

I DWELL IN THE HEART OF GRATITUDE'S FLAME!

I dwell in the Heart of Gratitude's Flame,
And pour all God's Love to Life!
I expand the Power of Gratitude's Flame
To stop all problems and strife!
I learn all the Secrets of Gratitude's Flame,
And use Them wherever I go!
I draw all the Blessings of Gratitude's Flame
To help all I meet here below!

I call all the Powers of Gratitude's Flame
To bless and forever express!
I blaze all the Miracles of Gratitude's Flame
To bring all God's Happiness!
I know all the Love of Gratitude's Flame
Will lift each one's care and strain!
"I AM" all the Peace of Gratitude's Flame,
God's Perfection It does here sustain!

There is a Realm of Gratitude's Flame,
God's Great Treasure House of Love;
All we desire or ever could know
Is waiting us There Above!
Gratitude's Flame must ever expand,
So as I use all of Its Powers,
It guards, controls and rules all here, too,
And all of Its Treasures are ours!

I call all the Power of Gratitude's Flame
To keep our Way clear everywhere!
I double the Miracles of Gratitude's Flame,
God's Victory I blaze – God does care!
I open the Way by Gratitude's Flame
To all God's Limitless Wealth!
"I AM" all the Victory of Gratitude's Flame,
"I AM" Its Invincible Health!

I call all the Friends of Gratitude's Flame,
And Cosmic Christ Legions of Power!
I draw all the Strength of Gratitude's Flame
To protect all God gives us each hour!
The "Great I AM Presence" of Gratitude's Flame
Is Our Armor all Dazzling White!
Now Great Cosmic Oceans of Gratitude's Flame
Sweep in God's Cosmic Christ Might!

The Great Cosmic Song of Gratitude's Flame,
Angels forevermore sing!
Celestial Choirs of Gratitude's Flame
To Earth all God's Blessings bring!
God's Great Healing Rays from Gratitude's Flame
Evermore seek and enfold!
Within the Heart of Gratitude's Flame
Forever my Loved Ones I hold!

Now all the Joy of Gratitude's Flame,
I ever expand and blaze!
All of the Purity of Gratitude's Flame,
All on Earth shall now praise!
Unto the Heights of Gratitude's Flame,
I call and never shall cease!
Love is within Our Gratitude's Flame,
And "I AM" forever at Peace!

I enter the Temple of Gratitude's Flame,
Where only Love can abide!
There clothed in Armor of Mighty Power,
Invincible I stand by God's Side!
That "Great I AM Presence" of Gratitude's Flame
Shall evermore sing in each Heart!
All of God's Life in Gratitude's Flame
Can never again from us part!
