

## BELOVED SAINT GERMAIN'S DISCOURSE

PHILADELPHIA, PENNSYLVANIA

MARCH 7, 1953

"I AM" SANCTUARY DEDICATION

**B**ELOVED ONES OF MY HEART, My Precious Family of Freedom in Philadelphia, know that once again We join Our forces with intensified Action of the Power of the Cosmic Law to command into physical conditions the Power of God to set you Free!

Since you have been so richly blessed by your "Mighty I AM Presence" and the Ascended Host in the release of this Power of the "Mighty I AM" and the Violet Consuming Flame, as you step forward and are willing to make more effort for the Freedom and Protection of your Nation and the Victory of Peace to the Earth, so will your Blessings ever increase until there is not room to receive the Glory of the Power poured forth from Our Great Octave of Life.

Know with every fiber of your Being that We are interested only in releasing through you the Sacred Fire from Our Great Octave of Life of Our Love and Purity to produce Perfection in you and your world and then through you to the world about you. So regardless of your mistakes or anyone else's, if you will but take your attention off the mistakes and anchor the attention into the Heart of the Heart Flame of Love of your "Mighty I AM Presence" and to Those of Us Who are in charge of the Purification of the Earth at this time, then you can but know only the Perfection which is within the Sacred Fire of your own Heart's Flame, the Heart Flame of your "Mighty I AM Presence," the Heart Flame in the Ascended Masters' Octave and the Cosmic Beings Who assist the people of this World.

If you demand everything in your Being and world that you do each day be the Eternal Perfection of the Heart Flame of your own "Mighty I AM Presence" Eternal Love to the Universe, then if you demand that manifested in and around you with Its Invincible Protection of Eternity, then That shall be the Law of your world; and It shall control everything you contact.

Since the Great Miracle Love of Eternity is the Fulfilling of the Law, then you might just as well have your world filled with and controlled by the Law of your own “Mighty I AM Presence” Love, as to go on under the constant, ceaseless change of the conditions of the outer world.

There is a need for Our Visible, Tangible Presence with you is the reason We are doing everything possible at this time to make you feel your closeness with Us and to make you feel Our Power of Control over conditions in the physical world that are disturbing or destructive. You must feel, Beloved Ones, Our Feeling of Mastery if you are going to be Master over this World. And since the Cosmic Law must be fulfilled before you can express that Mastery in the physical octave, then there must come the Sacred Fire of Our Miracle Love into you and through you and around you in order to allow your own “Mighty I AM Presence” to release the control of conditions in the physical world which makes you Master here.

Now I want you to feel, since you have had the proof of the Miracle Power which has been released over the last two weeks to bring you the Manifestation of this “I AM” Temple of Philadelphia, which I accept as the Eternal Flame – the Violet Flame Purity of My Love and Freedom of Life. Since you have had this, then it shows you that this Instruction of the “Mighty I AM Presence” which I have brought forth is an Infallible Law. It can never fail, but It won’t apply Itself. If you want Perfection enough to apply the Law you will have Perfection, but if the demands of the outer world, the pull of human desires of other human beings continually draw your Life Energy away from you by holding your attention, then you simply do not give your “Presence” or Us a chance to act through you. It is as if you shut the door behind you; and that door, so far as We are concerned, is no barrier to Us, but We may not intrude upon your world that which you do not demand to come in and manifest here.

You see, Precious Ones, you are the Authority of what you want in your world, and if you do not demand it, it will never be there for you once you start on the conscious path of

Mastery. But when you command your world controlled by the Fulfillment of the Law, which is the release of this Sacred Fire and Miracle Love of Its Power from the Great Great Silence, then there can flow to you from Our Octave many things that you do not know exist, but which flow within the Sacred Fire of that Love.

Therefore, when you command that your world be the Fulfillment of the Law of the Miracle Love of Eternity you give Us a chance to show you what is in Our Octave and ask you if you want It. Now the outer self says: “Surely, I want everything that is up There.” That is the intellect, because it is reasonable and the intellect knows that Our Octave is more Perfection than yours. So the intellect knows you should have It, but your barrier is in the feeling. And in this Command which I have just given you, you can take the Scepter of Power and demand that the Fulfillment of the Law of the Miracle Love of Eternity now is the Law and the control of everything in you and your world. Once you make that Demand upon your “I AM Presence,” then It says: “Well, the Freedom of the centuries is here and the door of the past is locked forever.” Then We can give you unlimited Gifts which you have always wanted and which you ought to have in use in the outer world, because these Powers of Life must come into your outer physical octave if you are ever going to perfect the outer conditions.

