue! I plant It—a Pillar of It, in or around the Individual with My Love. I command Perfection and Happiness of My Divine Justice shall be held there forever; and Eternally Expanded to bless all Life and all that is yet to be!

I WANT YOU TO FEEL WHAT YOUR DIVINE POWER OF GIVING CAN DO; regardless of what your physical position is. There isn't a person on the Planet who cannot give This Gift of Life, regardless of any condition of lack in your physical affairs! There is not one who cannot call forth This Wealth, This Divine Blessing of Justice to Life everywhere! People have not understood what Divine Justice is!

I want to remind the "I AM" Students tonight of something else, that "I AM" sure many of you have not quite realized; but you will realize it more in the future. Under This Radiation, the Law of Saint Germain's Work in This "I AM" Activity is to give everyone Free Will; **DO NOT IMPOSE YOUR FEELING** upon anyone under This Radiation or anywhere else if you are obedient! Move among your daily activities, give each other co-operation; constantly pour out Love, Blessings and the Command for Divine Justice to bless all Life with Ever-Expanding Perfection; for It means a Freedom, Precious Ones, of which the outer world has absolutely no understanding of its action!

I ask you to look around you in the business activities of the outer world! Wherever you move, someone is lording it over someone else, telling each other what to do; and

expressing very severe opinions, if anyone does not like what the other person does! It is one person dominating another; somebody up above dominating that one; until it is one continual cogwheel of pressure upon each other! IT IS A FRIGHTFUL THING BEFORE THE GOD POWERS OF THE UNIVERSE!

As you have been told often, your Electronic Body, the "I AM Presence" and the Ascended Masters are not the slightest concerned about your human mistakes; and most of the activity of the outer world, does not give back to Life one thing which will fulfill the Divine Plan! Otherwise the people would have had their Ascension long ago!

They are using the Gifts of Life all the time, the consciousness, the substance and the energy of the Universe, to do as they please! They are binding themselves tighter and tighter in the chains of their own feelings; because they won't give Divine Justice to Life and be an Opening THROUGH WHICH LIFE CAN EXPAND ITS EVER GLORIFYING PERFECTION to the other Parts of the Universe – the other arms of Itself!

"I AM" going to compare mankind's activities tonight, to your physical bodies. Wouldn't it be a peculiar state of affairs, if one foot didn't co-operate with the other; and the hand said, "I am much more important than the eyes"; then the ear said, "I am the most important"? If each member of your body talked back to you and rebelled, you would be in a rather unfortunate situation, wouldn't you? Well, so is the World tonight in just exactly that situation! The World is like the human body! Each country is a member of that body! If one hand were to fight the other hand and hate it; and one eye hated the other eye and refused to co-operate with the other eye and look in the right direction, where would you be? You would run into the first lamp post! Don't you see how senseless is this thing called the outer world's activities; unless Light and Light's Perfection is charged here, there and

everywhere, to help straighten out these concepts of mankind? Do you not see how necessary is Beloved Saint Germain's Explanation of the "I AM" and the Understanding of what Divine Justice is, if mankind is ever to stop this senseless, ceaseless reaction upon the people of their own feelings. It is a grind mill of existence and never was meant to be! People do not understand and until they do have Illumination, they go on in their chains; because **NOTHING BUT LIGHT CAN MELT THE CHAINS OF THEIR OWN HUMAN FORGING!**

It is everyone's feelings which are their struggle in Life, because if you don't feel like you are going to struggle, well, you don't struggle, do you? Isn't it the feeling of struggle that makes the struggle? The Mighty Saint Germain told you in the "I AM" DISCOURSES! It is your lack of blessing the rest of the Universe with the Command for Divine Justice, that prevents your having Divine Justice! If you don't charge It into the world about you, then there is nothing to come back to bring you Divine Justice! It must come out of you first and **KEEP CHARGING FORTH INTO LIFE WHEREVER YOU MOVE, THE ASCENDED MASTERS' ETERNAL INVINCIBLE DIVINE JUSTICE AND EVER-EXPANDING PERFECTION AND JOY OF LIFE TO ALL LIFE!** As you gather a Momentum of this for one year, Precious People, you won't know yourselves a year hence, if you will do this systematically; but don't decide to do it tonight and for three or four nights and three or four times in the daytime; then forget all about it for the rest of the year!

