BELOVED ONES of the Mighty Saint Germain's Family, Beloved Ones of the Violet Flame, Beloved Ones of the Victory of God's Heart, I come tonight to clothe you with a feeling of greater Power. For Power you must have to stand against the increasing discord of mankind in the world around you. So, tonight We shall take up in concentrated action the Power – the Victory of the Power – of the Violet Consuming Flame.

I think if you pour the Love from your Heart to the Violet Consuming Flame, released both from your Presence, the "Mighty I AM" and from the Mighty Saint Germain and Myself and Others of the Ascended Host, you can call into outer, physical conditions a concentrated Action of Its Power by your acknowledgement of Its Victory. And for your own satisfaction, and also for the greater illumination of the rest of mankind, I would appreciate it greatly if you would call forth through yourselves the Revealmnt of Its Power in physical conditions. Make your Demands and, I assure you, We will fulfill your Calls. Were you to just with considerable attention, not too long at one time, keep demanding your "Blessed I AM Presence" and We reveal the Victory of the Power of the Violet Consuming Flame through you all.

Now this Revealing of the Victory of the Power of the Violet Consuming Flame would not only be to the world around you, that Revealing would be to yourselves. I want you to have That, for as your Momentum reaches a certain point, you can draw That into concentration about you, until It becomes Visible to yourselves and to many of mankind – eventually to all. But, if you want the appearance of a thing manifested, you have to call for the revealment of it. If you do not reveal it, you do not see it, do you, if it is not revealed to you? So, if you want the Revealmnt of the Victory of the Power of the Violet

Consuming Flame, then many Activities of Its Mighty Blessings can come forth through you, which would automatically benefit your bodies and your mental and feeling world and the atmosphere about you. Then, It would go into your affairs, and Its Revealmment would be the Correction of the conditions about you. If you call forth the Cosmic Revealmment of the Power of the Violet Flame's Victory over all in this World into your government or in business, one person after another would become aware of It.

You would understand or know what It was to begin with, but if It continued to release Its Blessings to them, they would soon become aware of It and accept It, and then begin to want to know more about It. You see, mankind is asleep, My Dear Ones, in the hypnotic control and conditions of their own desires. They are asleep in the accumulations of the discord of their own limitations, which they have built about themselves; and they live and move in a cocoon, as it were, of these things against which they rebel so frightfully. But if they would but give recognition to the many Activities and Blessings and Powers of the Sacred Fire, there would surge to their assistance such Miracles and Power from Our Octave of Life, that they would have their Freedom in no time.

As you contact people in the outer world, I wish you would very definitely, when opportunity offers, but not intruding, try to get mankind to understand something about the Sacred Fire! When you say, "The Sacred Fire" to people of the outer world, it is just words. They do not any more know what That means than a child, in fact, not as much so!

So, this illumination and Conscious Understanding and Use of the Sacred Fire is the Education of the New Age and must be understood by mankind, because if Perfection is to be brought forth and sustained, then there must come again as in former Golden Ages the individual Flame within each one's home! I mean a Visible, Tangible Flame that is eternally sustained in each one's home. Now why do you suppose We do That? Because the Radiation constantly pouring forth from the Sacred Fire is the purifying, balancing Power of Love, that flows into

the conditions, in the atmosphere and around you and your homes, that produces and maintains the Perfection which comes through Harmony alone. That Harmony is the Love of the Sacred Fire – within the Sacred Fire.

So, when you begin to call forth the Revealmnt of the Power of the Violet Flame Victory over this World, then you, yourselves, become a focus of Its Presence and Manifestation. You become the Fulfillment of Its Law; and you move among the rest of mankind clothed with a Power that compels co-operation from those in the outer world.

So to demand the Revealmnt of the Perfection of these various Activities of the Sacred Fire must come forth by Conscious Command; and, I think We have said this many times before, but once you start on the Conscious Path of Understanding and Use of the Cosmic Laws of Life, everything you want must be called forth consciously! Before you enter upon the Conscious Knowledge and Mastery through this Knowledge of the “I AM,” you are under the mass consciousness of mankind that only moves forward, when the forward movement of a Cyclic Assistance, through the Sacred Fire, takes place at intervals – far apart. But once you turn to the Light and demand your Mastery for the attainment of your Ascension, then there must come the Revealmnt of the Powers of the Sacred Fire. When you say, “I AM” THE SACRED LOVE OF THE SACRED FIRE, and those are not idle words by any means, they are the acknowledgement of the Flame of Life in your own Heart, that is one with the Heart in the Central Sun! So, when you demand or acknowledge the Revealmnt of the Power of the Violet Flame Victory over this World, then there comes a Concentration of that Violet Flame with Cosmic Pressure to enter into conditions, which surround you, and dissolve opposition to you and handle your affairs with very great Success and Happiness to you all. For instance, supposing you need healing within the body, and you make the Call to blaze the Violet Flame through you or spin the Violet Flame or your Various Activities. Then whenever you think of the condition again, holding the Picture of your Fulfilled Call, acknowledge, “I AM” THE REVEAL-