People think, Oh yes, well some day I am going to precipitate. It is away off here somewhere – a feeling that some day you will be purified enough to precipitate. I hope so, too, with all My Heart, but I do not want to wait, and you do not either really, but the feeling in you that puts it off won't let it act in the present. Do you see? So now you have to take your stand that I DEMAND MY OUTER SELF, now get this, BE THE FULFILLMENT OF THE LAW OF THAT MIRACLE LOVE OF ETERNITY WHICH MAINTAINS INVINCIBLE PURITY IN ME AND MY WORLD, AND “I AM” THE RELEASE AND USE, THE ASCENDED MASTERS’ USE OF ALL THESE POWERS OF MY BEING WHICH I DEMAND COME INTO OUTER ACTION AND SERVICE FOR THE FREEDOM OF MY

FELLOW MAN, THE FREEDOM OF MY NATION AND PEACE TO THE EARTH FOREVER.

You try this Decree and see whether or not “I AM” near!

I will not keep you longer, but I just want to make you stronger. (*Applause – audience rising.*) Thank you, Precious Ones, won’t you be seated please?

Now please follow this Decree closely: I DEMAND AND “I AM” THE FULFILLMENT OF THE LAW OF THE MIRACLE LOVE OF ETERNITY, WHICH I INSIST COME FORTH, POSSESS AND RULE AND MANIFEST THE ASCENDED MASTERS’ DIVINE PLAN IN ALL PHYSICAL CONDITIONS AND ALL ACTIVITY THAT EVER TAKES PLACE ON THIS PROPERTY, THE “I AM” TEMPLE AND SANCTUARY OF PHILADELPHIA! AND MAKE HERE THE ALTAR OF THE SACRED FIRE WHEREUPON BLAZES FOR ETERNITY THE INVINCIBLE FLAME OF FREEDOM, PROTECTION, PURITY AND PEACE, DEDICATED AS AN ALTAR WHERE THE “I AM” DELIVERER COME RELEASES THE SACRED FIRE WHICH PURIFIES, FREES AND PROTECTS AMERICA AND HOLDS THE VICTORY OF LIGHT AND PEACE ETERNAL TO THE EARTH. HERE WAS CONSECRATED AMERICA’S DELIVERER COME! HERE AGAIN WE CONSECRATE THE VERY GROUND ITSELF AS THE ALTAR OF THE SACRED FIRE OF THE MIRACLE LOVE OF ETERNITY TO THE FULFILLMENT OF ITS LAW, WHICH SETS IT FREE AND COMPELS PURITY AND PEACE TO THE EARTH IN THE VICTORY OF LIGHT, THE IRRESISTIBLE MAGNET WHICH DRAWS AND ANCHORS FOR ETERNITY THE ASCENDED MASTERS’ PERFECTION AND POWER OF THE GREAT COMMAND.

Then, My Dear Ones, you can do the same thing for your own individual worlds; and when you loose that demand with Fierce Determination, that the Fulfillment of the Law of the Miracle Love of Eternity, now possess, rule and manifest your world, it shall be so, if Legions of Ascended Masters have to come and produce the physical action. That is why I said it is necessary for Us to come closer to you. It is necessary for the protection of that which is of God to be held in the Power of

the Sacred Fire and the Miracle Love which more intensely focuses here for the Fulfillment of the Divine Plan and the control of all outer conditions.

So you are on the Sunshine Pathway of the Sacred Fire whose Miracle Love fulfills every Divine Desire of your Life, your Heart, your mind, your bodies, your feelings and your world, and the Fulfillment and Manifestation of the Divine Plan of Perfection which belongs to you.

So call It forth without reservation. Know that happiness is the Action of Its Victory and go forward and fulfill the Eternal Divine Desires of your Hearts and manifest before the World the Power of God anchored into the physical world which compels Freedom to all who approach. May you enter in and know the greatest Joy you have ever had in all embodiments put together in the past – greater than all – and demand the Victory which forever is My Love of Freedom to the Earth. And the closer you draw to That, the nearer “I AM” come within you.

