

THE FLAG OF FREEDOM

The Flag of Freedom calls to you
To wear It o'er your Heart!
It is God's Symbol tried and True,
Let not Its Flame depart!
Command God's Love to guard It well,
And let Its Light here reign!
Within Its Flame of Freedom dwell,
God's Victory here sustain!

If you but knew what that Flag meant,
You would Its Freedom guard!
It came through Love, which Heaven sent,
To make man's way less hard!
Then honor It with all your Life,
Your Hearts' Flame 'round It blaze!
Its Power stills all human strife,
Its Freedom all must praise!
