

## BELOVED REX'S DISCOURSE

### "I AM" ASCENDED MASTER YOUTH HEADQUARTERS' DEDICATION

MOUNT SHASTA, CALIFORNIA

AUGUST 16, 1949

BELOVED "I AM" ASCENDED MASTER YOUTH of America and the World, I bring you Greetings from Heights of Eternal Purity and from Realms of Love Supreme. As We enter into the Outpouring of the afternoon, which shall surely penetrate the ground under your feet until it becomes Self-Luminous and Perfect forever, do We ask you to accept the Mantle of Our Love's Protection to each of you, and then through you to the Younger Generation throughout America and the World.

I wish to remind you this afternoon that in turning your attention to the Use of the Great Cosmic Love to which We refer, I remind you It is a very Tangible, Practical Presence. It is an Intelligence, a Power, a Light, a Principle, an Activity and a Flame; and that Love of which I speak is the Love to your "Mighty I AM Presence," to all the Great Beings of Life's Perfection, Who throughout aeons of time have guarded the Earth and this System of Worlds and all mankind upon it.

We have, through every age, Records of the Great Divine Beings, Who have come to mankind to give Assistance in hours of crisis and distress, and yet those Great Beings have been forgotten, and mankind has not poured the Love and Gratitude that have enabled Freedom to become the permanent condition of all mankind.

Therefore, in reminding you again today of the necessity of pouring your intense Feeling of Love to your own "Mighty I AM Presence," to the Ascended Masters, the Cosmic Beings and the Great Angelic Host, it is with the desire that while your Love is connecting with Their Great

Octave of Life and Its Perfection, you draw That back into yourselves to be the Strength of the Light, which holds you Victorious over the discord of this world; because from Our Standpoint, the Light of the Ascended Masters' Octave and Our Love are One and the same thing; and you cannot do anything without Light in some form! Therefore, you cannot overcome the conditions of discord in this world, unless you have some form of the Ascended Master's Love by which to dissolve and consume the hate which has generated the limitations of discord.

So today, We are offering you a very practical Garment of Protection as We clothe you in a Mantle of the Light Substance from Our Octave, that is the Action of Our Love to stand between you and the discord of the physical world, until your Light within your own bodies reaches the intensity required to repel all discord wherever you move. Then the Intensity of that Light moves ahead of you, clears your pathway, provides every good thing, holds you Invincible against the destructive forces in the world around you and makes you Master of circumstances and Victor over limitations of this world.

With My Sister Nada, and Pearl and Bob, We have many, many Joyous Experiences! Sometimes you are not always aware that We are around, but We watch every opportunity whereby We may pour Our Love, which is the Substance of Our Light in Our Octave, in and around you whenever it is possible to reach you in the midst of outer world conditions, whereby you may receive more than ordinary Help to enable you to go forward in Victorious Attainment!

There is no real Victory anywhere in this Universe without Love to your "Mighty I AM Presence" and the Great Host of Ascended Beings, Who guard the Perfection of Life and constantly seek to expand It through every channel that is possible.

Our Activity, over the last few years, has been very definitely concerned with the safety of your Nation,

because unless the Light of Our Love and the Love of Our Light enters into the desire world, which is the feeling world, of the Younger Generation — unless there is awakened within them the desire to love God and these Great Beings of Perfection, unless you can strengthen that desire within them to reach to Perfection, then they are but asleep in the gratification of the senses of the physical body to the point where they must cast it off and try again to attain the Victory of Life.

There is so much of Beauty, Perfection, Freedom and the Great, Glorious, Honorable Mastery of Life in Our Great Octave, you could just as easily have in this World as you can have air to breathe, because the Great Presence of Life is seeking to surge It through every individual and every opening possible. When all of That abides in Our Octave, and We are ready to give It to you, sometimes to have to wait while people experiment with more distress of the shadows, it takes a great deal of Patience! My Dear Ones, I PLEAD WITH YOU, DO NOT ALLOW ANYTHING TO THROW YOU INTO A SENSE OF DEPRESSION! IN THE FIRST PLACE, ALL DEPRESSION IS SELF-PITY; AND SELF-PITY DESTROYS CHARACTER; AND IT IS BUT A SIGN OF WEAKNESS; AND WE ARE HERE TO MAKE YOU STRONG!