MENT OF THIS POWER FOR WHICH I CALL! "I AM" THE REVEALMENT OF THE POWER OF VIOLET FLAME VICTORY OVER THIS WORLD! Then you automatically become filled with Its Presence!

If you do not see It right at first, do not neutralize your own Decree by saying, "Well, It has not come through yet!" How do you know? It may be inside of you! Just because your attention has been on something else doesn't prove that It has not poured forth through you to help control conditions around you.

Now, I do not mean to do This with tension, but there can come within you through your desire such a Concentration of the Violet Flame through Love to It, that It can appear to you and produce the condition you desire without any tension at all within the body. Just your Love for It will draw It into concentrated Action in the atmosphere about you, or into the body to perform whatever Service you call.

People do not understand, My Dear Ones, what a tremendous, magnetic power is within them to send the Love to Life, Love to any of the greater Activities of the Universe, with Love and Gratitude; and in that feeling of Love, there is automatically the Return into outer affairs and conditions of the Fulfillment of your Call! Every expanding activity in the Universe has to start with some form of Love and Gratitude and an upreaching feeling within Life. The lesser Life must reach up to the Greater, if you are to have greater Perfection here.

So, if you are going to have greater Use of the Violet Consuming Flame, or draw It into physical conditions with concentrated Cosmic Power, then that Cosmic Power must be revealed! That is why you draw It, so It will reveal the Perfection that is the Fulfillment of your Call. So, as we go deeper into the Use of this Magnificent Power of the Violet Consuming Flame, whether It be from your "Mighty I AM Presence" or the Blessed Saint Germain or the Seven Mighty Elohim or the Violet Planet or from the Central Sun, matters not. Each Activity is a Special Concentration of Its Power; and if you want that Power to use here, you want to reveal It, do you not? Do you not

want your Fulfillment of your Decrees revealed to you? You want them in outer Fulfillment, "I AM" quite sure you do! When you are hungry, you want a meal revealed; "I AM" sure it does not remain in the mental level, when you want to eat it physically. "I AM" quite sure of that! So it is with these other conditions. If you want the Revelation of the Power of Violet Flame Victory in your government or in your bodies, your feelings or the atmosphere about you, then you will have control of physical conditions.

Now then, you have a National and a World problem, do you not, in the radio activity that is released through bomb experiments? That's been revealed, hasn't it? Well then, if you want the Power of the Violet Flame Victory over that in action in the physical world, you want it revealed. Now, this is part of the Expansion of the illumination of mankind that must come! So, when you set into action a Power of the Sacred Fire, demand Its Revealing Presence, Visible to everything and everybody — all that lives. Who of you can tell Me how soon Manifestations of that Sacred Fire may appear in the world around you? "I AM," as you say, tipping you off, if you want Manifestations! (*Applause*) Thank you, Precious Ones!

Now, return to your avenues of supply, and "I AM" sure you want that revealed to you, do you not? (*Applause*) Thank you, Precious Ones! Now you turn to your "Mighty I AM Presence" and say, "I demand the Revelation of my God Supply of every good thing that can never fail!" Now, if I take you deep tonight into the understanding of your own Heart's Flame, you will know what I mean by Revelation. If you were to make it a practice of saying to your "Mighty I AM Presence": "Reveal to me what is in Your Heart; reveal to me the Activity of the Sacred Fire that sustains the Love about me, that draws to me boundless supply of every good thing forever," then, you would many, many times be aware if something disturbing tries to approach, your "Presence" would reveal to you in a Flash what you were to do, to hold yourselves protected against that; and I tell you, it is a very practical Application of the Sacred Fire!

