

GREAT LEGIONS OF SUN ANGELS COME!

Great Legions of Sun Angels COME!
Their Victory sweeps our Earth!
Their Majesty and Love Supreme
Raise all in Cosmic Birth!

To Realms of Power no words can tell,
To Heights of Cosmic Peace,
They dwell in Mighty Joy and Praise
To bring all here release!

Their Light! Their Flame! Their Heart-Command
Consumes all doubt and fear!
Their Blessing to this World abides,
God's Way must now appear!

They rule this Earth! They take Command!
Possess and rule us all!
Their Light that never, never fails
Fulfills our every Call!

Great Legions of Sun Angels COME,
To stay and set all Free!
They flood all here with Sacred Fire,
Its "Presence" all must see!

They speak the "Word of Cosmic Power"
Their Flame flows from Above!
They are the Legions of all Peace;
They blaze God's Cosmic Love!