You can only become Strong against the discord of this world by the Love of Our Light and the Power of that Light to draw conditions into the physical octave that close out distress. All suffering is human! The Divine does not suffer! The Divine rests above in poised Love of Its Own Light, ever giving wherever those who will accept, choose to let It through; and that Door must be opened from your side of Life! We are willing to give without limit, and those of the physical world cannot match Us in giving! At the present time your Nation needs the Light of your Love and your Love of the Light to strengthen the Desire for Freedom within the feelings of the people.

If the people are to have their Blessings protected and sustained, then that Protection must come from God alone, for destructive forces do not protect your Blessings; and if I should really become fired with My Desire concerning America's Freedom, I think I could raise you out of your seats, and "I AM" almost tempted to turn that on! (*Applause – audience rising*) I did it, didn't I? Thank you, Precious Ones! Please be seated – I might leave you there.

Now, Beloved Ones, remember your Nation must either be strengthened with the Victorious Power of Our Love and the Authority of Our Light or the shadows will still go on destroying your Blessings. Please remember This! Whenever you seem to be having a struggle, whenever you seem to be facing a problem that almost overwhelms you, just remember This. The problems, the feelings of distress, the appearances of limitation are nothing on earth but the sinister force; and if you will **DRIVE AND BIND THAT BACK INTO THE BRAIN AND BODY OF THE SINISTER FORCE AND DEMAND IT ANNIHILATE ITSELF AND THE WHOLE PSYCHIC STRATUM OF EARTH, SO IT TOUCHES NO OTHER PART OF LIFE**, you will find yourselves almost floating on Wings of Light. Do not sit around and mope in your own feelings. That is childish and dishonorable to Life. Arouse yourselves, because you can have all the Light in the Universe inside of your physical bodies if you call, and if you love that Light enough to place your attention There and draw forth Its Power into yourselves!

There is no thing in Heaven or Earth or all mankind put together, can keep you down if you will to rise, but if you would rather give in to the discouragement of the sinister force than to turn around and face your "I AM Presence," and taking Its Hand, demand the Strength of Its Light in you to hold the Protection you desire, then you just desire to experiment with more misery. Do not ever yield!

The only difference between the Ascended Host and

an unascended Being is that when We set Our Hands to a task and We call the LIGHT OF GOD INTO ACTION, IT CAN NEVER FAIL! We never let up, and some day the sinister force has to, because it is not Eternally of God! It is not the Perfection of Life! Therefore, it must some day cease to act!

**AROUSE YOURSELVES OUT OF EVERY PROBLEM! TURN YOUR BACK ON EVERYTHING THAT IS HUMAN! FACE THE VICTORY, THE AUTHORITY AND THE HONOR OF ALL THAT IS DIVINE, AND DRAW POWER WITHOUT LIMIT INTO YOURSELVES AND INTO YOUR AFFAIRS, INTO OUTER CONDITIONS AND COMMAND TO APPEAR THERE BY "THE LIGHT OF GOD THAT NEVER FAILS" THE PERFECTION YOU KNOW WILL BLESS YOU AND ALL MANKIND!**

Were you to DEMAND THE VICTORY OF "THE LIGHT OF GOD THAT NEVER FAILS" TO BE CHARGED, CHARGED, CHARGED IN, THROUGH AND AROUND EVERYBODY AND EVERYTHING IN YOUR GOVERNMENT, EVERYBODY AND EVERYTHING IN YOUR LAND WITH SUCH TERRIFIC, ASTOUNDING COSMIC POWER AND PRESSURE OF THE LIGHT OF OUR LOVE, IT WOULD BE DONE; and destructive forces would fail before they could come into outer action! Someone must face fearlessly the Light which owns all; and then DEMAND THAT LIGHT COME WITH RELENTLESS POWER AND INVINCIBLE COSMIC PRESSURE INTO EVERY CONDITION IN THE NATION WHICH NEEDS TO BE CORRECTED, WHICH NEEDS TO BE REPLACED BY THE PERFECTION LIFE INTENDS!

