

PART THY GREAT CURTAIN OF GLORY

Part Thy Great Curtain of Glory,
And let me abide now within
The Heart of Thy Luminous Presence,
And by Its Great Love let me win
All of Light's Victory and Freedom,
All of God's Great Cosmic Peace;
By God's Sacred Fire and Silence
Flood Earth with Thy Cosmic Release!

Miracles and Marvels and Wonders
Flood forth from Thy Great Cosmic Hand,
And Power now All-Possessing
Reveals Thy Eternal Command!
Thy Great Cosmic Temple of Silence
Gives Power all may behold;
And those who enter Its Portals
Know how all Its Love here controls!

Its Glory! Its Heart and Its Presence
Forever are flooding to all
Perfection and God's Cosmic Bounty
To answer the Voice of Love's Call.
That Love in the Life of each Being
Expanding the Heart Realm of Life,
Where only God's Presence is dwelling
Forever prevents all strife!
