

## BELOVED QUEEN OF LIGHT

CHICAGO, ILLINOIS

DECEMBER 23, 1955

CD 294, side 1

BELOVED ONES OF THE LIGHT, there comes to your Assistance, hourly almost, more and more Activities from Our Great Octave of Life, that are as sure, surging into outer Action as that the Universe exists. For, I assure you, there are many Activities of the Sacred Fire, the Cosmic Light from the Ascended Masters' Octave, that are seeping through, as it were, and entering into many channels of the outer world, that you little dream are being filled with these Activities that will later on reveal Perfection to you. In the Use of the Cosmic Light-Substance to which We have called your attention, you may have any Intensity of That, that you desire. I wish to show you how that Cosmic Light-Substance is absorbed by both the mental and feeling world and by the physical flesh body, by the structure of the Earth itself and by the Powers of Nature.

Now, follow me closely in this analogy. When you are cold and you put on a heavier piece of clothing, a heavy overcoat, for instance, you soon have changed your feeling, haven't you? The radiation of the heavier garment about you has changed the condition of your feeling, because you have absorbed its radiation.

Now, if you will again hold the Picture of the Descent of the Cosmic Light, as blazing Light-Substance, not just the Radiation of Luminosity, but the Substance of Light, the same as you have the substance of snow. If you will keep calling That forth to cover over everything that is of destruction, until It shuts off its expansion and its action, I think you will be greatly delighted at the effects that you can produce. Now you know a thing as tiny as a snowflake can be called forth in such quantity, that you stop your engines, you stop your trains, you stop your airplanes, you stop action, don't you? If enough of it comes, it even stops you! Yet, it is but the accumulation of those tiny,

beautiful little snowflakes. But the pressure gathered together is something that becomes infinite; and so it is with the Cosmic Light-Substance. As you hold the Picture of That coming into the physical atmosphere of Earth and into the physical conditions of the World and densifying, until It covers them over, you will find they will have absorbed the Radiation and the Qualities of that Cosmic Light. That is the Way We illumine substance, as well as the atmosphere.

So, Beloved Ones, in the Fullness of the Great Cosmic Power that is offered you for use, as you accumulate the Momentum of This, you become absolutely Master of the physical conditions of this World, and you become that Master-Presence, harmoniously and permanently, and you shut off the destructive activity of that which is distressing. The first action is to still and stop the expansion of that which is discordant. Then, as the Cosmic Light accumulates and densifies, It binds it, and then It enters into it. And then as you call your Violet Consuming Flame into Action, It purifies and consumes everything that does not produce Perfection there; and the Cosmic Light begins to manifest the Perfection that is always within the Cosmic Light.

Now, do not confuse the Cosmic Light Rays or this Cosmic Light-Substance with what the scientific world calls the Cosmic Rays. What they are dealing with is what We refer to as the Natural Rays to the Earth, and they are the Concentration of certain Electronic Force, which can be concentrated and directed to produce certain effects in this world.

But when you commence to call forth the Cosmic Light-Substance in and around and over conditions, and you continue to call That forth and ask for Its Concentration to be made Eternal, then the Cosmic Law sets into Action certain Cosmic Forces that concentrate that Power into outer physical conditions to perform the Service for which you call.

Now, this can be absorbed by the physical body, the mental and feeling world of individuals, just as well as around conditions or localities or the Earth itself. Now, since there has

been so much destructive vibratory action charged into the atmosphere over the Earth, that has caused such distress to mankind – as you demand that the Cosmic Light-Substance now become the atmosphere of Earth, you will see much Perfection come forth in most Miraculous Ways. And yet, those Miraculous Ways are perfectly natural.

You have no idea what a Scepter of Power you have within your hands in the Use of this Cosmic Light-Substance; and speak of It as Substance, not just Cosmic Light, then It will remind you of the substance of snow, and It has a similar action, when it comes to discordant conditions in this world. That which is constructive can go right through It, because it is Perfection within itself. But that which is discordant can be bound by It, until the discord has absorbed the Purity of that Cosmic Light-Substance, and by the Assistance of the Violet Consuming Flame the discord is consumed.

So, Beloved Ones, try to feel the Reality of these Great Powers of Life, that are constantly being offered you to make your pathway easier, to fill your Beings and worlds with Perfection and that will clothe you with Power to assist others to be free more quickly. These Great Activities of Life's Perfection are Magnificent beyond description. Their Power is Infinite, Invincible and Eternal. You have all Authority in this Universe to call these Magnificent, Cosmic Activities into your physical conditions in this physical world, to more quickly purify and perfect conditions here and, therefore, to more quickly compel the hordes of evil to be removed from the Earth.