Oh, do not go down under the shadows and feeling of the sinister force, when Legions of Ascended Master Friends of the Light stand ready to assist you! With God as a Friend, why should you mope in the darkness of human selfishness, for all grief is selfishness. Depression is selfishness! It is nothing but the hypnotic substance

imposed by the sinister force upon individuals who have the Strength of the Light to go higher!

If mankind, who through the centuries have had a Reminder of Our Presence, were to send Us, en masse, one Wave of Love in Recognition of the Light and the Power of Our Love to come into the physical octave and correct conditions, they would arise almost overnight out of their destructive activities.

From another standpoint, every feeling, every ounce of energy you qualify with discord, depression, self-pity, grief, selfishness, irritation, anger, hatred or resentment, every ounce of that energy goes into the direction of the sinister force, and you make yourselves partners of the sinister force instead of the Beings of Light, which is your Divine Birthright to draw Power without limit and Cosmic Love to correct everything wrong in the physical octave.

So do not ever feel you are at the mercy of conditions which seem to be problems of distress! **ARISE AND GO UNTO THE FATHER, THE "MIGHTY I AM PRESENCE,"** and There receive your Garments of Light, your Armor of Light, your Scepter of Power, the Glory of your Divine Authority, and **USE, USE, USE** It in the physical octave to compel the consuming of all conditions which are wrong!

When We went through Our so-called Initiation, and It is nothing on earth but getting rid of your human, and I look back on those days now — oh, they are simply nothing compared to this Great Power of the Light of the Universe; and It is the Great Love from the Great Divine Beings which produces the Manifestations of the Light which sustain Systems of Worlds!

Why, the very Light of your Physical Sun is the Love from the Great Cosmic Being Helios; and I say to you, that Love is something of Magnificent Importance, when It is the Cohesive Power of the whole System! It sustains Life on that System, when that Life functions through forms! That Life, the very Light of the Physical Sun is the Love from that Being! Light and Love are synonymous!

Therefore, you can have Love without limit, if you understand It as the Cosmic Light, if you understand It as the very Life of your "Presence"!

What right, think you, do you have to take the energy your "Presence" pours into the body, qualified with Love from the Great Central Sun, and then you, because you could not quite have your own way in the physical octave, impose upon That the shadows of the feelings of depravity, or irritation or something else?

Oh, My Dear Ones, honor Life; and remember the Strength of your Light is measured by your Power to love your "Presence"; and that simply means the amount of attention you give It until the Full Power of Its Authority and Its Perfection flood you and fill you and pour forth through you Its Blessings to the Universe around you.

The Divine Plan and Command of Life is for you to become the Love, which your Life is from the Great Central Sun; and as It comes into you, command It to go forth to bless the Universe around you with Beauty and Perfection and Happiness! That is the Law! If you do not, well, the discord you create just circles around and around you and builds more and more problems, and then you go down under your own feelings. For there is not a thing ever comes into your world that does not come by your own free will! Either you have created it, or you have opened the door and let it in! But in any event, you are responsible for it, and there is not a moment of your Life, when you cannot turn away from it and behold that "Mighty I AM Presence," and folding your arms about It — mentally speaking — draw forth the Power of Its Authority, Its Light, Its Love and Its Overwhelming Onrush of that energy, which compels every condition to change into the Perfection that blesses Life around you!

