

BELOVED SAINT GERMAIN'S FAMILY –
GOD'S CHILDREN OF LIGHT

Saint Germain's Family of Freedom and Light,
Tread now God's Pathway to Victory's Height!
You stand forth in Mastery sealed in God's Love!
Wearing Light's Jewels whose Powers above
Clothe you with Flame from the Central Sun's Heart,
All Its Perfection forever Thou art!

Music sings 'round you Life's Mighty Song,
As Harmony's Joy, your Blessings prolong!
“ I AM' all your Peace and Purity, too”!
Says your Great Presence as It enfolds you
In Wonders and Marvels all now behold,
You are Light's Power and Freedom untold!

Ever and ever the Angels do guard,
Legions Unnumbered reveal your Reward!
For Loyalty's Service and all your Love's Flame,
As you now blaze forth the Love of God's Name!
Speaking the Word of Creative Power –
“ I AM' God's Victory and Presence each hour”!

Keep your own Counsel! Behold now your God,
And you shall walk where Angels have trod;
Beloved by all and blessing all Life,
Dissolve and consume the cause of all strife –
Raise your Great Scepter! Command all in Light,
Your world has become God's Great Cosmic Might!

Look! You are clothed in Light's Armor, too,
Flooding Its Power all Dazzling through you!
All who behold you shall love all Light now;
You are the Victors and all else does bow!
Raise your own hand and heal all you see;
Your Mastery is here! Its Presence now BE!

All God's Great Secrets from Nature's Great Heart
Do come to bless you, Their Wisdom impart!
You do now receive all you desire,
And you always shall have all you require!
I give you my all! All that "I AM"!
All God's Perfection ever at hand!

Godfre and Saint Germain, Jesus and All
Have heard and answered me in every call,
Now I implore Them to part Earth's Veil, too,
Reveal Themselves now – come here and bless you!
We call and accept Their Presence today!
I hold the "Door" open and ask Them to stay!