Now, there are many Powers within the Violet Consuming Flame and many Activities of It throughout creation that produce Special Manifestations. The Power that is anchored in and is the Service of the Violet Planet to the Earth is a constant Radiation of That which balances everything It contacts! So, since the Earth needs the Radiation of that Violet Flame around the whole World, in order to balance the pressure in the atmosphere with the pressure at the center of the Earth, and also against the pressure in the whole System, as the Earth travels in Its orbit, the Outpouring of these various Activities of the Sacred Fire is directed by the Beings on each Planet or in the System, Who govern That and supply That to Life, to the Life of the whole System.

So, when the Mighty Saint Germain spoke to you of the Secret Planet that guards the Earth, It is a very definite, not only place in space, but a Definite Planet, pouring forth a Definite Force of the Sacred Fire for Protection to the Earth against mankind's discord. And, interestingly enough is the fact that astronomers have taken records of a Force from a certain place in space, connected with this System, wherein according to their calculations there should be a Planet, but they do not see it; and yet, they get records of its radio activity and its electronic force upon their instruments.

So, you see, there are many things in this Universe that no one ever heard of yet in this World. So, I think you are going to need the Revealing Flame or the Revealing Love of the Power of Violet Flame Victory over this world; and if you reveal It in and around yourselves, mankind is surely going to learn something concerning It. Do you know why? Because mankind is very curious about things! So, if you reveal the Violet Flame Power of Victory, "I AM" quite sure the curiosity of mankind will be set into action and, I trust, will be used to bring illumination.

The Power of the Violet Consuming Flame is beyond any words to describe! It can never produce one thing that creates discord to Life! Isn't that wonderful? (*Applause*) Thank you, Precious Ones! Its Love is so Great in the release of Its Power that, as It surges forward, It just automatically balances —

purifies and balances everything It contacts. So It can never cause you irritation or cause a pressure that would produce anything upon Life that would be of distress.

When you demand the Revealment of all the Powers that are within the Use of the Violet Flame, “I AM” sure you will be greatly delighted, and you will think that you are going to go to school all over again. You are going to begin to realize that you never lived in the World of the Violet Flame, and yet, you may live There, if you choose; and nothing can be experienced but the Happiness and the Mastery of the Use of Its Victorious Power. You will pardon Me, if I just wax enthusiastic about My Violet Flame Planet! (*Applause*) Thank you, Precious Ones!

There is such Beauty within that Violet Flame and Our Activities of Its Magnificent Perfection on the Violet Planet! There are colors and Flames so beautiful, that They are irresistible to your Love! You cannot understand what They do for you! The Beauty is so Intense, that It does for you in the feeling world what food does for your body! There are flowers made of the Violet Flame in varying shades that breathe and pulsate constantly. There are shades of that Violet Flame that are so beautiful, no words can ever tell you what they do to your feeling world!

So, when you begin to ask your “Mighty I AM Presence” or Us for the Revealment of the Violet Flame Powers of Victory and Beauty and Dominion over this world, you will have some very delightful experiences. And I can assure you, They will become so fascinating, you will never forget that Violet Flame again for an instant, the rest of Eternity. You will just love It as part of yourselves, because It is such a Focus of Life’s Magnificent Blessings. There is not a thing It could not perfect in you! There is not a thing It would not give you! There is not a thing It could not do for you! Think, My Loved Ones, what must be the Love from the Great Central Sun that creates an entire Planet of the Violet Flame; and within That abides the substance of Beauty and Perfection, Indescribable, All-Powerful and Eternal, lifting all It contacts into greater and greater Beauty and Power and Happiness and Mastery, to give to Life more and

more of the Perfection of God's Heart! Do you not think this World needs the Revealmnt of that Violet Consuming Flame, the Violet Planet and the Violet Flame Love that the World must have?

The World's initiation in Love, My Dear Ones, is very, very slow, but enough Violet Flame will hurry it along considerably! So, when you are privileged some day to see the Beings in Nature, who create and work only with the Violet Flame's Radiation to the Earth, you will be speechless with Their Beauty and Their Power! The Angels of the Violet Flame, the Masters of the Violet Flame, the Legions of the Violet Flame, Whose Service to Life upon the Violet Planet is Transcendent beyond words, are the Great Glory of Life, that has come forth to assist the Earth and to bless the Universe everywhere. And They bear always the Master Powers of God's Heart, wherever They contact manifestation in this World or any other. There are shades of that Violet Flame so beautiful, you could love them and talk of them for Eternity; and they are just as real and just as tangible as your own flesh bodies are here tonight.