**YOU HAVE NO RIGHT TO IMPOSE DISCORD INTO THE ATMOSPHERE OF EARTH OR INTO THE DIVINE BEINGS WHO CREATE THE POWERS WHICH GIVE YOU THE BLESSINGS THROUGH THE POWERS**

OF NATURE! YOU HAVE NO RIGHT TO CHARGE THE ATMOSPHERE OF EARTH WITH THAT WHICH SOMEONE ELSE MIGHT ABSORB THROUGH RADIATION AND THROW THEM INTO DISCORD ALSO! You have a very great Divine Responsibility through your own Radiation of what you pour forth into the atmosphere of Earth, because if someone who is not quite as strong, passes through your atmosphere when you are depressed, they take on that depression. Then when someone else does something which is not right, you are responsible for that, and the reaction will come into your world!

“I AM” here today to cut you Free from every bit of discordant feeling by the Light of My Love! When you DEMAND THE STRENGTH OF MY LIGHT, WHEN YOU DEMAND THE LOVE OF MY LIGHT, WHEN YOU DEMAND THE POWER OF MY LIGHT DISSOLVE ALL THAT IS HUMAN, it shall be so for you; and those are the people we need in the government of this Nation, to take the oath of office and honor the Trust that is conferred upon them, and stand like a Pillar of Steel against the destructive forces until the Light claims all; and Freedom once again reigns; and the Divine Blessings God has given you here become the Permanent Perfection of the future!

I SHALL FIRE YOU AWAKE FOR AMERICA’S FREEDOM! and if you believe Me today, if you take Me at My Word, you may dissolve these present problems, and you will not have to face their reaction twenty-five or fifty years hence! You, by your Calls, can just as surely annihilate them from this Land as that the Sun abides in the Heavens! This group of “I AM” Students alone, right here, with their combined Call, can open the Floodgates and compel That Light to increase in every condition in this Land, and demand This be established Permanently with Ever-Expanding Victory, until It is just like a forest fire, and that Great Love and Light sweep It forward and consume all in Its pathway!

The ground whereon you walk is Sacred Ground! The air you breathe is the Great Fire Breath of God's Love from the Great Central Sun! The very substance you use is the Gift and the Love from the Great Central Sun. Honor Life by compelling the Love and the Light from the Ascended Masters' Octave to enter into the physical world and compel Perfection into Action, which shuts off the "non-sense" of human discord, because there is no sense in human discord. That is why We call it "non-sense." It never did have any sense! If it had God-sense it would not be human!

So if I fire you awake, and if I see you sleeping, do not be surprised if I prod you with a Reminder of My Light, with a Feeling of Love which lifts you out of the depths, until you see your "Presence" – until you see your "Presence" face to face, until you know and realize all Its Power and command It to go where you will, to correct conditions under which you have struggled for centuries.

If you did not know where your "Mighty I AM Presence" was, this would be one thing, but now you do know where It is, you STAND, FACE and CONQUER by that Flame of God's Own Heart, which your own "Mighty I AM Presence" is, and command Its Power of Light to be the Love in this World which overcomes hate! That is your Duty to your America! That is your Duty to your God! That is your Duty to your fellow man! That is your Freedom of the future! That is your Power to dissolve all problems, so you may in the future produce here the Freedom which is God's Victory to the Earth until no human thing survives.

My Dear Ones, there are Legions of Ascended Master Friends Who will assist you! There is the Mighty Beloved Lord the Maha Chohan, Who dictated to you the other night. Make the Beings of the Elements your Friends and see if you lack for any good thing!

Now since this supply problem seems to weigh so

heavily upon the mass of mankind of the importance it is, let us take it in hand! If you make Friends of the Beings of the Elements, you will not know lack of any good thing, but They will not come near you if you sit in the dumps with self-pity, self-condemnation or you criticize and condemn some other part of Life which disturbs your own Freedom and casts a shadow on your own Light. They will not come forth!