The Cosmic Light-Substance and the Sacred Fire are two very Tangible, Real, All-Powerful Activities from the Ascended Masters' Octave. Therefore, since They are released and directed by Ascended Beings, Whose Power and Wisdom and Love are Indescribable, you have nothing to fear. You cannot produce anything wrong; you can never know distress in Their use, and yet, you have unlimited opportunity to receive their Blessings and become the Eternal Perfection which They manifest everywhere They are called into outer conditions.

So, Blessed Ones, certainly the Hand of God holds com-

mand of all things; and will at all times give you Its Boundless Blessings for your Freedom and the Freedom of Life, wherever you command This to come forth.

Now, suppose you have a destructive condition that has not been yielding as rapidly as you like. Call forth the Beloved Archangel Michael's Blue Lightning Power of Instantaneous Annihilation. Then, blaze your Violet Consuming Flame and then call the Cosmic Light-Substance in and around the whole condition, until It forces Perfection to come forth everywhere the human distress or limitation seems to be.

It does take your concentrated attention to call this Blessing into outer action, but It is just as certain to give you Perfection and to assist you, as you are to go where you want to go. You get into your automobile and if it works all right, you get to your destination. Of course, This is much more certain than your automobile. But, nevertheless, it is a very marvelous Blessing and Gift and Activity that Life offers you and it is the most practical thing in the Universe; because all Perfection has to be composed of Cosmic Light-Substance. You cannot have Perfection without this Cosmic Light-Substance being the Manifestation of that Perfection.

So, you are not dealing with an uncertainty, you are dealing with a Substance out of which all Systems of Worlds are composed, and since the Universe is filled with Magnificent Manifestations of Cosmic Beauty, Perfection and Love and Happiness, then, your Universe, individual or the Activities of the World, can be composed of this same Substance of Perfection if you will call It into outer physical conditions and ask It to cover over everything that causes you opposition or limitation or distress. Because, wherever It covers over, It compels the Change to come about harmoniously.

So you have Mighty Power, My Loved Ones, to assist yourselves and to assist Life everywhere. You can call this Cosmic Light-Substance into all the Powers of Nature to cover every imperfection, until those Powers absorb that Substance and outpicture and expand that Perfection without any limit whatsoever. If you would charge yourselves and your world

every day with enough Cosmic Light-Substance to flood and fill your world with Eternal Perfection, everything would be easy; everything would be more joyous; everything would give you greater Perfection. The Gift is Priceless, Beloved Ones, and is offered you for your Freedom and the Freedom of the World.

So, go forward; and I give you a Secret tonight, which I trust will reveal Its Blessings in the future, as you demand that the atmosphere of Earth now be filled with the Cosmic Light-Substance that compels Perfection. Now This will help to be a Balancing Force to the Elements of the water, of the air. And wherever you call It into outer Action, It will be the Controlled Dominion of whatever you desire. So, please use It, for It is very Practical. Please use It, for It will bless you infinitely. Please use It, for It will give you Invincible Protection. Please use It, for It is a Magnet that raises all into the Perfection of Its Own Purity and Own Beauty and Own Happiness. So, there is nothing can come to you from Its use but greater and greater Happiness, Freedom and Perfection.

So, in your gaining a momentum of Its use, It will come forth in more Instantaneous Action as your own atmosphere becomes filled with It. Then, It becomes like a Magnet, and when you call It forth, there is a pressure in and around you, which draws It more rapidly into outer world conditions. So you can move in the world, Beloved Ones, enfolded in a Sphere of this Cosmic Light-Substance, which the Beloved Godfre offered you some time ago, and which He and I have been drawing around those who remembered to make the Call. Then, your bodies can absorb That, the atmosphere can absorb It and wherever It is called forth each day, everything becomes clearer, more harmonious and more magnificent of accomplishment.

So, I give you one of the most wonderful, powerful Activities of Life. May you use It without limit. May you use It to bless others. May you become Its Purifying Presence; and as you demand that the substance of your bodies absorb It, It will make possible the Ascension for many, without passing through the change called "death." This is the great Assistance to that end in the Fulfillment of the Desire of the Beloved Master Jesus'

Command to Life, to raise all into His Perfection and to overcome so-called "death."

So, Blessed Ones, try It out! It has Boundless, Boundless Powers awaiting your use; and your opportunity to use It is constant as long as you remain in this World. So, I await again your calling This forth into outer conditions, until They reveal to you the Action which I have explained and the Blessings of Eternity for your Freedom, and the Victory of that Freedom and Happiness to all Life everywhere you call It forth. So, go forth and enjoy the Use of another Magical Power of Life that God constantly gives, the "Mighty I AM Presence" constantly pours forth for your Blessing. Thank you, with all My Heart!