Oh, My Dear Ones, after mankind has lived in the dregs of existence by their misuse of God's Life in the body through the centuries, to think of the Mercy and the Love and the Forgiveness, which that Magnificent Violet Flame is to Life, is certainly Proof of the Great Heart of God's Love to creation. I trust, those of the "I AM" Students and others of the outer world, as the greater Perfection comes in, will teach children from babyhood to honor the body and remember it is a Cup and should be a Temple, in which the Sacredness of the Violet Flame holds the Perfection of Life, of Eternal Youth and Beauty and of the Blessings in the Use of Life, that forever honor the Great Presence that has created the body. Mankind must be taught to respect their bodies. The body belongs to God – not to the desires of the animal self. The body is the Divine Crystal Cup, given by the "Mighty I AM Presence" into the outer world to reveal the Sacred Fire of God's Miracle Life and Love to Creation!

So, as you go forward to greater Use and greater Under-

standing of all the Violet Flame can do for you and the World, your Call for the Revealmment of Its Beauty and Its Powers and Its Victory over this World will bring you very great Joy, Miracles of Its Perfection; and It is Freedom to Life, because It is so Wonderful in Its Eternal, Purifying, Loving, Balancing Action to Life!

So, let Us go forward and call forth the Revealing Blessings that are within the Violet Consuming Flame, and ask your “Mighty I AM Presence” and that Violet Consuming Flame to reveal to you the Beings, Who carry on Its Service to Life, both in this World and on the Violet Planet and everywhere throughout the Universe.

If mankind would but respect the body, it would remain forever a thing of Beauty and Luminosity and Happiness and the Victory of the Master Powers of Life; and only the Violet Consuming Flame can produce that Transmuting Action, that rebeautifies the body and returns it to its pristine Purity and glorifying Activity to the Life that it carries with the Heart!

Oh, that mankind may awaken to their responsibility in the Use of God’s Life, and know that the Sacred Fire bears forever to the Universe all the Blessings and Gifts of God’s Love; and so it is, in the Great Powers of the Violet Flame are the Mercy, the Forgiveness, the Purity, the Love, the Balance, the Freeing Activities of the Sacred Fire, that are forever the Power of the Transfiguration. As you take your Freedom in the Victory of the Ascension, the Violet Flame renders to you Its Cosmic Service in returning you to the Beauty of Life and assisting you into the next octave, Happy, Free and as natural as you go in and out of a door. All of That depends on the Violet Flame Action in you and to you and around you, when the moment that hour of Transcendent Accomplishment approaches and it makes you Master over what the world calls “death.” Do you wonder, I love the Violet Flame! (*Applause – audience rising*) Thank you, Precious Ones; won’t you be seated, please!

Now, as We enter into the Greater Use of It, the Revealmment of all Its Cosmic Activities will come to bless you, as you set It into Action for the Freedom of Life everywhere! After

you are once Ascended, My Loved Ones, you will never for one instant the rest of Eternity ever cease to remember and thank and be grateful to that Violet Flame that sets you Free. Do you wonder that through the Ages the Violet shade, known as purple in the outer world, has become the symbol of royalty, of authority, of power, of rulership; do you wonder at that? Do you not see how that is but a fragment that still remains in the consciousness of mankind of what Its Royal Service to Life is? And oh, your whole Ascension, My Dear Ones, depends on your use of It.

Were you to lay these bodies down tonight and withdraw the Flame in the Heart from them, you would still have to stand out in the Etheric Body, or in the Higher Mental Body, and pour the Violet Flame back into the substance of the body, until the permanent atom, clothed in the Violet Flame of Eternal Purity, enters into the Higher Mental Body and then into the Ascension, into the Electronic Presence. Every step of the way of your Ascension depends on the Action of the Violet Consuming Flame.

So, I commend you tonight to the deeper appreciation and gratitude for Its use. May It reveal to you all that is within Its Heart and make you the Power of Its Victory over this world, that wherever you abide, It automatically flows forth, produces Perfection and reveals to Life the Greater Perfection from Our Octave, that will come here. It is the Redeeming Power of the Sacred Fire to the Earth. It is Love made manifest, that forgives and purifies and raises all back into the Divine Way of Life, and expands the Perfection that glorifies the "Mighty I AM Presence." May Its Limitless Legions attend you; and may they be revealed to all mankind, until all understand the Way unto the Ascension; and the so-called "death" of the past is never again to manifest or be remembered, because the Violet Flame has taken its place forever. Thank you with all My Heart!