The Law of the Universe is Love! It is the Cohesive Power of all substance, and he who is wise enough to replace everything human with the Love of all that is Divine, need not ask for any good thing, because all things will seek you out to love you. They are comfortable in your atmosphere and they will bring you their Blessings because they are happy in doing so!

That is the reason "I AM" bringing My Blessing into the government of the United States of America, because "I AM" happier in so doing than to see discord allowing destruction to go on in your Nation, to rob you of the Gifts of Freedom and the Victory of the Divine Rights of Free Men which God gave you in the first place! Are They valuable to you or not? If you value the Gifts of God's Freedom of Life, if you value the Harmony and the Opulence in your Land, if you value the Divine Rights to associate with God without interference, if you value all the Divine Gifts of Life, then you will protect those Gifts and you will love those Gifts! You will love the Light! You will love the Ascended Beings Who have all Power to protect those things, to bless them and sustain them protected. **THAT IS YOUR DUTY AS AMERICAN CITIZENS! IT IS YOUR DUTY AS "I AM" STUDENTS TO YOUR FELLOW MAN AND THE UNIVERSE AROUND YOU! THAT IS YOUR DUTY TO THE POWERS OF NATURE WHO HAVE BLESSED YOU SO RICHLY THROUGH THE CENTURIES!**

Now let us replace all things human with the Love and Gratitude and the Powers of Light in the Recognition of

that “Mighty I AM Presence”! All who will call to Us for Assistance will not find Us wanting! We have many Wonderful Things to bring you! As your magnificent buildings come forth on this property to remain, if you choose, imperishable forever, We have the Power to bring That about; and you have but to say “yes” and stand by, and It shall be so! (*Applause – audience rising*) Thank you, Precious Ones!

Now remember, if you associate with and keep your attention on the conditions of discord in the outer world, you will become that! IF YOU KEEP YOUR ATTENTION ON US AND OUR VICTORY, AUTHORITY, POWER AND LOVE OF THE LIGHT, YOU WILL BECOME THAT! IF YOU KEEP YOUR ATTENTION ON YOUR “PRESENCE,” YOU WILL BECOME THAT! You are Beings of Free Will, whose authority is absolute over your own Life’s energy to become what you will! So do not ever allow the sinister force to make you fail! You are not at the mercy of destructive conditions so long as you remain conscious and know where to call to your “Presence” and decree the Perfection which ought to fill this World everywhere! It did once, and It can again! It must again! We depend upon you to be the open door through which that Light flows until It dissolves everything else forever!

It only takes a crack in a dam, or a hole in a dam the size of a pin point, to let one drop of water through, to let that become greater and greater and greater until it mows down the whole construction, and the whole force of that water goes on free from interference; and you have certainly as much power in you as one drop of water or a tiny hole in a dam.

Now do not ever give in to anything human again! Stand your ground, and We will be with you with Legions of Light; and remember your Love to your “Presence”! Remember your Love to the Light! Remember your Love to Perfection! Remember your Love to the Forces of the Elements; and all the Powers of the Universe can assist you.

It is the wide Open Door; and there will be no veils between!

So I offer you the Scepter of Eternal Power, of Harmony, of Invincible Protection; and your Boundless Supply is Love of the Light which fills everything throughout creation and is That which is God-in-Action wherever you call It forth. So abide within It, and I shall help you by being the Reminder to you quite frequently!

I have not talked to you for a long while, but if I mistake not, you shall feel Me more and more frequently until I stand forth in the Visible, Tangible Body; and how soon that occurs depends on you! "I AM" Ready and Willing NOW! (*Applause – audience rising*) Thank you, Precious Ones!

