

## GREAT GOD IN MY HEART AND GREAT STAR OF ME!

Great God in my Heart and Great Star of me,  
My "Presence," the "Mighty I AM"!  
Make me the Victory of Thy Cosmic Love,  
And hold Thy Eternal Command!

Flood me with Mercy and Forgiving Peace;  
Thy Great Violet Flame now blaze through!  
Make all behold Thee and feel Thy Great Power;  
We give all on Earth here to You!

Flood forth Thy Feeling that never can change,  
Thy Feeling of Mastery now!  
Make me the Victory of Thy Freedom here;  
Fulfill now, My Eternal Vow!

Make me the Glory of Thy Great Honor Flame;  
Flood through me Thy Healing Flame now!  
Miracles and Wonders forever expand;  
In Love to Thy Heart all here bow!
