

GOD'S VIOLET FLAME SUN!

God's Violet Flame Sun of Cosmic Control!
Comes swiftly around us today!
God's Victory It brings – God's Power of Love,
Its Purity is here to stay!

Its Glorious Peace, Its Cosmic Command,
Flood all with Its Miracle Flame;
Its Freedom comes through, Its Blessings flood, too,
As we see our Blest Saint Germain!

God's Miracles blaze, Protection enfolds;
Invincible ever we stand;
Its Strength and Its Powers, forever now ours,
As all speak God's Great Word, 'I AM'!

Our Hearts' Cosmic Call is heard now by all;
Light's Power brings Help without end!
God's Legions appear, and blast all man's fear;
All of God They forever defend!

God's Violet Flame Sun is Our World now here,
Perfection forever It brings,
Its Presence all see, as all become Free,
Forever Its praises each sings!

It comes now to heal, to raise and to bless,
Its Glory forever abides;
It now must flood all, and answer each Call,
By Love and Perfection It guides!

Its Great Cosmic Name, God's Great Violet Flame,
Must everywhere now control all!
Its Wisdom all know, as all are set Free!
It answers our every Heart Call!