Just know I, too, AM demanding the Fulfillment of the Law of the Miracle Love of Eternity which I have used throughout the centuries to draw you thus far in the Light, and if you will join with Me in the Demand for the Fulfillment of that Law, My Love and Freedom of the centuries will bear fruit in the Perfection of your world that sets you free, and through you, America and the Earth; and My Work of the centuries will not have been in vain and will no longer be able to be delayed.

Come and use the Fulfillment of the Law of the Violet Consuming Flame and demand Its Manifestations possess the Earth and all upon it, and help Us to more quickly come into your visible, tangible presence and do that which We long to do to make you happy forever.

Thank you with all My Heart and may the Cosmic Violet Consuming Flame Heart of My Love enfold this property, supply you and bring forth here everything your Hearts can desire, until all Life stands Ascended and Free in that Happiness also. I commend you to Its Everlasting Fulfillment and release of Its Miracles of Love.

Thank you and good night.

LOS ANGELES, CALIFORNIA

YOUTH BREAKFAST

(THROUGH OUR BELoved DADDY)

BELoved ASCENDED MASTER YOUTH OF AMERICA, Glorious Ones of the Light, may We in an Almighty Sustaining Power assist you today in your invincibility, in your strength, in your power to render whatever Service to Life, to Light and to America that your Life may impel you to render!

Since the Glory of Light must one day take Its Dominion here in these glorious States of these United States, then shall come the One Mighty Ascended Master Wisdom governing these United States. You who are setting a great part of all the future are indeed privileged, and as I speak to you today may you feel that, and may the Great Ones anchor within your feeling world that Invincible Courage, Discrimination and Determination which as you know is the outpicturing of the Inner Will of the "Mighty I AM," which is the Supreme Activity of the Universe to bring through you Its Dominion wherever you move, to bless, enlighten and prosper mankind. Won't you be seated?

Beloved Ones, today the Law of Life and the Law of America compels Me to draw to your attention certain Truths and why your Beloved Saint Germain had been given full responsibility of all whose attention had been called to His Presence and to the requirements of America – how today America would stand absolutely free.

When the Messengers went forth carrying only Love, Kindness and the Greatest Wisdom ever known to the people of America, and then shortly vicious individuals who had only selfish purposes, thinking only of their food and clothes and shelter, began to turn away from This Light and spread vicious falsehoods against these Messengers Whom Beloved Saint Germain had appointed. They were given such a wide, magnificent opportunity of service, but they turned aside because the

Beloved Saint Germain would not come to them and direct them as He had trained these Messengers.

Allow Me to enable you to see what everyone who has turned against This Light is doing for and against America. These people who are vicious against the Messengers are weapons formed against America and of the most tragic kind; for all whom they can cause to doubt the reality of this Great Work is that weapon formed against America. These are not personal things. America is the Cup of Light! America is your outer garment, your home, your body in which you must live. If destruction is here, then you, your homes and the body which is the last "Cup of Light" upon this Earth shall have vanished. Such shall not be!

And remember, Ascended Master Youth of America, if you listen to falsehood and allow your Light to be dimmed or put out, the fault is yours. Every human being's Heart knows these Messengers are honest, sincere and true, and that This Light is Real, that the Ascended Masters are Real; that America must be protected – the last point upon Earth where there is a hope.

Therefore, in your Call and that Light which you have released, in Its Magnificent Determination today in this room, will be a memory long cherished by the Ascended Host of Light, the Cosmic Beings and the Cosmic Light Itself; for remember, the Cosmic Light of which We and the Messengers speak is that consciously, directed Force of Light from the Central Source of Life to the system of this World, and is the authority over the Life Streams and conditions that exist in the World. Therefore, this is how if necessary that Light as of a Thousand Suns shall descend into America and dissolve all selfishness, all discord from the Planet.

These are not idle words, but enough of mankind must have that determination, and I trust in the future there will never be one single student who will listen to gossip and falsehood to turn them aside from This Light, for the day is approaching when they may not return. Mankind in their idle determination to turn away from the Light think it is an idle thing. They will one day find, so near at hand, their great, great mistake.

As the Messengers have told the people, mankind is at the choosing point when they must determine whether they wish to serve the Light or the shadows. All human creation is but the shadows and has no power except what their self-generated energy has brought about. Therefore, they are standing against the Power of this Great Light which is the Intelligence, Power and Substance of the Universe.