With the added Power from the Beloved Ascended Master Jesus, the Mighty Victory, the Mighty Saint Germain and the Great Ones, Who are all converging to increase the Pressure of Their Power in America through the Great Accomplishment to which the Messenger has placed Her Hand, with that Increasing Power within the Nation, it should become easier and easier for all of you each day. **SIMPLY TAKE YOUR STAND ON THE SIDE OF GOD! DEMAND ALL THE POWER OF LIGHT IN THE UNIVERSE, AND DEMAND THAT GOD'S LOVE BE YOUR WORLD AND IT SHALL BE SO!** Mankind, seeing the Fulfillment of the Law through yourselves, will forever co-operate with you, because it is the Law of the Incoming Cycle and this time they cannot help it. They will have to do it!

I give you much Encouragement! Just remember, the sinister force is about to be removed; and when it is seized and bound, mankind will awaken as if from a nightmare. So as you go forward in your Youth Activities, you shall be the happiest people in the World. **DRAW THE MIGHTIEST GOD-LOVE OF LIGHT IN THE UNIVERSE! BLAZE IT WITHOUT LIMIT! LIVE WITHIN IT! DEMAND ITS SUPPLY OF EVERY GOOD THING, AND**

SPREAD ITS JOY, until not one human shadow can distress the people of the Earth! THAT IS YOUR DESTINY! THAT IS YOUR RESPONSIBILITY! THAT IS YOUR OBLIGATION TO LIFE, AND IF YOU WILL STAND TRUE TO YOUR TRUST, YOU WILL FIND LEGIONS WITHOUT NUMBER WILL HELP YOU DO IT, UNTIL IT WILL BE THE GREATEST JOY YOU HAVE EVER KNOWN! To this End We stand beside you until that day when We shake your hands, Visible and Tangible to you all. You will then look back on these days of struggle as the dark ages.

We are asking you to go into the Age of Light and BE Its Love to all Life in the Victory of Perfection, which is the Command of Life to be Fulfilled everywhere until you stand forth Master over this World, and forever express the Youth, Beauty and the Perfection of Our Great Octave! Remember, if I were you, I would take the stand that my mind and body would never register the old age which the other generations have recorded. You do not need to grow old! You do not need to show signs of age if you will remember to love the Light, which is Eternal Youth and Beauty!

With My Love I clothe you! With My Encouragement I shall charge you; and with the Light which I love so well, I shall flood you until It illumines all things in your worlds; and you will say to Me as you look back upon this day: "You told us the Truth, and we have come into the Garden of Life in the Victory and Love of the Light to which nothing else compares!"

I bear you the Love of Those Who are associated with Me. Keep on demanding the Victory of the Love of the Light in your America to consume the hate which would rob you of God's Blessings if you do not call the Love of the Light into outer physical Command and Action everywhere you go. With Legions at your command, you may move forward Victorious! Design what you will; and

the Beings of Nature will help you with That which is to be sustained forever!

Thank you with all My Love and all My Light and all that the Great Ones can give! I stand Ready to help you build as the Builders of the Golden Age, the Permanent Perfection that honors Life, all the rest of Eternity, with the Beauty and Perfection that you shall draw forth!

Thank you with all My Heart; won't you be seated?

### REMINDER!

#### BELOVED PEARL – CD 506

“As you call the Ascended Masters’ Love to be the Eternal Protection of God’s Freedom in America to all that is of God, I assure you within yourselves will come that same Great Feeling of Peace and Happiness and the Right to use this Power which He has given you! He has said to you repeatedly, there is no substitute anywhere in the Universe for the Love from the Ascended Masters’ Octave! Unascended beings cannot give It to you! Mankind, en masse cannot give It to you!

“I assure you, the only Master Presence anywhere in Life is the Ascended Masters’ Love. It is that Power of the Sacred Fire that masters every destructive condition; for It closes in upon it, dissolves and consumes it and prevents it any longer existing to cause distress to Life. I assure you, My Loved Ones, as you call This forth for the Nation, will you find, even though you see It go forth from His Blessed Presence in the Ascended Masters’ Octave, when They spread That over the Nation you are within It, too!”
