

THE "I AM" GUARDIAN ANGEL

The Angel that guards you,
Is listening each day;
Sees each thought and feeling,
Hears all that you say;
Its Heart-Flame protects you,
Illumines your way;
Its "Presence" abiding,
Is with you to stay!

The Angel that guards you,
Is sent you by God;
Its Glory All-Blazing,
Remains where you've trod;
Its Mantle of Power,
Is offered NOW, too;
Its Own Blazing Heart-Flame,
Forever comes through!

The Angel that guards you,
Reveals here God's Way,
It ever illumines
And with you does stay!
Its Love all enfolding,
Will all here control,
If you will accept It,
And Harmony hold!

The Angel that guards you,
Is Love's Cosmic Power;
It ever entreats you
To be Light's Great Tower;
Its Wisdom and Mastery,
Are God by your side;
Accept! Love! and Bless It,
That Peace may abide!

The Angel that guards you,
Has waited so long,
For your Love's Obedience
And Mastery Strong;
To 'wake and adore It,
Its Presence to see;
That All of Its Blessings
May set you now Free!

That Bless'd Guardian Angel,
Love's Own Sacred Fire,
Is sent by Your "Presence"
To raise and inspire!
Then know It! Accept It,
Obey Its Heart Call,
The "I AM" Victorious
In you is your ALL!
