

“I AM” GOD’S PEN OF FLAME!

God’s Great Pen of Flame in God’s Cosmic Hand,
Writes Truth from the Heart of Light,
That Truth is the Love of the Cosmic Law,
Its Flame is Cosmic Christ Might!

Those Words from God’s Pen of Great Cosmic Power,
Create as They God express.
Perfection comes through to bless all who hear
Those Words of God’s Happiness!

They are the Law of God’s Cosmic Command,
They come from Beings above,
They are God’s Own Law of Heaven on Earth,
They tell of the Realms of Love!

They bring all Light’s Powers of God to Earth,
They answer our every call,
They cleanse, perfect; They bless, cheer and blaze,
They bring God’s Miracles to all!

They come on Bright Wings of Heaven’s Own Joy,
They give God’s Help to us here,
God’s Own Words of Light, the Christ here reveal,
To protect all we hold dear!

God’s Great Magic Word now calls from God’s Heart,
Life speaks each day to us all,
Only God’s Heart Flame can say God – “I AM”!
To That “Great God Presence” we call!

God’s Answer comes back with Love’s Lightning Speed,
The Fiat of God is heard,
God’s Great Command sounds to all Crystal clear,
“I AM”! Life’s Eternal Word!

By That Great God Word, this Our World began,
Its Sound all hear, too, each day,
All Life by Its Great Cosmic Power is blest,
Its Action does here hold sway!

That Great Cosmic Word of Full Christ Command,
Holds God's Great Secrets for all,
All mankind on Earth must now understand,
And send forth Its Cosmic Call!

So with God's Pen of Flame in my hand here,
God's Word all mankind shall know,
Its Glory and Power all here shall feel,
And see what God can bestow!