I do not come to bring you This Radiation and to tell you These Words to amuse Myself! I know These Words! I know what They mean! I do not need Them! I come and speak Them to your ears and pour the Flame of Love from My Heart; which is My Life, to help you clear your concepts of the activities of your feeling, so you may take the **SCEPTER OF YOUR OWN AUTHORITY** and direct

your Life to go forth; and fulfill the Divine Plan; and, thus, have your own Complete Release. There is no other way!

I often smile when I watch the Students, those who are reading the Dictations, the Words that were given through Our Beloved Godfre and This Messenger early in this year. I watch sometimes the color of the feelings that go through human Beings' emotional bodies, when they reread Those Words. In doing that, you would just stand the human aside. Simply say before you begin: "My 'Mighty I AM Presence,' stand the human aside and sweep it into the Violet Flame. You give me the Full Illumination contained within These Words of Life"; and then start to read and still your feelings. The same Radiation will charge through you, make you feel your Mastery, and help attain your Victory over human problems!

May I remind you, I don't like to turn your attention backward—it won't be but a moment, and then we will consume it and shut the door! Do I have to remind you tonight of the conditions your minds, your bodies and your affairs were in before Beloved Saint Germain's Instructions were brought forth? Do any of you want to return to the conditions you were in, ten or twelve years ago? Would you care to have removed and taken from your feeling world tonight all that you have learned? I don't believe you would—not if you are wise! Well, This Light has brought you Its Improvement in ten or twelve years, or five or eight. You have begun to see the reason for things, and have tried to discipline yourselves and improve yourselves. In that effort you are having Greater Perfection. Then, Precious Ones, never forget that others who have not yet heard of This Work, and who are struggling under these same problems in the world you have been struggling under, would be very grateful for the refreshing Drink of This Understanding, which helps them to know how to dissolve their problems and to turn away from the habits which have

built the problems. THAT IS DIVINE JUSTICE TO LIFE!

I want you to know that while there are times, when it takes a sudden positive force to shock awake individuals, when the human begins to mill over discordant things, sometimes it takes a shock to make them stop that! If they have turned their Hearts to the Light and are struggling to hold to the Light, then if there is a mistake made here and there, each mistake can be used as a stepping stone and a reminder of the "Blessed Mighty I AM Presence"! I think you would take every sting out of every human problem, if you could bless it with My Eternal Invincible Divine Justice and thank it for reminding you of the fact, that within your "Mighty I AM Presence" there can never be a problem! So just you turn your back on it and go into the Arms of your "Presence"! Then you will bid your enemy farewell forever—your so-called enemy, your problems and the conditions and events of Life in the outer. Oh, they are not easy to carry, Precious Ones, I know it! We all see the struggle; and struggle is not easy for anyone! Someone else's struggle is just as difficult for that one to bear as yours have been for you; for all human struggle is discord and was never meant to be! These things have no right to be in God's Universe!

Limitations were never originally designed, and were never a part of the Original Divine Plan! Since they have been unfortunately created, then the thing to do is to keep using the Master Power and Pressure of Light to dissolve each one! As soon as you can take every problem and work with it, in Love and Gratitude, because you know Some Way and Means by which it can eventually be dissolved and you can be Free! Then your Gratitude to Life will eventually be the Release of Divine Justice, because you will pour back to the "I AM Presence" and the Ascended Ones, the Release of your feeling; which will enable Them to give you more of Their Light and Love in its place!

Gratitude opens the Floodgates to you, Precious Ones!

Be grateful to your "Presence" and to the Ascended Host, and then to everything that is of Life everywhere! That does not mean that you love pain or discord or poverty or that sort of thing! You do not love those things. You are not supposed to love discord, but you are supposed to use the Authority of your Life Stream to command its dissolving and consuming and its replacement by the Divine Justice to Life, which compels the Expansion of the Ascended Master Perfection and Happiness, to hold Authority and Dominion over all those conditions in the future! Then the discordant things must drop away of their own weight, as they are dissolved and consumed by the Violet Flame.

Never for a moment accept that you have to love discord or imperfect conditions! The Master does not handle things that way. The Master is called a Master, why? Because He has drawn forth the God Power of Life to control the conditions and dissolve the qualities which were not God's Perfection. Never call forth the dissolving and consuming of a condition, without replacing it with the Ascended Masters' Divine Justice to Life! Then it is as if you traveled the world over and planted in the place of the problems your garden of Beauty; and the Plants of your Blessings shall flourish and return to you a harvest beyond anything mankind has ever known! You cannot continue to bless the rest of Life around you with the Ascended Masters' Divine Justice of Ever-Expanding Perfection, without having Life bless you!