Therefore, beware! Ascended Master Youth of America, when you call the Power of the Light Rays into action you are the Power of that Light and the Light in your Heart is responding to that Power which is the Authority and Power of the Light of the Universe, and nothing in the World can stand before that Light which you call forth.

Now in your beauty and youth, hold it forever and by the energy retained in your bodies, may your youth remain for a thousand years, if it is necessary, to hold the example before the Earth, before mankind of the Power of the Light and Its Supremacy through mankind and the Glory and the Radiance which It is in Its Dominion on the Earth, even as in the Higher Octaves of Light. So shall this become an Octave of Light instead of the human octave and in it the creation of mankind shall one day be dissolved in its completeness.

You as the Ascended Master Youth of America are a part of the Increase of that Glory which shall come forth. Will you feel today, not unduly, but feel that responsibility which you can be as an example to the World of Its Glorious, Magnificent Power of Light, Its Dominion and Glory, which you are a part of and you can expand until your body becomes the Luminous Presence and Its Radiance pours forth, dissolving instantly everywhere you move every discord of human creation and all human creation bows before you in the Strength and Power of that Light and Its Radiance going forth from you. Such is your privilege; such is your right; such is your authority into which you have entered in the acceptance of your Great Presence of Light.

I say to you sing, sing, sing these glorious Songs which have been brought forth, which are the Songs of Light lifting

you in their Words and Melody into the Glorious Victory of that Light. And even as the Goddess of Light has brought forth to you Her Call to Light, so are all of these Calls to Light in Its various vibratory action that will bring to you the Glory of that Freedom. Sing, sing, sing, and let the Light within your Heart and in every cell of your body sing its Joy, Freedom and Its Glory of Light and cause that Light to expand until there is nought else in your human form but the Glory and Dominion of that Light in Its Magnificent Splendor, Purity and Perfection.

Glory is the opportunity, Beloved Ascended Master Youth of America, in the Glory of that Light, a privilege which is yours today that no longer may age touch you; no longer may distress of the mass creation that has imposed upon mankind certain laws and limitations that are but human creation and have no power before you, the Ascended Master Youth of America, in maintaining the Glory, Light and Power and the Strength of that Light in, through and above you, leading you into the Glory of that Ever-Expanding Perfection and Glory that may outpicture in everything you do, everywhere you move and that you may project into everything that America requires.

I call to the Great Central Powers of Light, Intelligence and Force to take command of the government of these United States today. Take command! I command it in the Power and Purity of Life! Take command and remove from your government every person who is not serving the Light and replace them by Ascended Master Friends in Its Magnificence, Power and Majesty of Light; that no longer may anyone within your industry, transportation and conditions that exist in America remain who is not unselfish and filled with the Power, Glory and unselfish service to the Light of America but who places America foremost in the Glory of all achievement and their own personal requirements secondary. Then the Power of Light will so bless that person, place or condition and the Glory and every abundant good thing will pour forth in their Life Stream; and God, the "Mighty I AM," will find Its Dominion on this Earth! And it shall be by the Power of We Who have been drawn forth from the Great Silence and the magnificence of that Great Light

which knows no opposite and which once again will take Its Dominion upon this Earth. CALL! CALL! CALL! Beloved Ascended Master Youth of America, for this Dominion now.

Today you shall hear something which you will rejoice from your Great Goddess of Liberty. How She has remained, acting between the Octaves of Light and humanity these weary long years awaiting that response from mankind when there could be released into the world of mankind's action That which would defeat every destructive purpose.

Remember, the accumulation of mankind, its rapid, fast, dissolving activity begins today; and may everyone rejoice and feel the Full Glory of that import and Its Strength and Power to serve them as they serve America and their fellow man and feel the Glory of Its Ever-Expanding Splendor.

Remember the Purity of your Life, the Purity of your intent is the great and mighty Invitation to the Blessings of your Eternal Youth, your Perfection for yourselves and the Perfection and Protection of America and your Ascension, Eternally Free – that day when you join Us in the Great Octave of Light, having rendered your Utmost Service to America and your fellow man. Will you then see and know how We are rejoiced now in your attention to the Light and your Ever-Expanding Determination to be that Light and to let It be the Supreme Intelligence and Power governing you and your world now and forever, and I thank you.