If you give Us the Open Door through which We may pour the Substance and the Flame of Love from Our Hearts to be Our Divine Justice; if you give Us that Opportunity, would We not give you a Greater Blessing? When you give Us the Opportunity to fulfill the Divine Plan for This Earth, would you not draw back into yourself Our Love and Gratitude to you as you pour It forth to Life? Well then, as you free other Life Streams from their injustice, would you not have the Gratitude from their "Presence" and their Life

Streams, and ultimately from the outer personality?

As soon as the outer shells are dissolved, the outer will be grateful too! So you cannot go on giving Our Charge of Divine Justice to Life everywhere, without every particle of Life in the Universe sooner or later pouring back to you the Ascended Master Justice and Happiness and the Divine Plan fulfilled! I trust you may know Me as an Action of Love – Divine Love – in Its Cosmic Quality of Divine Justice! May you know Me in the Fullness of That Capacity. I might say to you, try out This Decree if you care to. Give the Acknowledgment: “I AM’ the Cosmic Presence of Eternal Invincible Divine Justice.” WHEN YOU ARE THE COSMIC PRESENCE OF A QUALITY OR AN ACTIVITY, THEN YOU HAVE A PRESSURE OF THE ACCUMULATED MOMENTUM OF THE COSMIC BEINGS AS WELL AS THE ASCENDED MASTERS!

If you want Their Outpouring and the Pressure of Their Momentum, you must acknowledge It in this octave if It is to act here! THAT IS WHY YOU MUST USE THE WORDS, “I AM’ THE COSMIC PRESENCE OF ETERNAL INVINCIBLE DIVINE JUSTICE”! THE MOMENT YOU SAY THAT TO YOUR LIFE, THE LIFE IN OUR OCTAVE SAYS: “HERE, SOMEONE IS CALLING ME, AND I MUST SEE WHAT I CAN DO TO HELP.” OH, LIFE KNOWS, PRECIOUS ONES, WHEN YOU CALL EVERYWHERE. LIFE KNOWS INSTANTLY WHEN YOU ACKNOWLEDGE ITS MIGHTY ACTIONS OF PERFECTION. IT JUST TAKES YOUR PERSISTENT STAND FOR PERFECTION TO BE HERE, TO ENABLE OUR PRESSURE TO COME THROUGH THE ATMOSPHERE OF EARTH, AND GIVE YOU THAT FOR WHICH YOU CALL!

Oh, there is so much in Our Octave We want to give you! You need It so much down here and the world around you needs It more than you do! You have already drawn a Great Quantity of the Light, the Substance, the Quality and Consciousness of Love from Our Octave; because you

are the "Cup of Light" that is giving of Its Essence to those in the outer world, but you need more from Our Octave! SO WHENEVER YOU SEE INJUSTICE IN THE OUTER WORLD, DON'T MISS ONE SINGLE OPPORTUNITY TO CALL FOR ITS DISSOLVING, ITS ANNIHILATION AND ITS REPLACEMENT BY OUR ETERNAL INVINCIBLE DIVINE JUSTICE TO EVERY LIVING THING! JUST TRY IT! Try It for the next thirty days and do It for everything that comes to your attention which is less than Ascended Master Beauty and Perfection!

Give the Cosmic Law an Open Door through which to act in the physical world, to be a Pressure of Light that goes forth and helps to set in Divine Order, the conditions in the outer world today! Then wherever you move, you may live True to your Trust; and, as "Bearers of the Cup of Light" be Eternal Invincible Divine Justice to Life! In order to accumulate the Pressure and the Power of Our Quality and Activity in, through and around you, it takes daily charging just like that! (Holding your arms to the "I AM Presence") When you stand in this position, you become the "Cup." The upper part of the body becomes the Bowl or the "Cup" and from your Heart here (motion) to your "Presence" there, (motion) the Light should shine forth, as you call forth more and more of Its Light and Its Blessings to Life everywhere!

As you hold your hands like that, and ask your "Blessed I AM Presence" and the Ascended Ones, to flood around you Their Substance of Eternal, Invincible Divine Justice from Their Octave, and charge It two or three times a day, you will be amazed, Precious Ones, at the Qualities around you that will begin to attract to you conditions which will bless you with Happiness and Perfection! Divine Justice will begin to flood your world and then you will begin to really know what the Power of your Life Stream is, to change the conditions of the outer world at your Conscious Command.

This must come before certain Instantaneous Manifestations can be released through you or at your Command; because in your Determination to give the rest of the Universe Divine Justice, there is the willingness on your part to fulfill the Divine Plan. It gives your "Presence" and the Ascended Ones the opportunity to bring you the Perfection which fulfills your Divine Plan. As you are determined to fulfill the Divine Plan for the Universe around you, everything in the Universe will come forth to help you fulfill your own Divine Plan! There is no Divine Justice, no Eternal Happiness and no Perfection apart from your "Mighty I AM Presence" and the Ascended Host, for they are ONE!

WHILE YOU MAY BE FEW IN NUMBER, EITHER AS "I AM" STUDENTS OR IN YOUR GROUP HERE, YET IT ONLY TAKES ONE GRAIN OF CORN A FEW YEARS TO FILL A FIELD! SO IT IS WITH YOU! SO IT IS WITH THOSE UNDER THIS RADIATION, AS YOU KEEP CHARGING THIS FORTH DAY AFTER DAY INTO YOUR ATMOSPHERE AND INTO THE CONDITIONS ABOUT YOU. THEN YOU WILL FIND WHENEVER YOU PLANT THE LIGHT AND THE ASCENDED MASTER PERFECTION, YOUR PLANT - YOUR GARDEN OF LIFE - WILL YIELD YOU A HARVEST OF SUCH OPULENCE, OF SUCH POWER, OF SUCH ACCOMPLISHMENT AS SHALL ENABLE YOU TO SING FOREVER, YOUR PRAISE AND GRATITUDE TO YOUR OWN "PRESENCE" AND THE ASCENDED ONES AND YOUR SONG OF THE LIGHT IN ETERNAL ADORATION OF LIFE!

May I leave with you tonight, My Feeling of such Love and Divine Justice to all Life, that Its Light enfolds you like a Mantle; and charges the Eternal Divine Justice from the Ascended Masters' Octave into all conditions of the outer world in which you move! May you help to bring Divine Balance, Peace and Happiness to others, so you really become the "Crystal Cup" then of Eternal Invincible

Divine Justice! Outside the Use of the Violet Consuming Flame and the Understanding of the Mighty Words, "I AM," I know of no one thing the outer world needs this hour, any more than the Ascended Masters' Concept of Divine Justice and Purity!

I sometimes feel like My Beloved Saint Germain and your Beloved Goddess of Purity, when it comes to God's Divine Justice, "I AM" not any more popular in the outer world than They have been! The Goddess of Purity has been none too popular with those who don't want to be Pure! Beloved Saint Germain's Freedom is not too popular with those who want to hold others in chains! I sometimes have not been popular at all, with those who don't want to give Divine Justice to Life! We are One Family, and the little runaway children in the darkness – when night comes on and they can't find the way home – cry in the wilderness for someone to rescue them!

It is your Privilege and Mine to take the Light, go out and find them, bring them home, soothe them and give them Our Love, Blessing and so much Happiness, that they never want to run away again! Then you will know what the Ever-Increasing Cosmic Power of Cosmic Divine Justice is and can do for the Earth, to set into Divine Order that which mankind cannot handle itself! There is no one human Being or group of them in the outer world today, who can solve the problems in the outer world without This Knowledge of the "I AM" and the Assistance of the Ascended Masters! They have had This Opportunity over many thousands of years, and they haven't done very well!

There is not one nation on This Earth this hour, and there is no one Individual nor group of them in This Nation, who can bring things into Divine Order without the Call to the "Blessed I AM Presence" and the Ascended Masters! They can trade one effect for another effect for the next million years; but they will be no better off than they

are today in their worldly affairs; unless the "I AM Presence" is acknowledged, the Ascended Masters' Assistance is received and Obedience given to the Divine Plan. They can accept It when they choose; but you who have entered into the Heart of the Light, may become the Authority of That Divine Justice, as you charge It out with no opinion nor condemnation of those who are crying in the wilderness!

May the Light which We carry go out, seek them, soothe them and hold them at Peace within Our Light, until they are Ascended and Free!

Thank you, My Blessed Beloved Ones of the Light! Thank you tonight for loving the Light! Thank you for everything you have done for Its Defense and to help expand It. Now may My Divine Justice flood you and your worlds everywhere and through you, your Beloved America, Our Beloved America; and make Her the Nation of God's Divine Justice to bless the Earth with Our Light which alone is Freedom and Victory forever!

I thank you.
